A Community Foundation

Ms. Angela Calvillo Clerk of the Board San Francisco Board of Supervisors City Hall, Room 244 1 Dr. Carlton B. Goodlett Place San Francisco, CA 94102

Dear Ms. Calvillo:

The Asian Pacific Fund is pleased to apply for participation in the 2016 San Francisco City and County Employees Combined Charities Campaign.

Founded in 1993, the Asian Pacific Fund is a charitable community foundation that is a federation representing approximately 40 organizations who serve the Asian and Pacific Islander community in the Bay Area. Given that over 36% of the population in San Francisco is Asian or Pacific Islander American, we believe that many donors would appreciate having options that directly benefit this substantial constituent of our San Francisco community.

Enclosed please find all required materials in accordance with our understanding of the Administrative Code set forth by the Board of Supervisors in Section16.93-2, which includes:

- 1. A list of current Asian Pacific Fund affiliate organizations, all of which are located in one of the 6 counties listed in Section 16.93-2. (Criteria A)
- 2. A copy of our IRS 501(c)(3) Tax Exempt letter (Criteria B)
- 3. A copy of the Asian Pacific Fund's 2014-15 Annual Report (Criteria C-1)
- 4. A copy of the Asian Pacific Fund's most recent Form 990 (Criteria C-2)
- 5. A copy of the Asian Pacific Fund's most recent certified audit (Criteria D)

Any additional information we can present in order to support this application, please let us know.

Dear Taxpayer:

This is in response to your June 18, 2012, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in December 1994.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

We have audited the accompanying financial statements of Asian Pacific Fund (a nonprofit organization), which comprise the statements of financial position as of June 30, 2015 and 2014, and the related statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Asian Pacific Fund as of June 30, 2015 and 2014, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Dun Pilger mayer, dre.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The functional expenses on page 23 is presented for the purpose of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP"). Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions.

The Fund is required to report information regarding its financial position and activities in accordance with three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted

Those net assets and activities which represent the portion of expendable funds that are available to support the Fund's operations. The Board of Directors may designate a portion of these net assets for specified purposes.

Temporarily Restricted

Those net assets and activities which are donor-restricted for (a) support for specific operating activities; (b) investment for a specified term; (c) use in a future period; or (d) acquisition of long-lived assets.

Permanently Restricted

Net assets that are subject to donor-imposed restrictions requiring that they be retained permanently by the Fund as donor restricted endowments. Some or all of the income and appreciation from such endowments, once appropriated for distribution, is available for general operations or specific programs as specified by the donor.

Use of Estimates

Preparation of financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues, and expenses and to disclose any material contingent amounts. Accordingly, actual results could differ from such estimates.

Cash and Cash Equivalents

Cash and cash equivalents include cash balances and highly liquid investments with original maturities of three months or less at acquisition which are not managed as part of long-term investment strategies and are not legally restricted.

Pledges Receivable, Net

Pledges receivable, net which are expected to be collected within one year are recorded at net realizable value. Pledges receivable, net which are expected to be collected in future years are recorded at the present value of their estimated future cash flows. Amortization of these discounts is included in contributions revenue in the accompanying statement of activities.

Investments

Investments are stated at fair value. The Fund has engaged professional investment advisors to manage its portfolio. The Board of Directors has provided the firms with guidelines consistent with a socially responsible prudent investment policy and the conservative nature of the Fund. Gains and losses that result from market fluctuations are recognized in the period in which such fluctuation occurs.

The Fund has eleven endowment funds that are pooled for investment purposes in one investment account. The value of donated securities is recorded at market price on the date of transfer. Donated securities are liquidated shortly after receipt.

Charitable Remainder Trusts

The Fund has been designated as the trustee for three irrevocable charitable remainder trusts, administered by Wells Fargo Bank. The trust agreements generally require the Fund to make annual payments to the trust beneficiaries based on stipulated payment rates ranging from 5% to 10%, applied to the fair value of the trust assets, as determined annually. Upon the death of the beneficiaries, or other termination of the trusts as may be defined in the individual agreements, the remaining trust assets will be distributed by the Fund to itself (and to other beneficiaries, as applicable), as stipulated in the trust agreements.

The fair value of the trust assets has been included in the Fund's statements of financial position. A corresponding liability, reported as liabilities under charitable remainder trusts in the accompanying statements of financial position, has been recorded to reflect the present value of required lifetime payments to the named income beneficiaries using discount rate of approximately 2% for each of the years ended June 30, 2015 and 2014. Management calculates valuations annually by updating life expectancy of the income beneficiaries and investment values.

Liabilities under split-interest agreements represent the present value of the investments held in charitable remainder trusts owed to remainder beneficiaries other than the Fund, at the settlement of the trusts. These liabilities are calculated as a percentage of the present value of the investments held in charitable remainder trusts. Split-interest agreements are charitable remainder trust agreements that name the Fund and one or more other charities as remainder beneficiaries.

The difference between the fair value of the assets received and present value of the obligation to named beneficiaries under the agreements is recognized as contribution revenue in the year the agreement is signed. Realized and unrealized gains and losses, interest and dividend income from the investments and payments of the obligations are reflected as adjustments to obligations under split-interest agreements in the accompanying statements of financial position. Amortization of discounts and changes in actuarial assumptions are reflected in the statements of activities and changes in net assets as a change in value of charitable remainder trusts.

Property and Equipment

All acquisitions and major improvements of property and equipment in excess of \$1,000 are capitalized; maintenance and repairs which do not extend the useful life of the respective assets are expensed. Property and equipment are stated at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives on the property and equipment. Estimated useful lives range from three to seven years.

Scholarships and Grants Payable.

Grants and scholarships are recognized in the period the grant or scholarship is approved. Grants and scholarships payable that are expected to be paid in future years are recorded at the present value of expected future payments.

Fair Value of Financial Instruments

Financial instruments included in the Fund's statements of financial position include cash and cash equivalents, pledges receivable, net, investments, investments held in charitable remainder trusts, accounts payable and accrued expenses, scholarships and grants payable, net, liabilities under charitable remainder trusts and liabilities under split-interest agreements. For cash and cash equivalents, pledges receivable, net, accounts payable and accrued expenses and scholarships and grants payable, net, the carrying amounts represent a reasonable estimate of the corresponding fair values. Investments, investments held in charitable remainder trusts, liabilities under charitable remainder trusts and liabilities under split-interest agreements are reflected in the accompanying statements of financial position at their estimated fair values using methodologies described below.

Fair Value Measurements

The Fund carries certain assets and liabilities at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In addition, the Fund reports certain investments using the Net Asset Value ("NAV") per share as determined by investment managers under the so-called "practical expedient." The practical expedient allows net asset value per share to represent fair value for reporting purposes when the criteria for using this method are met.

Fair value measurement standards also require the Fund to classify these financial instruments into a three-level hierarchy, based on the priority of inputs to the valuation technique or in accordance with net asset value practical expedient rules, which allow for either Level 2 or Level 3 reporting depending on lock up and notice periods associated with the underlying funds. The Fund classifies its financial assets and liabilities according to three levels, and maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value.

Level 1 – quoted prices in active markets for identical investments

Level 2 – other significant observable inputs (including quoted prices for similar instruments, interest rates, prepayment speeds, credit risk, etc.).

Level 3 – significant unobservable inputs (including the Fund's own assumptions in determining fair value instruments).

Endowment Funds

Interpretation of Relevant Law

The Board of Directors of the Fund has interpreted California's enacted version of the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment fund, absent explicit donor stipulations to the contrary. As a result, the Fund classifies as permanently restricted net assets (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts donated to the permanent endowment, and (3) additions to the permanent endowment in accordance with donor directions. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Fund in a manner consistent with the standard of prudence prescribed by the enacted version of UPMIFA.

In accordance with the State of California's enacted version of UPMIFA, the Fund considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- (1) The duration and preservation of the fund
- (2) The purposes of the Fund and the endowment funds
- (3) General economic conditions
- (4) The possible effect of inflation and deflation
- (5) The expected total return from income and the appreciation of investments
- (6) Other resources of the Fund
- (7) The investment policies of the Fund

Return Objectives and Risk Parameters

The Fund has adopted investment and spending policies for endowment assets that attempt to achieve a growth in principal that will support a continuing rise in charitable distributions from its endowments, avoid a high degree of risk and ensure endowment funds will operate in perpetuity. Accordingly, the investment process seeks to achieve an after-cost total real rate of return, including investment income as well as capital appreciation, which exceeds the annual distribution with acceptable levels of risk. Endowment assets are invested in a well-diversified asset mix, which includes equity and debt securities, that is intended to result in a consistent inflation-protected rate of return that has sufficient liquidity to make an annual distribution of 5%, while growing the funds if possible. Actual returns in any given year may vary from this amount. Investment risk is measured in terms of the total endowment fund; investment assets and allocation between asset classes and strategies are managed to not expose the Fund to unacceptable levels of risk.

Strategies Employed for Achieving Objectives

To satisfy its long-term rate-of-return objectives, the Fund relies on a total return strategy in which investment returns achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Fund targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

2. Summary of Significant Accounting Policies, continued

Endowment Funds, continued

Spending Policy

The spending rate is set each year as part of the annual budget process for the subsequent fiscal year and is calculated every quarter as a percentage of the average endowed fund balance over the previous 36 months. In accordance with donor instructions, this amount is expendable for either general or specific purposes. Appropriations made from the endowment for the years ended June 30, 2015 and 2014 were \$326,553 and \$251,406, respectively.

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the original endowment corpus. In accordance with accounting principles generally accepted in the United States of America, deficiencies of this nature that are reported in unrestricted net assets were \$604,169 and \$493,416 as of June 30, 2015 and 2014, respectively. These deficiencies resulted from unfavorable market fluctuations.

Contributions

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Temporarily restricted contributions are recorded to recognize donor-imposed or timing restrictions, including bequests and split-interest agreements. Permanently restricted contributions are recorded where the donor has permanently restricted the gift. In the event that the Fund receives donated securities, the securities are liquidated shortly after receipt.

Functional Expense

The costs of the Fund's various activities have been summarized on a functional basis in the accompanying statements of activities and changes in net assets and functional expenses. Expenses are allocated to program and supporting services based on the purpose of each expenditure, services provided for each program, and the respective usage of the Fund's assets. Expenses relating to more than one function are allocated to program service, management and general and fundraising costs based on employee time and expense studies or other appropriate usage factors.

Restricted Contributions

Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted support.

Grants and Scholarships Expense

Grant and scholarship expenditures are recognized in the period the grant or scholarship is approved provided the grant or scholarship is not subject to significant future conditions. Conditional grants and scholarships are recognized as grants and scholarships expense and as grants and scholarships payable in the period in which the grantee or student meets the terms of the conditions. Grants and scholarships are returned to the Fund if certain conditions are not met. Returned grants and scholarships are included as a reduction of grants and scholarship expense in the accompanying statements of activities and changes in net assets.

Advertising Costs

Advertising costs are expensed as incurred. Advertising expense for the years ended June 30, 2015 and 2014 was \$1,861 and \$1,780, respectively.

Income Taxes

The Fund is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from California franchise taxes under Section 23701d of the Revenue and Taxation Code. In addition, the Fund qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation under Section 509(a).

Certain prior year balances have been reclassified to conform to the basis of presentation used as of June 30, 2015.

The Fund determined these funds should be held with the endowment earnings until appropriately spent.

Annual Management fee (assessed quarterly):		
The first \$25 million	1.00%	
Assets between \$25–\$50 million	0.75%	
Assets over \$50 million	0.50%	

Minimum fee is \$100 per endowed fund.

11. Lease Commitment

The Fund occupies its office facilities in San Francisco under an operating lease which expires in December 2017. Rent payments are payable monthly and annually increase in January.

NOTES TO FINANCIAL STATEMENTS

June 30, 2015 and 2014

11. Lease Commitment, continued

Future obligations to pay under the lease agreement for the years ended June 30, consists of the following:

2016		\$ 57,308
2017		58,723
2018	_	 29,715
		\$ 145,746

Rent expense for the years ended June 30, 2015 and 2014 was \$55,992 and \$54,964, respectively.

12. Conditional Promise to Give

In October 2010, a foundation donor agreed to match contributions and firm commitments made to the Fund on a one-for-one basis up to \$5,000,000, received from July 1, 2009 through December 31, 2014. At least 50% of matched contributions must be raised directly by board members or come directly from them. The maximum amount of matching is \$1,000,000 per calendar year, paid in \$250,000 increments. Total funds collected and matched will add to existing endowed funds or create one or more new endowment funds. Funds matched under this agreement and recorded as foundation and corporate grant revenue during the years ended June 30, 2015 and 2014 totaled \$250,000 and \$250,000, respectively.

13. Concentrations of Credit Risk

Financial instruments that potentially subject to credit risk consist primarily of cash and cash equivalents, accounts receivable, and investments. The Fund maintains cash and cash equivalents with one major financial institution. The balances held by bank are insured by the Federal Deposit Insurance Corporation ("FDIC") up to \$250,000. Cash on deposit occasionally exceeds federally insured limits. The Fund has not experienced any losses in such accounts and management believes it is not exposed to any significant credit risk.

The Funds credit risk is inherent principally in its investments. Adverse economic conditions either nationwide or internationally may result in a reduction of the investments carrying amount. The maximum loss on the investments would be the carrying amount in the financial statement, less amounts insured by the Securities Investor Protection Corporation ("SIPC"). Balances may periodically exceed SIPC limits.

As of June 30, 2015 and 2014, three donors comprised approximately 74% and one donor comprised approximately 91% of the net pledge receivable balance, respectively.

For the year ended June 30, 2015, two donors contributed amounts representing 27% of total contributions. For the year ended June 30, 2014, one donor contributed amounts representing 20% of total contributions and 52% of foundation and corporate grants, respectively.

NOTES TO FINANCIAL STATEMENTS

June 30, 2015 and 2014

14. Unrestricted Net Asset Deficit

The accompanying financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America, which contemplates a composition of assets to satisfy donor restrictions. However, as of June 30, 2015 and 2014, unrestricted net assets have a deficit of \$1,028,115 and \$1,318,730, respectively, which reduces the net assets available for funding amounts and potentially encumbers restricted net assets. The current year deficit in unrestricted net assets includes underwater endowment balances of \$604,169, and previous year multi-year grants expenses of \$300,000 where funds remain temporarily restricted as the grants will be paid in the coming year.

15. Subsequent Events

The Fund has evaluated subsequent events for potential recognition and/or disclosure through October 22, 2015, the date which the financial statements were available to be issued. No such additional events exist.

INVESTING IN OUR FULURE

GRANTS TO OUR COMMUNITY

Our network of 74 nonprofit organizations works tirelessly to serve the most vulnerable members of the Bay Area's Asian and Pacific Islander community. For these groups, funding to strengthen their sustainability and impact is a top priority but is often the hardest to secure. Through our Capacity Building and Civic Engagement Initiative, we are helping our affiliates invest in infrastructure that is critical to their future success. This three-year program that launched in 2014 distributes \$300,000 annually to 11 organizations and supports critical projects that include:

- ◆ Upgrading a fundraising database for a Chinatown civil rights group that advocates for our immigrant community
- ◆ Funding positions that strengthen two domestic violence prevention agencies in San Francisco and San Jose
- Expanding medical services at a free community clinic that serves low-income and LGBTQI Asian residents in the Tenderloin
- ♦ Completing a major Bay Area Korean community needs assessment that found high incidences of breast cancer among Korean women
- ◆ Establishing best practices and leadership training for a youth development organization that serves more than 5,000 at-risk Asian young people per year

Faithquakes periodically devastate, the houselands of smarty Asians and Pacific translates bring in the Bay Area and Albert is learning what can be done about it. In 2015, the Asian Pavific Fund distributed nearly \$200,000 in scholarships to 76 students, primarily from low-income communities.

WHAT OUR PARTNERS ARE SAYING

The Asian Pacific Fund is more than our funder — they are invested in our successes in such a personalized way. They asked us for meaningful input from the very beginning and made good on tailoring their approach to meet our needs. API Wellness Center is stronger and has achieved bigger wins because of their support.

Lance Toma, Executive Director, Asian & Pacific Islander Wellness Center

It's difficult to get funding for capacity building, and the Asian Pacific Fund understands how important this is to an organization's future. Their support is making it possible for CYC to strengthen its impact on the youth and the community it serves.

COMMUNITY SPOTLIGHT: VIETNAMESE YOUTH DEVELOPMENT CENTI

San Francisco's Tenderloin district is not known as family friendly, it's where thousands of Southeast Asian refugees settled down after Vietnam War. Since 1975, Cambodian, Laotian and Vietnamese refug have raised their families in this high-crime, but affordable, neighborho

Located at the heart of the Tenderloin, the Vietnamese Yo Development Center (VYDC) is a lifeline for families struggling

survive. Southeast Asian parents depend on VYDC for everything from parenting workshops to workplacereadiness training. Children in the neighborhood look to VYDC as a safe haven that provides after-school programs, summer camp and job training.

Judy Young, executive

director of VYDC, considers the top three challenges facing families her neighborhood to be the cost of housing, language barriers and unemployment rate that is five times the City's average. To address th needs, VYDC helps community members fight evictions and deve skills,

Judy says, "Oftentimes immigrant families have trouble access social services and look to us for support. With the help of As: Pacific Fund, we're investing in our long-term succ have hired a grant writer, secured a major grant a expanding our base of donors."

The widespread perception that all Asian Americans are well-educated and successful masks the struggles that many in our community face. This lack of visibility often results in diminished support and services for some of our most vulnerable. The Asian Pacific Fund supports organizations that address community needs and helps donors maximize the impact of their contributions to these important causes. In 2015, the Asian Pacific Fund distributed nearly three-quarters of a million dollars in grants and scholarships to support the most vulnerable members of our community.

BOARD SPOTLIGHT: SATISH RISHI

I am proud to be a part of an organization that is providing support that addresses the needs of the Asian community in the Bay Area. Many of us are unaware of the hardships caused by cultural differences and norms. Through its grants and scholarships, the Asian Pacific Fund aims to improve the lives and livelihoods of those community members who are most in need.

MESSAGE FROM THE CHAIR

Dear Friends and Supporters,

I'm often asked what has kept me engaged as a board member of the Asian Pacific Fund for the past 22 years. Besides the great needs in our local Asian community and the opportunity to have an impact, there is something far more profound that binds me to its mission year after year. It is a distinct and compelling quality about the Asian

community that inspires me to this day. That quality is called soul and it is embodied in our donors, our board members, our community organizations and the people we help.

As for the soul of the Asian Pacific Fund, it is beautifully expressed through our signature program, Growing Up Asian in America, which turns 20 this year. Our annual art, video and essay contest captures the emotions and experiences of our youth as they deepen their sense of Asian roots while forging their own identities and visions of success. The literary and artistic fruits of this contest bring to life why we are so invested in our community.

In just the last three years, we have more than doubled the grant dollars we distribute. But it is how we impact our community that makes the Asian Pacific Fund unique. We give grants to help organizations operate and fundraise more effectively, making them stronger so they can not only survive but help more people in need. An example is the Community Youth Center (CYC) which used our grant and guidance to win a \$400,000 grant from a consortium of foundations. The CYC was the only Asian organization from the Bay Area to be chosen among 90 applicants from across the state for these large grants. According to their Executive Director, Sarah Wan, "We owe it all to the Asian Pacific Fund for getting us on track and moving forward." This represents the ripple effect possible through the strategic investment of our collective resources.

Thank you for helping us to create the ripples of support that are reaching our most vulnerable with lasting impact and heartfelt soul. On behalf of all of us at the Fund, we look forward to continuing to work together to strengthen our Asian Pacific Islander community while improving lives.

Sincerely yours,

Emerall Yel

CELEBRATING LEADERSHIP AND CHEATIVITY

LEADERSHIP IN PHILANTHROPY AWARD: GIDEON YU

Each year, the Fund's board of directors selects an individual who has achieved significant success while also making a difference by giving back. Gideon Yu is the chief executive officer and co-founder of Eva Automation as well as a co-owner and former president of the San Francisco 49ers. He was the first team president of color in the National Football League. Prior to his career in sports management, Gideon was the chief financial officer of both Facebook and YouTube. Through his family foundation, he has supported anti-poverty programs, scholarships at Stanford University and ministries across the country. He has also been a major contributor to and board member of the UCSF Foundation and organizations that support the underserved, such as BUILD and Tipping Point Community.

CHANG-LIN TIEN LEADERSHIP IN EDUCATION AWARD: S. DAVID WU

The Tien Award honors the legacy of Dr. Chang-Lin Tien, the former chancellor of the University of California, Berkeley, and the first Asian American to lead a major university. To honor Dr. Tien's inspiring legacy, his family established this program to encourage more Asian Americans to aspire to the leadership that he exemplified. This year's recipient, S. David Wu, joined George Mason University as provost and executive vice president in 2014. As chief academic officer, he is responsible for all aspects of academic administration at the university. Prior to his most recent appointment, Dr. Wu served as dean of the P.C. Rossin College of Engineering and Applied Science and held the Lee A. Iacocca endowed chair at Lehigh University.

THE 20TH ANNIVERSARY OF GROWING UP ASIAN IN AMERICA: CELEBRATING OUR ROOTS

In celebration of the 20th anniversary of Growing Up Asian in America, we asked Bay Area students to share the story of their family's journey to the United States. More than 700 Asian and Pacific Islander K-12 students submitted art, essay and video entries for this year's program. This is what a couple of this year's winners shared with us:

My father wants me to appreciate how much I have in this country, especially my freedom, opportunity and privilege. In addition, he wants to share his legacy with me and my siblings, which involves remembering your roots — where you come from and those you leave behind.

Celebrating My Roots
Adam D., Grade 8, San Jose

I see my father get up for his job at 6 A.M. and finally arrive home at 9 R.M. I see my mother staying at home doing her best to raise me and my sister, while taking care of my ill grandmother. I see the reality of life without higher education. The financial stress and hard work for little pay is what my parents know. I know that I can make my life and my family's life much more comfortable with the power of education.

Dear Applicant:

Based on information supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code.

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably be expected to be a publicly supported organization described in section 509(a)(1) & 170(b)(1)(A)(vi).

Accordingly, you will be treated as a publicly supported organization, and not as a private foundation, during an advance ruling period. This advance ruling period begins on the date of your inception and ends on the date shown above.

Within 90 days after the end of your advance ruling period, you must submit to us information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, you will be classified as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, you will be classified as a private foundation for future periods. Also, if you are classified as a private foundation, you will be treated as a private foundation from the date of your inception for purposes of sections 507(d) and 4940.

Grantors and donors may rely on the determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you submit the required information within the 90 days, grantors and donors may continue to rely on the advance determination until the Service makes a final determination of your foundation status. However, if notice that you will no longer be treated as a section 170(b)(1)(A)(vi) organization is published in the Internal Revenue Bulletin, grantors and donors may not rely on this determination after the date of such publication. Also, a grantor or donor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act that resulted in your loss of section 170(b)(1)(A)(vi) status, or acquired knowledge that the Internal Revenue Service had given notice that you would be removed from classification as a section 170(b)(1)(A)(vi) organization

If your sources of support, or your purposes, tharacter, or method of operation change, please let us know so we can consider the effect of the change on your exempt status and foundation status. Also, you should inform us of all changes in your name or address.

Generally, you are not liable for social security (FICA) taxes unless you file a waiver of exemption certificate as provided in the Federal Insurance Contributions Act. If you have paid FICA taxes without filing the waiver, you should call us. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, you are not automatically exempt from other Federal excise taxes. If you have any questions about excise, employment, or other Federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

You are required to file Form 990, Return of Organization Exempt from Income Tax, only if your gross receipts each year are normally more than \$10,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. The law imposes a penalty of \$10 a day, up to a maximum of \$5,000, when a return is filed late, unless there is reasonable cause for the delay.

You are not required to file Federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T. In this letter, we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, a number will be assigned to you and you will be advised of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

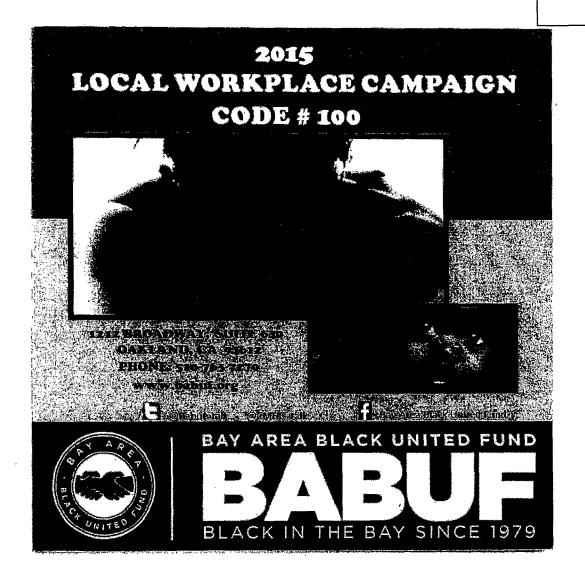

Because this letter could help resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Price L. Jan.

Health Conductors (X) 2015

Based upon the Health Conductor model, the new curriculum will focus on engaging a young generation, 18-30 years old, in a behavioral health modification with a health intervention and community leadership component. The goal of this Conductor model is to develop life changing behaviors and attitudes earlier to avert potential chronic disease conditions. The behavior modification will focus on both face to face and online strategies.

Be Black, Be Well.

This is a campaign, both narrative and community building strategy launched in an effort to change the way both young and older Black folk see our health, participate in activities (like regular exercise), engage in behaviors (getting an education, eating healthier), as a means of personal and community empowerment. Too often our health is described in the negative-as a disparity. But our individual and community health is more than a data set of negative health indicators. Our health can be a positive affirmation of who we are. We are expanding the traditional definition of health to include four pillars of health:

I am healthy because I am educated

I am healthy because I am employed

I am healthy because my community is free of violence

I am healthy because our Black men and boys are thriving.

Critical Mass Health Conductors 2015

The Critical Mass Health Conductors (HC) is the preeminent behavioral health modification strategy created by and for the Black community. Begun in 2005, HC recruits, educates and trains volunteers during a four month "class" utilizing an afro-centric curriculum. During the process, participants become empowered through self-awareness, group support and guidance from a trained "Conductor" to embrace a personalized behavioral health modification strategy that becomes the framework for a life changing experience. Upon graduation, each participant receives a Health Conductor number that designates their "passage" into an empowered life of individual and community health advocacy. Over 900 Bay Area residents are Health Conductors.

Independent Auditor's Report

To the Board of Directors
Bay Area Black United Fund, Inc.

I have audited the accompanying financial statements of Bay Area Black United Fund, Inc., (a nonprofit organization), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bay Area Black United Fund, Inc. as of December 31, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report issued in accordance with Government Auditing Standards

In accordance with Government Auditing Standards, I have also issued a report dated August 28, 2015, on my consideration of Bay Area Black United Fund, Inc.'s internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts, agreements and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of my audit.

BAY AREA BLACK UNITED FUND, INC. NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Bay Area Black United Fund, Inc. (BABUF) is a not-for-profit organization incorporated under the laws of the State of California in 1976. Through the community outreach program the primary mission of the corporation is to promote and build partnerships between the Bay Area Black United Fund and organizations that, together, maximize our capacity to serve African American people and other communities of color.

In pursuit of its mission, the Bay Area Black United Fund, Inc.'s primary goal is to build self-reliance and self-sufficiency in communities we serve by building institutions that seek solutions to community needs, and will "teach people how to fish" for themselves. While BABUF's initial focus has been on the black community, the institution has, through the years, demonstrated its capability and desire to respond to the changing demographics of its service area.

The BABUF family of assisted agencies, in the future, will include the Latino, Asian, and Native American communities, as well as the homeless population, where race makes little or no difference. We will bring together resources-people, competency, and money - in ways that support human growth and development, and community healing and renewal for African American people and other communities and activities aimed at increasing the quality of life for African American communities.

Basis of Presentation

The Organization receives various funds one of which is unrestricted, and the rest are permanently restricted. The permanently restricted funds are used to support specific programs within the Organization. The unrestricted funds are used to support general and administrative functions of the Organization as well as additional support of other programs.

The accompanying financial statements have been prepared to focus on the Organization as a whole and to present balances and transactions according to the existence or absence of donor-imposed restrictions. This has been accomplished by classification of net assets and transactions into the following classes of assets:

Temporarily Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained by the organization.

Unrestricted Net Assets - Net assets not subject to donor-imposed stipulations.

Basis of Accounting

The Organization's books are maintained, and the financial statements have been prepared, on the accrual basis of accounting in accordance with generally accepted accounting principles.

BAY AREA BLACK UNITED FUND, INC. NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2014

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished) temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Cash and Cash Equivalents

For purposes of the balance sheets and statement of cash flows, the Company considers all highly liquid investments, which are readily convertible into known amounts of cash and have a maturity of three months or less when acquired to be cash equivalents.

Fixed Assets

Furniture and equipment are capitalized using the straight-line method. Donated assets are recorded at fair market value at the time the assets are received. The Organization has established a capitalization policy to capitalize all purchases of \$500 or more of furniture and equipment. Depreciation is provided using the straight-line method over the expected useful lives of the asset. At December 31, 2014, the Organization incurred \$1,128 in depreciation expense.

Income Taxes

BABUF has obtained determination letters from the Internal Revenue Service and the California Franchise Tax Board to the effect that BABUF qualifies under Section 501(c)(3) of the Internal Revenue Code (IRC) and Section 23701(d) of the California Tax Code. Accordingly, the primary operations of BABUF are currently considered exempt from federal income and state franchise taxes.

Fair Value of Financial Instruments

The carrying amounts of cash and cash equivalents approximate fair values due to the short-term maturities of these instruments.

Use of Estimates

The presentation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclose of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

CHRISTOPHER CHIME OGBODO CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Bay Area Black United Fund, Inc.

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Bay Area Black United Fund, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2014, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated August 28, 2015.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Bay Area Black United Fund, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Bay Area Black United Fund, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Bay Area Black United Fund, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Bay Area Black United Fund, Inc.'s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Bay Area Black United Fund, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Bay Area Black United Fund, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Dear Sir or Madam:

This letter is in response to your letter dated December 16, 1999 requesting a change of address.

Our records indicate that a determination letter issued in September 1971 granting your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed tate, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and diff tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

A list of our member nonprofits is enclosed, those in the Bay Area are indicated with an "x"
- EarthShare California was founded in 1982 and has been in existence with ten or more qualified charities since that time. A copy of our IRS 501c3 determination letter dated 2000 (referencing the original determination date of 1982) and a copy of our Letter of Incorporation in California dated 1982 are enclosed.

We have been a partner since 1985 in the City & County of San Francisco Annual Employee Fund Drive and we look forward to participating in the 2016 charitable giving campaign.

Dear Sir or Madam:

This letter is in response to your telephone call requesting a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in November 1982 granting your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T. Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

The law requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. You are also required to make available for public inspection a copy of your organization's exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. You can charge only a reasonable fee for reproduction and actual postage costs for the copied materials. The law does not require you to provide copies of public inspection documents that are widely available, such as by posting them on the Internet (World Wide Web). You may be liable for a penalty of \$20 a day for each day you do not make these documents available for public inspection (up to a maximum of \$10,000 in the case of an annual return).

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely.

Independent Auditors' Report

Board of Directors
Environmental Federation of California, Inc.

We have andited the accompanying financial statements of Environmental Federation of California, Inc. (operating as EarthShare California), which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Environmental Federation of California, Inc. as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

June 30, 2014 and 2013

NOTE A – Nature of the Federation

Environmental Federation of California, Inc. (the Federation), which operates as EarthShare California, was established in 1982 as a coalition of various independent environmental groups (affiliated organizations). The primary purpose of the Federation is to broaden its affiliates' financial support by obtaining access to and coordinating participation in corporate and governmental payroll deduction fundraising campaigns throughout California. This support will help: (1) prevent human health problems from air, water and toxic pollution; (2) preserve and conserve fresh water, marine and land resources; and (3) develop educational programs which promote a sound and balanced use of our natural resources. The Federation represents 90 environmental organizations in over 206 workplace-giving campaigns.

For an organization to be accepted in the Federation, the organization must meet the qualifications specified in the Federation's by-laws. The Board of Directors determines the acceptance of a new member organization. The new member organizations are required to pay a joining fee of \$5,000 plus 10% of their respective net income from distributions for the first three years. Member organizations are required to perform a minimum of 30 service hours per year. Undesignated monies, less expenses, are normally divided 60/40 between local/common members and national members. The Federation can choose to apply for a different split, on a year-by-year basis (See Note H). Local and common members receive an equal share of the Federation's undesignated monies less expenses and any other member fees levied by the Board of Directors. There are currently 44 local and common members in the Federation.

NOTE B — Summary of significant accounting policies

Basis of accounting

The Federation maintains its accounting records and prepares its financial statements on the accrual basis.

Cash and cash equivalents

For the purposes of the Statements of Cash Flows, the Federation considers cash and cash equivalents to consist of demand deposits as well as cash on hand.

Pledges

Unconditional promises to give (pledges) are all expected to be collected within one year and are recorded at their net realizable value, net of uncollectible pledges. Conditional promises to give are not included as contributions until such time as the conditions are substantially met.

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2014 and 2013

NOTE B -- Summary of significant accounting policies (continued)

Allowance for uncollectible pledges

The allowance for uncollectible pledges is an estimate of annual campaign payroll pledges receivable that will not be collected. The estimate is based on collection history of prior year campaigns and is offset against campaign contribution revenue.

Fair value of financial instruments.

The carrying amount of cash, pledges and accounts receivable, prepaid expenses and payables are stated at a fair value or approximate fair value.

Property and equipment

Property and equipment with useful lives of greater than one year costing \$500 or more are capitalized and are recorded at cost, or fair value if donated. Capitalized property and equipment are depreciated over their estimated useful lives of three to seven years on the straight-line basis. Donated material and equipment are recorded as contributions at their estimated value on the date of receipt.

Net assets

The Federation classifies its net assets and activities into one of three categories:

<u>Unrestricted</u>: Those net assets and activities which represent the portion of expendable funds available to support operations. A portion of these net assets may be designated by the Board of Directors for specific purposes.

<u>Temporarily restricted</u>: Those net assets and activities which are donor-restricted for: (a) support of specific operating activities; (b) investment for a specified term; (c) use in a specified future period; or (d) acquisition of long-lived assets. The Federation had \$3,711 and \$4,711 of net assets temporarily restricted for specific activities and future periods at June 30, 2014 and 2013, respectively.

<u>Permanently restricted</u>: Those net assets and activities which are permanently donor-restricted for holdings of: (a) assets donated with stipulations that they be preserved and not be sold; or (b) assets donated with stipulations that they be invested to provide a permanent source of income. The Federation has no permanently restricted net assets at June 30, 2014 and 2013.

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2014 and 2013

NOTE B -- Summary of significant accounting policies (continued)

Net assets (continued)

The expiration of a donor-imposed restriction on a contribution is recognized in the period in which the restriction expires. This occurs by increasing unrestricted net assets and decreasing temporarily restricted net assets in the Statements of Activities, and the release from restrictions is reported separately from other transactions.

Recognition of public support and allocations

The annual campaigns at worksites are conducted primarily in the fall of each year to raise support for allocations to the affiliated organizations. Donor contribution revenue is recognized as pledges are made based on donor pledge forms or employer summarized information. For campaigns where there is no such information, pledges are estimated based on prior year actual collections and allocations.

Contributions are allocated to affiliated organizations to the extent the donor designates a preference. Each member organization is distributed a proportionate share of receipts based on donor designations to each member.

Affiliated organizations also receive contributions directly from donors or third-party processors that are attributable to the Federation's annual worksite campaigns. The affiliated organizations are required to send these contributions to the Federation, so that these amounts may be recognized in the Federation's gross campaign results, and distributed appropriately. Management believes that not all of these direct payments are properly routed through the Federation, and the amounts may be significant, but difficult to ascertain. Net undesignated pledges are not affected by the shortfall of direct payments.

Grants

Grants are recorded as revenue in accordance with generally accepted accounting principles. Revenue that is donor-restricted is included in temporarily restricted net assets. As the restrictions are met, the revenue is shown as a release from restrictions and transferred from temporarily restricted net assets to unrestricted net assets.

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2014 and 2013

NOTE B -- Summary of significant accounting policies (continued)

Contributed goods and services

The Federation's policy is to recognize the fair value of certain contributed goods and services received as both a revenue and an offsetting expense in accordance with generally accepted accounting principles. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. During the year ended June 30, 2014 and 2013, the value of contributed goods and services included as in kind donations in the accompanying financial statements was \$950 per period and consisted of the use of facilities for Federation's annual general meeting. Other notable volunteer time that does not require recognition in the financial statements totaled over 1,170 and 1,600 hours during the years ended June 30, 2014 and 2013, respectively. The hours contributed were mainly devoted to speaker workplace presentations during campaigns and participation in the Federation's Board of Directors.

Functional allocation of expenses

The costs of providing the program services and supporting activities of the Federation are summarized in the Statements of Activities and in the Statements of Functional Expenses. Expenses that can be directly identified with a specific function are allocated directly to that function. Expenses that cannot be directly identified with a specific function are allocated among the program services and the supporting activities benefited. Occupancy related expense allocation is based on the square footage of the space used. Personnel related expense allocation is based on the staff time spent on each function.

The Federation reports its expenses on a functional basis as follows:

- Program services include specific campaign activities and educational efforts on the part of the Federation, as well as activities dealing with and providing information and referral for member agencies. Additionally, program services also include activities expenses related to the management of existing campaigns.
- Fundraising represents the costs related to attracting new campaigns and raising funds for internal operations. The fundraising activities include soliciting gifts, special events, writing grants and direct mail solicitation.
- General and administrative relates to all Federation overhead activities, including management and general aspects that are not related to fundraising or program activities.

NOTES TO FINANCIAL STATEMENTS (Continued)

June 30, 2014 and 2013

NOTE B - Summary of significant accounting policies (continued)

Income taxes

The Federation is a qualified organization exempt from federal and California income taxes under the provisions of Sections 501(c)(3) of the Internal Revenue Code and 23701d of the California Revenue and Taxation Code. Therefore, no provision for federal or California income tax is reflected in the financial statements.

The Federation's income tax returns are subject to examination by federal and state taxing authorities, generally for three years and four years, respectively, after they are filed. The Federation believes that there are no material uncertain tax positions which require adjustment to the financial statements or additional footnote disclosure.

Use of estimates

Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's estimates. Significant estimates include accrual of pledges receivable and the provision for uncollectible pledges.

NOTE C -- Concentration of credit risk

Financial instruments that potentially subject the Federation to a concentration of credit risk consist primarily of cash and pledges receivable. The Federation maintains its cash in several accounts at two banks. The combined balance at times may exceed federally insured limits. The Federation has not experienced any losses in these cash accounts and believes it is not exposed to any significant credit risk

Pledges receivable consist of promises from individuals to give through workplace giving campaigns. A shrinkage allowance is recognized for expected uncollectable pledges. Management does not expect actual results to differ significantly from net pledge revenue recognized.

NOTE G - Affiliation with EarthShare National

Environmental Federation of California, Inc. and other state environmental fundraising organizations have an affiliation agreement under the name EarthShare in their own respective states. The purpose of the agreement is to create a unified environmental fundraising confederation and adopt consistent financial accounting practices and disbursement arrangements.

Under the terms of the affiliation agreement, the Federation is required to remit 4% of cash receipts related to EarthShare member groups to EarthShare National as well as 40% of undesignated campaign revenue net of overhead and other allowable expenses to the members of EarthShare National. On a year-by-year basis, the Federation can submit a request to modify the required percentage remittance of the undesignated campaign revenue remittance.

The balances and transactions under the terms of the affiliation agreement are as follows:

NOTE H - Subsequent events

The current year allocation of undesignated campaign proceeds of \$543,311 was made based on a 70/30 split between local/common members and national members. This change in allocation affects only the split between the national confederation and the local/common affiliated organizations, and will have no effect on the change in net assets of the Federation. Actual allocation of disbursements of undesignated campaign proceeds made during the year ending June 30, 2015 may vary from amounts accrued at June 30, 2014.

The date to which events occurring after June 30, 2014 have been evaluated for possible adjustments to the financial statements or disclosure is December 1, 2015, which is the date on which the financial statements were available to be issued.

10,000 Farmers were taught more effective ways to grow healthier, higher-yielding crops through the Organic Farming Research Foundation.

37,000 Volunteers participated in 645 beach cleanups last year hosted by Heal the Bay, helping remove 20 tons of ocean-bound trash.

45,000 Drought resistant native plant seedlings were grown and distributed by Save The Bay to increase habitat for birds, fish and wildlife,

Visitors in 2014 enjoyed more than 10,000 acres of the majestic canyons of the American River, preserved for generations to come by Friends of the River.

Dear Taxpayer:

This is in response to your June 23, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in MAY 1983.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(1) and 170(b)(1)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

Independent Auditor's Report

To the Board of Directors Global Impact Alexandria, Virginia

Report on the Financial Statements

We have audited the accompanying financial statements of Global Impact, which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities, changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Global Impact as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1. Summary of Accounting Policies

Organization Purpose

Global Impact's vision is to be the leader in growing global philanthropy and its mission is to build partnerships and resources for the world's most vulnerable people. Its primary activities include:

- a) Participating in nearly 450 workplace giving campaigns including the federal government, state governments, local governments and private workplaces to provide a means for employees of participating institutions to donate either to Global Impact or to its more than 120 member charities;
- b) Creating alliances with funding organizations to address specific relief or development needs in developing countries;
- Provide philanthropic services including campaign management services, secretariat services, focused signature and high impact fund campaign management services including employer-based emergency relief campaigns, advisory services, support services, state charitable registration services and the management of donor advised funds;
- d) Distribute funds raised on behalf of member charities to them based on criteria established by the Board of Directors;
- e) Adherence to distributions formulae established by the Board of Directors for other funds raised; and
- f) Performing such other charitable and educational activities as may be necessary in order to support or accomplish the foregoing.

Basis of Accounting

Global Impact's financial statements are prepared using the accrual basis of accounting.

Cash and Cash Equivalents

Global Impact considers cash on hand, deposits in banks, and investments purchased with an original maturity of three months or less to be cash and cash equivalents other than those included in Global Impact's investment portfolio.

Pledges Receivable

Pledges are recorded in the financial statements upon receipt of pledge information from the campaigns. Global Impact honors designations made to each member organization. As all pledges are expected to be collected within one year, they are recorded at their net realizable value. This is achieved by creating an allowance for estimated uncollectible pledges and for estimated campaign expenses. At the end of each fiscal year, any amounts receivable from the previous year's campaign are written off. Subsequent receipts relating to such amounts are set off against the shrinkage expense.

Notes to Financial Statements

Accounts Receivable

Accounts receivable consists primarily of amounts due from member charities and other corporate clients for which Global Impact provides advisory, cooperative advertising, secretariat services, and fund management services. There is no allowance for doubtful accounts due to management's belief that all accounts receivable are collectible.

Investments

Investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by Global Impact at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Unrealized and realized gains and losses are included in the statements of activities.

Property and Equipment

Property and equipment with unit values in excess of \$1,000 are recorded at cost. Depreciation is provided for using the straight-line method of depreciation over the estimated useful lives of the assets which range from three to ten years. Leasehold improvements are amortized on the straight-line basis over the lesser of the estimated service lives of the assets or the remaining lease term. Assets acquired under capital leases are recorded at the lower of the present value of the future minimum lease payments or the fair value of the assets. The assets are amortized over the lesser of the related lease term or their estimated useful life. Cost and related accumulated depreciation and amortization are removed from the accounts when the assets are disposed of, with any gain or loss recognized currently. Repairs and maintenance are charged to expense when incurred.

Campaign Funds Payable to Member Charities

Pledges that are designated to charity alliance members are recorded as campaign funds payable to member charities. Cash received from campaigns is distributed to each participating member charity in the ratio of its designated pledges to total Global Impact pledges from the relevant campaign. Prior to the monthly distribution of the campaign receipts to the member charities, Board approved expenses less undesignated pledges and other non-designated revenues are deducted on the same ratio as designated pledges and are recorded as administrative charges for raising funds on behalf of others.

Deferred Rent Liability

A deferred rent liability has been recorded to reflect the benefit of lease incentives in the lease of the office space. The benefits of the lease incentives, including free rent and a tenant improvement allowance, are being recognized ratably over the term of the lease.

Notes to Financial Statements

Unrestricted Net Assets

Global Impact's unrestricted net assets are composed of the following:

Available for General Use

Unrestricted amounts to be used for Global Impact's ongoing operations.

Microsoft Gift Fund

In 2012, the Board authorized the establishment of a fund in which to record an in-kind gift of software from Microsoft. The fund is reduced by the amount of the annual amortization expense pertaining to the software.

Opportunity Fund

The Board authorized this fund in 1994 to make funds available for new opportunities in accordance with the mission of Global Impact.

Temporarily Restricted Net Assets

Global Impact reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets by time or purpose. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions.

Revenue Recognition

Revenue is recognized in the period in which it is earned. Revenue received in advance is deferred to the applicable period. Some workplace campaigns choose to distribute employee charitable contributions directly to member charities. Campaigns in which Global Impact and its funded charities actively participate are recorded based on campaign reports received from the employee campaigns. These direct payments are presented under amounts raised in campaigns in the statements of activities.

In-Kind Contributions

Donated property and equipment is recorded at fair value at the date of donation. If the donors stipulate how long assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support.

Global Impact records donated services, including consulting and speaker fees, at their estimated fair value when they create or enhance nonfinancial assets or they require specialized skills which would need to be purchased if they were not donated. For the years ended June 30, 2014 and 2013, Global Impact received in-kind contributions of \$4,935 and \$0, respectively, that were recorded under in-kind contributions in the statements of activities.

Notes to Financial Statements

Expenses

Expenses are recognized by Global Impact during the period in which they are incurred. Expenses paid in advance and not yet incurred are deferred to the applicable period.

Donor advised funds consist of amounts distributed to member charities and other charities from contributions raised through workplace giving under donor advised fund agreements. Non-recurring giving for international relief and development are non-recurring contributions made for disaster response and other programs from sources other than annual workplace giving campaigns. As described in Note 12, CFC campaigns expense consists of amounts distributed to CFC Overseas charities in 2013 as required by OPM as a result of the OPM/OIG audit of Fall 2010 and 2009 campaigns.

Campaign support consists of costs associated with increasing overall recognition and representation of funded charities; costs that benefit the overall campaign; and expenses incurred under cost-sharing arrangements. Special programmatic services expenses consist of costs associated with advisory, fiscal agent, grant, signature and high impact fund and secretariat programs.

Management and general expenses consist of cost directly related to the overall operations of Global Impact and maintenance of its corporate existence, including general office management, reception, and financial reporting. Fundraising includes those costs associated with accessing new workplace fundraising campaigns.

Functional Allocation of Expenses

The costs of providing various program and supporting services have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among the program and supporting services benefited.

Financial Instruments and Credit Risk

Financial instruments which potentially subject Global Impact to concentrations of credit risk consist principally of cash balances and pledges receivable. At June 30, 2014, Global Impact had deposits in a single financial institution totaling approximately \$4.3 million in excess of the Federal Depository Insurance limit. Global Impact has never experienced any losses related to these balances and believes it is not exposed to any significant credit risk on its cash balances. Credit risk with respect to pledges receivable is limited because Global Impact participates with a significant number of campaigns whose participants are spread over a wide geographic region.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP or U.S. GAAP) requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Notes to Financial Statements

Income Tax Status

Global Impact is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, Global Impact is classified by the Internal Revenue Service as an organization that is not a private foundation. Global Impact is required to report unrelated business income to the Internal Revenue Service and the Commonwealth of Virginia taxing authorities. Global Impact's source of unrelated business income consists of a portion of the advisory services income. No provision for income taxes has been made at June 30, 2014 and 2013 as expenses offset taxable income.

Under Accounting Standards Codification (ASC) 740-10, Accounting for Uncertainty in Income Taxes, Global Impact must recognize the tax benefit associated with tax positions taken for tax return purposes when it is more-likely than not that the position will be sustained. Global Impact does not believe there are any unrecognized tax benefits or liabilities that should be recorded. For the years ended June 30, 2014 and 2013, there were no interest or penalties recorded or included in the statements of activities. Global Impact is still open to examination by taxing authorities from fiscal year 2011 forward.

Reclassification

Certain amounts in the 2013 financial statements have been reclassified to conform to the current year financial statement presentation.

2. Due from Combined Federal Campaigns

Global Impact has been the Principal Combined Fund Organization (PCFO) for the Department of Defense Combined Federal Campaign (the Overseas Campaign or Overseas) since 1996 and for the National Capital Area's Combined Federal Campaign (the National Capital Area Campaign or NCA) from 2003 to 2012. Global Impact pays for the expenses of the Overseas Campaign and the National Capital Area Campaign and is reimbursed from funds collected. Amounts due to Global Impact from the Overseas Campaign for unreimbursed expenditures totaled \$196,133 and \$406,598 as of June 30, 2014 and 2013, respectively. Amounts due/(payable by) Global Impact (to)/from the National Capital Area Campaign for unreimbursed expenditures and advances totaled \$(26,637) and \$365,010 as of June 30, 2014 and 2013, respectively.

Notes to Financial Statements

3. Fair Value of Financial Investments

Global Impact follows the provisions of ASC 820, Fair Value Measurements, in accounting for the fair value of financial investments. ASC 820 establishes a common definition for fair value to be applied under generally accepted accounting principles requiring use of fair value, establishes a framework for measuring fair value, and expands disclosures about such fair value measurements.

ASC 820 defines fair value as the price that would be received to sell an asset or paid to transfer a liability (i.e., the "exit price") in an orderly transaction between market participants at the measurement date. ASC 820 establishes a hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available.

Observable inputs are inputs that market participants operating within the same marketplace as Global Impact would use in pricing its asset or liability based on independently derived and observable market data. Unobservable inputs are inputs that cannot be sourced from a broad active market in which assets or liabilities identical or similar to those of Global Impact are traded. The input hierarchy is broken down into three levels based on the degree to which the exit price is independently observable or determinable as follows:

Basis of Fair Value Measurement:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Investments measured at fair value on a recurring basis consist of the following based on the fair value hierarchy noted above:

6. Lines-of-Credit

Global Impact maintains a revolving line-of-credit arrangement to administer the Combined Federal Campaign Overseas. The agreement has a tiered borrowing structure based on the life cycle of the campaign with a borrowing amount ranging from \$2,200,000 to \$1,000,000 which will expire in March 2015. Global Impact had a second agreement with a maximum borrowing amount of \$500,000 that expired on March 2014. The interest rate is based on the 30 day LIBOR rate plus 2.375% for both agreements. The interest rate was 2.53% and 2.57% as of June 30, 2014 and 2013, respectively. The lines-of-credit are secured by a blanket lien on Global Impact's receivables and property and equipment. The amount due on the lines-of-credit was \$94,463 and \$673,601 as of June 30, 2014 and 2013, respectively. Interest expense incurred and paid for the years ended June 30, 2014 and 2013 was \$9,072 and \$86,121, respectively.

Public support on the statements of activities is represented net of estimated campaign expenses incurred by other organizations and estimated shrinkage of the campaigns. Global Impact includes funds raised in combined federal campaigns (CFC) and other campaigns that are distributed directly to its charity alliance members if Global Impact has had substantial involvement in that campaign. The following tables present gross pledges raised by Global Impact and the reconciliation to net amounts raised in campaigns.

INDEPENDENT AUDITOR'S REPORT

Board of Directors Local Independent Charities of America Larkspur, California

We have audited the accompanying financial statements of Local Independent Charities of America (a nonprofit organization), which comprise the statement of financial position as of April 30, 2014, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the organization's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Local Independent Charities of America as of April 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information

We have previously audited Local Independent Charities of America's 2013 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated August 19, 2013. In our opinion, the summarized comparative information as of and for the year ended April 30, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTE 1 – REPORTING ENTITY

Local Independent Charities of America (LIC) was incorporated under the laws of California on July 15, 1987. LIC receives funds from the government and private sector workplace payroll deduction fund drives for distribution to member agencies. A member agency must be accepted for participation by completing an application and qualifying under certain restrictions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting and Financial Statement Presentation

The financial statements are prepared on the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

LIC recognizes unconditional promises to give as pledges receivable in the period the pledge is made. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Presently, all net assets of LIC are unrestricted as the restriction expires in the reporting period.

B. Use of Estimates - Allowance for Uncollectible Pledges

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. Specific areas requiring estimation of LIC's financial statements are the Allowance for Estimated Uncollectible Pledges and the Estimated Distributions Payable to Member Agencies.

LIC makes an estimation of the percentage of pledges that are made but, due to a variety of circumstances, are not collected during the year. This estimate in 2013 and 2012 is 16%, which is based on historical campaign results.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Charges to Member Agencies and Member Distributions

Charges for federation operating expenses are made to each member agency based on the relative amount of total pledges made to the particular agency compared to the sum of all agency pledges. Pledges designated to the federation itself (versus to a member agency) and other federation revenue, such as interest income, are shared amongst all the agencies in this same proportion.

Therefore, as a net result, should the federation's revenue exceed expenses, the agencies share the excess income. Conversely, should the federation's expenses exceed revenue, the excess cost is likewise apportioned amongst the member agencies.

For the Fall 2013 and 2012 campaigns, federation expenses exceeded revenue by \$558,092 and \$472,840, respectively, which has been collected from the member agencies.

D. Income Tax Status

LIC is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and state income taxes under 23701(d) of the California Revenue Taxation Code. Accordingly, no provision for income taxes has been provided in these financial statements. In addition, LIC qualifies for the charitable contribution deduction under Section 170(b)(1)(a) and has been classified as an organization that is not a private foundation under Section 509(a)(1). Unrelated business income, if any, may be subject to income tax. LIC paid no taxes on unrelated business income in the years ended April 30, 2014 and 2013.

Generally accepted accounting principles require the recognition, measurement, classification, and disclosure in the financial statements of uncertain tax positions taken or expected to be taken in the organization's tax returns. Management has determined that LIC does not have any uncertain tax positions and associated unrecognized benefits that materially impact the financial statements or related disclosures. Since tax matters are subject to some degree of uncertainty, there can be no assurance that LIC's tax returns will not be challenged by the taxing authorities and that LIC will not be subject to additional tax, penalties, and interest as a result of such challenge. Generally, LIC's tax returns remain open for federal income tax examination for three years from the date of filing.

E. Functional Allocation of Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and changes in net assets. Accordingly, costs have been allocated to program services, management and general, and fund-raising expenses based on management's identifying of direct expenses by category and allocating indirect expenses by time logs and management's estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Advertising

Advertising costs are expensed as incurred.

G. Fair Value Measurements

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, Accounting standards set a framework for measuring fair value using a three tier hierarchy based on the extent to which inputs used in measuring fair value are observable in the market. The three levels are defined as follows:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or inputs (interest rates, currency exchange rates, commodity rates and yield curves) that are observable or corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Inputs that are not observable in the market and reflect management's judgment about the assumptions that market participants would use in pricing the asset or liability.

H. Summarized Comparative Information

The financial statement information for the year ended April 30, 2013, presented for comparative purposes, is not intended to be a complete financial statement presentation. For a complete presentation, please refer to the financial statements for that fiscal year.

NOTE 3 - CASH IN BANKS

Cash held by LIC with its bank may at times exceed the Federal Deposit Insurance Corporation (FDIC) coverage limit. Management believes LIC is not exposed to any significant credit risk related to cash.

NOTE 4 - ESTIMATED DISTRIBUTIONS PAYABLE

LIC has estimated that it will pay out to the various member agencies approximately eighty-six percent of the cash received from the pledges net of the estimated uncollectible pledges for the Fall 2012 campaign. The estimate is based on the fact that LIC will pay out all funds in excess of its costs. Management has estimated the distribution to be approximately \$3,114,295 for the campaign year. If these costs are higher or lower the actual distribution to the various agencies will be different. This estimate is shown as an expense on the financial statements. This estimate is shown as an expense on the financial statements. The estimated distributions payable as of April 30, 2014 include an estimate for the Fall 2013 campaign, plus the Fall 2012 campaign final distribution.

Verification that LIC is honoring designations made to each member organization have been performed.

NOTE 5 - CONTRACTS WITH OTHER FEDERATIONS

LIC had entered into an agreement with Local Independent Charities of Texas (LICTX), Local Independent Charities of Minnesota (LICMN), Local Animal Charities of America (LACA), Children's Charitable Alliance (CCALL), Children's Charitable Alliance of Texas (CCALTX), and Christian Community Charities (CCC), whereby the costs of campaign support expenses will be borne by each organization based upon designations for the campaign year. The total costs incurred by all seven federations for the years ended April 30, 2014 and 2013 amount to \$1,144,021 and \$1,058,054, of which \$601,677 and \$560,231 respectively represented LIC's share. These organizations had amounts due to LIC of \$164,455 and \$99,173 for the years ended April 30, 2014 and 2013, respectively.

LIC had also entered into agreements with Charity Without Borders, Children's Charities of America, Inc., Conservation & Preservation Charities of America, Inc., Health and Medical Research Charities of America, Inc., Independent Charities of America, Inc., Animal Charities of America, Inc., Military Family and Veterans Service Organizations of America, Hispanic & Latino Charities of the U.S. and the Americas, Christian Charities, U.S.A., Women, Children and Family Service Charities of America, Educate America: The Education, School Support, and Scholarship Funds Coalition, Inc., Sports Charities, U.S.A. – Supporting Youth, Disabled and National Team Athletics, Jewish Charities of America, Cancer CURE – Care, Understand, Research and End, Children's Medical & Research Charities of America, Wild Animals Worldwide, Charities Under 1% Overhead, Charities Under 5% Overhead, Military Support Groups of America and Christian Children's Charities, whereby LIC is to perform fiscal services for these federations.

Verification that LIC is performing services in accordance with the terms of its contracts has been performed.

NOTE 6 - BUSINESS SERVICES CONTRACT

LIC entered into a business services contract with Maguire/Maguire, Inc. (M/M). Under the terms of the contract M/M acted as business agent, provided administrative and secretarial services, maintained the books and records, maintained necessary corporate documents, and provided other such services as deemed necessary. M/M did not perform policy making or decision making functions. LIC compensated M/M for services rendered based on a fee schedule agreed by the parties. In addition, M/M was reimbursed for all out-of-pocket expenses incurred while carrying out the duties outlined in the contract. The contract expires on October 31, 2016.

Verification that Maguire/Maguire Inc. is performing services in accordance with the terms of its contract has been performed.

NOTE 7 – SUBSEQUENT EVENTS

LIC evaluated subsequent events for recognition and disclosure through September 10, 2014, the date which these financial statements were available to be issued. Management concluded that no material subsequent events have occurred since April 30, 2014 that require recognition or disclosure in such financial statements.

Dear Taxpayer:

This is in response to your Apr. 14, 2014, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(03) of the Internal Revenue Code in a determination letter issued in October 1956.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section(s) 509(a)(l) and 170(b)(l)(A)(vi).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.

REPORT OF INDEPENDENT AUDITORS

To the Board of Directors United Way of the Bay Area

Report on Financial Statements

We have audited the accompanying financial statements of United Way of the Bay Area ("UWBA"), which comprise the statements of financial position as of June 30, 2015 and 2014 and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to UWBA's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of UWBA's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of the Bay Area as of June 30, 2015 and 2014 and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 - ORGANIZATION AND PURPOSE

United Way of the Bay Area ("UWBA"), incorporated in California in 1955, is an independent, locally managed nonprofit organization. It has been granted tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and Section 23701d of the California Revenue and Taxation Code, UWBA has also made the 501(h) election under the IRS code. Accordingly, no provision for income taxes is included in the financial statements.

As UWBA approaches its centennial, it is proud to be continuing a long tradition of leadership in the local nonprofit community by encouraging philanthropy and investing those dollars in programs to serve the health and human services needs of Bay Area residents. UWBA currently serves Alameda, Contra Costa, Marin, Napa, San Francisco, San Mateo, and Solano Counties.

The Bay Area Community Fund ("BACF") is comprised of the unrestricted funds donated to UWBA to support the achievement of its Community Impact goals. UWBA is committed to creating community change by positioning itself as an inclusive community leader in the seven Bay Area counties served, while honoring donors' philanthropic interests.

In response to the needs of the community, UWBA focuses its goals and its use of resources. In doing so, it may, from time to time, discontinue the management of specific programs. Discontinuance may include closing, merging, or establishing the independence of programs. When such transitions take place, the purpose has been and will continue to be enhancing the ability of the UWBA to concentrate its efforts on helping to cut the number of families living in poverty. The organization pursues a selected, targeted set of programs that help people survive the struggles of poverty and move toward economic success. Each of these programs also has a role in helping to evolve the public and private systems around them to better serve people in poverty. UWBA's programs may take the form of providing direct service to clients, issuing grants to organizations to provide services, and/or engaging in collaborative partnerships. Grant proposals are evaluated on the basis of their alignment with UWBA's strategic plan as well as the agency's ability to demonstrate high standards in fiscal and programmatic operations, and overall organizational strength. Grants and the focus of grant-making activities are reported to and approved by UWBA's Board of Directors.

The following are specific programs and strategies managed by United Way of the Bay Area:

211 Initiative

211 is a free, easy-to-remember phone number and web resource that anyone can call for information and referral to resources. Last year, UWBA and its partner call centers in ten Bay Area counties responded to approximately 183,500 calls. More than half of these requests came from those requesting help with poverty/basic needs issues such as food, jobs and shelter. In FY15, the resource database was updated with 10,000-plus records (agencies, programs and sites) which were reviewed, edited and simplified.

In addition to daily information and referral, 211 is a critical resource for disasters. In recent years, 211 has been available for responses to an earthquake, a tsunami, and major fires. Looking ahead UWBA plans to update 211's technology platform to make sure it is accessible to as many people in need as possible. Innovations under consideration are a "just-in-time" application for service providers to inform the public about open child-care slots, open beds at shelters, etc.

Economic Success

SparkPoint has served more than 18,000 individuals since launching SparkPoint Oakland in 2009, and approximately 2,470 clients in the last year alone. Highlights include:

- The regional network has an average hourly wage of over \$19.00 per hour. This is a significant increase over last year's rate of \$15.79.
- Approximately 940 people increased their income and approximately 260 people achieved a self-sufficient income.
- Over 600 people have achieved an element of financial prosperity: a self-sufficient income, 3 months savings, a 700 credit score, and no revolving debt.

UNITED WAY OF THE BAY AREA NOTES TO FINANCIAL STATEMENTS

SparkPoint Centers offer an array of services in one convenient location for a person or family trying to move out of poverty, including financial coaching on budgeting and savings, credit and debt management, career or education counseling, screening for public benefits, and others. SparkPoint aims to have clients move from poverty to economic success by (1) increasing income; (2) reducing debt; (3) increasing credit scores; and (4) increasing savings. The SparkPoint regional network includes more than 75 outstanding partner organizations across the Bay Area. In 2013, SparkPoint also began opening up satellite locations at public schools and community colleges. See more on this strategy under "Education."

Earn It! Keep It! Save It! (EKS) is a UWBA-led coalition of partners that prepares tax returns for free, ensuring low- to moderate-income families get the refunds and credits for which they are eligible. During the 2015 tax season, 3,000-plus volunteers prepared more than 74,000 returns and brought back over \$80 million in refunds, with 80% of these refunds spent locally. Additionally, \$13.6 million was returned back to the community in Child Tax Credit and \$26 million of those refunds was in Earned Income Tax Credit (EITC). EITC goes to the poorest, most vulnerable Bay Area households and has been identified by poverty-fighting experts as one of the most effective programs nationally, lifting millions of people above the federal poverty level every year. Families use their refunds primarily to pay bills, rent, and to buy food or clothes. Through its tax preparation efforts, EKS provides resources to meet basic needs, which is critical to ending the cycle of poverty in the Bay Area. EKS has 218 locations in seven counties, 10 of which are located at SparkPoint Centers. In addition to preparing tax returns, EKS uses the program visit as a moment to offer low-income families the opportunity to increase their savings, complete the federal college financial aid application (FAFSA), and enroll in health coverage.

Education

United Way promotes the community schools model, which places services for children and families at the public schools they attend. Community schools are proven to increase attendance, academic achievement, parent engagement and health. Last year, UWBA offered planning and operational grants and technical assistance to school districts interested in adopting the community schools model. As a result, approximately 23,000 individuals were supported at community schools across the Bay Area. Since 2013, UWBA has also taken a two-generation approach through our SparkPoint Community Schools, which couples the community school's social and academic supports for children with services for parents to help students achieve academic success. This innovative approach includes the same services as United Way's SparkPoints and also refers families to their local SparkPoint center. As of July 1, 2015, UWBA has four SparkPoint Community Schools centers in operation. In the coming years, UWBA will expand this model throughout the region.

Jobs+

United Way's MatchBridge program helps prepare low-income youth and young adults (age 16-24) to become the 21st century workforce for employers in San Francisco and across the Bay Area. Connecting business, government, schools, nonprofits and youth, MatchBridge helps young people get job training and work experience, plan career paths, and become motivated to finish high school and go on to college or postsecondary training. MatchBridge's primary focus is Youth Jobs+, a partnership with San Francisco Mayor Ed Lee, community partners and employers. Since its inception as Summer Jobs+ in 2012, the initiative has served over 19,000 youth in San Francisco and last year continued to expand services in Oakland. Last year, San Francisco Youth Jobs+ partners included 50 city departments, 120 employers, 85 youth-serving organizations, and the San Francisco Unified School District. Also in 2014, the program expanded from offering summer to year-round job opportunities and services. Within the next several years, MatchBridge expects to expand into all seven counties served by United Way of the Bay Area.

Other Programs

Like United Ways around the country, UWBA manages the local activities of the federal Emergency Food and Shelter Program (EFSP), which distributes federal funds to local programs that feed and provide shelter to people in need. In FY15 UWBA distributed a total allocation of \$1.8 million in seven counties. The EFSP-funded food and shelter providers served more than 270,000 unduplicated individuals, providing them with 2 million meals, 100,000 bed nights, and 500+ rent bills paid.

UWBA operates the Labor Community Services program in partnership with the labor councils in the counties of Alameda, Contra Costa, San Mateo and San Francisco. Staff called labor liaisons improve the lives of struggling union workers and their families, as well as other community members in need, through direct services and information/referral. In FY15, the program helped more than 600 families a month, typically with food, cash assistance, job search for displaced workers, and/or individual case management for other needs. Where possible the liaisons refer people in need to other UWBA programs like 211, EKS, and SparkPoint.

In addition to the services it provides, UWBA advocates for **Public Policy** changes that will help people in poverty survive and move to economic success. The agenda includes issues like health coverage and care, access to the safety net and public benefits, education, jobs and wages, funding for key services, and more. This work is primarily focused at the local level with cities, counties, school districts, etc. UWBA's policy advocacy is overseen by the board of directors and complies in all respects with all legal requirements governing policy activity by nonprofit organizations.

Finally, UWBA has formed a coalition called **Rise Together**, comprising more than 160 leading institutions that have come together to cut poverty in half in the Bay Area. Launched by UWBA in 2012, Rise Together continues to stand out as a pivotal regional strategy through a collective impact approach. In the last three years, Rise Together has: given grants to local leaders and partnerships who are fighting poverty; selectively engaged on key policy issues; hosted major events to showcase the issues and solutions of poverty; and won an award from the National Association of Counties. UWBA acts as the backbone to **Rise Together** and helps the partners select and implement key initiatives. Partners include political and faith leaders, businesses, nonprofits, government, academia, media and others.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP") and with the financial statement standards of United Way Worldwide. United Way Worldwide standards are required for membership and comply with FASB Accounting Standard Codification for not-for-profit organizations.

Use of estimates – Management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities and contingencies at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from management's estimates. Significant estimates include the provision for uncollectible pledges, useful lives of furniture, equipment, and leasehold improvements, fair value of investment, allocation of functional expenses, and the unfunded pension liabilities. The fair value of investments and pension assets are subject to material volatility based on market conditions. This could have a significant effect on these financial statements.

Classes of net assets – The accompanying financial statements are presented on the basis of unrestricted, temporarily restricted, and permanently restricted net assets.

Unrestricted net assets – Unrestricted net assets include resources available to support UWBA operations and temporarily restricted resources which become available for use by UWBA in accordance with the intentions of the donors. Unrestricted net assets are designated by UWBA's Board of Directors for specified purposes as follows:

	 2013		
Future grants and programs General use	\$ 295,000 689,579	\$	3,295,000 661,426
	\$ 984,579	\$	3,956,426

Temporarily restricted net assets – Temporarily restricted net assets include resources with donor-imposed restrictions that will be fulfilled by actions of UWBA and/or become unrestricted by the passage of time. UWBA's temporarily restricted net assets include multi-year pledges as well as grants restricted for specific UWBA community projects. When the donor or time restriction is fulfilled, temporarily restricted net assets are released to unrestricted net assets and are reported in the accompanying statements of activities and changes in net assets as net assets released from restrictions.

Permanently restricted net assets – Permanently restricted net assets are comprised of the historical dollar value of contributions that were received with donor restrictions requiring the assets be maintained in perpetuity and that only the income generated from these assets is made available for grants, programs, or support services in accordance with the donor restrictions.

Cash and cash equivalents – All highly liquid investments, with an original maturity of three months or less when purchased and not held through the investment account, are considered to be cash equivalents. Substantially all of the cash equivalent balances held in financial institutions at June 30, 2015 and June 30, 2014, exceeded federal depository insurance coverage. UWBA has not experienced any losses in such accounts.

UNITED WAY OF THE BAY AREA NOTES TO FINANCIAL STATEMENTS

Pledges receivable – Pledges receivable consist of unconditional promises to give by donors and are recorded at net realizable value. Pledges receivable are net of provisions for uncollectible pledges. Unconditional promises to give that are expected to be collected in future years are recorded at the fair value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable in the years in which those promises are received. The discount rates range from .11% to .28%. Pledges receivable are net of discounts of \$4,103 and \$3,298 at June 30, 2015 and June 30, 2014 respectively.

Provisions for uncollectible pledges – The provision for uncollectible pledges is computed based upon historical averages and management's consideration of current economic factors that could affect pledge collections. Using these criteria, the provision as of June 30, 2015 and 2014, was determined to be 6% of gross campaign pledges, respectively. For years ended June 30, 2015 and 2014, there was a bad debt recovery of \$ 39,810 and \$0, respectively.

Grants receivable – Grants receivable consist of unconditional promises to give by granting organizations. Unconditional promises to give that are expected to be collected during the following fiscal year are recorded at the amount contributed. Unconditional promises to give that are expected to be collected in future years are recorded at the fair value of their estimated future cash flows. The discounts on those amounts are computed using risk-free interest rates applicable in the years in which those promises are received. The discount rates range from .11% to .28%. Grants receivable are net of discounts of \$8,045 and \$758 at June 30, 2015 and June 30, 2014 respectively.

Investments – UWBA's investments are stated at fair value based on quoted market prices at the fiscal year end. Investments include money market funds and marketable securities held principally for investment purposes. Unrealized gains and losses that result from market fluctuations are recognized in the period such fluctuations occur in the accompanying statements of activities and changes in net assets. Realized gains and losses that result from sales or maturities of securities during the year are calculated on an adjusted cost basis and are reflected in the accompanying statements of activities and changes in net assets. Marketable securities received as donations are recorded at fair value at the date of the donation, and are generally sold as soon as practical after receipt.

Fair value of assets and liabilities – UWBA determines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value reporting standards establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of input that may be used to measure fair value:

- Level 1: Quoted prices in active markets for identical assets or liabilities.
- Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in active markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis and recognized in the accompanying statements of financial position, as well as the general classification of such instruments pursuant to the valuation hierarchy.

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. Level 1 securities include cash and cash equivalents, fixed income securities, and exchange traded equities. Level 2 securities include investments held in pooled income funds and are valued at market price as provided by the custodian of the funds.

Furniture, equipment, and leasehold improvements – Furniture, equipment, and leasehold improvements are stated at cost, if purchased, or if donated, at fair value at the date of the donation for items exceeding \$5,000. Depreciation is computed on a straight-line basis over the estimated useful lives of the assets, ranging from three to ten years. Leasehold improvements are amortized over the lesser of the useful life of the asset or the term of the lease. Total depreciation and amortization expense amounted to \$298,574 and \$297,524 for the years ended June 30, 2015 and June 30, 2014, respectively.

Deferred rent – Certain leases of UWBA contain lease incentives and fixed escalations. UWBA recognizes the related rent expense on a straight-line basis over the life of the lease and records the difference between the expense included in the accompanying statements of activities and changes in net assets and the amount recorded as deferred rent. For the year ended June 30, 2015 deferred rent related to three UWBA locations: 550 Kearny St., San Francisco; 1970 Broadway, Suite 400, Oakland; and 8200 Bancroft, Oakland.

Gross campaign results – Gross campaign results consist of cash and unconditional promises to give to UWBA during the annual fundraising campaigns and include contributions processed by third-party processors. Donor designations and the provision for uncollectible pledges are deducted from gross campaign results to arrive at campaign revenue.

Donor designations and service fee revenue – Donor designations, contributions that are designated by the donor to nonprofit organizations other than UWBA including contributions processed by third-party processors, are deducted from gross campaign results to arrive at net campaign revenue. External donor designations are paid to the designated organizations on a monthly basis, by electronic funds transfer ("EFT") as information allows and on a quarterly basis by check for all others, as pledges are collected. Proportionate shares of the receipts are distributed out to the agencies net of service fees. Service fee revenue is reported in the accompanying statements of activities and changes in net assets. This designation processing is inclusive of pledges and payments processed as part of UWBA's role as a federation for the Combined Federal Campaign as well as other state and local government-sponsored fundraising campaigns. Additionally, there are donor designations that are contributions designated by the donor to support UWBA's internal programs.

Planned gifts – Planned gifts that are irrevocable are recognized as a receivable when amounts due to UWBA can be reasonably estimated. As of June 30, 2015 and 2014, UWBA has only one type of planned gift – pooled income funds. Assets associated with these gifts totaled \$160,449 and \$162,476 as of June 30, 2015 and 2014, respectively, at fair value and are included in investments in the accompanying statements of financial position. Liabilities associated with these gifts totaled \$24,370 and \$26,975 as of June 30, 2015 and 2014 respectively, at fair value and are included in operating payables and accruals in the accompanying statements of financial position.

Donated goods and services – UWBA recognizes the value of donated equipment, supplies, and advertising services at the fair value for similar items. Donated goods and services for the years ended June 30, 2015 and 2014 of \$711,451 and \$312,007, respectively, were reflected in miscellaneous contributions in the accompanying statements of activities and changes in net assets. UWBA will recognize the fair value of donated services if the services meet the recognition criteria which include: a) requiring specialized skills; b) provided by someone with those skills; and c) would have to be purchased if they were not donated. Although UWBA receives a significant amount of contributed time from volunteers, this time does not meet the recognition criteria. Accordingly, the value of this contributed time is not reflected in the accompanying financial statements.

Gross funds awarded/allocated to agencies – The amount shown on the accompanying statements of activities and changes in net assets includes grants to UWBA initiatives and programs. These grants have been recommended by staff working with a subcommittee of the Board of Directors and have been approved by the Board. However, to comply with financial statement presentation requirements, these grants are shown net of an offset amount to prevent revenue duplication between unrestricted and temporarily restricted accounts.

Functional allocation of expenses – The majority of expenses can be directly identified with the program or supporting services to which they relate and are charged accordingly. Other expenses have been allocated among program and supporting services classification based on the average number of full-time employees, the time study allocation method, and on a direct cost basis. This is consistent with the standards for allocation of functional expenses in accordance with GAAP and United Way Worldwide.

Concentrations of risk – UWBA receives approximately 47% and 44% as of June 30, 2015 and 2014, respectively of its gross campaign revenue from five employers. All five of these employers are nationally aligned through United Way Worldwide; therefore, the risk of loss of these employers by UWBA is remote. UWBA received 42% and 26% as of June 30, 2015 and 2014, respectively of its gross grant revenue from two employers. UWBA has a history of collectability with these employers and therefore believes that the risk of loss of these employers as donors is remote.

Income taxes – UWBA is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and Section 23701d of the Revenue and Taxation Code except to the extent of unrelated business taxable income as defined under IRC sections 511 through 515. Since UWBA has no unrelated business taxable income, no provision for income taxes has been provided in these financial statements. UWBA has no unrecognized tax benefits or uncertain tax positions as of June 30, 2015. With few exceptions, UWBA is no longer subject to United States federal or state/local income tax examinations by tax authorities for fiscal years before 2010.

Subsequent events – Subsequent events are events or transactions that occur after the statement of financial position date but before financial statements are issued. UWBA recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statements of financial position, including the estimates inherent in the process of preparing the financial statements. UWBA's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statements of financial position but arose after the statement of financial position date and before the financial statements are available to be issued.

UWBA has evaluated subsequent events through November 5, 2015, which is the date the financial statements were available to be issued. On July 1, 2015, UWBA commenced subleasing 2,405 rentable square feet of its 550 Kearny office space to a third party, under the terms of a noncancelable operating sublease made on June 9, 2015.

Future minimum revenue under this noncancelable operating leases having expiration terms of five years as of July 1, 2015 are as follows:

The Pension Plan of United Way of the Bay Area (the "Plan") is a single employer defined benefit pension plan with UWBA as plan sponsor.

The Plan was amended to freeze participation and benefit accruals under the Plan effective December 31, 2006. Accordingly, no employees will become participants after the December 1, 2006 entry date, and participants' Plan benefits will not increase after December 31, 2006. In no event will the accrued benefit of any participant be less than that calculated as of December 31, 2006.

UWBA contributed \$500,000 and \$900,000 to the Plan during the years ended June 30, 2015 and June 30, 2014, respectively,

UWBA established the UWBA 401(k) Plan. Employees that are eligible can participate in the 401(k) Plan on the first day of the calendar quarter following their date of hire. UBWA matches 100% of participants' salary deferral contribution, up to a maximum of 2% of compensation. In addition, UWBA makes an employer "nonelective" contribution according to a formula that is based on a participant's age plus service. For employees hired before January 1, 2010, matching and employer nonelective contributions will be 100% vested after two years of service (or age 65, if earlier). Effective January 1, 2014, employees hired after January 1, 2010 will be 25% vested after 1 year of service, 50% after 2 years of service, 75% vested after 3 years of service and 100% vested after 4 years of service. UWBA contributed \$386,426 and \$364,244 to the plan for the years ended June 30, 2015 and 2014, respectively.

UWBA instituted a voluntary long term care insurance program in fiscal year 2013. As a part of that program, it made arrangements to pay 83% of the cost of the long term premiums for the CEO from March 2013 until her death. The estimated cost of future premiums as of June 30, 2015 and 2014, is \$56,082 and \$56,958 respectively.

UWBA had a defined benefit early retirement medical benefits plan that covered certain full-time employees who retired as of June 30, 1993. UWBA does not contribute to this plan except to reimburse certain medical and other costs submitted by the Plan's retirees as defined within the agreement. The estimated cost of future medical and other payments as of June 30, 2015 and June 30, 2014 is \$83,498 and \$85,055, respectively, and is included in accrued pension costs.

In the fiscal year ended 2014, UWBA established an eligible deferred compensation plan for a select group of highly compensated employees under Section 457(b) of the Internal Revenue Code. The plan allows pre-tax contributions of the maximum amount allowed by law per year through payroll deduction. At June 30, 2015, three employees, respectively, had elected to participate in the plan. The investments in this plan remain as assets of the organization until the employees retire. The balance in the plan as of June 30, 2015 and 2014 is \$61,161 and \$25,152 respectively.

NOTE 10 - ENDOWMENT DISCLOSURES

Interpretation of relevant law – The Board of Directors of UWBA has interpreted the California Prudent Management of Institutional Funds Act ("CPMIFA") as requiring the preservation of the fair value of the original gift as of the date of the donor restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, UWBA classifies as permanently restricted net assets: (a) the original value of gifts donated to the permanent endowment; (b) the original value of subsequent gifts to the permanent endowment; and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the UWBA Board of Directors in a manner consistent with the standard prudence prescribed by CPMIFA. In accordance with CPMIFA, UWBA considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- a. The duration and preservation of the fund
- b. The purposes of UWBA and the donor-restricted endowment fund
- c. General economic conditions
- d. The possible effect of inflation and deflation
- e. The expected total return from income and the appreciation of investments
- f. Other resources of UWBA
- g. The investment policies of UWBA

Spending policy and how the investment objectives relate to spending policy – The endowment fund has a spending policy of appropriating all of the net income earned on the investment of these funds for distribution according to the instructions of the donor at the time the gift is made. The original value of the gifts donated to the permanent endowment is to be classified as permanently restricted and any earnings are classified as temporarily restricted until appropriated for expenditure,

Funds with deficiencies – From time to time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or CPMIFA requires UWBA to retain as a fund of perpetual duration. As of June 30, 2015 and June 30, 2014, there were no deficiencies.

The composition and changes in the endowment net assets as of June 30, 2015 and 2014, are as follows:

NOTE 11 - RELATED PARTY TRANSACTIONS

UWBA's volunteer members of the Board of Directors participate in fundraising events, activities and by making private contributions. UWBA may also have Board members that have other direct transactions with the organization. NOTE 12 - LINE OF CREDIT

UWBA transferred its revolving line of credit from one financial institution to another effective June 16, 2015 and expanded the line from \$3,500,000 to \$4,900,000. The terms of this agreement call for the pledging of securities and other investments maintained in the financial institution for any and all obligations taken by UWBA under this agreement. The agreement provides for a credit limit of up to \$4,900,000 based on the fair value of the pledged collateral less outstanding loan balances and letters of credit with interest charged at a rate determined by the lender on a periodic basis. As of June 30, 2015, there was \$2,753,932 outstanding debt for the line of credit. The existing letter of credit issued to the landlord for \$230,000 was also transferred to the new financial institution under the same credit limit.
