Subject: **File No. 210566.** Ordinance adopting regulation of vending within the jurisdiction of the Port of San Francisco, requiring permits, and authorizing permit fee and enforcement actions in the Port Code; requiring the Port and the Department of Public Health to report to the Board of Supervisors about regulatory implementation and health and safety enforcement; amending provisions of the Port and Public Works Codes, and repealing peddler regulations in the Police Code, to comply with state law regarding sidewalk vending; amending provisions of the Administrative, Business and Tax Regulations, Health, and Transportation Codes to conform with state law and new Port Code regulations regarding vending; and adopting findings under the California Environmental Quality Act.

If this legislation passes, Port Code, Article 2A., will establish a new regulatory program for street and sidewalk vendors who will be required to pay a permit fee to vend food, merchandise, or both. The Port Department shall identify the reasonable regulatory costs for the administrative enforcement and any adjudication, including but not limited to the costs to issue the permit, perform investigations, conduct inspections, issue administrative citations or other enforcement actions, and audit permittees. The Port Department shall charge applicants for each Mobile Vender permit and permit renewal, an amount not to exceed the reasonable amount determined and approved by the Port Commission. Separate fees may be applied by the Tax Collector under the Business and

Tax Regulations Code, Article 12, and the Department of Public Health under Health Code, Section 452; in addition, separate annual fees may apply and be payable to the Tax Collector, Department of Public Health, and the Port Fire Marshal for any approvals required by each department. The fees due may include the actual costs that other agencies, boards, commissions, or departments of the City incur in connection with the processing or administration of Port Code, Article 2A; which fee shall be waived in accordance with California Business and Professions Code, Section 16102, as it may be amended, and as applicable. The fee set forth in Port Code, Section subsection (c) shall be approved by the Port Commission and may be adjusted each year, without further action by the Board of Supervisors.

On March 17, 2020, the Board of Supervisors authorized their Board and Committee meetings to convene remotely and allow for remote public comment.
