Much of my career has been committed to working with cities, counties, transportation entities and water enterprises throughout the State of California. For over 3 years, I served as advisor to San Francisco County Transportation Authority providing quantitative support to the Agency's transportation planning efforts, initiating its first commercial paper program, and securing its first [short-term] credit ratings.

While largely helping clients finance over \$14 billion of infrastructure in the public interest, I also helped them solve economic, financial, social, and environmental challenges, all of which converge financially and impact day-to-day service delivery to all communities of interest.

What I offer are insights that are broad and deep because of assignments shared with local governments and counterparts of sovereign governments. International experiences helped me upskill my abilities to effectively consider and leverage cultural sensitivities when working in multi-cultural environments as we do today. Supplementing these experiences are financial leadership roles of chief financial officer, finance director and treasurer.

I am excited to be back in the City of San Francisco, where I loved living and working for so many years, and I would be pleased to serve the City and County of San Francisco as a member of its Treasury Oversight Committee.

Subject: Appointment of Jan Mazyck to Treasury Oversight Committee

I am supporting the appointment of Jan Mazyck as a representative on the Treasury Oversight Committee. Ms. Mazyck is the Chief Financial Officer for the San Francisco City and County (CCSF) Airport Commission and reports to me. She is being considered for the seat previously held by Kevin Kone, former Acting Chief Financial Officer for the CCSF Airport Commission. I believe Ms. Mazyck’s role in Finance will allow for continuity and effective representation.

Jan’s professional experiences include roles as chief financial officer, chief operating officer, and treasurer; financial advisor to large governmental, water and transportation agencies (including San Francisco’s own transportation planning agency); and as advisor to sovereign governments on budget and financial accountability practices. Appointed by State Treasurer Phil Angelides, Jan served on the Technical Advisory Committee to the California Debt and Investment Commission for five (5) years.

Educational and professional credentials include a Bachelor of Science degree in Management from Golden Gate University; post graduate work in corporate governance and global management and leadership strategies at University of California at Los Angeles Anderson School; and senior executive leadership program at Harvard Kennedy School.

Jan lived and worked in San Francisco for much of her adult life and now returns given her work at SFO. I wholeheartedly support Jan’s nomination for this role and encourage you to appoint her to represent San Francisco as a member of the Treasury Oversight Committee.

Very truly yours,

Ivar C. Satero
