CHARTER AMENDMENT

PROPOSITION _____

Describing and setting forth a proposal to the qualified voters of the City and County of San Francisco to amend the Charter of the City and County of San Francisco by amending Sections 13.101, 13.102, and Article XVII and by adding Section 13.102.5 to incorporate run-off elections into ranked-choice voting for the office of Mayor.

The Board of Supervisors hereby submits to the qualified voters of the City and County, at an election to be held on November 6, 2012, a proposal to amend the Charter of the City and County by amending Sections 13.101, 13.102, and Article XVII and by adding Section 13.102.5 to read as follows:

NOTE: Additions are *single-underline italics Times New Roman*; deletions are *strike-through italics Times New Roman*.

Section 1. The San Francisco Charter is hereby amended, by amending Sections 13.101, 13.101.5, 13.102, 13.107 and by adding Section 13.102.5, to read as follows:

SEC. 13.101. TERMS OF ELECTIVE OFFICE.

(a) Except in the case of an appointment or election to fill a vacancy, the term of office of each elected officer shall commence at 12:00 noon on the eighth day of January following the date of the election.

(b) Subject to the applicable provisions of Section 13.102, the elected officers of the City and County shall be elected as follows:

(1) At the general municipal election in 1995 and every fourth year thereafter, a Mayor, a Sheriff and a District Attorney shall be elected.

(2) At the ~~statewide~~ general municipal election in 1996 and every fourth year thereafter, four members of the Board of Education and four members of the Governing Board of the Community College District shall be elected.

(3) At the general municipal election in 1997 and every fourth year thereafter, a City Attorney and a Treasurer shall be elected.

(4) At the general municipal election in 2006 and every fourth year thereafter, an Assessor-Recorder and Public Defender shall be elected.

(5) At the ~~statewide~~ general municipal election in 1998 and every fourth year thereafter, three members of the Board of Education and three members of the Governing Board of the Community College District shall be elected.

(6) The election and terms of office of members of the Board of Supervisors shall be governed by Section 13.110.

SEC. 13.102. INSTANT RUNOFF RANKED-CHOICE VOTING ELECTIONS.

(a) For the purposes of this section: (1) a candidate shall be deemed "continuing" if the candidate has not been eliminated; (2) a ballot shall be deemed "continuing" if it is not exhausted; and (3) a ballot shall be deemed "exhausted," and not counted in further stages of the tabulation, if all of the choices have been eliminated or there are no more choices indicated on the ballot. If a ranked-choice ballot gives equal rank to two or more candidates, the ballot shall be declared exhausted when such multiple rankings are reached. If a voter casts a ranked-choice ballot but skips a rank, the voter's vote shall be transferred to that voter's next ranked choice.

(b) The ~~Mayor~~, Sheriff, District Attorney, City Attorney, Treasurer, Assessor-Recorder, Public Defender, and members of the Board of Supervisors shall be elected using a ranked-choice, ~~or "instant runoff,"~~ ballot. The ballot shall allow voters to rank a number of choices in order of preference equal to the total number of candidates for each office; provided, however, if the voting system, vote tabulation system or similar or related equipment used by the City and County cannot feasibly accommodate choices equal to the total number of candidates

running for each office, then the Director of Elections may limit the number of choices a voter may rank to no fewer than three. The ballot shall in no way interfere with a voter's ability to cast a vote for a write-in candidate.

(c) If a candidate receives a majority of the first choices, that candidate shall be declared elected. If no candidate receives a majority, the candidate who received the fewest first choices shall be eliminated *from further rounds of tabulation*, and each vote cast for that candidate shall be transferred to the next ranked candidate on that voter's ballot. If, after this transfer of votes, any candidate has a majority of the votes from the continuing ballots, that candidate shall be declared elected.

(d) If no candidate receives a majority of votes from the continuing ballots after a candidate has been eliminated and his or her votes have been transferred to the next-ranked candidate, the continuing candidate with the fewest votes from the continuing ballots shall be eliminated. All votes cast for that candidate shall be transferred to the next-ranked continuing candidate on each voter's ballot. This process of eliminating candidates and transferring their votes to the next-ranked continuing candidates shall be repeated until a candidate receives a majority of the votes from the continuing ballots.

(e) If the total number of votes of the two or more candidates credited with the lowest number of votes is less than the number of votes credited to the candidate with the next highest number of votes, those candidates with the lowest number of votes shall be eliminated simultaneously and their votes transferred to the next-ranked continuing candidate on each ballot in a single counting operation.

(f) A tie between two or more candidates shall be resolved in accordance with State law.

(g) The Department of Elections shall conduct a voter education campaign to familiarize voters with the ranked-choice *or, "instant runoff,"* method of voting.

(h) Any voting system, vote tabulation system, or similar or related equipment acquired by the City and County shall have the capability to accommodate this system of ranked-choice, or "instant runoff," balloting.

~~(i) Ranked choice, or "instant runoff," balloting shall be used for the general municipal election in November 2002 and all subsequent elections. If the Director of Elections certifies to the Board of Supervisors and the Mayor no later than July 1, 2002 that the Department will not be ready to implement ranked choice balloting in November 2002, then the City shall begin using ranked choice, or "instant runoff," balloting at the November 2003 general municipal election.~~

~~If ranked choice, or "instant runoff," balloting is not used in November of 2002, and no candidate for any elective office of the City and County, except the Board of Education and the Governing Board of the Community College District, receives a majority of the votes cast at an election for such office, the two candidates receiving the most votes shall qualify to have their names placed on the ballot for a runoff election held on the second Tuesday in December of 2002.~~

SEC. 13.102.5. RANKED-CHOICE VOTING PLUS RUN-OFF ELECTIONS FOR MAYOR.

(a) Elections for Mayor shall consist of a ranked-choice voting election at a general municipal election, and if necessary under subsection (b), a further run-off election between the candidates receiving the most votes at that ranked-choice voting election.

(b) At the general municipal election, the contest for Mayor shall use a ranked-choice ballot. If a candidate for Mayor receives a majority of the first choices in that contest, that candidate shall be declared elected. If no candidate receives a majority of the first choices, then no candidate shall be declared elected, and the ranked-choice voting tabulation process set forth in subsections 13.102(a)-(e) shall proceed, except that tabulation shall not end when one candidate has a majority of the votes from the continuing ballots. The ranked-choice voting tabulation process shall end when all but two candidates have been eliminated. Those two

candidates shall then proceed to a run-off election. In that run-off election, the candidate receiving a majority of votes cast shall be declared elected.

(c) Ballots cast in the run-off election following a general municipal election shall not permit voters to cast votes for write-in candidates for Mayor. The Director of Elections shall not count any attempts to cast votes for write-in candidates in that contest.

(d) The Director of Elections shall not include any measures on the ballot for run-off elections.

Section 2. The San Francisco Charter is hereby amended, by amending Article XVII, to read as follows:

LEGISLATIVE DIGEST

[Charter Amendment – Incorporating Run-Off Elections into Ranked-Choice Voting for Office of Mayor]

A proposal to amend the Charter of the City and County of San Francisco, at an election to be held on November 6, 2012, by amending Sections 13.101, 13.102, and Article XVII and by adding Section 13.102.5, to incorporate run-off elections into ranked-choice voting for the office of Mayor.

Existing Law

The City uses ranked-choice voting, also referred to as instant-runoff voting, to elect its Mayor, City Attorney, District Attorney, Public Defender, Sheriff, Assessor-Recorder, Treasurer, and members of the Board of Supervisors. In ranked-choice voting, voters may select up to the three candidates for a single office in order of preference. Under ranked-choice voting, the winning candidate is the one who receives the highest-level of support from the greatest number of voters.

The City's ranked-choice voting system does not employ run-off elections.

Amendments to Current Law

The proposed Charter amendment would replace the City's single-step, ranked-choice voting system for Mayor with a two-stage, run-off election system that incorporates ranked-choice voting.

In the first stage, all mayoral candidates would participate in a ranked-choice voting election, to be held on the Tuesday immediately following the first Monday in November. If a candidate receives a majority of the first-choice selections at that election, that candidate shall be declared the winner of the election. If not, the City will use ranked-choice voting to determine which two candidates received the greatest level of support. Those two candidates will then proceed to the second step of the process.

At the second stage, the two remaining candidates will proceed to a run-off election, to be held on the second Tuesday of the following December. The candidate that receives the majority of votes cast at the run-off will be declared the winner of the election.

The proposal provides that in any potential run-offs, voters may not cast votes for write-in candidates for Mayor. The proposal also specifies that ballot measures may not be submitted to the voters at a run-off election.

Background Information

On March 5, 2002, the voters approved Proposition A, establishing a ranked-choice voting system to elect the City's Mayor, City Attorney, District Attorney, Public Defender, Sheriff, Assessor-Recorder, Treasurer, and members of the Board of Supervisors. The City first used ranked-choice voting to elect its local officials in November 2004.

Proposition A also eliminated the prior, two-stage voting system for City elective offices. Before November 2004, if a candidate for Mayor, Sheriff, District Attorney, City Attorney, Treasurer, Assessor-Recorder, Public Defender or member of the Board of Supervisors failed to receive a majority of the votes at a general municipal election, the two candidates receiving the most votes would proceed to a runoff election. Any run-off election held for Mayor, Sheriff, District Attorney, City Attorney, Treasurer or member of the Board of Supervisors was held the second Tuesday of December. And any run-off election held for Assessor-Recorder and Public Defender was held at the next general election.
