Transfer Type 48 – On-Sale General Public Premise

To the Clerk of the Board,

The purpose of this letter is to respectfully request to be placed on the Board's calendar for Public Convenience and Necessity approval with regard to our transfer Type 48 On-Sale General Public Premise license. We are renovating the street level premises at 115 Sansome Street, and wish to operate as an upscale bar to serve the professionals and visitors of this area.

This neighborhood is thriving with business, yet there are none like ours within several blocks in each direction. We will cater to the busy professionals who spend their days (and sometimes evenings & weekends) in this part of town, to provide a safe, enjoyable place to stop after work or dinner, as well as offer an inviting atmosphere to the many sophisticated visitors who may be in town for work or pleasure.

Our desired hours of operation are 6am to 2am. We will vigilantly monitor the surrounding area to ensure the safety of our business and customers at all times, we will not serve obviously intoxicated people, and we have already begun to cultivate good relationships with community leaders and members.

We seek the SF Board of Supervisor's affirmative ruling that our application serves the public convenience and necessity of our City.

Sincerely,

Philip West, Managing Member
