17 Section 1. Findings.

18 (a) Environmental and Land Use Findings.

19 (1) The Planning Department has determined that the Planning Code
 20 amendment proposed in this ordinance is subject to a Categorical Exemption from the
 21 California Environmental Quality Act (California Public Resources Code Sections 21000 et
 22 seq., "CEQA") pursuant to Section 15308 of the CEQA Guidelines (California Code of
 23 Regulations, Title 14, Sections 15000 et seq.), as an action taken by a regulatory agency for
 24 the protection of the environment (in this case, landmark designation). Said determination is
 25

1 on file with the Clerk of the Board of Supervisors in File No. _____ and is
2 incorporated herein by reference. The Board of Supervisors affirms this determination.

3 (2) Pursuant to Planning Code Section 302, the Board of Supervisors finds that
4 the proposed landmark designation amendment of Landmark No. 61, Sylvester House, to
5 rename the landmark the “Blacketer-Sylvester House” in recognition of the restoration and
6 stewardship of the building by former owner Linda Blacketer, Assessor’s Parcel Block No.
7 5340, Lot No. 006, will serve the public necessity, convenience, and welfare for the reasons
8 set forth in Historic Preservation Commission Resolution No. _____, recommending
9 approval of the proposed amended designation, which is incorporated herein by reference.

10 (3) The Board of Supervisors finds that the proposed amendment to the
11 landmark designation of Sylvester House is consistent with the General Plan and with
12 Planning Code Section 101.1(b) for the reasons set forth in Historic Preservation Commission
13 Resolution No. _____.

14 (b) General Findings.

15 (1) Pursuant to Charter Section 4.135, the Historic Preservation Commission
16 has authority “to recommend approval, disapproval, or modification of landmark designations
17 and historic district designations under the Planning Code to the Board of Supervisors.”

18 (2) Board of Supervisors Ordinance No. 124-74, enacted in March 1974,
19 designated the Sylvester House, located at 1556 Revere Avenue, Assessor’s Parcel Block
20 No. 0339, Lot No. 003, as Landmark No. 61. That Ordinance, which incorporated by reference
21 the Planning Commission and Landmarks Preservation Advisory Board resolutions and case
22 report (approved by LPAB on October 17, 1973) required that the “...Landmark should be
23 preserved generally in all of its particular exterior features as existing on the date hereof and
24 as described and depicted in the photographs, case report, and other material on file in the
25 Department of City Planning Docket LM 73.6.”

1 (3) On February 24, 2026, the Board of Supervisors adopted Resolution No.
2 070-26, initiating landmark designation amendment of Landmark No. 61, Sylvester House,
3 pursuant to Section 1004.1 of the Planning Code. On February 27, 2026, the Mayor signed
4 the approved Resolution. Said Resolution is on file with the Clerk of the Board of Supervisors
5 in Board File No. 260150.

6 (4) Planning Department Preservation staff prepared a Landmark Designation
7 Fact Sheet for amended landmark designation of Sylvester House, to rename the landmark
8 the “Blacketer-Sylvester House” in recognition of the restoration effort and stewardship of the
9 building by former owner Linda Blacketer. All preparers meet the Secretary of the Interior’s
10 Professional Qualification Standards for historic preservation program staff, as set forth in
11 Code of Federal Regulations Title 36, Part 61, Appendix A. The report was reviewed for
12 accuracy and conformance with the purposes and standards of Article 10 of the Planning
13 Code.

14 (5) On May 6, 2026, after holding a public hearing and having considered the
15 specialized analyses prepared by Planning Department staff, including the Landmark
16 Designation Fact Sheet, the Historic Preservation Commission recommended amending the
17 landmark designation of Sylvester House under Article 10 of the Planning Code by Resolution
18 No. _____. Said Resolution is on file with the Clerk of the Board in File No. _____.

19 (6) The Board of Supervisors hereby finds that Blacketer-Sylvester House,
20 located at 1556 Revere Avenue, has a special character and special historical, architectural,
21 and aesthetic interest and value, and that its amended designation as a Landmark will further
22 the purposes of and conform to the standards set forth in Article 10 of the Planning Code. In
23 doing so, the Board hereby incorporates by reference the findings of the Landmark
24 Designation Fact Sheet.

1 Section 2. Amendment of Landmark Designation.

2 (a) Pursuant to Section 1004.3 of the Planning Code, the Landmark Designation of
3 Sylvester House, located at 1556 Revere Avenue, Assessor's Parcel Block No. 5340, Lot No.
4 006, is hereby amended as specified in Sections 3 and 4 of this Ordinance.

5 (b) Appendix A to Article 10 of the Planning Code is hereby amended with respect to
6 Landmark No. 61, to indicate that Landmark No. 61 has been amended by this Ordinance.

7 (c) If there is a conflict between the landmark designation in this Ordinance and the
8 landmark designation in Ordinance No. 124-74, the provisions of this Ordinance shall prevail.

9
10 Section 3. Designation.

11 Pursuant to Section 1004 of the Planning Code, the Blacketer-Sylvester House, located
12 at 1556 Revere Avenue, Assessor's Parcel Block No. 5340, Lot No. 006, as set forth in
13 Section 4, is hereby designated as a San Francisco Landmark under Article 10 of the
14 Planning Code. Appendix A to Article 10 of the Planning Code is hereby amended to include
15 this property.

16
17 Section 4. Required Data.

18 (a) The description, location, and boundary of the Landmark site consists of the City
19 parcel located at 1556 Revere Avenue, Assessor's Parcel Block No. 5340, Lot No. 006, in
20 San Francisco's Bayview Hunters Point neighborhood.

21 (b) The characteristics of the Landmark that justify its amended designation are
22 described and shown in the Landmark Designation Fact Sheet and other supporting materials
23 contained in Planning Department Record Case No. 2026-002414DES. In brief, the Blacketer-
24 Sylvester House is eligible for landmark designation because it is associated with events that
25 have made a significant contribution to the broad patterns of San Francisco history (National

1 Register of Historic Places Criterion A) and as an example that embodies the distinctive
2 characteristics of a type, period, region, or method of construction (Criterion C). Specifically,
3 the Blacketer-Sylvester House is significant as a rare surviving example of a grand “farmhouse,”
4 representing the agricultural and ranching history of southeastern San Francisco. Furthermore,
5 1556 Revere Avenue, constructed between 1865 and 1870 by prominent carpenter and home
6 builder Stephen L. Piper, is an exceptionally fine and unique variation of a Victorian-era
7 Italianate villa with Gothic Revival detailing. The building, which had reached an advanced state
8 of deterioration by the early 1970s, is also an impressive example of dedicated and faithful
9 multi-decade restoration guided by former owner Linda Blacketer (joined later by her husband),
10 a public health nurse that purchased the building in 1978. This award-winning preservation
11 project focused on preserving and restoring distinctive original exterior and interior features,
12 through the efforts of artists and artisans dedicated to traditional craftsmanship in the building
13 arts, to ensure long-term preservation of this unique architectural and historical gem, one of
14 only a handful of rare, early and continually inhabited single-family Victorian-era dwellings in
15 San Francisco.

16 (c) The particular features that shall be preserved, or where the City determines it is
17 necessary due to deterioration of the feature, repaired or replaced in kind, are those generally
18 shown in photographs and described in the Landmark Designation Fact Sheet, which can be
19 found in Planning Department Record Case No. 2026-002414DES, and which are
20 incorporated in this designation by reference as though fully set forth. Specifically, the
21 following features are character-defining and shall be preserved, repaired in-kind, or replaced
22 in kind:

24 Revere Avenue), including:
