I've lived in Ingleside for 10 years, my entire adult life. I attended City College of San Francisco and San Francisco State University. I presently attend UC Berkeley's Graduate School of Journalism where I study investigative reporting. My daily primary modes of transportation are public transit—BART and Muni—and bicycling. Three to five times a week I commute to Balboa Park Station by bike or Muni and then take BART to Berkeley. I walk Ocean Avenue a few times a week for shopping, dining, and entertainment.

Business and/or professional experience:

I'm the founding publisher and editor of The Ingleside Light, a neighborhood newspaper with a circulation of 10,000 copies per month. Over the past six years, I have written, assigned and edited numerous stories about or related to the Balboa Park Station. I've attended the majority of public meeting about planning and operations in the area.

Civic Activities:

I sit on the board of directors of the Geneva Car Barn and Powerhouse, a non-profit working to rehabilitate the historic former Muni facility at Geneva and San Jose avenues so that it may become a community center focusing on neighborhood youth enrichment. I also sit on the board of directors of the Ocean Avenue Association, a community benefit district. I chair its widely successful Street Life Committee, which is charged with improving the corridor's safety and attractiveness. Presently, I am a student at UC Berkeley's Graduate School of Journalism.

Summary statement of applicant's qualifications for membership:

YOU MAY ATTACH A RESUME OR OTHER RELEVANT DOCUMENT. PLEASE LIMIT YOUR ATTACHMENT TO A MAXIMUM OF THREE PAGES.

- 1) Architect/Designer - 15 years experience working on transit, housing, open-space, infrastructure, schools, universities, and community buildings and facilities. Construction Administration Experience on Government Projects, and a keen sense of solutions, ideas, and how to get transit systems improved citywide. Experienced in ADA Caldag and Federal ADA issues on transit facilities.
- 2) Board Member of SF Tomorrow - (Housing/Transit/Environmental) issues of city-wide importance. Involved in public policy issues in SF, and connected to Labor and Neighborhood Organizations. I have also outreached and worked with tenants groups, senior organizations, and environmental groups such as SFT and Our-City.
- 3) Submitted ideas and alternatives/comments to the Parkmerced project, SFSU-CSU Masterplan, and 19th Ave Transit Study, along with outreach to many neighborhood organizations CSFN, WOTPCC, METNA, OMI, EDIA, PmAC, SPEAK, and National Organizations on preservation issues related to Parkmerced. Suggested ideas to solve construction and connectivity issues with the 19th Ave. Transit Study to the SFMTA/SFCTA.
- 4) Neighborhood Resident of D11 - Excelsior with a child attending Aptos Middle School (Prior Commodore Sloat Elementary) so I have distinct connectivity and understanding of the problems existing in the transit, bus, car, pedestrian and bike issues in the Balboa Park area Plan.

Statement of applicant's objectives if accepted for membership on the CAC:

- 1) ensure that adequate aesthetic design, connectivity/linkages and access is provided by maintaining the ideas of green and well designed buildings, facilities, and community based approvals of these projects.
- 2) continue the work of the CAC in providing the community with adequate information, and opportunity to provide input on the proposal, and the critical issues in terms of cost, program and schedule.
- 3) review the proposal in relation to already built and future proposed development and its impacts and look at how to best mitigate, and correct prior decisions that have been noted as problematic with the existing street design and layout of pedestrian, bike, and auto/train/bus systems. Coordinate issues from business interests in relation to ongoing construction and concerns on parking/transit and access to small business's along and surrounding the facility.
- 4) help to suggest and implement changes to improve the design and functionality of the transit hub for all existing, future, and community members in neighboring districts in the area.
- 5) follow the rules of CAC members, and ensure that the best possible project is approved and built for the communities future.

Please find the noted BOS form, for the Balboa Park Area Plan seats #1 and #8 seem most appropriate.

Based on my transit riders interests, and family/children safety issues (Parent from Commodore Sloat and Aptos Middle School) so my child does take muni back and forth and often has to switch or transfer at the Phelan Bus Loop. I take the K-Line and M-Line and often switch and transfer between Muni trains and bus routes in the district. D11 and D7. I live in D11 currently near Silver/Lisbon St.

I am also very interested as noted in disability access, and concerns on capacity, and ongoing housing infill while access and egress issues from trains is extremely dangerous.

I have attended the SFMTA CAC for the Geneva-Harney CAC, and have submitted prior for the general D11 CAC seat as well. I will be attending the Oct. 28th CAC Balboa Park Plan meeting this month.

Sincerely

Aaron Goodman

Here is the attached application for the CAC, ( I was submitting for the Balboa Park Area Plan CAC but the application notates CAC only.)

The Geneva Harney was the other prior application that I had sent and attended the SFMTA/SFCTA meetings.

I was tonight at the Public Sites Meeting #1 and noted it to the planners from the SFMTA and Peter Albert, due to my prior discussions on transit needs and issues on development and systems linkage, housing development concerns, and open-space environmental issues, in the Southwest and Southeast quadrants.

I am a board member of SF Tomorrow, and can also possibly get a memo of support if needed from the organization for my interests in the two CAC panels. Though that may take a couple of days as we have a meeting weds. night.

Sincerely

Aaron Goodman

Subject: Letter of Recommendation for Aaron Goodman

I have had the pleasure of working with Aaron in my studio for over a year. Of most significance during this time was his team involvement on the UC Berkeley CITRIS Headquarters project, UC Davis Genomics Laboratory record drawings and assistance in improving and updating our Detail Library.

Aaron's professional skills and natural ability to work with people in a team setting allowed him to appropriately respond to clients' interests and be a strong advocate for design. On both efforts, he contributed at every level in design, documentation, and team critique. He is articulate and direct. He is well on his way to being a well-rounded architect, always equally concerned for the technical quality of the product and design.

Specifically for the CITRIS project, Aaron utilized his skills in production, detailing, materials research, consultant coordination, and management of our ftp site. This was a fast moving, large, complex project which completed SD, DD and CD's within 11 months. Aaron always made an effort to comply with schedule demands and helped to encourage a team attitude on a stressful demanding project.

Given our recent reduction of work load following the cancellation of a few very large projects, it has been impossible to hold onto a number of very good architects. I recommend Aaron highly and wish him good luck in his new endeavors. I hope that our paths may cross again in the future.

Yours truly,

William L. Diefenbach, AIA  
Senior Vice President

To whom it may concern:

Aaron Goodman worked for JE Sverdrup CRSS during a two year period as an architectural intern starting in Sept. 10 1997. During this time Mr. Goodman was entrusted with varied responsibilities within an Architectural and Engineering Firm.

The projects that Mr. Goodman participated in focused on maintenance facilities (which included work for the Army Corp. of Engineers, Air National Guard, Omnitrans, and BNSF). Mr Goodman's position often centered around the coordination and development of the architectural/structural/mechanical/ and electrical drawings.

Mr. Goodman performed exceptionally well amongst his peers in an office environment, learning from supervisors and each member of the team, often giving input and creative ideas to help in the development of the designs. His interest in the firm's well being often led to him undertaking additional tasks on his own initiative with a determination that showed his strong interest in improving himself and the office while employed within Sverdrup. He often helped assist other older and newer members of the staff explaining office computer systems, lending a hand when needed in anything requested. When asked to perform such tasks as a study model or coordinating consultants for a deadline, he was always there to perform and complete the tasks at hand given to him with hard work and energy.

His work ethic, creativeness and personality allow me to recommend him to you.

Sincerely,  
JE SVERDRUP CRSS

RE: Recommendation for Aaron Goodman

To Whom It May Concern:

I am delighted to offer this recommendation of Mr. Aaron Goodman.

Aaron joined our San Francisco office staff in May 2006, and I followed his career throughout his tenure.

Aaron served variously as Job Captain or Project Designer on some extremely important projects, and he ranked among our most competent staff. As business conditions changed, we asked Aaron if he was willing to take a short term assignment in our east coast offices, which he willingly accepted. Such temporary reassignments are quite delicate, and they are successful only when the staff member has both the right technical skills and the right personal temperament. Aaron was a great hit with his east coast colleagues, and the exchange was considered one of our most effective.

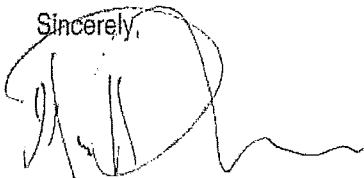

STUDIOS has an interesting and challenging culture, one where the baseline for technical skills is extremely high and almost taken for granted, and people are recognized for the social intangibles they bring in addition to their skills. Aaron was a terrific office activist, frequently offering ideas on how to do things better, particularly with regard to safety and environmental sustainability. Some office operations today reflect his positive influence.

We also encourage our staff to be active citizens, to engage the community outside of work. Aaron was exemplary in this regard too. He is a dedicated community activist, father, and husband, who clearly cares about people and the role of architecture in making life better for all. He genuinely grasps *why* we practice architecture.

It was most unfortunate that our San Francisco business unit suffered so much during the recent economic turmoil, resulting in the decision to eliminate Aaron's position along with several others. I would strongly urge you to consider him for any appropriate architecture job.

If you would like any additional information, please do not hesitate to contact us.

Sincerely,

Mark Palermo

**Subject:** RE: Application Question: Balboa Park Station CAC

Hi Alisa,

I think I qualify for seats #'s 1, 2, 3, 4, 5, 6, 7, 8, and 9. I'm a SFSU graduate and 35-year Ingleside resident and homeowner, have raised two daughters here with my wife: one daughter is currently attending undergraduate studies at SFSU, and an older daughter just graduated from there with her Masters. My wife and I have attended City College and probably will again. I use MUNI and BART nearly every day. Each week I typically walk about 25 miles all over the City. Before I retired I was the division manager within the City of San Mateo's Community Development Department as the Neighborhood Improvement and Housing Manager where I managed 10 employees doing new construction and rehabilitation for affordable housing in addition to downtown historic commercial rehabilitation and economic development. I bring all this experience to the table in my work on the BPCAC.

Thanks,

-RM

I am applying for the seat to represent BART riders. I commute on BART daily from SF to my job in the east Bay and routinely take BART on evenings and weekends. I'm a woman who's 60 years old and regularly walks to and from BART stations.

**Business and/or professional experience:**

I have worked at the Institute of Transportation Studies at the University of California, Berkeley, since 2001. I manage one of the largest collections of transportation information in the U.S. and routinely provide access to technical information to transportation agencies in the Bay Area. I have expertise in information resources for public transportation, pedestrians, bicyclists, land use, complete streets, and transit oriented development.

**Civic Activities:**

o As a concerned citizen and Sunnyside Neighborhood Association (SNA) representative, I began attending Balboa Park Station Area meetings in 2006. In 2007 I wrote and submitted SNA's response to the Balboa Park Station Area Plan Draft EIR, noting in particular no mitigation for problems related to traffic and parking. I have continued to attend meetings and provide input on the Balboa Park Station plan and related projects such as the Phelan Loop and Avalon developments.  
o I have lived in Sunnyside since 1987. I have been active in the SNA, serving over the years as Acting President, Vice President and most recently as Secretary. I've edited SNA's newsletter for two decades. I've also chaired and served on several committees.  
o I have served on the Balboa Park Station CAC as the Seat 2 representative for the past year and a half and have attended meetings of the committee. I've assisted the chair for the past year in identifying items for meeting agendas.

**Authority:**

Board of Supervisors Resolution Nos. 63-12; and 458-14.

**Board Qualifications:**

The Board of Supervisors established the Balboa Park Station Community Advisory Committee (CAC) for the purpose of providing input and community oversight on the prioritization and implementation of transportation and other public improvements; relaying information to community stakeholders; and serving as a forum for coordination, information-sharing, and collaboration between community, transportation agencies, and developers.

The CAC is charged with providing input to ensure balanced implementation of the plans for the Balboa Park Station Area, guide prioritization, and oversee timely progress of public improvement projects. The CAC shall monitor the progress of the San Francisco Municipal Transportation Agency (SFMTA), the Bay Area Rapid Transit District (BART), the Transportation Authority (SFCTA), and the San Francisco Planning Department (Planning) in advancing plans and public improvement projects; track project development responsibilities and timelines, collaborate with transportation agencies and the Planning Department to prioritize community improvement projects and help seek funding for high priority projects.

The CAC shall have a minimum of five voting members and no more than nine, representing diverse capacities and backgrounds, who also have a stake in the neighborhoods served by Balboa Park Station. The seats shall represent the following stakeholder groups:

- 1) Muni rider interests;
- 2) BART rider interests;
- 3) pedestrian and bicycle interests;

San Francisco  
BOARD OF SUPERVISORS

- 4) students, faculty and staff (particularly from City College or other area schools;
- 5) senior/disabled community;
- 6) community and economic development;
- 7) land use and housing;
- 8) youth and families; and
- 9) neighborhood resident interests.

That CAC meetings shall be held at the minimum of once every quarter provide opportunities for the community to receive station-related information and reports.

The San Francisco Municipal Transportation Agency provides administrative support to the CAC . The SFMTA, BART, SFCTA, and Planning designates necessary and consistent staffing to be available to respond to relevant agenda items as they arise.

Reports: None.

Sunset Date: The CAC was originally scheduled to sunset two years after the date of the first meeting (January 9, 2015). On December 9, 2014, the Board of Supervisors adopted Resolution No. 458-14, which extended the CAC an additional two years from the date of the first meeting in 2015 (date yet to be determined).
