

1 [Approve Project List - California Senate Bill 1 Road Repair and Accountability Act of 2017 -
2 Local Streets and Road Program - Road Maintenance and Rehabilitation Account Funds -
3 FY2025-2026]

4 **Resolution approving the list of projects to be funded by Fiscal Year (FY) 2025-2026**
5 **Road Maintenance and Rehabilitation Account funds for the Local Streets and Road**
6 **Program as established by California Senate Bill 1, the Road Repair and Accountability**
7 **Act of 2017.**

8
9 WHEREAS, Senate Bill 1 (herein referred to as SB 1), the Road Repair and
10 Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the California
11 Legislature and signed into law by the Governor of California in April 2017 to address the
12 significant multi-modal transportation funding shortfalls statewide; and

13 WHEREAS, SB 1 includes accountability and transparency provisions that will ensure
14 the residents of the City and County of San Francisco are aware of the projects proposed for
15 funding in their community and which projects have been completed each fiscal year; and

16 WHEREAS, The City and County of San Francisco must adopt by resolution a list of
17 projects proposed to receive fiscal year funding from the Road Maintenance and
18 Rehabilitation Account (herein referred to as RMRA), created by SB 1, which must include a
19 description and the location of each proposed project, a proposed schedule for the project's
20 completion, and the estimated useful life of the improvement; and

21 WHEREAS, The California Transportation Commission has requested to receive San
22 Francisco's Board approved RMRA funded project list for Fiscal Year 2025-2026 by July 1,
23 2025; and

24 WHEREAS, The City and County of San Francisco will receive an estimated \$32.8
25 million in RMRA funding in Fiscal Year 2025-2026 from SB 1; and

1 WHEREAS, This is the ninth year in which the City and County of San Francisco is
2 receiving SB 1 funding and will enable the City and County of San Francisco to continue
3 essential road maintenance and rehabilitation projects that would not have otherwise been
4 possible without SB 1; and

5 WHEREAS, The City and County of San Francisco used a Pavement Management
6 System to develop the SB 1 project list to ensure revenues are being used on the highest
7 priority and cost-effective projects that also meet community priorities for transportation
8 investment; and

9 WHEREAS, Project selection criteria include public inquiries, Pavement Condition
10 Index scores, multi-modal routes, project readiness, geographic equity, and funding
11 availability; and

12 WHEREAS, The 2020 California Statewide Local Streets and Roads Needs
13 Assessment found that the City and County of San Francisco streets and roads are in a good
14 condition and this revenue will help us increase the overall quality of our road system and
15 over the next decade will maintain our streets and roads in good condition; and

16 WHEREAS, Fiscal Year 2025-2026 funding from SB 1 will help the City and County of
17 San Francisco maintain and rehabilitate 178 blocks throughout San Francisco; and

18 WHEREAS, SB 1 RMRA is one funding source among multiple within the San
19 Francisco Public Works Street Resurfacing Program (herein referred to as Street
20 Resurfacing); and

21 WHEREAS, If non-RMRA funding continues at levels established by the 2011 Road
22 Repaving and Street Safety General Obligation Bond, Street Resurfacing will be able to
23 resurface, repair, and rehabilitate approximately 400 additional blocks each year; and

24 WHEREAS, All Street Resurfacing project candidates are subject to substitution and
25 schedule changes pending available funding, visual confirmation, utility clearances with other
agencies, and are not guaranteed to be moved forward to construction; and

WHEREAS, Unforeseen challenges such as increased work scope, changing priorities,

1
2 cost increases, or declining revenue may arise causing Street Resurfacing to postpone or
3 drop candidates from consideration; and

4 WHEREAS, Without revenue from SB 1, the City and County of San Francisco would
5 have to reduce its annual pavement workload, causing the quality of San Francisco's road
6 network to deteriorate and the City's average Pavement Index Condition score to drop; and

7 WHEREAS, Maintaining and preserving the local street and road system will reduce
8 drive times and traffic congestion, improve bicycle safety, and make the pedestrian
9 experience safer and more appealing, which leads to a reduction in vehicle emissions, helping
10 California achieve its air quality and greenhouse gas emissions reduction goals; and

11 WHEREAS, Restoring roads before they fail is more cost effective and reduces
12 construction time, as well as reduces air pollution from heavy equipment and water pollution
13 from site run-off; and

14 WHEREAS, The SB 1 project list and overall investment in our local streets and roads
15 infrastructure, with a focus on basic maintenance and safety, investing in complete streets
16 infrastructure, and using cutting edge technology, materials, and practices, will have
17 significant positive co-benefits statewide; now, therefore be it

18 RESOLVED, That the foregoing recitals are true and correct; and, be it

19 FURTHER RESOLVED, The following list of planned projects, further detailed in the
20 attachment A titled "San Francisco FY 2025-26 SB1 Proposed Project List", will be funded in-
21 part or solely with Fiscal Year 2025-26 RMRA revenue:

- 22 1. Various Locations Pavement Renovation No 80
- 23 2. Various Locations Pavement Renovation No 87
- 24 3. Various Locations Pavement Renovation No 85
- 25 4. Various Locations Pavement Renovation No 89
5. Various Locations Pavement Renovation No 86A
