The Planning Commission disapproved in whole or in part an application for reclassification of property, Case No. _____.

The Planning Commission disapproved in whole or in part an application for establishment, abolition or modification of a set-back line, Case No. _____.

The Planning Commission approved in whole or in part an application for conditional use authorization, Case No. 2020-007152CUA

The Planning Commission disapproved in whole or in part an application for conditional use authorization, Case No. _____.

a) Set forth the part(s) of the decision the appeal is taken from:

We are appealing the Planning Commission's decision to approve the Conditional Use Authorization (CUA) of 5801 Mission Street Case Number. 2020-007152CUA.

We disagree with the Planning Commission's summary that this is a necessary and needed business. District 11 already has THREE cannabis storefronts that serve the community and citizens that reside in San Mateo County. There are at least 5 in a one mile radius and constituents clustering. In addition, there are other means of purchasing/using cannabis including delivery and the ability to grow cannabis which is allowed by law.

The area, within 1000 feet, is identified as a High-Risk corridor by the City and County of San Francisco Vision Zero program and the Longfellow School is identified for the Safe Routes to Schools program, due to the high number of pedestrian and car crashes and near misses. This is a hazard to the community.

As two African American led organizations among the appeal applicants, serving youth and their families, we are located within 100 feet of the proposed cannabis location. Our equity is at stake.

This district has the highest concentration of immigrant population with 68% are monolingual or have limited English ability. The project sponsor had no outreach to the immigrant community and minimal input at the community meetings.

District 11 has 3 cannabis dispensaries with only one grocery store and 8 weekly food pantries (feeding thousands) to serve the District's 78K population.

51% Asian

5% African American

27% Latino

50% Foreign born

68% Speak another language other than English/Monolingual

74% Family Households

44% High School

28% College

8% Master Degree

b) Set forth the reasons in support of your appeal:

We challenge the approval of 5801 Mission Street based on the following:

1. CLUSTERING - already have THREE cannabis storefronts operating in District 11;
2. HIGH DENSITY OF CHILDREN NEARBY including a well-used facility for school-age children located at the San Francisco Christian Center;
3. LACK OF APPROPRIATE OUTREACH TO MONOLINGUAL RESIDENTS.

This is a well-traveled area with a liquor store, tattoo parlour and a bar in direct proximity in addition to the three cannabis storefronts. The community has a need for more resources (food, job training, housing, language access, and mental health) not another cannabis establishment.

WHAT IS A PRE-APPLICATION MEETING?

The Pre-Application Meeting is a mandatory form of community outreach conducted by the project sponsor to receive initial feedback regarding certain project types prior to filing a Project Application with the Planning Department. Adjacent neighbors and relevant neighborhood organizations are invited to attend this meeting, which must take place during certain hours of the day and within a certain distance from the project site. The meeting's intention is to initiate neighbor communication and identify issues and concerns early on; provide the project sponsor the opportunity to address neighbor concerns about the potential impacts of the project prior to submitting an application; and, reduce the number of Discretionary Reviews (DRs) that are filed.

WHY IS A PRE-APPLICATION MEETING REQUIRED?

The Pre-Application process is required for certain projects subject to Planning Code Section 311 Notification, or as required by other activities listed below. It serves as the first step in the process prior to filing a Project Application with the Planning Department. Those contacted as a result of the Pre-Application process will also receive a formal notice after the project is reviewed by Planning Department staff.

WHEN IS A PRE-APPLICATION MEETING REQUIRED?

- Projects subject to 311 Notification that include:
 - New Construction;
 - Any vertical addition of 7 feet or more;
 - Any horizontal addition of 10 feet or more;
 - Decks over 10 feet above grade or within the required rear yard;
- All Formula Retail uses subject to a Conditional Use Authorization;
- Community Business Priority Processing (CB3P);
- Projects in PDR-1-B Districts subject to Section 313; and
- Department staff may request a Pre-Application meeting be conducted for any project.

INSTRUCTIONS FOR PRE-APPLICATION MEETINGS

Prior to filing any Project Application, the applicant must conduct a minimum of one Pre-Application meeting if required, as stated above.

Additionally, if the project will be required to submit a Transportation Demand Management (TDM) Plan pursuant to Planning Code Section 169, the Project Sponsor must discuss potential TDM Measures that may be incorporated into the project.

These materials must be submitted to the Planning Department:

All of the following materials must be submitted along with the Project Application for the project in order to verify compliance with the Pre-Application Meeting requirements. If a Pre-Application Meeting is required, Planning Department review will not begin until all the following are received:

- A copy of the letter mailed to neighbors and neighborhood organizations (use attached invitation)
- A list of the neighborhood organizations and individuals invited to the meeting, including the mailing address for each (see instructions below)
- A copy of the sign-in sheet (use attached template)
- A summary of the meeting and a list of any changes made to the project as a result of the neighborhood comments (use attached template)
- The affidavit, signed and dated (use attached template)
- One reduced copy of the plans presented to the neighbors at pre-application meeting, labeled as "Pre-Application Plans"

This meeting must be held in accordance with the following rules.

These groups and individuals must be invited to the meeting:

- Invite all Neighborhood Organizations for the neighborhood(s) in which the project site is located, as defined on the Planning Department Neighborhood Groups Map. Enter “Neighborhood Groups Map” into the search bar on www.sfplanning.org. Then, click on the relevant neighborhood on the map, and click on the “Neighborhood Contact List” link to download the list of neighborhood organizations in a spreadsheet format. Be sure to view the list for the appropriate neighborhood(s) by using the tabs at the bottom of the spreadsheet. If the property is located on the border of two or more neighborhoods, you must invite all bordering neighborhood organizations.
- Invite all owners and residents of properties that are abutting (next to), and directly across the street from, the project site. If the project site is on a corner, you must also invite owners and occupants of the properties across both streets, and the corner property diagonally across the intersection. To find the address of abutting properties, go to the online San Francisco Property Information Map (propertymap.sfplanning.org), search for the address of the project site, and click on each of the abutting properties to find the address and block/lot number of the property. The list of property owners should be based on the latest citywide property tax roll, which is available at the Office of the Treasurer and Tax Collector, City Hall, Room 140, Carlton B Goodlett Pl. You must also invite all residents of the abutting properties by mailing an invitation to each property addressed to “Residents”. Be sure to mail to each unit separately, if there are more than one unit on the property.
- Note that projects in PDR-1-B districts subject to Sec. 313 require mailing to owners and residents of properties within a 300 foot radius. Refer to the Neighborhood Notification handout, available at www.sfplanning.org, for clarification.
- Invitations must be sent at least 14 calendar days before the meeting. One copy of the invitation letter must be mailed to the project sponsor as proof of mailing. Invitations The postal date stamp will serve as record of timely mailing.

SUMMARY OF DISCUSSION FROM THE PRE-APPLICATION MEETING

Meeting Date: November 13, 2020

Meeting Time: 6:00pm

Meeting Address: Virtual Meeting - meet.jit.si/5801Mission-Meeting1

Project Address: 5801 Mission Street

Property Owner Name: Generation Skipping TR of AL/Phylis Kurzbard 1998 LVG TR

Project Sponsor/Representative: Edward Brown

Please summarize the questions/comments and your response from the Pre-Application meeting in the space below. Please state if/how the project has been modified in response to any concerns.

Question/Concern #1 by (name of concerned neighbor/neighborhood group):
(MEC) - Children leaving the church is a concern of ours...Ocean street dispensary was a problem.

How will you bring value to the area?

Have you seen the dispensaries over a mile away at Geneva?

Project Sponsor Response: There will be no loitering in front of the retail location. We expect most of our customers to use foot traffic. No children will be exposed to cannabis sales, and we will use exit packaging for all customer purchases. We will bring value to the area, with new customers that will patronize businesses. We will also bring job security and hire locally within District 11.

Question/Concern #2: How will you keep "rif-raff" out of the neighborhood? (MEC)

Project Sponsor Response: We have operated for 15 years in SF. We know how to engage the community in a positive and constructive way. Our security staff is well experienced in diffusing potential conflicts.

Question/Concern #3: You are within numerous schools in the area, and there is an afterschool childcare within 600 feet? Do you know that you are within this area?

Project Sponsor Response: SF Office of Cannabis and the SF Planning Department has verified that we are not within 600 feet of a K-12 institution. We would not be before you if our location was not within the guidelines of the Planning code.

Question/Concern #4: We are concerned with the exposure to children in the neighborhood, how do parents have hard conversations with their child, when they see this location? (numerous concerns)
There is a bar, tattoo parlor, and a liquor store, we do not need a 4th that doesn't belong

Project Sponsor Response: We are not in the category of alcohol, this is a plant at the end of the day. We will never allow children to enter our dispensary. Unlike a liquor store that has alcohol in plain sight of children, our products will never be visible to children walking by. Our products will be in exit bags. "I am a mother of two", (Equity Applicant) and there must be education and communication. Children need to understand that this is medicine to many, for people to have normal functions, to sleep, to eat, to go about their daily lives.

ADOPTING FINDINGS RELATING TO THE APPROVAL OF CONDITIONAL USE AUTHORIZATION PURSUANT TO SECTIONS 202.2, 303, AND 720 OF THE PLANNING CODE TO ALLOW A CANNABIS RETAIL USE MEASURING APPROXIMATELY 2,055 SQUARE FEET, WITH NO ON-SITE SMOKING OR VAPORIZING OF CANNABIS PRODUCTS, ON THE FIRST FLOOR OF AN EXISTING TWO-STORY MIXED USE BUILDING AT 5801 MISSION STREET (ASSESSOR'S BLOCK 6742 LOT 001) WITHIN THE EXCELSIOR OUTER MISSION STREET NEIGHBORHOOD COMMERCIAL ZONING DISTRICT, THE FRINGE FINANCIAL SERVICES RESTRICTED USE DISTRICT, AND A 40-X HEIGHT AND BULK DISTRICT, AND ADOPTING FINDINGS UNDER THE CALIFORNIA ENVIRONMENTAL QUALITY ACT.

PREAMBLE

On October 10, 2020, Edward Brown (hereinafter "Project Sponsor") filed Application No. 2020-007152CUA (hereinafter "Application") with the Planning Department (hereinafter "Department") for a Conditional Use Authorization to establish a Cannabis Retail use (hereinafter "Project") at 5801 Mission Street, Block 6472 Lot 001 (hereinafter "Project Site").

The Project is exempt from the California Environmental Quality Act (“CEQA”) under a Common Sense categorical exemption.

On June 10, 2021, the Commission conducted a duly noticed public hearing at a regularly scheduled meeting on Conditional Use Authorization Application No. 2020-007152CUA.

The Planning Department Commission Secretary is the Custodian of Records; the File for Record No. 2020-007152CUA is located at 49 South Van Ness Avenue, Suite 1400, San Francisco, California.

The Commission has heard and considered the testimony presented to it at the public hearing and has further considered written materials and oral testimony presented on behalf of the applicant, Department staff, and other interested parties.

MOVED, that the Commission hereby authorizes the Conditional Use Authorization as requested in Application No. 2020-007152CUA, subject to the conditions contained in “EXHIBIT A” of this motion, based on the following findings:

FINDINGS

Having reviewed the materials identified in the preamble above, and having heard all testimony and arguments, this Commission finds, concludes, and determines as follows:

- 1. The above recitals are accurate and constitute findings of this Commission.**
- 2. Project Description.** The Project would establish a Cannabis Retail Use measuring 2,055 square feet in a vacant commercial space within a two-story, mixed-use building. The Project does not include a request for authorization of on-site smoking or vaporizing of cannabis products. No changes to the building exterior or envelope are proposed. New business signage will be applied for under a separate permit.
- 3. Site Description and Present Use.** The Project is located on an approximately 11,602 square foot corner parcel fronting Mission Street on the south side between Acton and Oliver Streets. The site is developed with a two-story building containing five commercial spaces at the ground floor and six residential units above. The commercial space was last occupied by a boutique retail shop.
- 4. Surrounding Properties and Neighborhood.** The surrounding neighborhood is dominantly comprised of single family homes. However, there are many fully commercial buildings and mixed-use residential buildings along the corridor. The two directly adjacent properties are a residential property and a religious institution.
- 5. Public Outreach and Comments.** The Sponsor conducted outreach under the Office of Cannabis Good Neighbor Policy, which includes providing a mailed notice of the Project to all property owners and occupants within 300-feet of the site and conducting outreach meetings. Additionally, the Project conducted a pre-application meeting, an individual neighborhood group meeting on April 19, 2021, and a general neighborhood meeting on April 21, 2021. The sponsor has also conducted private meetings with local business owners in the neighborhood, as well as law enforcement. The Department has received forty-three comments expressing support for the Project and seven comments expressing opposition to

the Project.

- A. Support for the Project expressed support for the project team, and support for the business' commitment to local hiring, community support initiatives, and parking and traffic plans. Supervisor Matt Haney also submitted a letter of support for the Project, commending the Equity Applicant for her work with the community and previously establishing a model Medical Cannabis Dispensary within District 6.
- B. Opposition to the Project expressed concerns with an increase in crime, concern for youth access to cannabis products, and concerns with traffic, parking, and sidewalk crowding complications.

6. Planning Code Compliance. The Commission finds that the Project is consistent with the relevant provisions of the Planning Code in the following manner:

- A. **Use.** The establishment of a Cannabis Retail use in the Excelsior Outer Mission Street Neighborhood Commercial Zoning District requires a Conditional Use Authorization pursuant to Planning Code Section 720.

The Project Sponsor is requesting a Conditional Use Authorization to establish a Cannabis Retail use in the Excelsior Outer Mission Street Neighborhood Commercial Zoning District.

- B. **Use Size.** The Excelsior Outer Mission NCD permits Non-Residential uses at up to 5,999 square feet per use and requires a Conditional Use Authorization for individual uses above 6,000 square feet in size.

The Project would provide a 2,055 sq ft Cannabis Retail use which is compliant with this requirement.

- C. **600-Foot Buffer Rule:** Planning Code Section 202.2(a)(5)(B) states that the parcel containing the Cannabis Retail Use shall not be located within a 600-foot radius of a parcel containing an existing public or private School or within a 600-foot radius of a parcel for which a valid permit from the City's Office of Cannabis for a Cannabis Retailer or a Medicinal Cannabis Retailer has been issued. There shall be no minimum radius from a Cannabis Retail Use to an existing day care center or youth center unless a State licensing authority specifies a minimum radius.

The subject parcel is not located within a 600-foot radius of a parcel containing an existing private or public school or within a 600-foot radius of a parcel for which a valid permit from the City's Office of Cannabis for a Cannabis Retailer or a Medicinal Cannabis Retailer has been issued.

- D. **Hours of Operation.** There are no limits on hours of operation in the Mixed-Use General Zoning District. State law limits hours of operation for Cannabis Retailers to between 6am and 10pm.

No limit on hours of operation is set at the local level. The Project is required under State law to cease operation between 10pm and 6am.

- E. **Street Frontage in Neighborhood Commercial and Mixed Use Districts.** Section 145.1 of the Planning Code requires that within Neighborhood Commercial and Mixed Use Districts, space for active uses shall be provided within the first 25 feet of building depth on the ground floor and 15 feet on floors

above from any facade facing a street at least 30 feet in width. In addition, the floors of street-fronting interior spaces housing non-residential active uses and lobbies shall be as close as possible to the level of the adjacent sidewalk at the principal entrance to these spaces. Frontages with active uses that must be fenestrated with transparent windows and doorways for no less than 60 percent of the street frontage at the ground level and allow visibility to the inside of the building. The use of dark or mirrored glass shall not count towards the required transparent area. Any decorative railings or grillwork, other than wire mesh, which is placed in front of or behind ground floor windows, shall be at least 75 percent open to perpendicular view. Rolling or sliding security gates shall consist of open grillwork rather than solid material, so as to provide visual interest to pedestrians when the gates are closed, and to permit light to pass through mostly unobstructed. Gates, when both open and folded or rolled as well as the gate mechanism, shall be recessed within, or laid flush with, the building facade.

The subject commercial space complies with this requirement and shall be maintained in compliance with this Section. No significant modification to the front façade is proposed, and the interior changes do not impact compliance with this Section.

7. Conditional Use Findings. Planning Code Section 303 establishes criteria for the Planning Commission to consider when reviewing applications for Conditional Use authorization. On balance, the project complies with said criteria in that:

- A. The proposed new uses and building, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable, and compatible with, the neighborhood or the community.

The Project provides a use that is necessary and desirable, and compatible with the surrounding neighborhood and community, in that it activates an existing retail space at the same size of the existing space, bringing additional goods and services to the local area. By activating a currently vacant commercial space, the Project will provide jobs and street level activation to the neighborhood. The proposed business places ID check and waiting areas at the front of the businesses, limiting the visibility of cannabis products and sales from the street while maintaining street level activation. In doing so, it is contextually appropriate and compatible with the surrounding neighborhood and community.

- B. The proposed project will not be detrimental to the health, safety, convenience or general welfare of persons residing or working in the vicinity. There are no features of the project that could be detrimental to the health, safety or convenience of those residing or working the area, in that:

- (1) Nature of proposed site, including its size and shape, and the proposed size, shape and arrangement of structures;

The height and visible bulk of the existing building will remain the same. The Project will not alter the existing appearance or character of the project vicinity.

- (2) The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic, and the adequacy of proposed off-street parking and loading;

The Planning Code does not require parking or loading for any uses, and the site is very well served by transit services.

- (3) The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;

The Project proposes a Cannabis Retail use which does not include an on-site smoking or vaporizing space, and this approval is conditioned to prohibit smoking or vaporizing of cannabis products. As such, there are safeguards to prevent noxious or offensive emission from the site.

- (4) Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, service areas, lighting and signs;

The Project Site contains an existing parking lot at the rear of the site which is not modified by the proposed Project. The parking lot is screened from view by an existing wall.

- C. That the use as proposed will comply with the applicable provisions of the Planning Code and will not adversely affect the General Plan.

The Project complies with all relevant requirements and standards of the Planning Code and is consistent with objectives and policies of the General Plan as detailed below.

- D. That the use as proposed would provide development that is in conformity with the purpose of the applicable Zoning District.

The Excelsior Outer Mission Street Neighborhood Commercial District is intended to provide convenience goods and services to the surrounding neighborhoods as well as limited comparison shopping goods for a wider market. By providing a new neighborhood serving retail activity within an existing, unutilized space, the Project furthers the stated purpose of the Zoning District.

- 8. Additional Conditional Use Findings for Cannabis Retail.** Planning Code Section 303(w) outlines additional findings for the Commission when reviewing proposals for new Cannabis Retail establishments. The Commission shall consider “the geographic distribution of Cannabis Retail Uses throughout the City, the concentration of Cannabis Retail and Medical Cannabis Dispensary Uses within the general proximity of the proposed Cannabis Retail Use, the balance of other goods and services available within the general proximity of the proposed Cannabis Retail Use, any increase in youth access and exposure to cannabis at nearby facilities that primarily serve youth, and any proposed measures to counterbalance any such increase.”

In the December 2019 report titled “Cannabis in San Francisco: A Review Following Adult Use Legalization,” the City Controller’s Office identified the Mission and South of Market Neighborhoods as more concentrated with Cannabis Retail uses in comparison to the balance of San Francisco. The report recommended no numeric or geographic limits to existing or in-process cannabis business permits and recommended that potential future legislation to address the imbalance be applied to new applicants rather than the existing

applicant pipeline. The proposed Project would add a new Cannabis Retail outlet to the Excelsior Outer Mission neighborhood, creating a more balanced geographic distribution of these uses.

The closest approved Cannabis Retail location to this site is 5260 Mission Street, dba Mission Organic Services, approximately 3,143' from 5801 Mission Street.

Within the general proximity of 5801 Mission Street, there is a mix of residential and small commercial uses. Cannabis Retail is one of the few businesses that is continuing to expand during the pandemic induced economic crisis (though many existing sites, particularly existing Medical Cannabis Dispensaries, are closing permanently). By creating a new retail use, the Project can serve to support the development of other retail and service uses in the general vicinity.

Key facilities in the surrounding neighborhood that serve youth are the Chiquitos Preschool, Dennis Language Services (language school), and Our Kids First (after-school program), all of which are within 600 feet from the proposed facility. Other facilities Little Steps-Pasitos (day care), Alice's Day Care, Longfellow Elementary School, Lincoln Park Community Center, San Francisco Christian School, George Washington Elementary School, and Pershing Preschool, which are all at least 600 feet from the proposed facility. Cannabis facilities are highly regulated, and it is more likely that youth would gain easy access to cannabis products through the unregulated market, which remains a large and dominant force in the market of San Francisco (partially due to the ease of cultivating cannabis products within a home and partially due to the slow rate of permitting of licensed locations in the City). By providing a regulated, legal market within the neighborhood, the proposed business would further discourage unregulated sales, making youth access to cannabis products more restricted.

- 9. General Plan Compliance.** The Project is, on balance, consistent with the following Objectives and Policies of the General Plan:

COMMERCE AND INDUSTRY ELEMENT

Objectives and Policies

OBJECTIVE 2

MAINTAIN AND ENHANCE A SOUND AND DIVERSE ECONOMIC BASE AND FISCAL STRUCTURE FOR THE CITY.

Policy 2.1:

Seek to retain existing commercial and industrial activity and to attract new such activity to the city.

OBJECTIVE 3:

PROVIDE EXPANDED EMPLOYMENT OPPORTUNITIES FOR CITY RESIDENTS, PARTICULARLY THE UNEMPLOYED AND ECONOMICALLY DISADVANTAGED.

Policy 3.1:

Promote the attraction, retention and expansion of commercial and industrial firms which provide employment improvement opportunities for unskilled and semi-skilled workers.

Policy 3.2:

Promote measures designed to increase the number of San Francisco jobs held by San Francisco residents.

OBJECTIVE 4

IMPROVE THE VIABILITY OF EXISTING INDUSTRY IN THE CITY AND THE ATTRACTIVENESS OF THE CITY AS A LOCATION FOR NEW INDUSTRY.

Policy 4.8:

Provide for the adequate security of employees and property.

OBJECTIVE 6

MAINTAIN AND STRENGTHEN VIABLE NEIGHBORHOOD COMMERCIAL AREAS EASILY ACCESSIBLE TO CITY RESIDENTS.

Policy 6.2

Promote economically vital neighborhood commercial districts which foster small business enterprises and entrepreneurship, and which are responsive to economic and technological innovation in the market place and society.

The Cannabis industry provides great potential for the City in that it is a rapidly expanding industry, with very highly developed equity ownership, hiring, and procurement requirements, that employs blue-collar workers with wages and benefits typically far higher than other types of retail services. The City Controller's Office December 2019 report titled, "[Cannabis in San Francisco: A Review Following Adult Use Legalization](#)," found that crime rates, particularly property crimes, generally decreased in the areas immediately surrounding Cannabis storefronts and dispensaries, compared to an overall increase Citywide. The uses are extremely regulated both at the State and local level, and following any Planning Department approval of a site, additional outreach still occurs to develop a Good Neighbor Policy, Security Plans (with review by SFPD), and Odor Mitigation Plans. By activating existing retail spaces in the City (which suffer from high vacancy rates), employing many blue-collar workers, furthering the City's equity goals, and providing alternative medicines that are recognized as helping many residents suffering through pain, Cannabis Retail projects further many of the goals of the City's General Plan and area plans.

10. Planning Code Section 101.1(b) establishes eight priority-planning policies and requires review of permits for consistency with said policies. On balance, the project complies with said policies in that:

- A. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses be enhanced.

The Project site will provide a new retail tenant and new use for the neighborhood. The addition of this business will enhance foot traffic to the benefit neighboring businesses. Cannabis is one of the fastest growing job categories in the country and one of the few retail uses that is burgeoning even in the face of e-commerce.

- B. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods.

No housing is impacted by the Project. The building exterior is maintained, preserving neighborhood character.

- C. That the City's supply of affordable housing be preserved and enhanced,

The Project has no effect on housing and does not convert housing to a non-residential use.

- D. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking.

The Project site is extremely well-served by transit. It is presumable that the employees would commute by transit or use the available off-street parking spot at the rear thereby mitigating possible effects on street parking. Providing access to cannabis products broadly in the City reduces the need for medical or adult use customers to transit across neighborhoods to purchase products.

- E. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced.

There is no commercial office development associated with the proposed project and there would be no displacement of any existing industrial or service businesses in the area.

- F. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake.

Any construction associated with Project will be designed and will be constructed to conform to the structural and seismic safety requirements of the Building Code. This proposal will not impact the property's ability to withstand an earthquake.

- G. That landmarks and historic buildings be preserved.

No impact to the Historic Resource status is caused by the Project, which proposes interior tenant improvements and the installation of a new security camera and ADA push button on the front façade.

- H. That our parks and open space and their access to sunlight and vistas be protected from development.

The project will have no negative impact on existing parks and open spaces. The Project does not have an impact on open spaces.

11. The Project is consistent with and would promote the general and specific purposes of the Code provided under Section 101.1(b) in that, as designed, the Project would contribute to the character and stability of the neighborhood and would constitute a beneficial development.
12. The Commission hereby finds that approval of the Conditional Use Authorization would promote the health, safety and welfare of the City.

ABOUT SFCC

San Francisco Christian Center is a fellowship of Spirit-filled believers committed to Christ-honoring worship, Kingdom-seeking prayer, Bible-centered discipleship, worldwide evangelism and local community service.

First known as New Testament Temple, the church was founded by Rev. William Keller in 1953 and was succeeded in 1954 by Rev. H.R. Bagwell as senior pastor. Rev. Bagwell changed the name to San Francisco Revival Center. Bishop Donald E. Green became senior pastor in 1966, changing the name to San Francisco Christian Center and served for 44 years before retiring in 2010. Today, Rev. Roderick Gittens leads the non-denominational, charismatic church located in the Outer Mission District.

At SFCC, celebration and adoration of the Lord is demonstrated through music, singing, prayer, drama, and the ministry of God's Word. The desire is that each person attending services at San Francisco Christian Center experience spiritual refreshing that will provoke a godly lifestyle.

BYLAWS OF

Iglesia de Cristo Ministerios Cosecha

A Nonprofit corporation

INTRODUCTION

Foremost in the operation of this Corporation and its Bylaws is the Word of God as taught in Old and New Testaments of the Holy Bible. All provisions herein are declared to be subject to the Word of God which is to every possible extent incorporated herein by reference as a whole and unless otherwise stated to be found in the King James Version or New American Standard Version or other version of the Holy Bible generally accepted among Bible-believing congregations, churches or fellowships throughout this nation or the reading together of these versions to produce an understanding of the Truth of the sayings of God to men as found in the Holy Bible.

ARTICLE I

OFFICES

Section 1. The registered office of the Corporation shall be located at 156 So. Spruce Ave. Ste. 210, So. San Francisco, CA 94080.

Section 2. The Corporation may also have offices at such other places both within and without the state of incorporation as the Board of Directors may from time to time determine or the business of the Corporation may require.

ARTICLE II

TENETS OF FAITH AND DOCTRINE

The Church accepts the Scriptures as the revealed Will of God, the all sufficient rule of faith and practice, and for the purpose of maintaining general unity, adopts these Statements of Fundamental Truths and Doctrine.

Section 1. The Scriptures Inspired. The Bible is the inspired Word of God, a revelation from God to man, the infallible rule of faith and conduct, and is superior to conscience and reason, but not contrary to reason (2 Tim. 3:15-17; 1 Peter 1:23-25; Heb. 4:12).

Section 2. **The One True Godhead.** The triune Godhead is comprised of three (3) separate and distinct personalities, The Father, The Son, and The Holy Spirit, who are eternally self-existent, self-revealed and function as one entity. Jesus Christ, who is God manifested in the flesh, is the second member of the Godhead, co-equal and co-eternal with The Father and The Holy Spirit.

Section 3. **Man, His Fall and Redemption.** Man was created good and upright, for God said, "Let us make man in Our image, after Our likeness". But, man, by voluntary transgression, fell and his only hope of redemption is in Jesus Christ the Son of God (Genesis 1:26-31, 3:1-7; Romans 5:12-21).

Section 4. **The Salvation of Man.**

(a) *Man's only hope of redemption is through the shed blood of Jesus Christ.* On the cross Jesus Christ became sin and sickness providing both salvation and divine healing for all mankind (Psalm 103:3), being justified freely by His Grace through the redemption that is in Christ Jesus. For by grace we are saved through faith. "The word is near you, in your mouth and in your heart--that is, the word of faith which we are preaching, that if you confess with your mouth Jesus as Lord, and believe in your heart that God raised Him from the dead, you shall be saved; for with the heart man believes, resulting in righteousness, and with the mouth he confesses, resulting in salvation" (Romans 3:24; Ephesians 2:8; Romans 10:8-10).

(b) *The Evidence of Salvation.* The inward evidence to the believer of his salvation, is the direct witness of the Spirit (Romans 8:16). The outward evidence to all men is a life of righteousness and true holiness. "And this is His commandment, that we believe in the name of His Son Jesus Christ, and love one another, just as He commanded us." (1 John 3:23); ... while you are waiting for these things to happen and for him to come, try hard to live without sinning; and be at peace with everyone so that he will be pleased with you when he returns (II Peter 3:14 LB).

(c) *Faith and Works.* Salvation is by faith in Jesus Christ and not by human works; however, our works will determine the rewards in eternity (Romans 10:9-1 and II Cor. 5:10).

Section 5. **Baptism in Water.** The ordinance of baptism by a burial with Christ should be observed as commanded in the Scriptures by all who have really repented and in their hearts have truly believed on Christ as Savior and Lord. In so doing,

they declare to the world that they have died with Jesus and that they have also been raised with Him to walk in newness of life. (Matt. 28:19; Acts 10:47, 48; Romans 6:4).

Section 6. The Lord's Supper. "And when He had given thanks, He broke it, and said, 'This is my body which is for you. Do this in remembrance of me.' In the same way also the cup, after supper, saying, 'This cup is the new covenant in my blood, Do this, as often as you drink it, in remembrance of me.' Let a man examine himself, and so eat of the bread and drink of the cup" (1 Cor. 11:24; 25, 28).

Section 7. The Promise of the Father. All believers are entitled to, and should ardently expect and earnestly seek, the promise of the Father, the Baptism in the Holy Ghost and Fire, according to the command of our Lord Jesus Christ. This was the normal experience of all in the early Christian church. With it comes the endowment of power for life and service, the bestowment of the gifts and their uses in the work of the ministry. (Luke 24:49; Acts 1:4-8; 1 Cor. 12:1-31). This wonderful experience is distinct from and subsequent to the experience of the new birth (Acts 2:38; 10:44-46; 11:14-16; 15:7-9).

Section 8. The Evidence of the Baptism in the Holy Spirit. The full consummation of the Baptism of believers in the Holy Spirit is evidenced by the initial physical sign of speaking with other tongues as the Spirit gives utterance, and by the subsequent manifestation of spiritual power in public testimony and service (Acts 2:4; 10:44-46; 19:2, 6; 1:8).

Section 9. The Church. The church is the body of Christ, the habitation of God through the Spirit, with divine appointments for the fulfillment of her great commission. Each believer, born of the Spirit, is an integral part of the general assembly and church of the firstborn, which are written in Heaven (Ephesians 1:22; 2:19-22; Hebrews 12:23).

Section 10. Total Prosperity.

- (a) Spiritual. John 3:3, 11; II Cor. 5:17-21; Romans 10:9-10.
- (b) Mental. II Tim. 1:7; Romans 12:2; Isaiah 26:3.
- (c) Physical. Isaiah 53:4, 5; Matt. 8:17; I Peter 2:24.
- (d) Financial. III John 1:2; Malachi 3:10-11; Luke 6:38; II Cor. 9:6-10; Deut. 28:1-14.
- (e) Social. Proverbs 3:4.

Section 11. Blessed Hope. Jesus is coming again to gather all His Saints to Heaven (I Cor. 15:51-52; I Thess. 4:16-17; and II Thess. 2:1).

Section 12. The Lake of Fire. Those who have not accepted the redemptive work of Jesus Christ will suffer eternal separation from the Godhead. The devil and his angels, the beast and the false prophet, and anyone whose name was not found written in the book of life, shall be consigned to everlasting punishment in the lake of fire which burns with brimstone. This is the second death, the lake of fire (Rev. 19:20; 20:10-15).

Section 13. The Millennial Reign of Jesus. The return of our Lord Jesus Christ with His Saints from Heaven to rule and reign for one thousand years on earth as the Scriptures promised (Romans 11:25, 27; 2 Thess. 1:7; Rev. 19:11-16; 20:1-7). After this, there shall be a new heaven and a new earth (Rev. 21).

Section 14. Christian Life; Scriptural Conduct.

(a) *Personal Ethics.* "I can do anything I want to if Christ has not said no, but some of these things aren't good for me. Even if I am allowed to do them, I'll refuse to if I think they might get such a grip on me that I can't easily stop when I want to" (I Cor. 6:12 LB). "We can always 'prove' that we are right, but is the Lord convinced?" (Proverbs 16:2 LB) "And we beseech you, brethren, to know them which labor among you, and are over you in the Lord, and admonish you" (I Thessalonians 5:12).

(b) *Obedience to Law.* "Obey the government, for God is the one who has put it there. There is no government anywhere that God has not placed in power. So those who refuse to obey the laws of the land are refusing to obey God, and punishment will follow" (Romans 13:1-2 LB). "Obey the laws, then, for two reasons: first, to keep from being punished, and second, just because you know you should. Pay your taxes too, for these same two reasons. For government workers need to be paid so that they can keep on doing God's work, serving you. Pay everyone whatever he ought to have; pay your taxes and import duties gladly, obey those over you, and give honor and respect to all those to whom it is due. Pay all your debts except the debt of love for others - never finish paying that! For if you love them, you will be obeying all of God's laws, fulfilling all his requirements. Another reason for right living in this: you know how late it is; time is running out. Wake up, for the coming of the Lord is nearer now than when we first believed" (Romans 13:5-8, 11 LB).

(c) *Family; Household.* "Honor your father and mother, that you may have a long, good life in the land the Lord your God will give you" (Exodus 20:12). "For if a man know not how to rule his

own house, how shall he take care of the church of God?" (I Timothy 3:5) "Their wives must be thoughtful, not heavy drinkers, not gossipers, but faithful in everything they do" (I Timothy 3:11 LB). "The men you choose must be well thought of for their good lives; they must have only one wife and their children must love the Lord and not have a reputation for being wild or disobedient to their parents. These elders must be men of blameless lives because they are God's ministers. They must not be proud or impatient; they must not be drunkards or fighters or greedy for money" (Titus 1:6-7 LB). "That the aged men be sober, grave, temperate, sound in faith, in charity, in patience. That they may teach the young women to be sober, to love their husbands, to love their children" (Titus 2:2-4). "You wives must submit to your husbands' leadership in the same way you submit to the Lord. For a husband is in charge of his wife in the same way Christ is in charge of his body the Church. (He gave his very life to take care of it and be its Savior!) So you wives must willingly obey your husbands in everything, just as the Church obeys Christ. And you husbands, how the same kind of love to your wives as Christ showed to the Church when he died for her, to make her holy and clean, washed by baptism and God's Word: so that he could give her to himself as a glorious Church without a single spot or wrinkle or any other blemish, being holy and without a single fault. That is how husbands should treat their wives, loving them as parts of themselves. For since a man and his wife are now one, a man is really doing himself a favor and loving himself when he loves his wife. No one hates his own body but lovingly cares for it, just as Christ cares for his body the Church, of which we are parts. (That the husband and wife are one body is proved by the Scripture which says, "A Man must leave his father and mother when he marries, so the two shall be one.") So again, I say, a man must love his wife as a part of himself; and the wife must see to it that she deeply respects her husband - obeying, praising and honoring him. Children, obey your parents; this is the right thing to do because God has placed them in authority over you. Honor your father and mother. This is the first of God's Ten Commandments that ends with a promise. And this is the promise: that if you honor your father and mother, yours will be a long life, full of blessing. And now a word to you parents. Don't keep on scolding and nagging your children, making them angry and resentful. Rather bring them up with the loving discipline the Lord himself approves, with suggestions and godly advice" (Ephesians 5:22-31, 33-6:4 LB).

(d) *Control.* "...For a man is a slave to whatever controls him" (II Peter 2:19 LB). "Even if we believe that it makes no difference to the Lord whether we do these things, still we cannot just go ahead and do them to please ourselves; for we must bear the burden of being considerate of the doubts and fears

of others - of those who feel these things are wrong. Let's please the other fellow, not ourselves, and do what is for his good and thus build him up in the Lord" (Romans 15:2-3 LB).

(e) *Adultery; Immorality.* "Thou shalt not commit adultery" (Exodus 20:14). "...try hard to live without sinning; and be at peace with everyone so that he will be pleased with you when he returns" (II Peter 2:14 LB). "You shall not commit adultery. But I say: Anyone who even looks at a woman with lust in his eye has already committed adultery with her in his heart" (Matthew 5:27-28 LB). "...Don't fool yourselves. Those who live immoral lives, who are idol worshipers, adulterers or homosexuals will have no share in his Kingdom ..." (I Cor. 6:9 LB). "But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such an one no not to eat" (I Cor. 5:11 LB).

(f) *Drunkenness; Drugs.* "This son of ours is stubborn and rebellious and won't obey; he is a worthless drunkard. Then the men of the city shall stone him to death. In this way you shall put away this evil from among you, and all the young men will hear about what happened and will be afraid" (Deuteronomy 21:20-21 LB). "...envy, murder, drunkenness, wild parties, and all that sort of thing. Let me tell you again as I have before, that anyone living that sort of life will not inherit the Kingdom of God" (Galatians 5:21 LB). "Nor thieves, nor covetous, nor drunkards, nor revilers, nor extortioners, shall inherit the kingdom of God" (I Cor. 6:10 LB). "Don't drink too much wine, for many evils lie along that path; be filled instead with the Holy Spirit, and controlled by Him" (Ephesians 5:18 LB). "For the drunkard and the glutton shall come to poverty; and drowsiness shall clothe a man with rags" (Proverbs 23:21).

(g) *Smoking.* "Know ye not that ye are the temple of God, and that the Spirit of God dwelleth in you? If any man defile the temple of God, him shall God destroy, for the temple of God is holy, which temple are ye" (I Cor. 3:16-17). "Haven't you yet learned that your body is the home of the Holy Spirit God gave you, and that He lives within you? Your body does not belong to you. For God has bought you with a great price. So use every part of your body to give glory back to God, because He owns it" (I Cor. 6:19).

(h) *Homosexuality.* "You shall not lie with a man as with a woman; it is an abomination" (Leviticus 18:22). "...God let go of them and let them do all these evil things, so that even their women turned against God's natural plan for them and indulged in sex sin with each other. And the men, instead of having a normal sex relationship with women, burned with lust for each other, men doing shameful things with other men and, as a

result, getting paid within their own souls with the penalty they so richly deserved. So it was that when they have God up and would not even acknowledge him, God gave them up to doing everything their evil minds could think of. Their lives became full of every kind of wickedness and sin" (Romans 1:26-29). "Don't you know that those doing such things have no share in the Kingdom of God? Don't fool yourselves. Those who live immoral lives, who are idol worshippers, adulterers or homosexuals will have no share in his Kingdom..." (I Cor. 6:9-10).

NEIGHBORHOOD APPEAL FOR:

2020-007152CUA

BUILDING PERMIT: 6472/001

DATE OF DECISION: JUNE 10, 2021

**LETTERS OF SUPPORT &
MISC.**

BetterHousingPolicies.org

住房政策改良会

7/10/2021

Dear Board of Supervisors,

BetterHousingPolicies.org(BHP) is joining the African-American-led SF Christian Center and other neighborhood groups in the **appeal against** the Planning Commission's decision to approve the Conditional Use Authorization (CUA) of 5801 Mission Street as a cannabis retail. The Case Number is **2020-007152CUA**.

BHP represents a majority of the monolingual and limited English-speaking Chinese and Asian communities in the City on their quality housing needs. We must highlight that the Outer Mission's population is 51% Asian, 50% foreign born, 74% families and 68% limited or non-English-speakers, we have a large membership presence in the Outer Mission. Our membership is overwhelmingly **opposing** this project because it **decreases** the quality-of-life for the neighborhood, and **subtracts** from the offering of the neighborhood business. **Our membership and our community need services for families, youth and seniors, not yet another cannabis store.**

Moreover, the project sponsor did not do an adequate job in **outreaching** to our communities and membership. Most of our members in the 300' area were not notified in a culturally competent way. There were only one or two members of the Asian community attended the two community meetings held by the project sponsor. None of our members affected by the project knew about the meetings. **The project is culturally insensitive and exclusionary.** This gives an impression that the project sponsor tries to fly under the radar. This is an indicator that the project sponsor will be a subpar neighbor.

We join the other appealing neighborhood organizations in **protest** of the Planning Commission's assessment that the project is a necessary and welcomed business. **District 11 already has THREE cannabis storefronts** that serve both San Francisco and San Mateo County. There are **at least FIVE stores in a one mile radius** and it already constitutes **clustering**. In addition, there are other means of purchasing and using cannabis, including delivery and legally growing at home.

Don't forget, around the 1,000 feet radius of the project site is identified as a **High-Risk Corridor** by the Vision Zero program of the City and County of San Francisco. Also, the areas around the Longfellow School are identified for the **Safe Routes to Schools** program due to the high number of pedestrian fatality and injuries. **Adding another cannabis store attracting traffic from two counties is a hazard to the community.**

We respectfully ask you to reject this project.

Sincerely,

Josephine Zhao

1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Attention Board of Supervisors:

The African American Early Childhood Educators respectfully requests the Board of Supervisors to allow an appeal hearing on the Conditional Use Authorization case number 2020-007152, allowing 5801 Mission Street to be used as a cannabis retailer.

We want to reduce the achievement gap; to ensure that each child has access to quality education and equitable resources

The African American Early Childhood Educators' vision is that every child will have equitable access to high quality education, fitted with positive social emotional learning and reinforced with trauma informed. The approval of a cannabis establishment so close to children whether 100 or 1000 feet; in an SFUSD school, in an afterschool or child care facility should be view as hazardous, unethical and illogical.

We request an appeal hearing on the conditional use of the 5801 Mission Street location be granted for three reasons.

1. **Public Safety.** Longfellow Elementary is 1000 feet from 5801 Mission Street. This Title 1 school is the educational home to over 500 students and was the **first school identified by SFUSD to operate a Safe Routes to Schools program**, due to the high number of pedestrian and car crashes and near misses. Over the past five years, SFMTA has installed new signals, cross walks, and traffic calming measures to remediate crashes and injuries. Cannabis dispensaries are high volume, stop, drop, and roll businesses. 5801 Mission Street is desirable due to its proximity to the San Mateo County line and 280 freeway on and off ramps. This business will increase car traffic in a high injury corridor,

putting children and families directly in the path of cannabis club visitors between 5:00pm and 6:20pm, when working parents pick up kids from school.

2. Inadequate community engagement. COVID-19 pandemic and the struggles and damage it caused didn't allow families to think about anything but survival and safety. To be clear, 94112 led the city with the highest number of infections for six months. If the Longfellow Elementary school site hadn't been closed the majority of the past 18 months due to the COVID 19 public health crisis, far more families and community members would have been engaged. An appeal hearing should not be scheduled until after the 2021-2022 school year starts, allowing time for school families and community to be better informed.

During the Planning Department hearing when the conditional use to operate as a cannabis dispensary was granted, Cantonese speaking participants in public testimony did not receive adequate translation services.

3. Community Equity and Cannabis Equity. Application of the Cannabis Equity program shouldn't come at the expense of Community Equity. The intent of the cannabis equity program is to make it easier for folks whose neighborhoods were most impacted by the Federal Government's failed "War on Drugs" to enter into the marketplace.

OMI CULTURAL PARTICIPATION PROJECT

Dear San Francisco Planning Commission
San Francisco Board of Supervisors,

We are appealing the Planning Commission's decision to approve the Conditional Use Authorization (CUA) of 5801 Mission Street Case Number. 2020-007152CUA.

We disagree with the Planning Commission's summary that this is a necessary and needed business. District 11 already has THREE cannabis storefronts that serve the community and citizens that reside in both San Francisco and San Mateo County. There are at least 5 in a one mile radius and constituents clustering. In addition, there are other means of purchasing/using cannabis including delivery and the ability to grow cannabis which is allowed by law.

The area, within 1000 feet, is identified as a High-Risk corridor by the City and County of San Francisco Vision Zero program and the Longfellow School is identified for the Safe Routes to Schools program, due to the high number of pedestrian and car crashes and near misses. This is a hazard to the community.

Sincerely,

San Francisco Board of Supervisors
City and County of San Francisco
1 Dr. Carlton B. Goodlett Place
San Francisco, CA 94102

Attention Board of Supervisors:

The OMI Community Collaborative respectfully requests the Board of Supervisors to allow an appeal hearing on the Conditional Use Authorization case number 2020-007152, allowing 5801 Mission Street to be used as a cannabis retailer.

The Oceanview, Merced Heights and Ingleside Community Collaborative (OMI-CC) is a group of individuals, non-profit organizations, business owners and faith-based organizations who have come together to form alliances that will strengthen their communities and give stability to future generations.

The mission of the OMI Community Collaborative (OMICC) is to seek community engagement through inclusive and diverse practices, to build community resources which enable thriving economic self-sufficiency and stability and to create diverse family and neighborhood-oriented community that is vibrant, educated, thriving and green with health and lifestyle needs that are easily met.

We request an appeal hearing on the conditional use of the 5801 Mission Street location be granted for three reasons.

1. Public Safety. Longfellow Elementary is 1000 feet from 5801 Mission Street. This Title 1 school is the educational home to over 500 students and was the **first school identified by SFUSD to operate a Safe Routes to Schools program**, due to the high number of pedestrian and car crashes and near misses. The intent of the cannabis equity program is to make it easier for folks whose neighborhoods were most impacted by the Federal Government's failed "War on Drugs" to enter into the marketplace. There are any number of vacant storefronts on Mission street a little further north on Mission Street that the applicant could have chosen. Longfellow Elementary has been operating in that location for 139 years.

Hello Delia,

Thank you for your email. The Pre-Application Meeting is an opportunity for applicants to meet with persons or groups who are interested in a Project, so they can provide feedback and discuss any concerns. If you still have concerns with the Project after the Pre-Application Meeting, we recommend that you continue to discuss your concerns with the Project Sponsor. If you still have concerns when the Project goes to hearing, you can certainly submit a written comment prior to the hearing or provide a verbal comment during the hearing.

As to your concern with the attendee list, the Department does not attend these meetings, and we only verify that correct notice was provided so that any person who may be interested can attend and discuss the Project. It seems that you received that notice and were able to attend. I can (and will) certainly note to the Project Sponsor to verify the attendee list on Zoom and ensure that anyone who identified themselves during the meeting is listed.

Thank you,

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Good morning, Ryan:

My early morning reading included the pre-application about Releaf.

How do you validate the details provided in the application?

I have a few concerns about a few things:

1. Per my notes, there were 16 people on the call, the application only mentions 9. I know for a fact that 9 people were excluded from the attendance roster:

Gale Rosboro, Patty Clement, Mary Evelyn Thomas, Pastor Roderick Gittens, Mary & Al Harris, Felisia Thibodeux, Nicholas Wilsey, and myself.

Maurice Rivers was included as Maurice R.

Question: How are you validating (fact-checking) the information provided?

2. The supplemental use application says:

There are no sensitive uses (as defined in Planning Code Section 202.2A) within 600 feet of the proposed site, the sponsors are conscious that minors will pass by the site.

My feedback:

A. Our Kids First, an SFUSD community learning hub/after-school and summer program: 226 feet away at 5845 Mission Street. We walk and pick our students up from Longfellow Elementary and San Francisco Christian School. I know that the laws were amended to shorten the distance from 900 to 600 of only a school (K-12), but the impact needs to account for the impact of the community and include the SFUSD satellite location. We are a valued extension and should be view as such.

3. The supplemental use application says:

This will complement the mix of goods and services currently available in the district and contribute to the economic vitality of the neighborhood by removing a vacant store-front.

My feedback:

Per my comment from the pre-application meeting that I was not documented as being in attendance, the proposed site is across the street from Woody's liquor store (82 feet), the Connection bar (174 feet), and a Lucky Van's tattoo parlor (200 feet). This is a hazardous environment already and adding one more ingredient would make it inhabitable by the community that lives there.

4. The supplemental use application says:

The Planning Code does not require parking or loading for any use. The proposed use is designed to meet the needs of the immediate neighborhood and should generate significant amounts of vehicular trips from the immediate neighborhood or citywide. The applicant intends to diligently prevent double-parking by customers who visit the store.

My feedback:

There is no available parking on a regular day.
How can they prevent double parking and high foot traffic?

5. The supplemental use application says:

This Project is consistent with the stated purpose of the NCD district in that the intended retail use will provide diversity to the retail corridor and a compatible retail service to the public in the immediate surrounding neighborhood.

My feedback:

District 11 consists of the highest youth and seniors in the city.

There are already 3 cannabis establishments:

Green Leaf, 4214 Mission Street
Cookies, 5226 Mission Street
Mission Organic, 5258 Mission Street

Please provide clarification.

Conditional Use Authorization Appeal

5801 MISSION ST

DATE: July 19, 2021
TO: Angela Calvillo, Clerk of the Board of Supervisors
FROM: Rich Hillis, Planning Director – Planning Department (628) 652-7600
Ryan Balba, Case Planner – Planning Department (628) 652-7331
RE: Board File No. 210801, Planning Case No. 2020-007152CUA
Appeal of Conditional Use Authorization for 123 Market Street
HEARING DATE: July 27, 2021
PROJECT SPONSOR: Edward Brown, PO BOX 31248, Walnut Creek, CA 31248
APPELLANTS: Pastor Roderick Gittens, on behalf of the San Francisco Christian Center

INTRODUCTION

This memorandum and the attached documents are a response to the letters of appeal to the Board of Supervisors (“Board”) regarding the Planning Commission’s (“Commission”) approval of the application for Conditional Use Authorization under Planning Department Case Number 2020-007152CUA (“Application”) pursuant to Planning Code Sections:

- 202.2 (Location and Operating Conditions);
- 303 (Conditional Use Authorization); and
- 720 (Excelsior Outer Mission Neighborhood Commercial District)

This memorandum addresses the appeal to the Board, filed on July 12, 2021, by Pastor Roderick Gittens on behalf of the San Francisco Christian Center.

The decision before the Board is whether to uphold, overturn, or amend the Planning Commission’s approval of an application for Conditional Use Authorization to allow the proposed Project at the subject property.

PROJECT DESCRIPTION

The Project would establish a Cannabis Retail Use measuring 2,055 square feet in a vacant commercial space within a two-story, mixed-use building located at 5801 Mission Street, APN 001/6472 (“Project Site”). The Project does not include a request for authorization of on-site smoking or vaporizing of cannabis products. No changes to the building exterior or envelope are proposed. New business signage will be applied for under a separate permit.

SITE DESCRIPTION & PRESENT USE

The Project Site is located on a corner lot located on the south side of Mission Street, with approximately 100 feet of frontage along Mission Street and 122 feet of frontage along Oliver Street within the Excelsior Outer Mission Street Neighborhood Commercial Zoning District, the Fringe Financial Services Restricted Use District, and a 40-X Height and Bulk District. The site is an approximately 11,602 square foot lot. The Project Site is developed with a two-story building containing five commercial spaces at the ground floor and six residential units above. The commercial space was last occupied by a boutique retail shop.

SURROUNDING PROPERTIES AND NEIGHBORHOOD

The surrounding neighborhood is predominantly comprised of single-family homes; however, there are many fully commercial buildings and mixed-use residential buildings along the Mission Street corridor. The two directly adjacent properties are a residential property and a religious institution.

BACKGROUND

- On October 10, 2020, the Project Sponsor filed the Application with the Department.
- On June 10, 2021, the San Francisco Planning Commission (“Commission”) conducted a duly noticed public hearing and considered the Application. At this hearing, the Commission voted 4-2 (Tanner and Fung against; Chan absent) to approve the Project.

CONDITIONAL USE AUTHORIZATION REQUIREMENTS

Planning Code Section 303 establishes criteria for the Commission to consider when reviewing all applications for Conditional Use approval. To approve the project, the Commission must find that these criteria have been met:

1. That the proposed use or feature, at the size and intensity contemplated and at the proposed location, will provide a development that is necessary or desirable for, and compatible with, the neighborhood or the community; and
2. That such use or feature as proposed will not be detrimental to the health, safety, convenience, or general welfare of persons residing or working in the vicinity, or injurious to property, improvements or potential development in the vicinity, with respect to aspects including but not limited to the following:
 - a. The nature of the proposed site, including its size and shape, and the proposed size, shape and arrangement of structures;
 - b. The accessibility and traffic patterns for persons and vehicles, the type and volume of such traffic, and the adequacy of proposed off-street parking and loading;
 - c. The safeguards afforded to prevent noxious or offensive emissions such as noise, glare, dust and odor;
 - d. Treatment given, as appropriate, to such aspects as landscaping, screening, open spaces, parking and loading areas, service areas, lighting and signs; and
3. That such use or feature as proposed will comply with the applicable provisions of this Code and will not adversely affect the General Plan.
4. That such use or feature as proposed will provide development that is in conformity with the stated purpose of the applicable Use District.

In addition, Planning Code Section 303(w) outlines additional findings for the Commission when reviewing proposals for new Cannabis Retail establishments.

1. The Commission shall consider “the geographic distribution of Cannabis Retail Uses throughout the City, the concentration of Cannabis Retail and Medical Cannabis Dispensary Uses within the general proximity of the proposed Cannabis Retail Use, the balance of other goods and services available within the general proximity of the proposed Cannabis Retail Use, any increase in youth access and exposure to cannabis at nearby facilities that primarily serve youth, and any proposed measures to counterbalance any such increase.”

APPELLANT ISSUES AND PLANNING DEPARTMENT RESPONSES

ISSUE 1: The Appellant expressed concern with the clustering of cannabis storefronts in District 11.

RESPONSE 1: The Planning Commission found that the project is appropriately distanced from other cannabis storefronts and does not contribute to clustering.

In District 11, there are 3 existing Medical Cannabis Dispensaries, each operating with temporary authorization to conduct adult use sales. The closest Medical Cannabis Dispensary to the Project Site is 5260 Mission Street, dba Mission Organic Services, and is approximately 3,143 feet from the Project. Planning Code Section 202.2(a)(5)(B) states that a new Cannabis Retail Use shall not be located within a 600-foot radius of a parcel for which a valid permit from the City’s Office of Cannabis for a Cannabis Retailer or a Medicinal Cannabis Retailer has been issued. The Project meets this requirement. This application is the first Cannabis Retail application that has been approved in District 11 since the legalization of adult use cannabis in late 2017.

ISSUE 2: The proposed project is in an area with a high density of children, including a well-used facility for school-age children located at the San Francisco Christian Center.

RESPONSE 2: The Planning Code establishes a buffer between Cannabis Retail locations and schools. The Planning Code does not preclude Cannabis Retailers to be in an area with a high density of children.

Planning Code Section 202.2(a)(5)(B) states that a new Cannabis Retail Use shall not be located within a 600-foot radius containing an existing public or private School. The Planning Code’s definition of School does not include facilities such as parks, preschools, or after-school programs. By providing a regulated, legal market within the neighborhood, the proposed business would further discourage unregulated sales, making youth access to cannabis products more restricted. Additionally, the Project has been designed to be responsive to this condition by placing a waiting and check in area at the front of the tenant space, ensuring that cannabis products are never visible from the exterior of the store. The Planning Commission found that the Project will not increase youth access and exposure to cannabis.

ISSUE 3: There was a lack of appropriate outreach to monolingual residents.

RESPONSE 3: The Project Sponsor conducted outreach and noticing as required by the Planning Code and the Office of Cannabis Good Neighbor Policy.

On November 13, 2020, the Project Sponsor held a Pre-Application Meeting and invited all Neighborhood Organizations listed in the Crocker-Amazon and Outer Mission as of August 29, 2020. All immediately adjacent neighbors were also notified by postal mail. On February 12, 2021, the Project Sponsor held an Office of Cannabis Virtual Good Neighbor Meeting. All residents within 300 feet of the proposed site, as well as all neighborhood groups within the Crocker-Amazon Neighborhood were notified by postal mail. The notice was provided in English, Spanish, traditional Chinese, and Filipino. An additional Good Neighbor Policy meeting, with the same groups notified, occurred on April 21, 2021. Finally, the June 10 Planning Commission hearing for the Project was properly noticed per the City's language access rules, including mailed, posted, and newspaper advertisements.

SUMMARY RESPONSE

The Appellant brings up the issue of cannabis storefront clustering in District 11. The Planning Commission found that the Project meets the necessary buffering provisions from other cannabis uses. The Commission also found that the Project contributes to a more balanced geographic distribution of Cannabis Retailers in the City. The Appellant additionally brings up the issue of the Project's proximity to youth. The Planning Commission found that the site is not within 600 feet of a School, as defined by the Planning Code. Further, the high regulation of cannabis facilities assuages the concerns of youth access. The final issue from the Appellant deals with the lack of appropriate outreach to monolingual residents. The Project Sponsor conducted all noticing and outreach as required by the Planning Code and the Office of Cannabis Good Neighbor Policy, including mailing of notices for outreach meetings in English, Spanish, traditional Chinese, and Filipino.

CONCLUSION

For the reasons stated in this document, in the attached Motion, and in the Planning Department case file, the Planning Department recommends that the Board uphold the Planning Commission's decision in approving the Conditional Use Authorization for the Project.
