18 Be it ordained by the People of the City and County of San Francisco:

19 Section 1. The Police Code is hereby amended by adding Article 58, to read as
20 follows:

21 **ARTICLE 58: TENDERLOIN RETAIL ESTABLISHMENT PILOT PROGRAM**

22 **SEC. 5800. FINDINGS AND PURPOSE.**

23 (a) There is a worsening epidemic of opioid addiction and use in San Francisco, as in other
24 major U.S. cities.

25 (b) San Francisco’s Tenderloin police district (the “Tenderloin”) has the City’s highest rate
of drug-related crime, including narcotics offenses and gun-related crimes frequently connected with

1 drug offenses. The Tenderloin is also home to a high density of low- and middle-income families,
2 including many families with children.

3 (c) The high rate of drug-related crime in the Tenderloin leads individuals and families that
4 live, work, and attend school in the neighborhood to believe they face health and safety risks, including
5 exposure to drugs, needles, human waste, uncontained refuse, and other hazardous materials that are
6 left on sidewalks and streets. People who live, work, and attend school in the neighborhood have also
7 expressed fear about exposure to drug sales and use, gunshots, physical assault and intimidation by
8 individuals or groups engaged in illegal activity, and property crimes such as theft and damage to
9 storefronts and vehicles.

10 (d) The prevalence of drug sales and use in the Tenderloin prompted the City to launch the
11 Drug Market Agency Coordinated Command, led by the Police Department, to coordinate City, state,
12 and federal resources to abate drug sales and use, and related criminal conduct, in the Tenderloin.

13 (e) Outdoor, public drug sales and use in the Tenderloin are common and cause particularly
14 acute public health and safety risks late at night (including in the very early hours of the morning),
15 when large groups gather in lighted areas adjacent to open retail food and tobacco businesses to
16 engage in drug sales and use.

17 (f) Large gatherings of people engaged in drug sales and use are particularly prevalent in the
18 area of the Tenderloin bounded to the north by O'Farrell Street, to the south by McAllister Street, to
19 the east by Jones Street, and to the west by Polk Street (an area referred to in this Article 58 as the
20 "Tenderloin Public Safety Area"). The Police Department has analyzed 2023 incident reports for
21 narcotics crimes and other crimes frequently connected with drug activity in the Tenderloin, and
22 determined that a relatively high concentration of these incidents between the hours of 12:00 a.m. and
23 5:00 a.m. were reported in the Tenderloin Public Safety Area. The Police Department has also
24 observed that, as compared with similar-sized areas in the City, including other areas in the
25 Tenderloin, the Tenderloin Public Safety Area has the highest concentration of large groups engaged in

1 drug sales and use in public, outdoor spaces during late night (which includes very early morning)
2 hours.

3 (g) Large groups of people engaged in drug sales and use in the Tenderloin Public Safety Area
4 generally form and congregate in the vicinity of retail businesses selling food and tobacco products
5 that are open to the public during those hours. By being open so late, these retail food and tobacco
6 establishments in effect facilitate the late nighttime drug market by providing a lighted gathering point
7 for drug users and dealers, by enabling drug user and dealers to take cover indoors to avoid police
8 patrols, and, in some cases, by selling tobacco, tobacco paraphernalia, and other retail goods used by
9 people engaged in drug use and sales.

10 (h) The Police Department compared 2023 data regarding narcotics offenses and other
11 serious crimes often connected with narcotics – including homicide, rape, robbery, assaults, and
12 shootings – that occurred between 12:00 a.m. and 5:00 a.m. in the Tenderloin Public Safety Area with
13 the same data from an area around Portsmouth Square in Chinatown. The selected Portsmouth Square
14 area is equivalent to the Tenderloin Public Safety Area in size and in its combination of commercial
15 and residential uses, but in contrast to the Tenderloin Public Safety Area, the Portsmouth Square area
16 has few or no retail food and tobacco businesses open to the public late at night. The Police
17 Department found that the rate of serious crime between 12:00 a.m. and 5:00 a.m. was significantly
18 higher in the Tenderloin Public Safety Area than in the Portsmouth Square area: Approximately 190
19 incidents of serious crime occurred in the Tenderloin Public Safety Area between 12:00 a.m. and 5:00
20 a.m. during 2023, as compared with approximately 30 such incidents in the targeted Portsmouth
21 Square area.

22 (i) The gatherings of large groups engaged in drug activity late at night in the Tenderloin
23 Public Safety Area present particular health and safety risks and give rise to feelings of insecurity and
24 fear on the part of local residents. The large groups contribute to property crimes and violent crime in
25 the area. They leave large amounts of debris on the streets and sidewalks, creating unsanitary

1 conditions. Residents living closest to congregation points for these groups, especially seniors and
2 families with children, have expressed that they are so anxious about the hostile conditions they
3 encounter on neighborhood sidewalks that they feel fearful to walk outdoors during the nighttime and
4 early morning hours, when they are likely to encounter these groups engaged in drug-related activity
5 and the debris generated by the groups. Residents must move past and through these large crowds in
6 order to access or leave their homes; they describe feeling threatened and unsafe.

7 (j) Large groups engaged in drug use and sales late at night also present serious challenges to
8 effective law enforcement. Large groups are difficult for the police to control and pose safety risks for
9 officers, as the people engaged in illegal activity typically outnumber police officers on patrol. It is
10 more difficult for police officers to observe and document behavior by individuals that would establish
11 the reasonable suspicion or probable cause required for officers to initiate enforcement actions when
12 individuals engaged in criminal conduct are embedded in a large crowd. Individuals are easily lost or
13 concealed in a crowd, particularly when the crowd is comprised of many people engaging in illegal
14 activity. And proximity to open retail businesses enables individuals engaged in criminal activity to
15 take cover inside the open retail business when a police patrol appears.

16 (k) Barring retail food and tobacco establishments from being open to the public between
17 12:00 a.m. and 5:00 a.m. is likely to yield public safety gains for local residents and visitors.
18 Eliminating the nighttime safety problems is likely to increase the overall vibrancy of the Tenderloin,
19 which could yield economic benefits to businesses impacted by the restriction on hours of operation.

20 (l) Based on the foregoing, the requirements imposed in this Article 58 are likely to improve
21 public safety in the Tenderloin. This pilot program, prohibiting for two years retail food and tobacco
22 establishments in the Tenderloin Public Safety Area from being open to the public between 12:00 a.m.
23 and 5:00 a.m., will enable the Police Department to evaluate the effectiveness of this restriction in
24 improving public safety in the Tenderloin. This will inform the judgment of the Police Department and
25 policymakers as to next steps to take to maintain public safety in the Tenderloin.

1
2 **SEC. 5801. DEFINITIONS.**

3 “City” shall mean the City and County of San Francisco.

4 “Director” shall mean the Director of the Department of Public Health, or the Director’s
5 designee.

6 “DPH” shall mean the Department of Public Health.

7 “Restricted Hours” shall mean the period between 12:00 a.m. and 5:00 a.m., seven days a

11 produce, including but not limited to any establishment that has or qualifies for a permit from the
12 Department of Public Health to operate as a Food Product and Marketing Establishment, as defined in
13 Section 440 of the Health Code; and/or 2) an establishment that sells any Tobacco Product, as defined
14 in Section 19H.2 of the Health Code.

15 “Tenderloin Public Safety Area” shall mean the area of the City bounded to the north by
16 O’Farrell Street, to the south by McAllister Street, to the east by Jones Street, and to the west by Polk
17 Street, including both sides of the boundary streets.

18
19 **SEC. 5802. ESTABLISHMENT OF TWO-YEAR PILOT PROGRAM TO PROHIBIT**
20 **OPERATION OF RETAIL ESTABLISHMENTS IN THE TENDERLOIN PUBLIC SAFETY**
21 **AREA DURING RESTRICTED HOURS.**

22 For a two-year period beginning on the effective date of this Article 58, no Retail Establishment
23 in the Tenderloin Public Safety Area may be open to the public during Restricted Hours.

24
25 **SEC. 5803. ADMINISTRATIVE ENFORCEMENT – DEPARTMENTS.**

1 (a) Enforcing Department. This Article 58 shall be administered and enforced by the
2 Department of Public Health (DPH). The Director may adopt rules, regulations, and guidelines to
3 carry out the provisions and purposes of this Article.

4 (b) Supporting Department. The Police Department shall ensure that its members document
5 violations of Section 5802 in incident reports or other formats, such as body-worn camera footage,
6 provided those other formats capture the information typically included in an incident report, and shall
7 refer documented violations to DPH for enforcement. The Police Department shall assist in DPH's
8 administrative enforcement as requested by DPH, including by providing incident reports or equivalent
9 documentation and other evidence when requested by DPH, and by making Police Department
10 members available to provide declarations and/or testimony at hearings when requested by DPH.

11
12 **SEC. 5804. ADMINISTRATIVE ENFORCEMENT PROCEDURE – NOTICE OF**
13 **VIOLATION, HEARING, AND ORDER.**

14 (a) If the Director determines that a Retail Establishment has violated Section 5802, the
15 Director may issue a Notice of Violation to the Retail Establishment, the owner of real property where
16 the violation occurred, and/or other person(s) the Director deems responsible for causing the violation
17 (collectively, “Responsible Parties”). The issuance of the Notice of Violation may be by hand delivery,
18 registered mail, or electronic mail. The Notice of Violation may be directed at one or more
19 Responsible Parties; use herein of the singular term “Responsible Party” is merely for ease of
20 reference.

21 (b) The Notice of Violation shall include the following information:

22 (1) That the Director has determined that the Retail Establishment has operated in
23 violation of this Article 58;

24 (2) The alleged acts or failures to act that constitute the basis for the Director's
25 determination;

1 (3) That the Director intends to take enforcement action against the Responsible Party,
2 and the nature of that action, including the administrative penalty and enforcement costs to be
3 imposed;

4 (4) That the Responsible Party has the right to request a hearing before the Director
5 within 15 days after the Notice of Violation is issued, which request must be made in writing.

6 (c) If no request for a hearing is filed with the Director within the appropriate period, the
7 right to request a hearing shall be deemed waived, and the Director's determination shall become final
8 and effective 15 days after the Notice of Violation was issued. The Director shall issue an order
9 imposing the enforcement action, and shall send the order to the Responsible Partys by hand delivery,
10 registered mail, or electronic mail. In subsequent civil proceedings, such violations shall be deemed not
11 to have been corrected. The failure of the Responsible Party to request a hearing shall constitute a
12 failure to exhaust administrative remedies and shall preclude the Responsible Party from obtaining
13 judicial review of the validity of the enforcement action.

14 (d) Upon a timely request for a hearing, the Director shall, within 15 days of the request,
15 notify the Responsible Party of the date, time, and place of the hearing. Such notification may be made
16 by hand delivery, registered mail, or electronic mail. The Director shall make available to the
17 Responsible Party any evidence obtained in support of the Notice of Violation. Such hearing shall be
18 held no later than 60 days after the Director receives the request, unless time is extended by mutual
19 agreement of the Responsible Party and the Director.

20 (e) The Director shall serve as hearing officer and conduct the hearing, or the Director shall
21 designate another person to serve as hearing officer, who shall have the same authority as the Director
22 to hear and decide the case and make any orders consistent with this Article 58. The Responsible Party
23 may present evidence for consideration, subject to any rules adopted by the hearing officer for the
24 orderly conduct of the hearing. Within 60 days of the conclusion of the hearing, the hearing officer
25 shall render a decision in the form of a written order, which the Director shall promptly serve on the

1 Responsible Parties. Service of the written order may be made by hand delivery, registered mail, or
2 electronic mail. The order shall state whether the Notice of Violation has been upheld (in whole or in
3 part), and the enforcement action taken against each party.

4 (f) If the order directs the Responsible Party to pay an administrative penalty and/or
5 enforcement costs, such amount shall be paid within fifteen days from the mailing of the order; the
6 order shall inform the Responsible Party of such deadline for payment.

7
8 **SEC. 5805. VIOLATIONS, ADMINISTRATIVE PENALTIES, AND ENFORCEMENT**

9 **COSTS.**

10 (a) Violations Subject to Penalties. For purposes of assessing penalties for violation of
11 Section 5802, each one-hour period within Restricted Hours during which, at any time, a Retail
12 Establishment is open to the public in violation of Section 5802 is a separate violation. A Responsible
13 Party may not be cited or found civilly liable for multiple violations of Section 5802 in a single 12 a.m.-
14 to-5 a.m. period unless (1) the violations are at least one hour apart from one another, and (2) at the
15 time of the preceding violation, the Responsible Party receives warning of its violation of Section 5802
16 and continues to operate or operates again in violation of Section 5802 after such warning has been
17 given.

18 (b) Penalty Amounts. In setting the amount of the administrative penalty, which shall not
19 exceed \$1,000 per violation, the Director may consider any one or more mitigating or aggravating
20 circumstances presented, including, but not limited to, the following: the nature and seriousness of the
21 misconduct giving rise to the violation, the number of violations, the persistence of the misconduct, the
22 length of time over which the misconduct occurred, the willfulness of the Responsible Party's
23 misconduct, and the responsible party's assets, liabilities and net worth.

24 (c) Enforcement Costs. In any action where a violation is found, the Director shall assess
25 DPH's costs of enforcement against the Responsible Party.

1 (d) Payment and Collection of Administrative Penalty and Enforcement Costs. Any
2 administrative penalty and/or enforcement costs assessed under this Article 58 is a debt to the City and
3 shall be paid to the Treasurer of the City and County of San Francisco. Any amount paid late shall be
4 subject to an additional late fine of 10% on the unpaid amount. The sum of the unpaid amount and the
5 10% late fine shall accrue interest at the rate of 1% per month (or fraction thereof) until fully paid; any
6 partial payments made shall first be applied to accrued interest. The City may file a civil action or
7 pursue any other legal remedy to collect such unpaid amount, fine, and interest. In any civil action for
8 collection, the City shall be entitled to obtain a judgment for the unpaid amounts, fine, and interest, and
9 for the costs and attorneys' fees incurred by the City in bringing such civil action.

10 (e) Lien for Administrative Penalty. Where an activity or condition on San Francisco real
11 property has caused, contributed to, or been a substantial factor in causing the violation, the Director
12 may initiate proceedings to make any unpaid administrative penalty, enforcement costs, fine, and
13 interest, and all additional authorized costs and attorneys' fees, a lien on the property. Such liens shall
14 be imposed in accordance with Administrative Code Sections 10.230-10.237, or any successor
15 provisions. Before initiating lien proceedings, the Director shall send a request for payment under
16 Administrative Code Section 10.230A.

17
18 **SEC. 5806. PUBLIC NUISANCE.**

19 A Retail Establishment's operation in violation of Section 5802 shall be a public nuisance,
20 which may be remedied as provided by law, including, but not limited to, the provisions of Article 3
21 (commencing with Section 11570) of Chapter 10 of Division 10 of the California Health and Safety
22 Code.

23
24 **SEC. 5807. ENFORCEMENT BY CITY ATTORNEY.**

1 (a) The City Attorney may at any time institute civil proceedings for injunctive and monetary
2 relief, including civil penalties, against any Retail Establishment for violation of this Article 58, without
3 regard to whether the Director has issued a notice of violation, instituted abatement proceedings,
4 scheduled or held a hearing on a notice of violation, or issued a final decision.

5 (b) At any time, the Director may refer a case to the City Attorney's Office for civil
6 enforcement, but a referral is not required for the City Attorney to bring a civil action under subsection
7 (a).

8 (c) Action for Injunction and Civil Penalty. Any Retail Establishment that violates Section
9 5802 shall be enjoined and shall be subject to a civil penalty in an amount not to exceed \$1,000 per
10 violation, subject to the limitations set forth in Section 5805(a), above. Such penalty shall be assessed
11 and recovered in a civil action brought in the name of the people of the City and County of San
12 Francisco by the City Attorney in any court of competent jurisdiction. In assessing the amount of the
13 civil penalty, the court shall consider any one or more of the relevant circumstances presented by any
14 of the parties to the case, including but not limited to, the following: the nature and seriousness of the
15 misconduct giving rise to the violation, the number of violations, the persistence of the misconduct, the
16 length of time over which the misconduct occurred, the willfulness of the defendant's misconduct, and
17 the defendant's assets, liabilities and net worth.

18 (d) Attorneys' Fees. The City Attorney shall recover reasonable attorneys' fees if the City is
19 the prevailing party in any court case or special proceeding to enforce this Article 58 and if the City
20 Attorney elects, at the initiation of the action, to seek recovery of attorneys' fees and provides notice of
21 such intention to the adverse party or parties.

22 (e) Remedies under this Section 5807 are non-exclusive and cumulative to all other remedies
23 available at law or equity.

24
25 **SEC. 5808. PRIVATE RIGHT OF ACTION.**

1 (a) Any Retail Establishment that violates Section 5802 may be liable for damages in a civil
2 action brought by any person that has been harmed by the Retail Establishment's operation in violation
3 of Section 5802. Such damages shall be in addition to any other rights and remedies that may be
4 available to the person bringing a civil action under this Section 5808.

5 (b) This Article 58 shall not create any private right of action against the City.

6
7 **SEC. 5809. NO CONFLICT WITH FEDERAL OR STATE LAW.**

8 Nothing in this Article 58 shall be interpreted or applied so as to create any requirement,
9 power, or duty in conflict with any federal or state law.

10
11 **SEC. 5810. UNDERTAKING FOR THE GENERAL WELFARE.**

12 In enacting and implementing this Article 58, the City is assuming an undertaking only to
13 promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an
14 obligation for breach of which it is liable in money damages to any person who claims that such breach
15 proximately caused injury.

16
17 **SEC. 5811. SEVERABILITY.**

18 If any section, subsection, sentence, clause, phrase, or word of this ordinance, or any
19 application thereof to any person or circumstance, is held to be invalid or unconstitutional by a
20 decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining
21 portions or applications of the ordinance. The Board of Supervisors hereby declares that it would have
22 passed this ordinance and each and every section, subsection, sentence, clause, phrase, and word not
23 declared invalid or unconstitutional without regard to whether any other portion of this ordinance or
24 application thereof would be subsequently declared invalid or unconstitutional.

LEGISLATIVE DIGEST

[Police Code - Tenderloin Retail Hours Restriction Pilot Program]

Ordinance amending the Police Code to create a two-year pilot program, during which retail food and tobacco establishments in a high-crime area of the Tenderloin police district are prohibited from being open to the public from 12:00 a.m. to 5:00 a.m.; and authorizing the Department of Public Health to impose administrative fines for violation of the hours restriction, declaring an establishment's operation in violation of the hours restriction to be a public nuisance, authorizing enforcement actions by the City Attorney, and creating a private right of action for persons harmed by a violation of the hours restriction.

Amendments to Current Law

This ordinance would establish a two-year pilot program during which food markets and tobacco establishments in a section of the Tenderloin bounded to the north by O'Farrell Street, to the south by McAllister Street, to the east by Jones Street, and to the west by Polk Street (the "Tenderloin Public Safety Area") would be prohibited from being open to the public between the hours of 12:00 a.m. and 5:00 a.m.

The Department of Public Health would be responsible for administrative enforcement of the prohibition, with support from the Police Department. A violator could be liable for administrative fines of up to \$1000 per violation, together with enforcement costs, with a single violation defined on a per-hour basis, though a violator could face multiple citations in a single 12:00 a.m. - to - 5:00 a.m. period only if they received written warning following the first violation and again operated in violation of the hours restriction. A violator could also be liable for civil penalties pursued by the City Attorney in a civil action, and attorneys' fees and costs. The ordinance also declares a business's operation in violation of the ordinance to be a public nuisance, and creates a private right of action for a person able to prove in a civil action that they were harmed by an establishment's operation in violation of the hours restriction.

Background Information

The Police Department has documented through crime data, photographs, and patrol officers' observations that large groups of people engaged in illicit drug sales and use congregate close to open food markets and tobacco establishments in the late night and early morning hours in the Tenderloin Public Safety Area. These late-night gatherings contribute to various types of criminal activity, impede law enforcement operations, leave behind significant debris and unsanitary waste, and lead residents of the area to feel unsafe and reluctant to venture outside during nighttime hours.

FILE NO. 240407

The Police Department believes that prohibiting food markets and tobacco establishments in the Tenderloin Public Safety Area from being open to the public between the hours of 12:00 a.m. and 5:00 a.m. will help limit the congregation of large groups engaged in drug activity, and thereby facilitate effective law enforcement in the area, reduce the accumulation of unsafe and unsanitary debris, and reduce residents' fear and insecurity related to these nighttime conditions.

Good afternoon, Madam Chair, Supervisor Peskins and Supervisor Preston.

My name is Gregg Johnson and for the past several years I have worked side by side with many individuals who make up the Tenderloin. Being a 5th generation member of a proud family who has not only worked for this city, but my grandmother turned away nobody because of a lack of money. My values are rooted in this history and today is no different. We have heard from members of the community and business owners. It would seem that everyone has a dog in this fight. This is what I know.

It has taken aggressive action and the knowledge of Federal, State, and local officials to bring pressure to bear upon open air drug sales and usage in the Tenderloin. We were told more than a year ago that we cannot expect to see results overnight. But standing here today, I am telling this committee that we can see NOW what did could not then. There is not one person in this room who will publicly admit that they condone the violence we have seen in the Tenderloin. Likewise, there is no law-abiding citizen here who will admit that they feel safe walking the streets of TL from 12midnight to 5am. And if my grandmother were standing here, she would say that it's the devil's time.

I escorted my dad's sister to an old haunt she loves (the Black Cat) a couple weekends ago – she lives in Bayview and retired from Emporiums when it closed. Sunday morning, we went to Glide. This committee has a letter from her. I told her that we are working to change not simply the image or perception of the Tenderloin but to let everyone know that we are not only here, but we are open for business. I'm here today to say that I am aware of the amount of federal and state money that is received into and being spent within this neighborhood. I have been researching it for a long time and while it is not part of this statement today, I will say that I do not believe that any business operating in the TL will go out of business by closing from 12 to 5am. I walk past street vendors because I am not going to support illegal activities. When I walk into a store to make a purchase, the last thing that I am expecting is to purchase a product that was stolen from Walgreens they did not completely remove the tag. The seller of that product to me is among this audience today. This is why I have not been back into your store.

How many of us, did not think we would see a major improvement in open air drug sales? It did not happen overnight, and the plan of the mayor should be allowed to be put in place, tweaked, take hold, while we support, comment, and offer suggestions on ways to improve. This is not an unreasonable request but a way of being a sense of normalcy back to a neighborhood that has gone too far long without it. None of us can turn back the hands of time to 50 years ago but know that the next 50 will rest squarely on the shoulders of those who will not come to grips with reality and stop putting profits over public safety. My grandmother would tell me, if you are not apart of the solution – you must be a part of the problem.

Subj: Letter is support of community organizers and the Honorable Mayor Breed's pilot plan to curtail business hours to assist in combating the drug sales/usage and reduce nighttime violence.

"It's time to put an end to the shenanigans of people who believe they can do as they please at the taxpayer's expense." The Tenderloin is too rich in history to nothing!

Madam Chair, and Supervisors Preston and Peskins

My name is Carolyn Duty. I am 79 years young, and I use the pronouns She, Her and Hers. I was employed for thirty-six (36) years by Emporium-Capwell, also known as Weinstock, Capwell, Broadway, Emporium. I retired only because of their closure in 1995. I grew up in the Hunter's Point/Bayview area and spent many nights listening to jazz in either the Fillmore or the Tenderloin. My in-laws were partners in the Black Cat from 1955 to 1963. My brother's son returned here in 2017 after a career with Exxon Oil Company. Between 1996 and 2000, my brothers, sisters, nephews and nieces, cousins and grand children sold their property in San Francisco and moved to Richmond, Vallejo, and Vacaville where they purchased homes in sub-divisions. My oldest brother served this city as a DPW worker for more than 30 years and today several of my nephews work for the city.

This past weekend was the first time in more than 20 years that I visited the Tenderloin with my nephew who talked me into making the excursion and I actually enjoyed myself. I spent a few moments talking to someone I thought had moved on, but she is a fighter and a good soul. The purpose for this letter is to let this commission know that the Tenderloin is worth saving. My nephew assured me that the Tenderloin is much safer today than 3 years ago and I did not believe him. We have lost so much of this city during the past decade and people like my nephew risk it all and I had to ask why. He said, "because it's worth saving for those who will come after me". So, because he showed me a lovely evening Saturday and took me to Sunday services at Glide I stand in support of him, his efforts and those he volunteers with.

Thank you for taking the time to read and consider my letter

Sincerely,
Ms. Carolyn Duty
