SUBJECT: Transmittal of Retroactive Accept Expend Legislation for Habitat
Conservation Fund Grant for Visitacion Ave. Corridor Trail

Attached please find the Board of Supervisor Accept and Expend Legislation for the Visitacion Avenue Corridor Trail.

The Board packet documents have been reviewed and approved to form by the City Attorney's Office, Recreation and Park Project Manager, Controller's Office Grants Unit and the Mayor's Budget Office prior to this submittal.

The legislation is retroactive because the Recreation and Park Department the Recreation and Park Department executed the Grant Contract period prior to the Board of Supervisor's approval. No grant funding has been expended.

The Recreation and Park Department requires the Board of Supervisors approval by October to allow funds to be appropriated to the project prior to bid and advertisement of the construction contract.
