- **Benchmark 2** – Whether the CBD met its non-assessment revenue source requirement.
- **Benchmark 3** - Whether the variance between the budget amounts for each service category was within 10 percentage points from the fiscal actuals.
- **Benchmark 4** - Whether CBD is indicating the amount of funds carried over from the current fiscal year and designating projects to be spent in the upcoming fiscal year.

Tourism Improvement District (TID) & Moscone Expansion District (MED) - Benchmarks

Benchmark	Question	TID: Was This Met in FY2021?	MED: Was This Met in FY2021?
Benchmark 1	Variance between management plan budget and fiscal year budget is X < 10%?	Yes	Yes
Benchmark 2	Variance between fiscal year budget and fiscal year actuals is X < 10%	Yes	Yes
Benchmark 3	Were carryforward fund indicated from current fiscal year to the next fiscal and were projects designated to be spent on?	Yes	Yes

Tourism Improvement District & Moscone Expanding District - Findings and Recommendations

- Both districts special assessment revenues were significantly impacted by the Covid-19 pandemic. The formula for both districts is based on a percentage of revenue generated from hotel room purchases in the City and County of San Francisco.
 - The lack of assessment revenue forced the Moscone Expansion District to tap its Debt Service and Stabilization fund. The fund was designed to be drawn upon in any year when lower than expected MED collections caused MED contributions toward debt service to be lower than the sum set forth in cash flow projections.
 - Due to the pandemic's impact on assessment revenue TID assessment fees were less than anticipated resulting in the district expending approximately \$890,000 more than what it collected in the FY. This amount was covered through the TID's Contingency/Reserve fund.
- The TID is set to expire in 2023 and the renewal and expansion process will be completed in Fall 2022.
 - The San Francisco Tourism Improvement District Management Corporation (SFTIDMC) and SF Travel followed OEWD's recommendation to begin the renewal process in FY 2019-20.
 - A Management District Plan was submitted to the City in spring 2020 but the TID and OEWD mutually agreed to pause the renewal process due to the Covid-19 pandemic and expansion proponents.
 - OEWD and project proponents resumed the renewal and expansion Management District Plan from winter 2020 through summer 2021. Project proponents have hosted and continue to host informational meetings for rate payers.
- In May 2020, SFTIDMC took out a line of credit of \$5,000,000 which was supposed to come to term in 2021. In August 2021, SFTIDMC worked with the lending agency to extend the term to December 2022 and is in process of finalizing the agreement.

Ocean Avenue - Findings and Recommendations (Pt 1 of 3)

- OAA did not provide carryforward amount and spenddown plan in their annual report; provided the information in supplemental documentation
 - Recommendation: Utilize the OEWD provided annual reporting template to ensure they include all required reporting fields
- Partnered with city agencies to help provide some business technical assistance and facade improvement to some of the businesses along the corridor
 - Recommendation: Perform weekly merchant walks and host weekly office hours to listen to concerns of all the district's businesses as the organization does not have a physical office to interact with stakeholders
 - Recommendation: Ensure outreach materials are culturally competent when translated into Chinese and Spanish as the corridor is comprised of a large number of monolingual business owners
- Continued to perform core cleaning services well
 - Recommendation: Collect quantifiable metrics for its cleaning services so as to demonstrate to the community and city stakeholders the CBD's impact as well as ensure accountability
- Recommendation: Prioritize the implementation of the Ocean Avenue Association Strategic Plan developed in September 2020.

Ocean Avenue - Findings and Recommendations (Pt 2 of 3)

- **Select findings from the Ocean Avenue Association Strategic Plan:**
 - The Board is undereducated on its legal and moral responsibilities to the assessment payers and the City. There is a lack of a Board Handbook or document that defines the Board role, its legal responsibility and the organization's expectations of Board Members
 - The Board is not adequately meeting fiduciary responsibilities either organizational or financial. There is a lack of participation by Board members with 2-3 members controlling the meetings and strongly influencing board decisions. There is a lack of understanding and questioning of programs, finances and the Executive Director's Performance
 - There are communications challenges between the Board and the Executive Director. The Board is not clearly informed or kept up to date on the operations and programs of the CBD
 - There is a lack of a consistent distribution of timely financial reports to the Board: The Board does not receive an operation report or balance sheet or a cash flow projection on a consistent monthly basis. Contracts for services, grant funding and grant funds receivable are not consistently reviewed and approved by the Board. The fiscal year 2020-2021 budget which began July 1, 2020 was not reviewed and approved by the Board until January 2021

Ocean Avenue - Findings and Recommendations (Pt 3 of 3)

- **Continued select findings from the Strategic Plan:**
 - There is no clear focus or Board unity on the organization's purpose, vision and its relationship with other community organizations
 - The CBD has limited relationships with the property owners that pay the assessments to the district. There is inconsistent communication to the property owners, businesses and residents of the district
 - There is neither a consistent communication strategy nor marketing strategy to attract customers and investors to the district
 - There is a lack of staff capacity to execute projects and programs beyond the CBD's core cleaning program
- The Strategic Plan includes a list of recommendations (page 7-13 of the plan) to address these findings.
- OEWD requested the Office of the Controller to perform an audit of the organization in FY22-23 to gauge the progress the organization is making at implementing the strategic plan's recommendation, ensure the organization is spending funding properly and the overall effectiveness and efficiency of the organization.
- Complied with OEWD's memo regarding surveillance technology reporting requirements

OCEAN AVENUE
ASSOCIATION

Intro

FY 2021-2022 was a time of great progress for OAA, for example:

- ★ We reviewed and updated our contracts.
- ★ We worked with Cleanscapes to make sure Ocean Avenue was clean and graffiti free.
- ★ We worked with DPW to add five trash cans at critical locations.
- ★ Our "*Respect New 20 MPH on Ocean Avenue*" prints were posted on windows of businesses, and our posters appeared on social media with politicians and law enforcement officers.
- ★ We developed and participated in a series of events to bring neighbors to Ocean Avenue.

Cleaning-Graffiti Data:

- ★ Trash Collected: 25,000 lbs.
- ★ Graffiti cleaned-up: 1,300 occurrences

By The Numbers

Spreading The Word

Marketing:

- ★ OAA developed a database of all businesses, and produced the Ocean Avenue Business Directory that can be found at multiple locations on Ocean Avenue,
- ★ OAA has increased its email list by 38% during the FY 21/22. Emails with Community Updates are sent out 2 to 3 times monthly.
- ★ OAA is active on Facebook, Twitter, and Instagram.

- ★ We saw an average increase of 40% in Email / Facebook / Twitter / Instagram for FY 21/22.

San Francisco adopted a speed reduction of 5 MPH along Ocean Avenue, and:

- ★ OAA promptly started a public campaign to promote the new 20 MPH speed limit by passing window signs to businesses, stickers to kids, and posing at events with posters promoting the new speed limit of 20 MPH.
- ★ All intersections on the Ocean Avenue business corridor have a traffic light signal except at Granada.
- ★ OAA collected about 400 signatures asking our district supervisor to install a STOP sign on Ocean at Granada Avenue.

Street Safety

Annual Report Highlights – FY 20/21

District Map - 535 total parcels

Executive Summary

- Due to COVID-19, DPCBD dedicated much of its time and resources toward helping the district weather the pandemic's impacts, and FY 20/21 very much fits that description. Mainly this entailed supporting our StreetPlus cleaning crews, addressing the myriad needs and questions from the merchant community, and continuing to respond to the concerns of residents and property owners.
- Overall, FY 20/21 was an opportunity for the value of DPCBD to be shown in full effect to local stakeholders, and we believe that we emerged from this FY stronger, better organized, and ready to take on the challenges of the next year.

- **Neighborhood Cleanliness**
- The COVID-19 pandemic caused an increase in homelessness activity as well as a decrease in the presence of the public on the streets which both led to moderately larger amounts of trash and waste littered throughout the district.
- Simultaneously, StreetPlus was forced to manage pandemic-related staffing shortages, which meant a smaller core group of workers were forced to complete more cleaning in less time with fewer numbers.
- Despite these circumstances, the StreetPlus team managed to accomplish their cleaning, graffiti abatement, and steam cleaning/power washing goals consistently as is evidenced by the report below.
- The brand-new Big Belly trash cans (installed in June '20) were in full effect throughout FY 20/21 and helped to stem the issues caused previously by overflowing public waste receptacles.

Financial Notes

Benchmark 1 – Budget Vs Management Variance

- Revenues and expenses followed very closely to plan for the fiscal year. Assessment revenues were lower than expected due to the COVID-19 crisis but were offset partially by lower-than-expected expenses.

Expense

- Overall expenses for the fiscal year are under budget by \$16,285.

Clean & Safe

- Clean & Safe expenses are significantly under the budget by \$74,860 due to understaffing issues at StreetPlus mostly related to the COVID-19 crisis.

Beautification & Placemaking

- Beautification & Placemaking expenses are \$31,682 higher than budgeted. This is a result of paying the lighting company to install tree lights throughout the district. A large portion of this expense will be offset by a grant which was awarded to DPCBD by SF OEWD, but will not be reimbursed until FY 2021-2022.

Marketing & Business Support

- Marketing & Business Support expenses are \$10,310 over the budgeted plan due to hiring a social media manager.

Admin & Reserve

- Admin & Reserve expenses are \$16,577 over the budgeted plan due to a renegotiation of the Executive Management contract to include additional funds to cover healthcare for Executive Management Team.

Carryover Status

- DPCBD has a carryover of \$806,367

Other Notable Items

- DPCBD proceeded with fiscal caution throughout the COVID-19 crisis due to uncertainty on the impact of the pandemic on assessment revenues. Thankfully, the crisis did not impact assessment revenues significantly. The Board of Directors and Executive Management team plan to allocate more of the reserve funds toward meeting the district's objectives in FY2021-2022.

Conclusion

2020/2021 was the FY where Discover Polk fully came into its own. We were extremely fortunate that our assessments came in at (or very near to) budget. We managed to stay within budget while still keeping ample reserves due to COVID related risks.

COMMUNITY BENEFIT DISTRICT

2020-2021 Annual Report

The Lower Polk CBD encompasses 22 whole or partial blocks on lower Polk street. It is a diverse and challenging District, due to its proximity to the Tenderloin, and to the high traffic Van Ness corridor.

Yet, even during a continued period of great challenge and change, the members of our local, diverse, and active Board of Directors continued to collectively demonstrate outstanding leadership and commitment to our unique and vibrant District.

In 2020-2021:

We lessened the effects of COVID-19 on our District and constituents by continuing to increase District cleaning and sanitizing public fixtures.

We maintained the health and safety of our team by training people to use personal protective equipment and seeing to it that they use it.

We helped merchants hurt by the pandemic through additional business support services and our award-winning Lower Polk Tenant Landlord Clinic.

We helped renters affected by the pandemic through our Lower Polk Tenant Landlord Clinic.

We elected new board members, new officers and community chairs, and renewed the terms of current board members.

We kept up with new developments in the Lower Polk District and their effect on vitality, community, and other issues.

We stayed involved in leadership positions with many community and City organizations, including Lower Polk Neighbors

With respect to finance and fund development:

We received a PPP Loan to assist in operations.

We reviewed organizational investments.

We reviewed organizational insurance.

We prepared budget projections.

We continued to:

Sweep and steam clean District sidewalks. Address graffiti.

Clean and weed tree wells.

Monitor public trash receptacles and report large items to the City for removal.

Add more members of the LPCBD Clean Team and conduct training sessions.

Carry out performance measures and goals for neighborhood cleanliness.

Analyze service trends over time to better understand the geographic distribution

We continued to:

Work with the San Francisco Police Dept. to address issues around safety.

Work with the Department of Homelessness and Supportive Housing.

Use ambassador staff to report areas that need to be cleaned, provide directions and information about the neighborhood and serve as an additional set of eyes to report safety issues.

Participate in multiple neighborhood safety and security groups to discuss and take action on issues and trends, with a special focus on our Lower Polk alleyways.

Work with the City on potential policies concerning empty storefronts.

And we continued to:

Collaborate with the Dept. of Public Health to address the unhoused and the neighborhood street population.

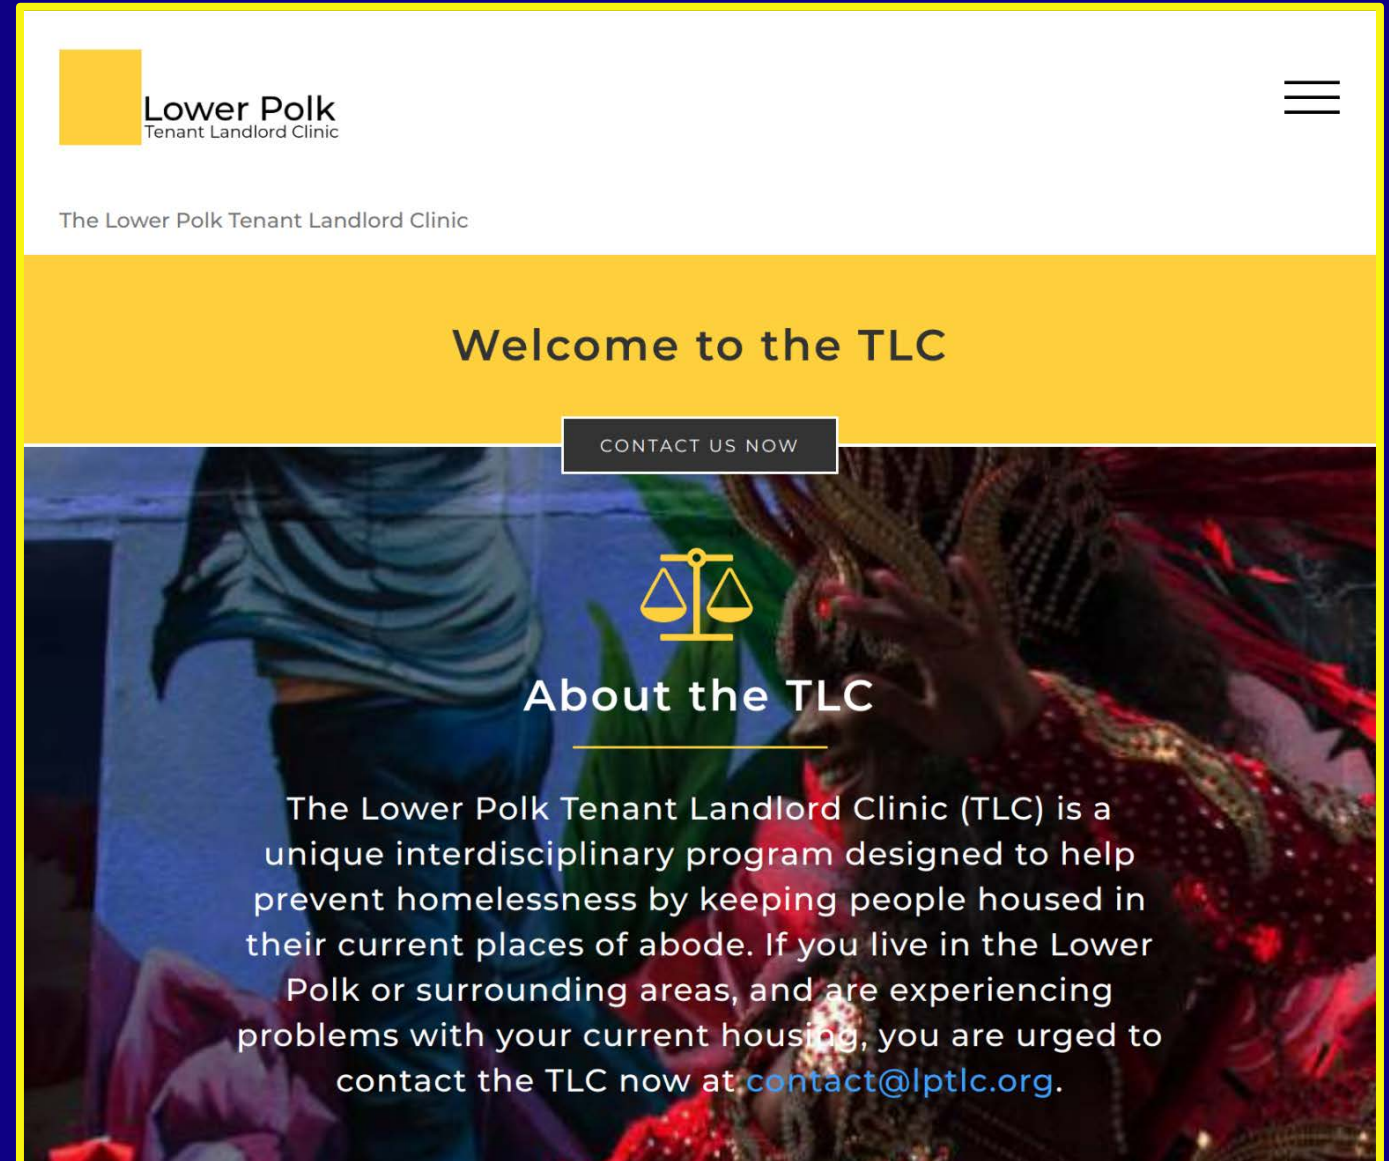

Attend numerous neighborhood association meetings and coordinate additional constituent meetings to discuss LPCBD outreach services, address specific concerns and create action plans.
