(g) Money on deposit in any fund or account in connection with the Tax-Exempt Note, whether or not such money was derived from other sources, shall not be used by or under the direction of the Owner in a manner which would cause the Tax-Exempt Note to be an "arbitrage bond" within the meaning of Section 148 of the Code, and the Owner specifically agrees that the investment of money in any such fund shall be restricted as may be necessary to prevent the Tax-Exempt Note from being an "arbitrage bond" under the Code.

(h) The Owner (and any person related to it within the meaning of Section 147(a)(2) of the Code) will not take or omit to take any action if such action or omission would in any way cause the proceeds from the sale of the Tax-Exempt Note to be applied in a

manner contrary to the requirements of the Funding Loan Agreement, the Project Loan Agreement or this Regulatory Agreement.

(i) On or concurrently with the final draw by the Owner of amounts representing proceeds of the Tax-Exempt Note, the expenditure of such draw, when added to all previous disbursements representing proceeds of the Tax-Exempt Note, will result in not less than ninety-five percent (95%) of all disbursements of the proceeds of the Tax-Exempt Note having been used to pay or reimburse the Owner for Qualified Project Costs and less than twenty-five percent (25%) of all disbursements having been used to pay for the acquisition of land or any interest therein.

(j) The statements made in the various certificates to be delivered by the Owner to the City on the Closing Date in connection with the execution and delivery of the Notes will be true and correct.

(k) All of the amounts received by the Owner from the proceeds of the Tax-Exempt Note and earnings from the investment of such proceeds will be used to pay Project Costs; and no more than two percent (2%) of the proceeds of the Tax-Exempt Note shall be used to pay Costs of Issuance of the Tax-Exempt Note.

(l) The Owner will not knowingly take or permit, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Note, and, if it should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof.

(m) The Owner will take such action or actions as may be necessary, in the written opinion of Tax Counsel to the City, to comply fully with the Act, the Code and all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service to the extent necessary to maintain the Tax-Exempt status of interest on the Tax-Exempt Note.

(n) No portion of the proceeds of the Tax-Exempt Note shall be used to provide any airplane, skybox or other private luxury box, health club facility, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises. No portion of the proceeds of the Tax-Exempt Note shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed of such office is not related to the day-to-day operations of the Project.

(o) In accordance with Section 147(b) of the Code, the average maturity of the Tax-Exempt Note does not exceed one hundred twenty percent (120%) of the average reasonably expected economic life of the facilities being financed by the Tax-Exempt Note.

3. Qualified Residential Rental Property. The Owner hereby acknowledges and agrees that the Project will be owned, managed and operated as a "qualified residential rental project" (within the meaning of Section 142(d) of the Code). The City hereby elects to have the

Project meet the requirements of Section 142(d)(1)(B) of the Code and the Owner hereby elects and covenants to comply with Section 142(d)(1)(B) of the Code with respect to the Project. To that end, and for the term of this Regulatory Agreement, the Owner hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired and constructed for the purpose of providing multifamily residential rental property, including certain facilities related thereto, and the Owner shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the residential dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each residential dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range (which may be a countertop cooking range), refrigerator and sink.

(c) None of the residential dwelling units in the Project will at any time be used on a transient basis (e.g., subject to leases that are less than thirty (30) days in duration) (including use as a corporate suite), or be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park.

(d) No part of the Project will at any time be owned as a condominium or by a cooperative housing corporation, nor shall the Owner take any steps in connection with a conversion to such ownership or uses. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Department of Real Estate, the Owner shall not take any steps in connection with a conversion of the Project to a condominium ownership except with the prior written opinion of Tax Counsel that the Tax-Exempt status of the interest on the Tax-Exempt Note will not be adversely affected thereby.

(e) All of the residential dwelling units in the Project will be available for rental on a continuous basis to members of the general public and the Owner will not give preference to any particular class or group in renting the residential dwelling units in the Project, except to the extent required by (i) this Regulatory Agreement, (ii) the Gap Loan and the Declaration of Restrictions, (iii) the Ground Lease; (iv) any regulatory or restrictive use agreement to which the Project is or becomes subject pursuant to Section 42 of the Code, (v) any additional tenant income and rent restrictions imposed by the City, (vi) any other federal, State or local governmental agencies that imposes any additional tenant income and rent restrictions, and (vii) any other legal or contractual requirement not excepted by clauses (i) through (vi) of this subsection, upon receipt by the Owner, the Funding Lender and the City of an opinion of Tax Counsel to the effect that compliance with such other requirement will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note.

(f) The Site consists of a parcel or parcels that are contiguous and all of the Facilities will comprise a single geographically and functionally integrated project for residential rental property (including the portions of the common areas allocated to the Project), as evidenced by the ownership, management, accounting and operation of the Project.

(g) No residential dwelling unit in the Project shall be occupied by the Owner. Notwithstanding the foregoing, if any building in the Project contains five (5) or more residential dwelling units, this subsection shall not be construed to prohibit occupancy of residential dwelling units in such building by one or more resident managers or maintenance personnel any of whom may be the Owner; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of residential dwelling units in the Project.

(h) The Owner shall not discriminate on the basis of race, creed, religion, color, sex, source of income (e.g., TANF, Section 8 or SSI), physical disability (including HIV/AIDS), age, national origin, ancestry, marital or domestic partner status, sexual preference or gender identity in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the construction, operation and management of the Project, except to the extent required hereby.

(i) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Code and the Regulations, or condemnation or similar event, the Owner covenants that, within a "reasonable period" determined in accordance with the Regulations, it will either prepay the Tax-Exempt Note or, if permitted under the provisions of the Security Instrument and the Funding Loan Agreement, apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

(j) The Owner agrees to maintain the Project, or cause the Project to be maintained, during the term of this Regulatory Agreement (i) in a reasonably safe condition and (ii) in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the Project shall be in substantially the same condition at all times as the condition it is in at the time of the completion of the construction of the Project with the proceeds of the Notes. Notwithstanding the foregoing, the Owner's obligation to repair or rebuild the Project in the event of casualty or condemnation shall be subject to the terms of the Project Loan Agreement and the Security Instrument.

(k) The Project will have and continue to have ninety (90) residential dwelling units, one (1) of which will be a manager's unit.

(l) The Owner will not sell dwelling units within the Project.

4. Restricted Units. The Owner hereby represents, as of the date hereof, and warrants, covenants and agrees with respect to the Project as follows:

(a) Income and Rent Restrictions. In addition to the requirements of Section 5, hereof, the Owner with respect to the Project shall comply with the income and rent restrictions of this Section 4(a), and any conflict or overlap between any two (2) or more of such provisions shall be resolved in favor of the most restrictive of such provisions, that is, in favor of the lowest income and rent restriction.

(i) Very Low-Income Units. Twenty-two (22) units in the Project must at all times be occupied by Very Low Income Tenants. The monthly rent charged for all the Very Low Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of City Median Income, less the utility allowance, provided however that the monthly rent charged for the Very Low Income Units shall be as determined in accordance with the Declaration of Restrictions. The occupancy and rent restrictions set forth in this subsection (i) may be adjusted as permitted in the Declaration of Restrictions.

(ii) Moderate-Income Units. One hundred percent (100%) of the units must at all times be occupied by Qualified Tenants whose Adjusted Income does not exceed eighty percent (80%) of City Median Income. The monthly rent charged for all the Moderate Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 80% of City Median Income, less the utility allowance, provided however that the monthly rent charged for the Moderate Income Units receiving the VASH subsidy shall be as determined in accordance with the Declaration of Restrictions and the HAP Contract. The occupancy and rent restrictions set forth in this subsection (ii) may be adjusted as permitted in the Declaration of Restrictions.

(iii) Additional City Restrictions. In addition to the above paragraph (a)(i) and (a)(ii), all Restricted Units shall at all times be occupied, or held vacant and available for rental, as required by the Declaration of Restrictions, except where otherwise expressly restricted or prohibited by any CDLAC Requirements.

(iv) Income Restrictions Pursuant to the Code. Pursuant to the requirements of Section 142(d) of the Code, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units in the Project or thirty-six (36) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the Median Income for the Area; provided, however, that if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code or who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be Qualified Tenants pursuant to this sentence. The Owner shall satisfy the requirements of this Subsection 4(a)(iv) by complying with the requirements of Subsection 4(a)(ii), as applicable, to the extent such compliance meets the requirements of Section 142(d)(1)(B) of the Code.

(v) Income and Rent Restrictions Pursuant to the Housing Law. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, for the Qualified Project Period, not less than forty percent (40%) of the total number of completed units in the

Project, or thirty-six (36) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed sixty percent (60%) of the lower City Median Income or Median Income for the Area; provided, however, that if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code or who fail to be described in Section 42(i)(3)(D) of the Code, such occupants shall not be Qualified Tenants pursuant to this sentence. Pursuant to the requirements of Section 52080(a)(1)(B) of the Housing Law, the monthly rent charged for such units shall not exceed (a) one-twelfth (1/12th) of the amount obtained by multiplying thirty percent (30%) times sixty percent (60%) of the Median Income for the Area (excluding any supplemental rental assistance from the State, the Federal government, or any other public agency to those occupants or on behalf of those units), (b) less the utility allowance.

(vi) CDLAC Requirements. To the extent the income and rent restrictions contained in the CDLAC Requirements are more restrictive than any of the foregoing requirements, the Owner shall comply with the CDLAC Requirements.

(vii) Income and Rent Restrictions in Event of Loss of Subsidy. If any VASH rental subsidy or LOSP subsidy related to the Project is terminated or substantially reduced, the occupancy and rent restrictions set forth in Subsections 4(a)(i) and 4(a)(ii) may be altered, but only to the minimum extent required for the financial feasibility of the Project, as determined by the City in its reasonable discretion in accordance with substantially similar underwriting criteria used by the City to evaluate the Project's financial feasibility prior to the Closing Date, provided that, the Owner first obtains and delivers to the Fiscal Agent and the City an opinion of Tax Counsel, acceptable to the City in its sole discretion, to the effect that such alteration would not adversely affect any exclusion of interest on the Tax-Exempt Note from gross income for federal tax purposes. To the extent financially feasible, as mutually determined by the parties, any such rent increase will be limited to (or will be first implemented with) any vacant units. In such event, the City shall use good faith efforts to meet with Owner, within fifteen (15) business days after Owner's written request to meet, in order to determine the amount of any rent increase. The relief provided by this section shall not be construed as authorizing the Owner to exceed any income or rent restrictions imposed on the Project by CDLAC, CTCAC or other agreements, and the Owner represents and warrants that it shall have obtained any necessary approvals or relief from any other applicable income and rent limitations (including without limitation the Declaration of Restrictions) prior to implementing the relief provided by this Section 4(a)(vii).

(viii) Income and Rent Restrictions in the Event of Foreclosure. In the event of foreclosure, the occupancy and rent restrictions set forth in Subsection 4(a)(i) and 4(a)(ii) may be altered, but only to the minimum extent required for the financial feasibility of the Project, as determined by the City in its reasonable discretion in accordance with substantially similar underwriting criteria used by the City to evaluate the Project's financial feasibility prior to the Closing Date, provided that, the Owner first obtains and delivers to the Fiscal Agent and the City an opinion of Tax Counsel, acceptable to the City in its sole discretion, to the effect that such alteration would not adversely affect any exclusion of interest on the Tax-Exempt Note from gross income for federal tax purposes or the CDLAC Resolution, as applicable. To the extent financially feasible, as mutually determined by the parties, any such rent increase will be limited to (or will be first implemented with) any vacant units. In such event, the City shall use good faith efforts to

meet with Owner, within fifteen (15) business days after Owner's written request to meet, in order to determine the amount of any rent increase. The relief provided by this section shall not be construed as authorizing the Owner to exceed any income or rent restrictions imposed on the Project by CDLAC, CTCAC or other agreements, and the Owner represents and warrants that it shall have obtained any necessary approvals or relief from any other applicable income and rent limitations (including without limitation the Declaration of Restrictions) prior to implementing the relief provided by this Section 4(a)(viii).

(ix) Restricted Units. Because all of the units in the Project (except for the manager's unit) are required to be Restricted Units pursuant to Section 4(a) hereof, any Available Unit must be rented to or held vacant for a Very Low Income Tenant, a Low Income Tenant or a Moderate Income Tenant, subject to any adjustments allowed under this Section 4.

For the avoidance of doubt, the requirements of any subparagraph of this Section 4(a) shall not be construed to replace, obviate, diminish or abrogate any other applicable legal or contractual requirement, including the other requirements of this Section 4, the Declaration of Restrictions, the requirements of any other governmental authority, or the requirements of any applicable ordinance, regulation, law or court order; provided, however, it is expressly agreed that the requirements of any subparagraph of this Section 4(a) may be satisfied simultaneously with any or all of the aforesaid other requirements, such that the satisfaction of a more restrictive requirement shall be deemed to satisfy simultaneously any less restrictive requirement of the same subject.

(b) Over-Income Tenants. Notwithstanding the foregoing provisions of Section 4(a), no Tenant who satisfies the applicable income limit for a Restricted Unit upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the Project because, after admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit.

(c) Income Certifications. The Owner will obtain, complete and maintain on file Income Certification Forms for each Tenant (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant, and (ii) thereafter, annually, in each case in the form attached hereto as Exhibit B, together with such information, documentation and certifications as are required therein or by the City, in its discretion, to substantiate the Tenant's income. In addition, the Owner will provide such further information as may be required in the future by the State, CDLAC, the City (on a reasonable basis), the Program Administrator and by the Act, Section 142(d) of the Code or the Regulations, as the same may be amended from time to time, and in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.

(d) Certificate of Continuing Program Compliance. Upon the commencement of the Qualified Project Period, and on each February 1st thereafter (or such other date as shall be requested in writing by the City or the Program Administrator) during the term of this Regulatory Agreement, the Owner shall advise the Program Administrator of the status of the occupancy of the Project by delivering to the Program Administrator (with a copy to the Fiscal Agent) an executed Certificate of Continuing Program Compliance (in the form of that which is

attached hereto as Exhibit D). The Owner shall also timely provide to the City such information as is requested by the City to comply with any reporting requirements applicable to it with respect to the Notes or the Project under any federal or State law or regulation, including without limitation, CDLAC regulations (Division 9.5 of Title 4 of the California Code of Regulations).

(e) Recordkeeping. The Owner will maintain complete and accurate records pertaining to the Restricted Units, and will permit any duly authorized representative of the City, the Program Administrator (if other than the City), the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Owner pertaining to the Project upon reasonable notice during normal business hours, including those records pertaining to the occupancy of the Restricted Units, but specifically excluding any material which may be legally privileged.

(f) Annual Certification to Secretary of Treasury. The Owner shall submit to the Secretary of the Treasury annually on or before March 31 of each year, or such other date as is required by the Secretary of the Treasury, a completed Internal Revenue Service Form 8703, and shall provide a copy of each such form to the Program Administrator and the Fiscal Agent. Failure to comply with the provisions of this Subsection will subject the Owner to penalty, as provided in Section 6652(j) of the Code.

(g) Lease Provisions Regarding Income Certification Reliance. All leases pertaining to Restricted Units do and shall contain clauses, among others, wherein each Tenant who occupies a Restricted Unit: (i) certifies the accuracy of the statements made in the Income Certification Form, (ii) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such Tenant, that such Tenant will comply promptly with all requests for information with respect thereto from the Owner or the Program Administrator on behalf of the City, and that the failure to provide accurate information in the Income Certification Form or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such Tenant; (iii) acknowledges that the Owner has relied on the Income Certification Form and supporting information supplied by the Tenant in determining qualification for occupancy of the Restricted Unit, and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement; and (iv) agrees that the Tenant's income is subject to annual certification in accordance with Subsection 4(c) hereof and that failure to cooperate with the annual recertification process reasonably instituted by the Owner pursuant to Subsection 4(c) above may provide grounds for termination of the lease.

(h) Maintenance of Tenant Lists and Applications. All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business which is unrelated to the Project and shall be maintained, as required from time to time by the Program Administrator on behalf of the City, in a reasonable condition for proper audit and subject to examination during normal business hours by representatives of the City or the Fiscal Agent. Failure to keep such lists and applications or to make them available to the City or the Fiscal Agent shall be a default hereunder.

(i) Tenant Lease Subordination. All tenant leases or rental agreements shall be subordinate to this Regulatory Agreement.

(j) No Encumbrance, Demolition or Non-Rental Residential Use. The Owner shall not take any of the following actions:

(i) Except for the Permitted Encumbrances or as otherwise previously approved by the City, encumber any portion of the Project or grant commercial leases or subleases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases), except (a) pursuant to the provisions of this Regulatory Agreement and on a basis subordinate to the provisions of this Regulatory Agreement, to the extent applicable, (b) upon receipt by the Owner, the Fiscal Agent and the City of an opinion of Tax Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note, or (c) upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement;

(ii) demolish any part of the Project or substantially subtract from any real or personal property of the Project (other than in the ordinary course of business); or

(iii) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

(k) Compliance with Regulatory Agreement. The Owner shall exercise reasonable diligence to comply, or cause compliance, with the requirements of this Regulatory Agreement and shall notify the City within fifteen (15) days and correct any noncompliance within sixty (60) days after such noncompliance is first discovered by the Owner or would have been discovered by the exercise of reasonable diligence, unless such noncompliance is not reasonably susceptible to correction within sixty (60) days and, in the opinion of Tax Counsel acceptable to the City, in its sole discretion, such noncompliance would not have an adverse effect on any exclusion of interest on the Tax-Exempt Note from gross income for federal income tax purposes, in which event the Owner shall have such additional time as the City determines to be reasonably necessary to effect such correction provided the Owner has commenced such correction after discovery, is diligently prosecuting such correction and is keeping the City updated on the progress.

5. Additional Requirements of the City.

(a) Minimum Lease Term. The term of the lease for any Restricted Unit shall not be less than one (1) year.

(b) Limitation on Rent Increases. Annual rent increases on a Restricted Unit shall be limited to the percentage of the annual increase in the lower of City Median Income or Median Income for the Area, as applicable. Rent increases which are permitted but not made in a given year may not be carried forward and made in any subsequent year. Notwithstanding the foregoing, any Restricted Unit that benefits from a VASH rental subsidy shall not be subject to the limitations set forth in this Section 5(b), but rather shall be subject to the restrictions established by the San Francisco Housing Authority.

(c) Appointment of Program Administrator. The Owner acknowledges that the City may appoint a Program Administrator (other than the City), at the sole cost and expense of the City, to administer this Regulatory Agreement and to monitor performance by the Owner

of the terms, provisions and requirements hereof. In such event, the Owner shall comply with any reasonable request by the City and the Program Administrator to deliver to any such Program Administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection during normal business hours with reasonable notice by the Program Administrator as an agent of the City. The City may change the Program Administrator at its sole and exclusive discretion. The Owner shall have the right to rely on any consent or direction given by the Program Administrator on the same basis as if given by the City.

(d) Management Agent. The Owner shall not enter into any agreement providing for the management or operation of the Project with any party other than Tenderloin Neighborhood Development Corporation without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

(e) Certificate of Preference Program. To the fullest extent permitted by law, the Owner shall comply with the City's Certificate of Preference Program pursuant to San Francisco Administrative Code Section 24.8 and the Operational Rules referenced in Exhibit I, to the extent such compliance is not in conflict with any other requirements imposed on the Project pursuant to Sections 42 and 142(d) of the Code, the Act, the Gap Loan, the CDLAC Resolution, CTCAC requirements or other applicable Federal or State law.

(f) Nondiscrimination Based on Section 8, Household Size, or Source of Income. The Owner shall accept as Tenants, on the same basis as all other prospective Tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or any successor program or similar federal State or local governmental assistance program. The Owner shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants and the Owner shall not refuse to rent to any tenant on the basis of household size as long as such household size does not exceed two (2) persons for a studio unit; three (3) persons for a one-bedroom unit; five (5) persons for a two-bedroom unit and seven (7) persons for a three-bedroom unit. The Owner shall not collect any additional fees or payments from such a tenant except security deposits or other deposits required of all Tenants. The Owner shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of that allowed under the Section 8 program. The Owner shall not discriminate against Tenant applicants on the basis of legal source of income (e.g., TANF, Section 8 or SSI). Further, Owner shall comply with all notice provisions set forth in the Housing Act prior to terminating any lease to which any Tenant is a party. The Owner acknowledges that (i) federal notice requirements under the Housing Act are distinct from those under State law or City law and the Owner shall comply with all Federal, State and local laws in connection with any such notice requirements, and (ii) compliance with the law of one jurisdiction shall not be deemed compliance with the laws of all jurisdictions.

(g) Income Provisions after Expiration of Qualified Project Period. Notwithstanding the provisions of Subsection 6(f), the parties agree, from and after the expiration of the Qualified Project Period, (i) that Subsection 6(f)(i) shall not apply and (ii) that units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying a Restricted Unit at the date of such expiration or termination, at the rent

determined by Subsection 4(a)(v), and such expiration or termination shall not be the cause for termination of a Tenant's tenancy in a Restricted Unit except as expressly provided in Subsection 6(f)(ii), Subsection 6(f)(iii), except that the reference to 30 years shall be seventy-five (75) years, and Subsection 6(f)(iv).

(h) Consideration for Restrictions. It is hereby acknowledged and agreed that any restrictions imposed on the operation of the Project herein and which are in addition to those imposed pursuant to Section 142(d) of the Code or the Act are voluntarily agreed to by the Owner in consideration of financial assistance from the City and an allocation of private activity bond volume cap from CDLAC.

(i) Amendment or Waiver by City; Conflicting Provisions. The requirements of Subsection 4(a)(ii) and of Section 5 hereof may be amended, modified or waived (but not increased or made more onerous), at the City's sole discretion, by written amendment signed by the City and the Owner, or expressly waived by the City in writing, but no such waiver by the City shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City and the Fiscal Agent have received an opinion of Tax Counsel to the effect that any such provision is not required by the Code or the Act and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Note. Any requirement of Subsection 4(a)(i), 4(a)(ii) or Section 5 shall be void and of no force and effect if the City, the Fiscal Agent and the Owner receive a written opinion of Tax Counsel to the effect that compliance with such requirement would be in conflict with the Act or any other applicable state or federal law.

(j) Extension of Qualified Project Period. Notwithstanding any other provision herein, the Qualified Project Period shall not expire earlier than, and the requirements of this Section 5 shall be in effect until the date that is the later of (i) seventy-five (75) years from the Closing Date or (ii) the end of the Life of the Project, provided, however, that if the Life of the Project is less than 75 years due to casualty, then the term of the Life of the Project controls; provided that certain provisions of this Section 5 shall survive and remain in full force and effect following the end of the Qualified Project Period, as specified in Section 11 hereof.

(k) Marketing and Tenant Selection Plan. Owner will market the Restricted Units in accordance with the Marketing and Tenant Selection Plan approved by the City, which shall be substantially in the form referred to in Exhibit J, as may be updated by the City from time to time.

(l) Annual Reporting. Owner must file with the City annual reports (the "Annual Monitoring Report") no later than one hundred twenty (120) days after the end of Owner's fiscal year. The Annual Monitoring Report must be in substantially the form referenced in Exhibit H, as may be updated by the City from time to time. Thereafter and for the remainder of the Life of the Project, the Owner shall maintain sufficient records of the information generally requested in the Annual Monitoring Report.

(m) Capital Needs Assessment. Owner must file with the City a CNA every five (5) years, with the initial CNA due 5 years from the Completion Date. The CNA must be in the form referenced in Exhibit H, as may be updated or revised by the City from time to time.

6. Additional Requirements of State Law. In addition to the requirements set forth herein, pursuant to Section 52080 of the Housing Law, the Owner hereby agrees that it shall also comply with each of the following requirements, in each case, for the Term of this Regulatory Agreement, including the following:

(a) Tenants Under Section 8 of the Housing Act. The Owner shall accept as Tenants, on the same basis as all other prospective Tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, and shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(b) Availability on Priority Basis. The Restricted Units shall remain available on a priority basis for occupancy at all times by Qualified Tenants.

(c) Binding Covenants and Conditions. The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.

(d) Recordation of Regulatory Agreement. This Regulatory Agreement shall be recorded in the office of the county recorder of the City and County of San Francisco, California, and shall be recorded in the grantor-grantee index under the name of the Owner as grantor and to the name of the City as grantee.

(e) Restricted Income Units of Comparable Quality. The Restricted Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project. Notwithstanding the foregoing, the parties agree that this Section 6(e) shall have no practical effect because one hundred percent (100%) of the units in the Project (except the one manager unit) are required to be Restricted Units pursuant to Section 4(a).

(f) Availability Following Expiration of Qualified Project Period. Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Tax-Exempt Note, assignment of the leasehold interest in the Project in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by Subsection 4(a)(v) shall remain available to any eligible Tenant occupying a Restricted Unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(v), until the earliest of (i) the household's income exceeds one hundred-forty percent (140%) of the maximum eligible income specified therein (except as otherwise specified in Subsection 5(g)), (ii) the household voluntarily moves or is evicted for good cause, as defined in the Housing Law, (iii) thirty (30) years after the date of the commencement of the Qualified Project Period except as otherwise specified in Subsection 5(g)), and (iv) the Owner pays the relocation assistance and benefits to households if required by, and as provided in, Section 7264(b) of the California Government Code.

(g) Availability Preceding Expiration of Qualified Project Period. During the three (3) years prior to the expiration of the Qualified Project Period, the Owner shall continue to make available to Qualified Tenants Restricted Units that have been vacated to the same extent

that non-Restricted Units, if any, are made available to non-eligible households. Nothing in this Subsection 6(g) or 6(f) shall be interpreted to require the City to monitor Owner's compliance herewith or with Subsection 6(f).

(h) Notice and Other Requirements. The Owner shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and shall comply with all applicable requirements of Section 65863.11 of the California Government Code.

(i) Syndication of the Project. As provided in Section 52080(e) of the Housing Law, the City hereby approves the syndication of tax credits with respect to the Project, pursuant to Section 42 of the Code, to the Investor Limited Partner, or any affiliate thereof or successor thereto, pursuant to the terms of the Partnership Agreement. Any subsequent syndication of tax credits with respect to the Project to an affiliate of the Investor Limited Partner shall not require the prior written approval of the City if the Partnership Agreement will not be amended, modified or supplemented in connection with such syndication except to reflect such transfer of limited partnership interests and other non-material corrections or adjustments; provided, however, that the Owner shall provide to the City, at least five (5) business days prior to the effective date of any such syndication, written notice of such subsequent syndication certifying that no other amendment, modification or supplement to the Partnership Agreement will be effected in connection with such syndication except to the limited extent necessary to reflect such syndication, together with copies of any assignments of limited partnership interests and any other syndication documents. Any other syndication of the Project shall be subject to the prior written approval of the Director of MOHCD, which approval shall be granted only after the City determines that the terms and conditions of such syndication (i) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (ii) shall not cause any of the requirements of the City set forth in this Section 6 to be subordinated to the syndication agreement, and (iii) shall not result in the provision of fewer Restricted Units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement.

7. Indemnification. The Owner hereby releases the City (which includes MOHCD), the Fiscal Agent and the Funding Lender and their respective officers, members, directors, officials and employees from, and covenants and agrees, to the fullest extent permitted by law, to indemnify, hold harmless and defend the City, the Fiscal Agent, the Funding Lender and the officers, members, directors, officials, agents and employees of each of them (collectively, the "Indemnified Parties," and each an "Indemnified Party") from and against any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, costs of investigation, reasonable attorneys' fees and expenses, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Project Loan or the Notes, or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project or the making of the Project Loan, the Funding Loan or otherwise, including without limitation, any advances of the Project Loan or Funding Loan or any failure of the Funding Lender to make any advance thereunder; (c) arising

from any act or omission of the Owner or any of its agents, servants, employees or licensees, in connection with the Project Loan or the Project; (d) arising in connection with the issuance and sale, resale or reissuance of any note or bond, including any secondary market transaction with respect thereto, or any certifications or representations made by any person other than the City or the party seeking indemnification in connection therewith and the carrying out by the Owner of any of the transactions contemplated by the Project Loan Agreement, the Funding Loan Agreement and this Regulatory Agreement; (e) arising in connection with the operation and management of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, or construction of, the Project or any part thereof; and (f) arising out of or in connection with the exercise by the City, the Funding Lender or the Fiscal Agent of their powers or duties under the Project Loan Agreement, the Funding Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which either of them is a party or assignee; provided, however, that this provision shall not require the Owner to indemnify (i) the Funding Lender from any claims, costs, fees, expenses or liabilities arising from the negligence or willful misconduct of the Funding Lender or (ii) the City for any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the City. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the engagement of counsel selected by the Indemnified Party (which may include the City Attorney of the City); and the Owner shall assume the payment of all reasonable fees and expenses related thereto (provided however that if the Indemnified Party is the City, the selection of the counsel rests in the sole discretion of the City Attorney and the Owner shall assume the payment of all attorneys' fees and expenses related thereto), with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Notwithstanding the foregoing, no indemnification obligation shall give rise to an obligation to pay principal and interest on the Loan, which is not otherwise set forth in the Funding Loan Agreement, the Project Loan Agreement, the Notes or any other agreement relating to the Notes.

Additionally, the Owner also shall, to the fullest extent permitted by law, pay and discharge and shall indemnify and hold harmless the City, the Funding Lender, and the Fiscal Agent from (i) any lien or charge upon payments by the Owner to the City, the Funding Lender, and the Fiscal Agent hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the City, the Funding Lender, or the Fiscal Agent shall give prompt notice to the Owner, and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, including the engagement of counsel approved by the Indemnified Party and the payments of all reasonable fees and expenses related thereto (provided that if the Indemnified Party is the City, the selection of counsel (which may be or include the City Attorney of the City) rests in the sole discretion of the City Attorney) and the Owner shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. If a potential conflict exists between the Owner's defense and the interests of an Indemnified Party, then such

Indemnified Party shall have the right to engage separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses (and in the case of the City, all such fees and expenses) of such separate counsel.

Notwithstanding any transfer of the Project to another Owner in accordance with the provisions of Section 10 of this Regulatory Agreement, the Owner shall remain obligated to indemnify the City pursuant to this Section 7 if such subsequent Owner fails to so indemnify the City, unless at the time of transfer the City has consented to the transfer to the extent such consent is required hereunder.

The provisions of this Section 7 shall survive the term of the Notes and this Regulatory Agreement, including the termination of this Regulatory Agreement pursuant to the second paragraph of Section 11 hereof and the earlier removal or resignation of the Fiscal Agent.

The obligations of the Owner under this Section are independent of any other contractual obligation of the Owner to provide indemnity to the Indemnified Parties or otherwise, and the obligation of the Owner to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Owner. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which they are entitled to indemnification.

In addition thereto, the Owner will pay upon demand all of the fees and expenses paid or incurred by the Indemnified Parties in enforcing the provisions hereof.

8. Consideration. The City has issued the Notes and made the Project Loan to provide funds for the purpose of financing the Project, all for the purpose, among others, of inducing the Owner to acquire, construct, equip and operate the Project. In consideration of the making of the Project Loan by the City, the Owner has entered into this Regulatory Agreement and has agreed to restrict the use of the Project on the terms and conditions set forth herein.

9. Reliance. The City and the Owner hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Notes, and in the Tax-Exempt status of the interest on the Tax-Exempt Note. In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner and the Tenants, and upon audits of the books and records of the Owner pertaining to the Project. In addition, the City may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City hereunder in good faith and in conformity with such opinion

10. Sale or Transfer of the Project. The Owner intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project (except in accordance with the purchase option agreement and the right of first refusal agreement as each are described in the Partnership Agreement), and, except as otherwise provided herein, hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder and/or pursuant to the aforementioned purchase option agreement and right of first refusal agreement) or interest therein,

including any interest in the Owner, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld, and receipt by the City of (i) evidence satisfactory to the City that the Owner's purchaser or transferee has assumed in writing and in full, the Owner's duties and obligations under this Regulatory Agreement, (ii) an opinion of counsel of the transferee that the transferee has duly assumed the obligations of the Owner under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) evidence acceptable to the City that either (A) the purchaser or assignee has experience in the ownership, operation and management of rental housing projects in the City such as the Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subparagraph (A) above or (C) if the purchaser or assignee does not have management experience, the City may cause the Program Administrator to provide on-site training in program compliance if the City determines such training is necessary, (iv) evidence satisfactory to the City that no event of default exists under this Regulatory Agreement, the Project Loan Agreement or any document related to the Project Loan, and payment of all fees and expenses of the City and the Fiscal Agent due under any of such documents is current, and (v) an opinion of Tax Counsel to the effect that such transfer will not, in itself, cause interest on the Tax-Exempt Note to become includable in the gross income of the recipients thereof for federal income tax purposes except to the extent held by a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 10 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. Nothing in this Section 10 shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Not less than sixty (60) days prior to consummating any sale, transfer or disposition of any interest in the Project, the Owner shall deliver to the City a notice in writing explaining the nature of the proposed transfer and providing relevant information regarding the proposed transfer.

Notwithstanding the foregoing, the provisions of this Section 10 shall not apply to the granting of the Security Instrument (or the exercise of remedies thereunder following an uncured event of default) or transfer of all or any portion of (a) the limited partner interest of the Investor Limited Partner in the Owner (which is instead subject to paragraph (i) of Section 6), (b) the General Partner interest to an affiliate of the General Partner or Investor Limited Partner if Investor Limited Partner has removed and replaced the General Partner for cause pursuant to the Partnership Agreement, or (c) the transfer of any non-managing member or limited partner interest in the Investor Limited Partner; provided however that such grant, exercise or transfer will not adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Note or the exemption from State personal income taxation of the interest on the Notes. Notwithstanding the foregoing sentence, promptly upon the occurrence of any of such transfer, grant, or exercise of remedies under the Security Interest (including, but not limited to a foreclosure), the transferee or subsequent owner shall provide to the City evidence satisfactory to the City that such transferee or new owner has acknowledged in writing, and in full, that the duties and obligations of the "Owner" under Sections 3, 4 and 5 of this Regulatory Agreement and any provisions thereof relating to the enforcement of such provisions or remedies resulting from any breach thereof shall survive and continue to constitute an encumbrance on the Project.

11. Term. Subject to the following paragraph of this Section 11, Section 7 hereof and to any other provision expressly agreed herein to survive the termination of this Regulatory Agreement, this Regulatory Agreement and all of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect until the later of (a) the end of the Qualified Project Period or (b) seventy-five (75) years after the date on which at least fifty percent (50%) of the units in the Project are first occupied.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of (i) involuntary noncompliance with the provisions of this Regulatory Agreement caused by events such as fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the City from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure, or condemnation or a similar event, but only if, in case of the events described in either clause (i) or (ii) above within a reasonable period, either the Tax-Exempt Note is paid in full or cancelled or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, exercise of power of sale, or the delivery of an assignment of the leasehold interest in the Project in lieu of foreclosure or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, exercise of power of sale, transfer of title by assignment of the leasehold interest in the Project in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City in the event of the occurrence of any of the events described herein above. Notwithstanding the preceding provisions of this Section, Owner agrees that Sections 3, 4 and 5 of this Regulatory Agreement (and any provisions relating to the enforcement of such provisions or remedies resulting from any breach thereof) shall survive the termination of this Regulatory Agreement pursuant to the preceding provisions of this paragraph and remain in full force and effect until the end of the Qualified Project Period.

Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the City and the Owner subject to compliance with any of the provisions contained in this Regulatory Agreement only if there shall have been received by the City an opinion of Tax Counsel that such termination will not adversely affect the Tax-Exempt status of the interest on the Tax-Exempt Note or the exemption from State personal income taxation of the interest on the Notes. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City in the event of the occurrence of any of the events described herein above.

Upon the expiration or termination of this Regulatory Agreement or certain terms hereof, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of said expired or terminated terms; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

12. Covenants to Run with the Land. The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that on the expiration or termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire except those terms which are expressly intended to survive expiration or termination. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. No breach of any of the provisions of this Regulatory Agreement shall defeat or render invalid the lien of a mortgage made in good faith and for value encumbering the Site.

13. Burden and Benefit. The City and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Moderate Income Tenants, Low-Income Tenants and Very Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Notes were issued.

14. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Site.

15. Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days (the "Cure Period") after written notice thereof shall have been given by the City to the Owner and the Investor Limited Partner (and a copy of such notice shall also be given to the Funding Lender and the Fiscal Agent, provided however that the failure of the City to provide such copy to the Funding Lender and the Fiscal Agent shall have no effect on the sufficiency of the notice to the Owner), the City may, as its sole option, extend the Cure Period (provided, however, that the City may at its sole option extend such period if the default is of the nature which would reasonably require more than 60 days to cure and if the Owner provides the City, if requested by the City, with an opinion of Tax Counsel to the effect that such extension will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note). Upon the expiration of the Cure Period, as the same may be extended, then the City may declare an "event of default" to have occurred hereunder, and, subject to the provisions of the Project Loan Agreement, may take any one or more of the following steps:

(a) by mandamus or other suit, action or proceeding at law or in equity, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; or

(b) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project; or

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder, subject, however, to those limits on exercising remedies set forth in Section 7.2 of the Project Loan Agreement.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the occurrence of an event of default under this Regulatory Agreement shall not be deemed, under any circumstances whatsoever, to be a default under the Security Instrument except as may be otherwise specified in the Security Instrument.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the City agrees that any cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

16. Recording and Filing. The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the City and County of San Francisco, California and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

17. Payment of Fees. The Owner shall pay to the City, or to the Fiscal Agent at the direction of the City, on each anniversary date of the Closing Date that occurs during the term of this Regulatory Agreement, an annual fee (the "Annual Fee") equal to (a) one-eighth of one percent (0.125%) of the average outstanding aggregate principal amount of the Notes in the previous twelve (12) months (the "Maximum Annual Fee"), but no less than \$2,500 (the "Minimum Annual Fee"); provided, however, that (b) the Annual Fee, as calculated under clause (a) above, shall be lowered, from time to time, by a sum equal to (i) the amount, if any, by which the previous Annual Fee, prior to any adjustment under this clause (b), exceeded the Maximum Annual Fee allowable for such period, plus (ii) any amounts by which any other previous Annual Fees exceeded the respective Maximum Annual Fees, for which no subsequent Annual Fee had been lowered pursuant to this Section 17, all as calculated by the City's financial advisor and confirmed prior to maturity of the Tax-Exempt Note by a Rebate Analyst approved by the City.

For purposes of the preceding paragraph, the "average outstanding aggregate principal amount of the Notes in the previous twelve (12) months" shall be calculated by summing the actual outstanding aggregate principal amounts of the Notes as of the 14th day of each of the twelve (12) calendar months preceding the due date of the subject Annual Fee, and dividing such sum by twelve (12).

Notwithstanding any prepayment of the Funding Loan or the Project Loan and notwithstanding a discharge of the Funding Loan Agreement and/or the Project Loan Agreement, the Owner shall continue to pay the City's Annual Fee as calculated and described above. Upon the occurrence of an event of default hereunder, the Owner shall continue to pay to the City

compensation for any services rendered by it hereunder and reimbursement for all expenses incurred by it in connection therewith.

In case any action at law or in equity, including an action for declaratory relief, is brought against the Owner to enforce the provisions of this Regulatory Agreement, the Owner agrees to pay reasonable attorney's fees and other reasonable expenses incurred by the City, the Funding Lender, the Fiscal Agent, CDLAC and/or the Program Administrator in connection with such action.

18. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

19. Amendments. To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Tax Counsel filed with the City, the Fiscal Agent and the Owner, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the Tax-Exempt status of interest on the Tax-Exempt Note, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements. Otherwise, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the City and County of San Francisco, California, provided that any amendment to the CDLAC Requirements shall also be subject to the consent of CDLAC, and provided further, that any amendment to Sections 3 and 4 thereof shall require an opinion of Tax Counsel filed with the City, the Fiscal Agent, the Funding Lender and the Owner, to the effect that such amendment will not adversely affect the Tax-Exempt status of interest on the Tax-Exempt Note.

20. City Contracting Provisions. The Owner covenants and agrees to comply with the City Contracting Provisions set forth in Exhibit G to this Regulatory Agreement, which are incorporated in and made a part of this Regulatory Agreement by this reference.

21. Notice. All notices, certificates or other communications shall be sufficiently given and shall be deemed given (i) on the date personally delivered or (ii) on the second business day following the date on which the same have been mailed by first class mail, postage prepaid, or (iii) by telecopier or other electronic means (including email), and deemed given one business day after such facsimile or electronic transmission but only upon prompt receipt of such notice by first class or overnight mail, or (iv) the business day following delivery by a recognized overnight delivery service, addressed as follows:

Any of the foregoing parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, documents or other communications shall be sent.

22. Interpretation. The parties to this Regulatory Agreement acknowledge that each party and their respective counsel have participated in the drafting of this Regulatory Agreement. Accordingly, the parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in the interpretation of this Regulatory Agreement or any supplement or exhibit hereto.

23. Severability. If any provision of this Regulatory Agreement shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portions hereof shall not in any way be affected or impaired thereby.

24. Third-Party Beneficiaries. The parties to the Regulatory Agreement recognize and agree that the terms of this Regulatory Agreement and the enforcement of those terms are entered into for the benefit of various parties, and the parties hereto acknowledge that the Funding Lender, the Fiscal Agent and CDLAC are third party beneficiaries of this Regulatory Agreement. CDLAC shall accordingly have contractual rights in this Regulatory Agreement and shall be entitled (but not obligated) to enforce, in accordance with Section 15 hereof, the terms hereof and the terms of

the CDLAC Resolution. Notwithstanding the above, CDLAC shall be entitled solely to enforce the terms of the CDLAC Resolution, and any enforcement of the terms and provisions of the CDLAC Resolution by CDLAC shall not adversely affect the interests of the Funding Lender or the Fiscal Agent, and shall otherwise be subject to the terms, conditions and limitations otherwise applicable to the enforcement of remedies under this Regulatory Agreement pursuant to Section 52080(k) of the Housing Law, the provisions of Subsection 4(a)(v) and Section 6 hereof may be enforced either in law or in equity by any resident, local agency, entity, or by any other person adversely affected by the Owner's failure to comply with that Section.

25. Multiple Counterparts. This Regulatory Agreement may be executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

26. CDLAC Requirements. In addition to the other requirements set forth herein and to the extent not prohibited by the requirements set forth in Sections 2 through 6 hereof, the Owner hereby agrees: i) to comply with the CDLAC Resolution; ii) that the acquisition, construction, and operation of the Project, and the financing thereof, is and shall be in compliance with the conditions set forth in Exhibit A ("CDLAC Requirements") to CDLAC Resolution No. 23-266 adopted on December 6, 2023, attached hereto as Exhibit F (the "CDLAC Resolution"), which CDLAC Requirements are incorporated herein by this reference; and iii) that the Owner will cooperate fully with the City in connection with the City's monitoring and reporting requirements as provided herein. Compliance with the terms of the CDLAC Requirements not contained within this Regulatory Agreement, but referred to in the CDLAC Requirements, is the responsibility of the Owner to report to the City.

After the Tax-Exempt Note is executed and delivered, the terms and conditions set forth in the CDLAC Resolution shall be enforceable by CDLAC (or, in its sole discretion, the City) through an action for specific performance or any other available remedy. In addition, after the Note is issued, a) changes to Items #1, #6, #7, #10 thru #12, #14 thru #16, #18 thru #26, and #37 of the CDLAC Requirements require CDLAC's Committee or Executive Director's approval (or as otherwise required by CDLAC); and b) items #2, #13, #17 and #27 of the CDLAC Requirements cannot be altered. Changes to Items #3 thru #5 of the CDLAC Resolution require no CDLAC Committee or Executive Director's approval but any alterations must be reported to CDLAC staff for the affordability period. Changes to Items #8 and #9 of the CDLAC Requirements require no CDLAC notification and changes to Items #28 thru #36 of the CDLAC Requirements require CDLAC Committee or Executive Director's approval only prior to the Project being placed in service by the CTCAC.

Compliance with the terms of the CDLAC Requirements not specifically set forth in this Regulatory Agreement are the responsibility of the Owner to report to the City.

In addition to its obligations to CDLAC set forth in the CDLAC Requirements, annually, on February 1st, until construction of the Project has been completed and the Owner has submitted to the City the Certificate of Completion, and thereafter on February 1st every three years, the Owner shall prepare and submit to the City a Certificate of Compliance II in the form required by CDLAC and referenced in the CDLAC Resolution, executed by an Authorized Owner Representative.

Any of the foregoing requirements of CDLAC contained in this Section 26 may be expressly waived by CDLAC, in its sole discretion, in writing, but (i) no waiver of CDLAC of any requirement of this Section 26 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, except to the extent that the City has received an opinion of Tax Counsel that any such provision is not required by the Act or the Code and may be waived without adversely affecting the Tax-Exempt status of interest on the Tax-Exempt Note for federal income tax purposes; and (ii) any requirement of this Section 26 shall be void and of no force and effect if the City and the Owner receive a written opinion of Tax Counsel to the effect that compliance with any such requirement would cause interest on the Tax-Exempt Note to cease to be Tax-Exempt or to the effect that any compliance with such requirement would be in conflict with the Act, the Code or any other state or federal law.

27. California Debt and Investment Advisory Commission Reporting Requirements.

No later than January 31 of each calendar year (commencing January 31, 2025), the Owner, on behalf of the City, agrees to provide the California Debt and Investment Advisory Commission, by any method approved by such Commission, with a copy to the City, the annual report information required by Section 8855(k)(1) of the California Government Code. This covenant shall remain in effect until the later of the date (i) the Notes are no longer outstanding or (ii) the proceeds of the Notes and the Funding Loan have been fully spent.

**A RESOLUTION TRANSFERRING A PORTION OF THE 2023 STATE CEILING

QUALIFIED RESIDENTIAL RENTAL PROJECT**

WHEREAS, the California Debt Limit Allocation Committee ("CDLAC") is authorized to implement the volume limit for the state on private activity bonds established pursuant to federal law, annually determine a state ceiling on the aggregate amount of private activity bonds that may be issued, and allocate that aggregate amount among state and local agencies (Gov. Code, § 8869.81 et seq.); and

WHEREAS, CDLAC has received an application ("Application") from the City and County of San Francisco ("Applicant") for the transfer to the Applicant of a portion of the 2023 state ceiling for use by the Applicant to issue bonds or other obligations ("Bonds") for 2550 Irving ("Project") as described in Exhibit A; and

WHEREAS, 2550 Irving Associates, L.P. ("Project Sponsor") has represented and the Applicant has confirmed in the Application certain facts and information concerning the Project; and

WHEREAS, in evaluating the Project and allocating a portion of the state ceiling to the Applicant for the benefit of the Project, CDLAC staff has relied upon the written facts and information represented in the Application by the Project Sponsor and the Applicant; and

WHEREAS, it is consistent with CDLAC's statutes and regulations for CDLAC to transfer a portion of the 2023 state ceiling ("Allocation") to benefit the Project;

NOW, THEREFORE, BE IT RESOLVED by the California Debt Limit Allocation Committee the following:

Section 1. An amount of the 2023 state ceiling on the aggregate amount of private activity bonds equal to \$51,846,000.00 shall be transferred to the Applicant. Section 3. A modification to the Project made prior to the issuance of the Bonds that impacts the Resolution shall be reported to the Executive Director and, if the Executive Director determines that modification to be material pursuant to CDLAC's statutes and regulations, the material modification shall be brought back to CDLAC for consideration before the Allocation may be used for the Project. After the Bonds are issued, the terms and conditions set forth in this Resolution shall be enforceable by CDLAC through an action for specific performance or other available remedy.

In addition, after the Bonds are issued, a change to Items #1; #6; #7; #10; #11; #12; #14; #15; #16; #18 through #26, inclusive; and #37 of Exhibit A shall require CDLAC or Executive Director approval for the term of the commitment; a change to Items #2, #13, #17, and #27 of Exhibit A shall not be altered; a change to Items #3, #4, and #5 of the Exhibit A shall not require CDLAC or Executive Director approval, but an alteration shall be reported to CDLAC staff for the affordability period; a change to Items #8 and #9 of Exhibit A shall not require CDLAC notification; and a change to Items #28 through #36, inclusive, of Exhibit A shall require CDLAC or Executive Director approval only prior to the Project being placed in service by the California Tax Credit Allocation Committee (CTCAC) if the Bonds receive tax credits.

Section 4. A material change in the structure of the Bonds sale prior to the issuance of the Bonds and not previously approved by CDLAC shall require approval of the CDLAC Chair or the Executive Director.

Section 5. The transfer of the proceeds from the sale of the Bonds to a project other than the Project may be allowed only with the prior approval of the Executive Director in consultation with the CDLAC Chair.

Section 6. The Applicant is authorized to use the Allocation to make a carryforward election with respect to the Project. The Applicant is not authorized to transfer the Allocation to any governmental unit in the State except to CDLAC.

Section 7. If the Applicant has not issued the Bonds pursuant to the Allocation by the close of business on June 17, 2024, the Applicant shall notify CDLAC and carry forward the Allocation to the next approved project to be awarded a bond allocation pursuant to California Code of Regulations, title 4, section 5133. Section 12. In consideration of the Allocation, the Applicant and Project Sponsor shall comply with all the terms and conditions contained in this Resolution and ensure that these terms and conditions are included in the documents related to the Bonds. The Applicant and Project Sponsor shall expressly agree that the terms and conditions of this Resolution may be enforced by CDLAC through an action for specific performance or any other available remedy, provided CDLAC agrees not to take any action or enforce any remedy that would be materially adverse to the interests of Bondholders. The Applicant and Project Sponsor shall ensure the Bond documents, as appropriate, expressly state CDLAC is a third-party beneficiary of the terms and conditions set forth in this Resolution.
