Motion directing the Clerk of the Board to prepare findings reversing a Community Plan Evaluation determination by the Planning Department that a proposed project at 1726-1730 Mission Street is exempt from further environmental review.

On May 24, 2017, the Planning Department issued a Community Plan Evaluation under the Eastern Neighborhoods Rezoning and Area Plan Final Environmental Impact Report (FEIR), finding that the proposed project located at 1726-1730 Mission Street ("Project"): is consistent with the development density established by the zoning, community plan, and general plan policies in the Eastern Neighborhoods Rezoning and Area Plan project area, for which the FEIR was certified; would not result in new significant environmental effects, off-site or cumulative impacts, or effects of greater severity than were already analyzed and disclosed in the FEIR; and therefore does not require further environmental review under the California Environmental Quality Act (CEQA), Public Resources Code, Section 21000 et seq., the CEQA Guidelines, and Administrative Code, Chapter 31, in accordance with CEQA, Section 21083.3, and CEQA Guidelines, Section 15183; and

WHEREAS, The proposed project involves the demolition of two existing two-story structures that are currently vacant but were previously used as a sausage factory and as an office and storage warehouse for the sausage factory, and construction of a new six-story, 66-foot-tall, building containing 40 dwelling units, approximately 2,250 gross square feet (gsf) of production/distribution/repair (PDR) space, and a garage with 22 parking spaces; and

1 WHEREAS, By letter to the Clerk of the Board, received by the Clerk's Office on July 3,
2 2017, J. Scott Weaver, on behalf of Our Mission No Eviction (Appellant) appealed the
3 environmental determination; and

4 WHEREAS, The Appellant provided a copy of Planning Commission Motion No. 19931,
5 adopted on June 1, 2017, approving a Large Project Authorization under Planning Code,
6 Section 329, and finding that the proposed project was within the scope of the FEIR and did
7 not require further environmental review under CEQA, Section 21083.3, and CEQA
8 Guidelines, Section 15183; and

9 WHEREAS, The Planning Department's Environmental Review Officer, by
10 memorandum to the Clerk of the Board dated July 7, 2017, determined that the appeal had
11 been timely filed; and

12 WHEREAS, On September 26, 2017, this Board held a duly noticed public hearing to
13 consider the appeal of the environmental determination filed by Appellant and, following the
14 public hearing, conditionally reversed the environmental determination subject to the adoption
15 of written findings in support of such determination; and

16 WHEREAS, In reviewing the appeal of the environmental determination, this Board
17 reviewed and considered the environmental determination, the appeal letter, the responses to
18 the appeal documents that the Planning Department prepared, the other written records
19 before the Board of Supervisors and all of the public testimony made in support of and
20 opposed to the environmental determination appeal; and

21 WHEREAS, Following the conclusion of the public hearing, the Board of Supervisors
22 conditionally reversed the determination that the project did not require further environmental
23 review subject to the adoption of written findings of the Board in support of such determination
24 based on the written record before the Board of Supervisors as well as all of the testimony at
25 the public hearing in support of and opposed to the appeal; and

1 WHEREAS, The written record and oral testimony in support of and opposed to the
2 appeal and deliberation of the oral and written testimony at the public hearing before the
3 Board of Supervisors by all parties and the public in support of and opposed to the appeal of
4 the environmental determination is in the Clerk of the Board of Supervisors File No. 170808
5 and is incorporated in this motion as though set forth in its entirety; now therefore be it

6 MOVED, That this Board of Supervisors directs the Clerk of the Board to prepare the
7 findings specifying the basis for its decision on the appeal of the environmental determination
8 issued by the Planning Department for the project.
