Dear Honorable Members of the San Francisco Board of Supervisors:

I am writing to ask that Mr. Hanley Chan be appointed to the San Francisco Sheriff Department Oversight Board. Hanley's qualification, background, community involvement, and law enforcement experience make him supremely qualified to be part of your oversight board. Hanley's extensive experience shows his commitment to the community and his knowledge of what the oversight board does. As a San Francisco native I believe this city needs a person that will work hard to make the Sheriff department better. During a time of deep racial tension and the Asian-American community's feeling vulnerable throughout the country, Hanley's being a Chinese-American will bring diversity and much-needed representation of the Asian Pacific-Islander community in San Francisco, which has the largest Chinese population in the United States. Hanley Chan is the perfect community leader for the San Francisco Sheriff Department Oversight Board will give the board. I urge you to appoint him to your oversight board.

Dear Honorable Members of the San Francisco Board of Supervisors:

I am writing to ask that Mr. Hanley Chan be appointed to the San Francisco Sheriff Department Oversight Board.

Hanley's qualification, background, community involvement, and law enforcement experience make him supremely qualified to be part of your oversight board. Hanley has experience in law enforcement and has been a proactive community police officer when he started his career as a San Francisco Patrol Special Police Officer in the Lower Polk neighborhood and gained the trust and respect of residents and merchants in the neighborhood. Now, more than ever, understanding the importance of community policing is paramount to give law enforcement officers more credibility in order to gain the community's trust and serve the community in the best way possible without compromising safety.

Service above self is also important during this tumultuous time between law enforcement officers and the people they serve. Hanley's many years of service to the City and County of San Francisco is evident in the responsibilities he has undertaken that have focused on good government as a former Grand Juror on the San Francisco Civil Grand Jury and member of the San Francisco Sunshine Ordinance Task Force. Further, his service to our country in the United States Navy and the California National Guard shows his love for our country and the State of California. Thankfully, this service has been rewarded by his being appointed to the San Francisco Veterans Affairs Commission and to the United States Selective Service Board by President Obama. Hanley's accomplishments have shown that he values, and believes in, service above self.

Hanley's qualifications to serve on your oversight board show his commitment to the community and his knowledge of what the oversight board does. However, during a time of deep racial tension and the Asian-American community's feeling vulnerable throughout the country, Hanley's being a Chinese-American will bring diversity and much-needed representation of the Asian Pacific-Islander community in San Francisco, which has the largest Chinese population in the United States.

Hanley Chan is the perfect community leader for the San Francisco Sheriff Department Oversight Board will give the board. I urge you to appoint him to your oversight board.

Sincerely,

Dear President Walton,

It is with great enthusiasm that the undersigned organizations recommend Valentina Sedeno to serve as a representative to the San Francisco Sheriff's Office Oversight Board.

Each of our organizations are members of the San Francisco Jail Justice Coalition, which is comprised of community groups and formerly incarcerated people who work to uplift the needs of justice-involved people in San Francisco. Valentina has been an active participant in our Coalition and her perspective and advocacy was instrumental in making San Francisco the first city in the nation to put people over profits by making jail phone calls free and eliminating commissary markups.

Through the SF Jail Justice Coalition, Valentina has participated in regular meetings with Sheriff Miyamoto, former Sheriff Hennessy, and other senior command staff at the Sheriff's Office. We know that the Sheriff's Office highly values engagement with impacted individuals and community, and Valentina often draws on both her professional experience working with justice-involved people and personal experience supporting justice-involved family members. Valentina's engagement and interactions with the Sheriff's Office have always been professional, supportive, and productive: traits that make her well suited to serve on the San Francisco Sheriff's Office Oversight Board.

Should she be appointed, Valentina's experience working directly with vulnerable San Franciscans will undoubtedly make her an effective and respected voice on the San Francisco Sheriff's Office Oversight Board. She currently serves as a Reentry Program Manager at Young Community Developers, where she works to support high at-risk and in-risk individuals who have been involved with the criminal justice system through job readiness training, subsidized work experience, and employment and education placement services. Previously, she also served as the Director of the Precita Center for Mission Neighborhood Centers, overseeing educational and recreational programming and legal advocacy for underserved young people and their families. Valentina is prepared to serve on a City commission, having done so before when she was appointed by the San Francisco Board of Supervisors to the Close Juvenile Hall Working Group.

We are confident that Valentina's experience working directly with government partners and community groups will inform an impactful contribution to the San Francisco Sheriff's Office Oversight Board. Please feel free to contact Anne Stuhldreher at [Anne.Stuhldreher@sfgov.org](mailto:Anne.Stuhldreher@sfgov.org) if you have any questions. We would be happy to expand on our recommendation.
