Department:

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed ordinance would (a) de-appropriate \$3,000,000 of fringe benefits, and (b) re-appropriate \$3,000,000 for overtime in the Police Department's FY 2011-12 budget, including \$2,800,000 for General Fund Overtime expenditures and \$200,000 of Airport Enterprise Fund Overtime expenditures, in order to resolve the Department's projected FY 2011-12 budgetary shortfall in Overtime as required in accordance with Administrative Code Section 3.17.

Key Points

- Administrative Code Section 3.17, which was approved by the Board of Supervisors in September of 2011, requires that the Annual Appropriation Ordinance contain a separate overtime appropriation for the Police Department, and the Police Department must request a supplemental appropriation ordinance, subject to Board of Supervisors approval, if their Overtime expenditures are proposed to be greater than the amount of overtime appropriated in the Annual Appropriation Ordinance.
- The total FY 2011-12 approved Police Department Overtime budget is \$24,175,450, including \$8,367,780 funded from General Fund revenues and \$1,607,670 funded from Airport Enterprise Fund revenues.
- The two primary reasons for the requested additional General Fund Overtime expenditures are additional Police Officers were assigned to (a) Occupy San Francisco, and (b) over a dozen dignitary visits, including visits from the President, Vice President and First Lady. The increased Airport Overtime expenditures are being requested because additional 9209 Airport Police Services Aide positions were assigned to Airport security, due to the opening of the new Terminal 2 at the Airport.

Fiscal Impact

- The requested additional \$3,000,000 of Overtime would increase the Police Department's (a) General Fund Overtime budget by \$2,800,000 from \$8,367,780 to \$11,167,780, a 33.5 percent increase, and (b) Airport Enterprise Overtime budget by \$200,000 from \$1,607,670 to \$1,807,670, a 12.4 percent increase.
- Based on the Budget and Legislative Analyst's projections for FY 2011-12, the Police Department is estimated to need a total of (a) \$10,767,085 of General Fund Overtime, which is \$400,696 less than the total \$11,167,781 of General Fund Overtime expenditures requested, and (b) \$1,733,834 of Airport Enterprise Overtime, or \$73,836 less than the total \$1,807,670 of Airport Overtime expenditures requested.
- Therefore, the requested supplemental appropriation should be reduced by a total of \$474,532.

Recommendations

- Amend the proposed supplemental appropriation to reduce the requested \$3,000,000 supplemental appropriation by a total of \$474,532 to \$2,525,468, as detailed in Table 5.
- Approve the proposed ordinance, as amended.

MANDATE STATEMENT / BACKGROUND

Mandate Statement

Charter Section 9.105 provides that any amendments to the Annual Appropriation Ordinance be approved by ordinance by the Board of Supervisors, after the Controller certifies the availability of funds.

Administrative Code Section 3.17, which was approved by the Board of Supervisors in September of 2011, requires that the Annual Appropriation Ordinance contain a separate overtime appropriation within the Airport, Emergency Management, Police, Public Health, Public Utilities, Public Works, Recreation and Park and Sheriff Departments' operating budgets. In accordance with Administrative Code Section 3.17(b), these eight identified City departments must also request a supplemental appropriation ordinance, which is subject to Board of Supervisors approval, if their Overtime expenditures are proposed to be greater than the amount of overtime appropriated in the Annual Appropriation Ordinance.

Background

The FY 2011-12 Annual Appropriation Ordinance, previously approved by the Board of Supervisors in July of 2011, contains a total budget of \$461,807,191 for the Police Department, including \$407,327,860 of General Fund expenditures. Table 1 below identifies the actual Overtime expenditures incurred by the Police Department in FY 2008-09 through FY 2010-11 and the budgeted Overtime expenditures for FY 2011-12. As shown in Table 1 below, the total FY 2011-12 approved Police Department Overtime budget is \$24,175,450, including \$8,367,780 funded from General Fund revenues and \$1,607,670 funded from Airport Enterprise Fund revenues.

Other*	10,700,000	11,400,000	10,100,000	14,200,000
Total	\$32,700,000	\$26,900,000	\$24,600,000	\$24,175,450

* Other includes Administrative Code Section 10B Special Law Enforcement funded Overtime, Grant funded Overtime, and non- General Fund Workordered Overtime.

On March 8, 2012, the Controller's Office issued the FY 2011-12 Six-Month Overtime Report, which identifies City department overtime budgets, year to date expenditures, and annualized overtime projections by department. As shown in the Attachment, this Six-Month Overtime Report found that, based on actual Police Overtime expenditures incurred through January 20,

2012, the Police Department's Overtime expenditures are projected to total approximately \$27,200,000, which would exceed the Police Department's FY 2011-12 approved total Overtime budget appropriation of approximately \$24,200,000 by \$3,000,000.

DETAILS OF PROPOSED LEGISLATION

The proposed ordinance would (a) de-appropriate \$3,000,000 of surplus retirement funds budgeted as part of mandatory fringe benefits in the Police Department's FY 2011-12 budget, and (b) re-appropriate the \$3,000,000 for additional Overtime expenditures in the Police Department's FY 2011-12 budget, in order to resolve the Department's projected FY 2011-12 budgetary shortfall in Overtime in accordance with Administrative Code Section 3.17, as detailed in Table 2 below.

Table 2: De-appropriation and Re-appropriation of Proposed Supplemental Appropriation

De-appropriation from Surplus Retirement:		
General Fund	Retirement-Uniform	\$2,800,000
Airport Enterprise Fund	Retirement-Uniform	200,000
Total		\$3,000,000
Re-appropriation for Overtime:		
General Fund	Overtime-Uniform	2,800,000
Airport Enterprise Fund	Overtime-Miscellaneous	200,000
Total		\$3,000,000

As shown in Table 2 above, of the total \$3,000,000 (a) \$2,800,000 would be de-appropriated from the General Fund budgeted for retirement expenditures for Police uniform positions and re-appropriated for additional General Fund Overtime expenditures for Police uniform positions, and (b) \$200,000 would be de-appropriated from available Airport Enterprise Funds budgeted for retirement expenditures for Police uniform positions and re-appropriated for additional Airport Overtime expenditures for Police miscellaneous civilian positions.

According to Ms. Carolyn Welch, Budget Manager at the Police Department, the two primary reasons for the requested additional General Fund Overtime expenditures are additional Police Officers assigned to (a) Occupy San Francisco, and (b) over a dozen dignitary visits during FY

2011-12, including visits from the President, Vice President and First Lady. Ms. Welch advises that the increased Airport Overtime expenditures are being requested because additional 9209 Airport Police Services Aide positions were assigned to Airport security, due to the opening of the new Terminal 2 at the Airport.

FISCAL IMPACTS

As shown in Table 3 below, the requested additional \$3,000,000 of Overtime would increase the Police Department's (a) General Fund Overtime budget by \$2,800,000 from \$8,367,781 to \$11,167,781, a 33.5 percent increase, and (b) Airport Enterprise Overtime budget by \$200,000 from \$1,607,670 to \$1,807,670, a 12.4 percent increase. Other Overtime funds totaling \$14,200,000 would not increase, such that the Police Department's overall Overtime budget would increase by \$3,000,000 from \$24,175,450 to \$27,175,450, a 12.4 percent increase.

Table 3: Budgeted and Requested Overtime Funds

Police Overtime Fund	Budgeted FY 2011-12	Requested Additional Overtime Funds	Total Overtime Funds	Percentage Increase
General Fund	\$8,367,780	\$2,800,000	\$11,167,780	33.5%
Airport Enterprise Fund	1,607,670	200,000	1,807,670	12.4%
Other*	14,200,000	0	14,200,000	0%
Total	\$24,175,450	\$3,000,000	\$27,175,450	12.4%

* Other includes Administrative Code Section 10B Special Law Enforcement funded Overtime, Grant funded Overtime, and non- General Fund Workordered Overtime.

As shown in Table 1 above, in FY 2010-11 the Police Department expended a total of \$24,600,000 on Overtime expenditures, such that the requested total Overtime expenditures of \$27,175,450 for FY 2011-12 reflects an annual increase of \$2,575,450 or 10.5 percent, as compared to FY 2010-11.

Regarding the proposed de-appropriation of \$3,000,000 from surplus uniform retirement funds in the Police Department's FY 2011-12 budget, the Controller's Office estimates that there is approximately \$8,900,000 of surplus fringe benefits in the Police Department's FY 2011-12 budget. This approximately \$8,900,000 savings resulted because on September 20, 2011, the Board of Supervisors approved Amendment 4 to the Memorandum of Understanding (MOU) between the City and the San Francisco Police Officers' Association, which among other changes, (a) increased Police uniform salaries by three percent on July 1, 2011 and an additional two percent on March 31, 2012, and (b) increased Police uniform employee retirement contributions to three percent in FY 2011-12 (File 11-0849; Ordinance No. 187-11).

However, because this MOU was approved by the Board of Supervisors on September 20, 2011, subsequent to the FY 2011-12 budget being fully adopted by the Board of Supervisors in July of 2011, the Police Department's FY 2011-12 budget was not subsequently adjusted to reflect these MOU changes. As a result, (a) due to wage increases approved in the MOU, the Police Department's FY 2011-12 budget was estimated to be underbudgeted for salaries by approximately \$5,000,000, and (b) due to increases in employee retirement contributions approved in the MOU, the Police Department's FY 2011-12 budget was estimated to be overbudgeted for fringe benefits by approximately \$8,900,000. As noted above, the proposed \$3,000,000 supplemental appropriation is requested to be fully funded from a portion of the \$8,900,000 overbudgeted fringe benefits in the current FY 2011-12 budget. The Budget and Legislative Analyst also note that the wage increases in the MOU contributes to the increased cost of Overtime expenditures by the Police Department.

Table 4 below identifies the actual Overtime expenditures incurred by the Police Department for General Fund and Airport Enterprise Funds from July 1, 2011 through March 31, 2012 and projects the required Overtime expenditures for the balance of FY 2011-12.

Table 4: Actual Overtime Expenses Incurred Through March, 2012 and Projected Need for FY 2011-12

<i>Budget and Legislative Analyst's Projected Need for FY 2011-12 Based on Actuals Through March, 2012, less \$1,313,386 for Occupy SF Overtime Expenditures, and Straight Line Projections</i>	10,767,085	1,733,834
Requested Total Amount for FY 2011-12 (see Table 3)	11,167,781	1,807,670
<i>Amount Not Needed as Projected by the Budget and Legislative Analyst</i>	\$400,696	\$73,836

As shown above in Table 4, based on straight line projections, the Police Department is estimated to need a total of \$1,733,834 of Airport Enterprise Overtime in FY 2011-12, which is \$73,836 less than the total \$1,807,670 of Airport Overtime expenditures requested.

In addition, as shown above in Table 4, a significantly higher level of General Fund Overtime expenses were incurred in October, November and December of 2011 partly due to the Occupy San Francisco protests. Ms. Welch reports that a total of \$1,313,386 of the Overtime expenditures are directly attributable to the Occupy protests. In order to not artificially skew the Overtime projections for the balance of FY 2011-12, the Budget and Legislative Analyst subtracted the \$1,313,386 Overtime amount directly attributable to the Occupy protests and conducted a straight line projection on the remaining Overtime expenditures incurred. As shown in Table 4 above, based on the Budget and Legislative Analyst's projections, the Police Department is estimated to need a total of \$10,767,085 of General Fund Overtime in FY 2011-12, which is \$400,696 less than the total \$11,167,781 of General Fund Overtime expenditures requested.

As detailed in Table 3 and identified in Table 4 above, the Police Department is requesting a total of \$11,167,781 of General Fund Overtime and \$1,807,670 of Airport Enterprise Overtime funding in FY 2011-12. Therefore, based on the Budget and Legislative Analyst's projections, the requested supplemental appropriation should be reduced by a total of \$474,532, as follows:

Table 5: Requested and Recommended Overtime for FY 2011-12

Police Overtime Fund	Requested Additional Overtime Funds	Budget and Legislative Analyst's Recommended Reductions	Budget and Legislative Analyst's Recommended Additional Overtime
General Fund	\$2,800,000	\$400,696	\$2,399,304
Airport Enterprise Fund	200,000	73,836	126,164
Total	\$3,000,000	\$474,532	\$2,525,468

RECOMMENDATIONS

1. Amend the proposed supplemental appropriation to reduce the requested \$3,000,000 supplemental appropriation by a total of \$474,532 to \$2,525,468, as detailed in Table 5 above.
2. Approve the proposed ordinance, as amended.
