Dear Ms. Calvillo,

On April 19, 2018, the Planning Commission conducted duly noticed public hearings at regularly scheduled meetings to consider the proposed Ordinance, initiated by the Planning Commission on March 8, 2018, to allow limited nonconforming uses in specified zoning districts to operate between the hours of 10:00 p.m. and 12:00 a.m. with Conditional Use authorization. At the hearing the Planning Commission recommended approval.

The proposed amendments are not defined as a project under CEQA Guidelines Section 15060(c) and 15378 because they do not result in a physical change in the environment.

Please find attached documents relating to the actions of the Commission. A redline version along with two copies will be delivered to the Clerk's office following this transmittal. If you have any questions or require further information please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Aaron Starr", written over a white background.
