RE: Proposed street vacation of portions of right-of-way fronting AB 3719 Lot 019, also being 301 Mission St.

Dear Javier Rivera,

This is in response to your letter, dated March 29, 2019, informing PG&E of the proposed vacation of a portion of right-of-way fronting Assessor's Block 3719 Lot 019, also being 301 Mission Street in the City/County of San Francisco.

An investigation indicates that PG&E is presently operating and maintaining underground electric distribution facilities fronting Assessor's Block 3719 Lot 019, also being 301 Mission Street. If the vacation is approved by the City Council/Board of Supervisors, we respectfully request that the following reservation be inserted in the Resolution of Vacation for the proposed street vacation of portions of right-of-way fronting Assessor's Block 3719 Lot 019, also being 301 Mission Street:

"RESERVING therefrom pursuant to the provisions of Section 8340 of the Streets and Highways Code and for the benefit of Pacific Gas and Electric Company, the permanent easement and the right, at any time, and from time to time, to excavate for, construct, reconstruct, replace (of initial or any other size), remove, maintain, inspect and use such underground conduits, pipes, service boxes, wires, cables, and electrical conductors; risers, switches, fuses and terminals; and fixtures and appurtenances necessary for the distribution of electric energy and communication purposes, including access, and also the rights to trim and cut down trees and brush that may be a hazard to the facilities and said area shall be kept open and free of buildings, structures and wells of any kind."

This reservation will protect our facilities installed pursuant to our franchise agreements with the City and County of San Francisco. Upon approval of the abandonment by the City Council/Board of Supervisors, please send a certified copy of the Resolution of Vacation to:

Pacific Gas and Electric Company
