Dear Clerk Jalipa and Supervisors Chan, Dorsey, and Engardio,

I'm writing to share my support for item 250854 on this Wednesday's agenda (Accept and Expend Grant - Dogpatch and Northwest Potrero Hill Green Benefit District - 22nd Street Pathway Steps - \$580,000).

Our family uses the current, worn and rocky path nearly daily to our son's school, the PHill Rec Center, and to get to the library. I recently slipped and fell on my way down one morning. Thankfully, the worst bruising was to my ego, but it reminded me how much I look forward to having those stairs in place one day!

Please consider approving this project for the good of our neighborhood, connecting commuters, and preventing injuries. Thank you!

All my best wishes,
Brenna Lord
Dogpatch Resident (D10)

I would like to voice my support for item 250854 [Accept and Expend Grant - Dogpatch and Northwest Potrero Hill Green Benefit District - 22nd Street Pathway Steps - \$580,000]. I walk my 4th grader to Starr King from the Dogpatch several days a week, and we use this path. However, in the rainy season, we need to take a much longer route to and from school, because the path is too muddy and slippery. Stable and safe stairs would be a great addition to the neighborhood!

I will try to attend the public hearing in person, but if I can't make it, I wanted my support registered.

Thank you,

Sam Lord
