1 [Administrative Code - Hotel Conversion Ordinance]

2  
3 Ordinance repealing Ordinance Nos. 38-17 and 102-19, and reenacting certain  
4 provisions by amending the Administrative Code to update the Hotel Conversion  
5 Ordinance, including: adding or refining definitions of comparable unit, conversion,  
6 and low-income household; revising procedures for permits to convert residential  
7 units; harmonizing fees and penalty provisions with the Building Code; eliminating  
8 seasonal short-term rentals for residential hotels that have violated provisions of the  
9 Hotel Conversion Ordinance in the previous year; authorizing the Department of  
10 Building Inspection to issue administrative subpoenas; and affirming the Planning  
11 Department's determination under the California Environmental Quality Act.

12 NOTE: Unchanged Code text and uncodified text are in plain Arial font.  
13 Additions to Codes are in *single-underline italics Times New Roman font*.  
14 Deletions to Codes are in *strikethrough italics Times New Roman font*.  
15 Board amendment additions are in double-underlined Arial font.  
16 Board amendment deletions are in ~~strikethrough Arial font~~.  
17 Asterisks (\* \* \* \*) indicate the omission of unchanged Code  
18 subsections or parts of tables.

19 Be it ordained by the People of the City and County of San Francisco:

20 Section 1. Environmental Findings.

21 The Planning Department has determined that the actions contemplated in this  
22 ordinance comply with the California Environmental Quality Act (California Public Resources  
23 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of  
24 Supervisors in File No. 191258 and is incorporated herein by reference. The Board affirms  
25 this determination.

1 Section 2. Repeal of Ordinance Nos. 38-17 and 102-19.

2 (a) Except as stated in Section 4 of this ordinance, Ordinance No. 38-17 is hereby  
3 repealed in its entirety.

4 (b) Ordinance No. 102-19 is hereby repealed in its entirety.

5 (c) Ordinance No. 38-17 included amendments to Sections 41.3, 41.4, 41.9, 41.10,  
6 41.11, 41.12, 41.13, 41.14, 41.19, and 41.20 of the Administrative Code; and Ordinance No.  
7 102-19 included a further amendment of Section 41.4. There have been no other  
8 amendments to any of those Administrative Code sections following the enactment of  
9 Ordinance No. 38-17. Hence the effect of repealing Ordinance Nos. 38-17 and 102-19 is that  
10 the text of each of the Administrative Code sections listed above reverts to the text as it  
11 existed immediately prior to the effective date of Ordinance No. 38-17.

12 (d) Accordingly, the amendments to Sections 41.3, 41.4, 41.9, 41.10, 41.11, 41.12,  
13 41.13, 41.14, 41.19, and 41.20 of the Administrative Code in Section 3 of this ordinance are  
14 based on the text of those sections as it existed immediately prior to the effective date of  
15 Ordinance No. 38-17.

16  
17 Section 3. The Administrative Code is hereby amended by revising Sections 41.3,  
18 41.4, 41.9, 41.10, 41.11, 41.12, 41.13, 41.14, 41.19, and 41.20, to read as follows. In  
19 accordance with subsection (d) of Section 2 of this ordinance, for purposes of this Section 3,  
20 the "Unchanged Code text" referenced in the "Note" that appears under the official title of the  
21 ordinance means the text of the Administrative Code sections listed above as it existed  
22 immediately prior to the effective date of Ordinance No. 38-17.

23 **SEC. 41.3. FINDINGS.**

24 \* \* \* \*

1           ~~(m) Since enactment of this Chapter, residential units have been converted to tourist units and~~  
2 ~~the hotel operators have paid the 40 percent in-lieu fee to the City. This amount, 40 percent of the cost~~  
3 ~~of construction of comparable units plus site acquisition cost, has not been adequate to provide~~  
4 ~~replacement units. Federal, state and local funds were incorrectly assumed at that time to be available~~  
5 ~~and sufficient to make up the shortfall between the 40 percent in lieu fee and actual replacement costs.~~  
6 ~~For example, in 1979 the federal government was spending 32 billion dollars on housing and is~~  
7 ~~spending only 7 billion dollars in 1989.~~

8           (m n) Certain uses provide both living accommodation and services, such as health  
9 care, personal care, and counseling, to residents of the City. Examples of such uses are  
10 hospital; skilled nursing facility, AIDS hospice, intermediate care facility, asylum, sanitarium,  
11 orphanage, prison, convent, rectory, residential care facility for the elderly, and community  
12 care facility. Such facilities are often operated in buildings owned or leased by non-profit  
13 organizations and provide needed services to the City's residents. To subject such facilities to  
14 the provisions of this Chapter may deter future development of such facilities. It is desirable  
15 that such facilities exist and the City should encourage construction and operation of such  
16 facilities.

17           (n o) In addition, a form of housing facilities called "transitional housing" provides  
18 housing and supportive services to homeless persons and families and is intended to facilitate  
19 the movement of homeless individuals and families to independent living or longer term  
20 supportive residences in a reasonable amount of time. Transitional housing has individual  
21 living quarters with physical characteristics often similar to a residential hotel (i.e.,  
22 accommodations which provide privacy to residents) and provides a source of interim housing  
23 for homeless individuals and families seeking to live independently.

24           (o p) The City's public, quasi-public, and private social agencies serving the elderly and  
25 needy persons often find it difficult to immediately locate suitable housing units for such

1 persons returning to independent living after hospitalization or upon leaving skilled-nursing or  
2 intermediate care facilities within a short time after their discharge from a health facility. Such  
3 persons often will require minimum supervision and other interim social service support. The  
4 provision of a stable number of housing units for such emergency needs until permanent  
5 housing can be secured and supportive services arranged are necessary and desirable for the  
6 City. Emergency housing will have physical characteristics similar to "transitional housing" and  
7 is often intended to be occupied for a period of less than one month.

8 (p q) The City also wishes to provide positive incentives to encourage residential hotel  
9 owners and operators to comply with the terms of this Chapter. Hotel owners have expressed  
10 a need to rent certain residential units on a short term basis during the winter months. In an  
11 effort to address this need and to encourage compliance with this Chapter, the City wishes to  
12 provide an opportunity to hotel owners who have complied with the terms of this Chapter to  
13 rent a limited number of residential units to tourists during the winter months.

14  
15 **SEC. 41.4. DEFINITIONS.**

25 September 23, 1979, shall comply with the provisions of Section 41.8 herein.

1        ~~(h)~~ **Interested Party.** A permanent resident of a hotel, or his or her authorized  
2 representative, or a former tenant of a hotel who vacated a residential unit within the past 90  
3 days preceding the filing of a complaint or court proceeding to enforce the provisions of this

6 its articles of incorporation and/or bylaws.

[Administrative Code - Hotel Conversion Ordinance]

**Ordinance repealing Ordinance Nos. 38-17 and 102-19, and reenacting certain provisions by amending the Administrative Code to update the Hotel Conversion Ordinance, including: adding or refining definitions of comparable unit, conversion, and low-income household; revising procedures for permits to convert residential units; harmonizing fees and penalty provisions with the Building Code; eliminating seasonal short-term rentals for residential hotels that have violated provisions of the Hotel Conversion Ordinance in the previous year; authorizing the Department of Building Inspection to issue administrative subpoenas; and affirming the Planning Department's determination under the California Environmental Quality Act.**

Existing Law

The Hotel Conversion Ordinance ("HCO"), Administrative Code Chapter 41, regulates roughly 18,000 residential units within 500 residential hotels across the City. The HCO prohibits residential hotel operators from demolishing or converting registered residential units to tourist or transient use.

Ordinance No. 38-17 ("38-17") amended the HCO to: provide a definition for tourist and transient use (rental of 32 days or less); revise the definition of unlawful conversions; eliminate seasonal tourist rentals of vacant residential units for hotels that violated the Chapter; update the requirements for permit to convert applications; authorize DBI to issue administrative subpoenas; and update the penalty provisions and amounts for violations of the HCO. Shortly after enactment of 38-17, a group of plaintiffs led by San Francisco SRO Coalition filed a lawsuit challenging the environmental review (CEQA review) conducted for the ordinance and the definition of tourist and transient use. The City stipulated to not enforce the definition of tourist and transient use while litigation proceeded. In May of 2019, the City enacted Ordinance No. 102-19 ("102-19"), which revised the definition of tourist and transient use to to rentals from 32 to 30 days or less.

On September 24, 2019, the San Francisco Superior Court issued a writ of mandate setting aside and voiding 38-17 and 102-19 in their entirety.

Amendments to Current Law

Section 2 of the proposed legislation formally repeals 38-17 and 102-19 in their entirety in compliance with the court's order. The repeal will revert the HCO to the provisions as they existed prior to enactment of 38-17.

Section 3 of the proposed legislation would re-adopt all the provisions of 38-17 except for the definition of tourist and transient use. The proposed legislation reverts the provisions regarding unlawful conversion to the language prior to 38-17. This would, as mandated by the court, allow 7-day minimum rentals in residential hotel units.

The re-adopted provisions in the proposed legislation include: eliminating seasonal tourist rentals of vacant residential units for hotels that have violated any provision of the Chapter in the last calendar year; updating the requirements for permit to convert applications, by requiring that applicants provide information about where replacement units will be located and the most recent rental amount for the units to be converted; updating the definition of "comparable unit" to require any replacement housing to be the same category of housing as the residential unit being replaced; and affordable to a similar resident, including the disabled, elderly and low income tenant; authorizing DBI to issue administrative subpoenas to compel production of records where a hotel operator objects to producing them for inspection; and updating the penalty provisions and amounts for failure to comply with HCO requirements.

Additionally, the proposed legislation includes amendments not made in 38-17 or 102-19, these include: mandating compliance with certain posting requirements in 41.6(d); requiring that owners maintain receipts of rental transactions; clarifying the timing for posting conversion notices; and requiring that annual unit usage logs be filed under penalty of perjury.

#### Background Information

The HCO was first enacted in 1981. The HCO's purpose is to "benefit the general public by minimizing adverse impact on the housing supply and on displaced low income, elderly, and disabled persons resulting from the loss of residential hotel units through their conversion and demolition." The HCO includes findings that the City suffers from a severe shortage of affordable rental housing; that many elderly, disabled and low-income persons reside in residential hotel units, making it in the public interest to regulate and provide remedies for unlawful conversion of residential hotel units.

Prior to 38-17, the Board last amended and updated the provisions of the HCO in 1990. The proposed legislation, as was 38-17, is designed to re-adopt and update key provisions and clarify the application of the HCO in response to issues that have arisen over the last 29 years.

The proposed legislation would revert the rental duration to a 7-day tenancy as required by the court's order.

**STEP 6: CATEGORICAL EXEMPTION DETERMINATION**  
**TO BE COMPLETED BY PROJECT PLANNER**

<input checked="" type="checkbox"/>	No further environmental review is required. The project is categorically exempt under CEQA. There are no unusual circumstances that would result in a reasonable possibility of a significant effect.	
	Project Approval Action: Board of Supervisors Ordinance adoption	Signature: Joy Navarrete 02/19/2020
Once signed or stamped and dated, this document constitutes a categorical exemption pursuant to CEQA Guidelines and Chapter 31 of the Administrative Code. In accordance with Chapter 31 of the San Francisco Administrative Code, an appeal of an exemption determination can only be filed within 30 days of the project receiving the approval action. Please note that other approval actions may be required for the project. Please contact the assigned planner for these approvals.		

**STEP 7: MODIFICATION OF A CEQA EXEMPT PROJECT**

**TO BE COMPLETED BY PROJECT PLANNER**

In accordance with Chapter 31 of the San Francisco Administrative Code, when a California Environmental Quality Act (CEQA) exempt project changes after the Approval Action and requires a subsequent approval, the Environmental Review Officer (or his or her designee) must determine whether the proposed change constitutes a substantial modification of that project. This checklist shall be used to determine whether the proposed changes to the approved project would constitute a "substantial modification" and, therefore, be subject to additional environmental review pursuant to CEQA.

**MODIFIED PROJECT DESCRIPTION**

Modified Project Description:

**DETERMINATION IF PROJECT CONSTITUTES SUBSTANTIAL MODIFICATION**

Compared to the approved project, would the modified project:

<input type="checkbox"/>	Result in expansion of the building envelope, as defined in the Planning Code;
<input type="checkbox"/>	Result in the change of use that would require public notice under Planning Code Sections 311 or 312;
<input type="checkbox"/>	Result in demolition as defined under Planning Code Section 317 or 19005(f)?
<input type="checkbox"/>	Is any information being presented that was not known and could not have been known at the time of the original determination, that shows the originally approved project may no longer qualify for the exemption?

**If at least one of the above boxes is checked, further environmental review is required.**

**DETERMINATION OF NO SUBSTANTIAL MODIFICATION**

<input type="checkbox"/>	The proposed modification would not result in any of the above changes.
--------------------------	---

If this box is checked, the proposed modifications are categorically exempt under CEQA, in accordance with prior project approval and no additional environmental review is required. This determination shall be posted on the Planning Department website and office and mailed to the applicant, City approving entities, and anyone requesting written notice. In accordance with Chapter 31, Sec 31.08j of the San Francisco Administrative Code, an appeal of this determination can be filed within 10 days of posting of this determination.

### BOS 191258 Not a Project and Common Sense Exemption

In evaluating the appropriate level of environmental review, the lead agency must first establish whether the proposed activity is subject to CEQA. Pursuant to CEQA Guidelines Section 15060(c), an activity is not subject to CEQA if: (1) The activity does not involve the exercise of discretionary powers by a public agency; (2) The activity will not result in a direct or reasonably foreseeable indirect physical change in the environment; or (3) The activity is not a project as defined in Section 15378.

BOS File #191258 is an ordinance to amend the Administrative Code to update the Hotel Conversion Ordinance, including: adding or refining definitions of comparable unit, conversion, and low-income household; revising procedures for permits to convert residential units; harmonizing fees and penalty provisions with the Building Code; eliminating seasonal short-term rentals for residential hotels that have violated provisions of the Hotel Conversion Ordinance in the previous year; authorizing the Department of Building Inspection to issue administrative subpoenas. Adoption of an ordinance is clearly an activity undertaken by a public agency and thus is a potential "project" under CEQA. Nevertheless, enactment of the ordinance does not qualify as a "project" under CEQA because there is no basis to conclude that it "may cause either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment." In determining whether an activity may create a "reasonably foreseeable indirect physical change in the environment," as required to be a "project" under CEQA, it is important to understand that a physical change is identified by comparing existing physical conditions with the physical conditions that are predicted to exist when an activity of the type or kind as the proposed activity has been implemented. The difference between these two sets of physical conditions, if any, is the relevant "physical change" for CEQA purposes. (Pub. Res. Code § 21065).

Here, reenactment and amendment of certain provisions of the Administrative Code in the proposed legislation is not the type or kind of activity that would result in a direct physical change in the environment, as the legislation does not include a proposal for a specific physical project, such as construction of new hotels or rehabilitation of existing ones.

Furthermore, the legislation is not the type or kind of activity that would cause a reasonably foreseeable indirect physical change in the environment, either, because indirect physical changes in the environment do not result from ordinances that solely relate to administrative and procedural issues such as the ones addressed by the legislation. Any potential physical changes that may be caused by enactment of the proposed legislation are too speculative or unlikely to be considered reasonably foreseeable. The ordinance would not change the locations in which hotels are permitted in the city. Instead, both before and after adoption of the legislation, hotels are allowable in locations spread throughout the city. The types of activities associated with the occupants of existing residential hotels would not change. Therefore, whatever impacts these residential hotels have on the physical environment today, prior to the adoption of the proposed legislation, would remain the same, as there is no change in the fundamental nature of the use.

The amounts of services (transit, gas, water, electricity, medical, safety, etc.) used by residential hotel tenants will not change as a result of the ordinance. Therefore, this legislation does not lead to reasonably foreseeable indirect physical changes in the environment, because it would lead to no adverse change in physical environmental conditions.

Also, the planning department determined that BOS File #191258 is exempt from environmental review under the common sense exemption, pursuant CEQA Guidelines Section 15061(b)(3), as the project has no potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA.

RE: Appeal of CEQA Categorical Exemption Determination  
File No. 191258 [Administrative Code - Hotel Conversion Ordinance]

Dear President Yee and Honorable Members of the Board of Supervisors:

This office represents the San Francisco SRO Hotel Coalition and numerous other individual owners of SROs (collectively "Owners"). The Owners hereby appeal the California Environmental Quality Act Categorical Exemption determination for File No. 191258.

This ordinance constitutes a citywide rezoning, which may have significant adverse impacts on the environment.

- The Amendment limits lawful short-term rentals at SRO hotels, which will disrupt occupancy patterns and shift occupancy to other parts of the City and region. The impacts of this disruption must be studied.
- The Amendment does not qualify for an existing facilities or new construction Categorical Exemption; rather, this is a change of zoning law.

We also note that a hearing on the proposed ordinance is premature. This ordinance must first be reviewed by the Planning Commission as required by San Francisco Charter Section 4.105 ("An ordinance proposed by the Board of Supervisors concerning zoning shall be reviewed by the Commission."). This hearing has not yet occurred.

Likewise, the ordinance must first be reviewed by the Building Inspection Commission as required by San Francisco Building Code § 104A.2.11.1 ("Upon introduction of an ordinance amending the Codes cited above in Section 104A.2.11" [which includes "other Code enforced by the Department of Building Inspection"], "the Clerk of the Board of Supervisors shall transmit the proposed ordinance to the Building Inspection Commission for a public hearing pursuant to Section D3.750-5 of the San Francisco Charter."). This hearing has not yet occurred.

Pursuant to Administrative Code § 31.16(b)(3), pending a decision on this appeal, “the Board may not take action to approve the project but may hold hearings on the project and pass any pending approvals out of committee without a recommendation for the purpose of consolidating project approvals and the CEQA appeal before the full Board . . . .”

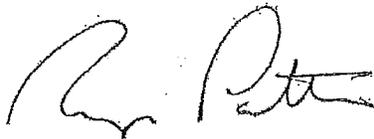

The Owners have previously submitted for the Board’s record the extensive briefing from the trial and appellate courts, and we again refer the Board’s attention to those records.

The Owners reserve the right to submit additional written and oral comments, bases, and evidence in support of this appeal up to and including the final hearing on this appeal and any and all subsequent permitting proceedings or approvals for the Project. Appellant requests that this letter be placed in and incorporated into the administrative record for BOS File No. 191258 and Planning Case No. 2020-000351 ENV. A copy of this letter of appeal will be concurrently submitted to the Environmental Review Officer.

The Owners respectfully request that the Board of Supervisors revoke the Categorical Exemption determination and require further environmental review pursuant to CEQA.

Very truly yours,

ZACKS, FREEDMAN & PATTERSON, PC

RE: File No. 191258 [Administrative Code - Hotel Conversion Ordinance]

Dear Supervisor Ronen and Honorable Members of the Rules Committee:

This office represents the San Francisco SRO Hotel Coalition, Hotel Des Arts and numerous other individual owners of SROs (collectively "Owners"). The Owners object both substantively and procedurally to File No. 191258 (the "Amendment") based on CEQA, this Board's rules of order, local, state and federal law, including on the following grounds:

- The Owners were given no notice of this proposed Amendment or notice of today's hearing, despite their property rights being particularly and significantly affected by it.
- The Amendment violates the Court's order in Superior Court Case No. CPF-17-515656 by attempting to repeal the 2017 and 2019 SRO ordinances while simultaneously making new changes. The Court deemed the previous ordinances void. The City must begin by repealing them and then subsequently – and separately – consider any new amendments to its SRO laws.
- This ordinance constitutes a citywide rezoning, which may have significant adverse impacts on the environment.
  - o The Amendment limits lawful short-term rentals at SRO hotels, which will disrupt occupancy patterns and shift occupancy to other parts of the City and region. The impacts of this disruption must be studied.
  - o The Amendment does not qualify for an existing facilities or new construction Categorical Exemption; rather, this is a change of zoning law.
- Today's hearing is premature. This Amendment must first be reviewed by the Planning Commission and Building Inspection Commission. (See, e.g., Planning Code § 302.)
- The proposed Amendment would eliminate affordable tourist accommodations in violation of the California Coastal Act.
