**RE: Resolution authorizing the San Francisco Department of Public Health (SFDPH) to apply for the Integrated HIV Surveillance and Prevention Programs for Health Departments (CDC)**

Dear Ms. Calvillo:

Attached please find an original and four copies of a proposed resolution for the approval of the Board of Supervisors, which authorizes the San Francisco Department of Public Health (SFDPH) to submit an application to the Centers for Disease Control and Prevention (CDC) for the **Integrated HIV Surveillance and Prevention Programs for Health Departments** grant. This application represents approximately \$7,804,306 in HIV Prevention and HIV Surveillance funding for San Francisco for Jan 1, 2023 to May 31, 2024.

This resolution is required by Ordinance No. 265-05, which amends Section 10-170 of the Administrative Code to require Board of Supervisors review of recurring grant applications of \$5,000,000 or more prior to their submission. SFDPH received from CDC the application guidance on September 16, 2022. The application deadline is October 17, 2022.

I hope that the Board will support this resolution. If you have any questions regarding the City and County Plan or this resolution, please contact Patricia Erwin, Director of Community Health Equity & Promotion.

Sincerely,
