16 Section 1. Findings.

17 (a) The Planning Department has determined that the actions contemplated in this  
18 Ordinance comply with the California Environmental Quality Act (Public Resources Code  
19 Section 21000 et seq.). A copy of said determination is on file with the Clerk of the Board of  
20 Supervisors in File No. 110328 and is incorporated herein by reference.

21 (b) In accordance with the actions contemplated herein, this Board adopted  
22 Resolution No. \_\_\_\_\_ concerning findings pursuant to the California  
23 Environmental Quality Act. A copy of said Resolution is on file with the Clerk of the Board of  
24 Supervisors in File No. 110328 and is incorporated herein by reference.

25

1 (c) Pursuant to Section 302 of the Planning Code, the Board finds that this  
2 ordinance will serve the public necessity, convenience, and welfare for the reasons set forth in  
3 Planning Commission Resolution No. 18329 and the Board incorporates those reasons  
4 herein by reference. A copy of Planning Commission Resolution No. 18329 is on file with the  
5 Clerk of the Board of Supervisors in File No. 110229 and is incorporated herein by reference.

6 (d) The Board of Supervisors finds that this Ordinance is in conformity with the  
7 Priority Policies of Section 101.1 of the Planning Code and, on balance, consistent with the  
8 General Plan as it is proposed for amendment, and hereby adopts the findings set forth in  
9 Planning Commission Motion No. 18328 and Resolution No. 18329 and incorporates such  
10 findings by reference as if fully set forth herein.

11

Section 4. The San Francisco Planning Code is hereby amended by amending Section 105 as follows:

**SEC. 105. ZONING MAP.**

The designations, locations and boundaries of the districts established by this Code shall be shown upon the "Zoning Map of the City and County of San Francisco," which shall consist of a series of numbered sectional maps. Wherever any uncertainty exists as to the boundary of any district as shown on said sectional maps, the following rules shall apply:

(a) Where boundary lines are indicated as following streets and alleys within the right-of-way, they shall be construed as following the centerlines of such streets and alleys;

(b) Where boundary lines are indicated as approximately following lot lines, such lot lines shall be construed to be such boundaries;

(c) Where a boundary line divides a lot or crosses unsubdivided property; the location of such boundary shall be as indicated upon the Zoning Map using the scale appearing on such map;

(d) Where further uncertainty exists, the City Planning Commission upon written application, or on its own motion, shall by resolution determine the location of a disputed

1 boundary giving due consideration to the apparent indicated location thereof and the scale of  
2 the Zoning Map and the express purposes of this Code;

3 (e) Wherever any property is not under these rules specifically included in any use  
4 district shown on the Zoning Map, such property is hereby declared to be in an RH-1(D)  
5 District, except that all property owned on the effective date of this amendment by the United  
6 States of America, State of California, City and County of San Francisco, or other  
7 governmental agency and within the City and County of San Francisco but not within the area  
8 covered by Sectional Maps Nos. 1 through ~~13~~ 14 of the Zoning Map is hereby declared to be  
9 in a P (Public Use) District unless reclassified in accordance with the provisions of this Code;

10 (f) Wherever any property is not under these rules specifically included in any height  
11 and bulk district shown on the Zoning Map, such property is hereby declared to be in a 40-X  
12 height and bulk district, except that all property owned on the effective date of this amendment  
13 by the United States of America, State of California, City and County of San Francisco, or  
14 other governmental agency and within the City and County of San Francisco but not within the  
15 area cover by Sectional Maps Nos. 1H through ~~13H~~ 14H of the Zoning Map is hereby declared  
16 to be an OS (Open Space) District unless reclassified in accordance with the provisions of this  
17 Code ~~with the exception of Yerba Buena Island and Treasure Island which are hereby declared to be~~  
18 ~~in a 40-X height and bulk district.~~

19  
20 Section 5. The San Francisco Planning Code is hereby amended by adding Section  
21 249.52, to read as follows:

22 **SEC. 249.52. TREASURE ISLAND/YERBA BUENA ISLAND SPECIAL USE DISTRICT.**

23 (a) Purpose and Boundaries. In order to give effect to the Treasure Island / Yerba Buena Island  
24 Project as approved by the Board of Supervisors (File Nos. 110226 and 110291), there shall be a  
25 Treasure Island / Yerba Buena Island Special Use District as designated on Sectional Map SU14 of the

1 Zoning Maps of the City and County of San Francisco. The boundaries of the Treasure Island / Yerba  
2 Buena Island Special Use District include all areas of Treasure Island and Yerba Buena Island as  
3 shown on Zoning Map ZN14. Any property within the Special Use District owned by the United States  
4 Department of Labor, United States Coast Guard, Federal Highway Administration or California  
5 Department of Transportation is hereby declared to be in a P (Public Use) District unless reclassified  
6 in accordance with the provisions of this Code. The purpose of this Special Use District is to facilitate  
7 the City's long-term goal of implementing the creation of a new City neighborhood on Treasure Island  
8 and Yerba Buena Island, which will provide benefits to the City such as significant amounts of new  
9 affordable housing, increased public access and open space, transportation improvements, extensive  
10 infrastructure improvements, and recreational and entertainment opportunities, while creating jobs  
11 and a vibrant, sustainable community. This Special Use District shall supersede, in its entirety, all  
12 other provisions of this Planning Code that would otherwise be applicable to Treasure Island and  
13 Yerba Buena Island except with respect to (1) Planning Code sections adopted by ballot proposition  
14 prior the effective date of the Ordinance adopting this Special Use District, which consist of the  
15 sections of the Planning Code adopted or amended by Proposition M (1986) (Sections 101.1 (Master  
16 Plan Consistency and Implementation) Section 164, and Sections 320-325, 295); Proposition K  
17 (1984) (Shadow Ban) (Section 295); Proposition G (2002) (General Advertising Signs Prohibited)  
18 (Sections 602.7 and 611); and Proposition G (2006) (Limitation on Formula Retail in NC Districts)  
19 (Section 703.4); (2) any Planning Code sections adopted or amended in connection with this Special  
20 Use District, including Sections 102.5 (District); 105 (Zoning Map); 201 (Use Districts); 263.26  
21 (Treasure Island/Yerba Buena Island Height And Bulk District) and 249.52 (Treasure Island / Yerba  
22 Buena Island Special Use District), and (3) any other section of the Planning Code referenced herein  
23 (but only to the extent and for the purposes stated herein).

1           (b) Jurisdiction. Within this Special Use District, property subject to the public trust for  
2 commerce, navigation and fisheries and governed by the Treasure Island Conversion Act of 1997 (the  
3 “Tidelands Trust”) is designated on Figures 1 and 2 as the Tidelands Trust Overlay Zone. The  
4 Treasure Island Development Authority (“TIDA”), as public trust grantee under the Treasure Island  
5 Conversion Act of 1997 (“Conversion Act”), has jurisdiction over any Vertical Development or uses in  
6 the Tidelands Trust Overlay Zone and any other tidelands or submerged lands within its jurisdiction  
7 pursuant to its authority under the Conversion Act, as well as Horizontal Development. The Planning  
8 Commission has jurisdiction over any Vertical Development or use of property that is not subject to  
9 Tidelands Trust, designated on Figure 1 as outside the Tidelands Trust Overlay Zone, and reserves  
10 review and approval rights over certain Vertical Development of property subject to the Tidelands  
11 Trust as more specifically set forth in this Special Use District.

12           (c) Tidelands Trust Overlay Zone. The Tidelands Trust Overlay Zone shown on Figures 1 and 2  
13 illustrates the areas of the Islands subject to the Tidelands Trust after completion of all of the Tidelands  
14 Trust exchanges contemplated under the Treasure Island Public Trust Exchange Act (SB 543, as  
15 amended by SB 815 and SB 833, the “Exchange Act”), which is State legislation authorizing an  
16 exchange of Public Trust lands between Treasure Island and Yerba Buena Island, consistent with the  
17 proposed development program. To the extent that property not included in the Tidelands Trust  
18 Overlay Zone would be subject to the Tidelands Trust prior to the applicable exchange implemented  
19 under the Exchange Act, the restrictions of the Tidelands Trust Overlay Zone apply until the exchange  
20 is effected. To the extent property shown in the Tidelands Trust Overlay Zone would not be subject to  
21 the Tidelands Trust prior to the applicable exchange, the restrictions of the Tidelands Trust Overlay  
22 Zone do not apply until the exchange is effected.

23           (d) Relationship to Design for Development. The Treasure Island + Yerba Buena Island Design  
24 for Development (“Design for Development”), adopted by the Planning Commission  
25 (~~Resolution~~Motion No. 18330) and approved by the Board of Supervisors as part of this Special

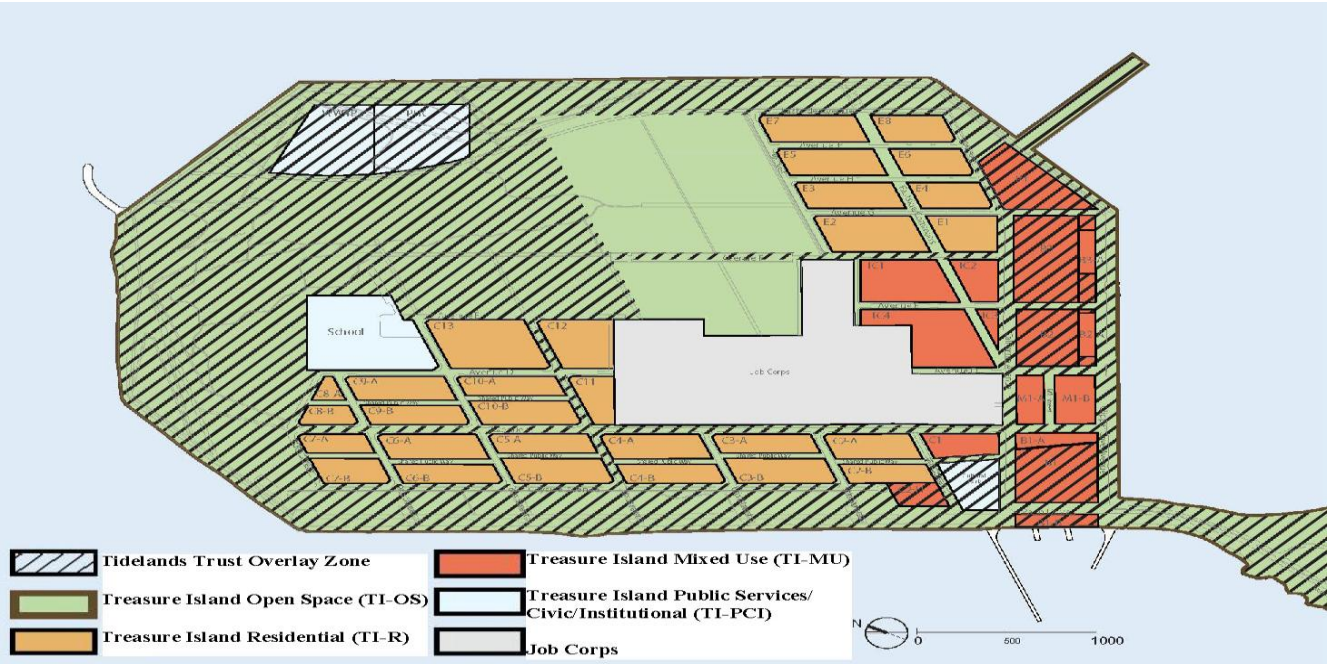

1 Use District ~~an attachment to the Development Agreement by and between the City and~~  
2 ~~County of San Francisco and Treasure Island Community Development, LLC relative to the~~  
3 ~~development of Naval Station Treasure Island (File No. \_\_\_\_)~~ (the “Development Agreement”),  
4 ~~and as may be amended from time to time as provided herein, sets forth development and use Standards~~  
5 ~~and Guidelines applicable within this Special Use District,~~ and, Said Design for Development is  
6 hereby incorporated by reference. Any term used in this Special Use District and not otherwise defined  
7 shall have the meaning ascribed to it in the Design for Development. The Planning Commission may  
8 initiate and adopt amendments to the Design for Development, or may approve amendments to the  
9 Design for Development upon application by TIDA or an owner or lessee of property (or his or her  
10 authorized agent) within this Special Use District, provided, however, that prior to taking any action to  
11 amend the Design for Development, the Planning Commission shall refer the matter to the TIDA Board  
12 for review and the TIDA Board shall have 30 days to submit its recommendation to the Planning  
13 Commission. The Planning Commission shall approve, conditionally approve or disapprove the  
14 proposed amendment within 30 days of receipt of the TIDA Board’s recommendation or, if the TIDA  
15 Board fails to submit a recommendation, within 30 days of the expiration of the TIDA Board’s 30 day  
16 review period. The Planning Commission may not approve an amendment to the Design for  
17 Development if it finds that the amendment is inconsistent with this Special Use District, the General  
18 Plan, and the approved Development Agreement by and between the City and County of San  
19 Francisco and Treasure Island Community Development, LLC relative to the development of  
20 Naval Station Treasure Island (File No. 110226) (the “Development Agreement”).

21 (e) Development Controls. Development and uses of property within this Special Use District  
22 shall be regulated by the controls contained herein and in the Design for Development, provided,  
23 however, that if there is any inconsistency between this Special Use District and the Design for  
24 Development, this Special Use District shall control.

1            (1) Zoning Designation. The applicable zoning designations shall be as set forth on Figure 1,  
 2 consisting of the following zoning districts: Treasure Island Residential (TI-R), Treasure Island Mixed  
 3 Use (TI-MU), Treasure Island Open Space (TI-OS), and Treasure Island Public/Civic/Institutional (TI-  
 4 PCI). The applicable zoning designation shall be as set forth on Figure 2, consisting of the following  
 5 zoning districts: Yerba Buena Island Residential (YBI-R), Yerba Buena Island Mixed Use (YBI-MU),  
 6 Yerba Buena Island Open Space (YBI-OS), and Yerba Buena Island Public Services/Civic/Institutional  
 7 (YBI-PCI), each as defined in the Design for Development. In addition, portions of this Special Use  
 8 District shall be subject to a Tidelands Trust Overlay Zone as set forth on Figures 1 and 2 and further  
 9 defined in the Design for Development.

18 (3) Temporary Uses. A temporary use may be authorized by the Executive Director of TIDA

19 ("Executive Director") (for uses located within the Tidelands Trust Overlay Zone) or the Planning

20 Director (for uses located outside the Tidelands Trust Overlay Zone) without a public hearing for a

21 period not to exceed 90 days for any of the following uses: booths for charitable, patriotic, or welfare

22 purposes; exhibitions, festivals, circuses, concerts or neighborhood carnivals; open-air sales of

23 agriculturally produced seasonal decorations such as Christmas trees and Halloween pumpkins;

24 meeting rooms and event staging; and automobile and truck parking and loading associated with an

25 authorized temporary use. An authorization granted pursuant to this section shall not exempt the

1 applicant from obtaining any other permit required by law. Additional time for such uses may be  
2 authorized only by action upon a new application.

3 (4) Interim Uses. An interim use listed in this section may be authorized by the Executive  
4 Director (for uses located within the Tidelands Trust Overlay Zone) or Planning Director (for uses  
5 located outside the Tidelands Trust Overlay Zone) without a public hearing for a period not to exceed 5  
6 years if the applicable Director finds that such use will not impede orderly development within this  
7 Special Use District consistent with the Design for Development and Development Agreement;  
8 provided, however, that any interim use listed in this section that is integral to development  
9 contemplated by the Development Agreement or any other disposition and development agreement with  
10 TIDA, as determined by the applicable Director, shall be permitted without requiring such  
11 authorization. Interim uses within the Tidelands Trust Overlay Zone are subject to review by the  
12 Executive Director for compliance with the Tidelands Trust and TIDA policies. Such interim uses  
13 include: rental or sales offices incidental to new development; structures and uses incidental to  
14 environmental clean-up, demolition and construction pursuant to an approved Major Phase of  
15 Development; storage; automobile and truck parking and loading related to the construction activities  
16 related to Horizontal Development and Vertical Development. An authorization granted pursuant to  
17 this section shall not exempt the applicant from obtaining any other permit required by law. Additional  
18 time for such uses may be authorized only by action upon a new application.

19 (5) Non-Conforming Uses. TIDA shall provide for the reasonable continuance, modification  
20 and/or termination of uses and structures existing as of the date of adoption of the Special Use District  
21 and Design for Development that do not comply with the Special Use District or the Design for  
22 Development, provided that such use or structure is generally compatible with the development and  
23 uses authorized under the Special Use District and Design for Development. The Executive Director  
24 (for property located within the Tidelands Trust Overlay Zone), or the Planning Director (for property  
25 not located within the Tidelands Trust Overlay Zone) may authorize additions, alterations,

1 reconstruction, rehabilitation, reuse of vacant buildings or changes in use of land or buildings for uses  
2 that do not conform to the Special Use District, subject to a determination that such authorization  
3 would not impede the orderly development of the area subject to this Special Use District.

4 (6) Building Standards.

5 (A) Building Height. The applicable height limits for this Special Use District shall be as set  
6 forth on Sectional Map HT14 of the Zoning Maps of the City and County of San Francisco. As more  
7 particularly described on Section Map HT14, underlying height zones range from 25 feet to 125 feet on  
8 Treasure Island and 35 feet to 75 feet on Yerba Buena Island. "Flex Height Zones" have been  
9 established on Treasure Island to allow for the flexibility in locating tall buildings within the overall  
10 built form of the island, and range from 240 feet to 450 feet. The Flex Height Zones allow for a variety  
11 of building types to be built up to the indicated maximum height for their zone as long as they conform  
12 to the relevant applicable Standards for Bulk, Massing and Tower Separation as described herein, and  
13 Figure 6, Bulk and Massing Controls Matrix. The location of tall buildings in relation to each other  
14 and to the lower buildings is controlled by the building separation requirements set forth in subsection  
15 (d)(5)(B), Tower Separation, below. Height shall be measured and regulated as provided in the Design  
16 for Development and not as provided in Article 2.5.

17 (B) Tower Separation.

18 (i) Portions of buildings taller than 125 feet located within a Flex Height Zone that are taller  
19 than the underlying height zone shall maintain a minimum distance of 115 feet clear from any portion  
20 of another building taller than its underlying height zone. This distance is to be measured by a 115 feet  
21 circular offset from the inscribed building perimeter at its outermost points on all levels above the  
22 underlying height zone, as shown on Figure 4. The requirements of this subsection shall not apply to  
23 buildings located on blocks C1, C2-B, C2-H and M1, as identified on Figure 1.

1  
2 Figure 4: Tower Separation

13 Figure T4.w: Eastside building separation example  
14 (minimum of 115 feet)

15 (ii) Buildings located within a Flex Height Zone that are located on blocks IC1, IC2, IC3 and  
16 IC4 and E1, E2, E3, E4, E5, E6, E7 and E8, as identified on Figure 1, shall maintain a clear corridor  
17 extending a minimum distance of 500 feet perpendicularly to any other building taller than 85 feet, as  
18 shown on Figure 5. The corridors shall be aligned orthogonally, perpendicularly and parallel to the  
19 north-south avenues, and extend from the buildings' furthestmost points regardless of orientation. The  
20 requirements of this subsection shall not apply to buildings located on blocks B1, B2, B3 and M1, as  
21 identified on Figure 1.

1 Figure 5: Corridors

12 Figure T4.x: Eastside clear corridor example  
13 (minimum of 500 feet)

14  
15 (C) Building Bulk. With respect to development on Treasure Island, the applicable bulk  
16 limitations shall be as set forth on Figure 6. With respect to development on Yerba Buena Island, the  
17 following requirements shall apply: (i) buildings extending more than 35 feet above grade shall,  
18 above the third floor, step back a minimum distance of 10 feet horizontal for every 10 feet vertical;  
19 (ii) buildings fronting on the downhill edge of a street or Drive Court where buildings on the uphill  
20 side are allowed shall have a maximum height of 25 feet, however for no more than 50% of the width  
21 of a residential townhouse unit or lot, but in no instance more than 18 feet increments, the maximum  
22 height may be increased to 35 feet; (iii) the height extension referenced in (ii) may not be joined to a  
23 similar extension or an adjoining unit or lot and must be configured in a manner that allows potential  
24 views from an adjacent uphill unit or lot both over and through the subject unit or lot; (iv) buildings  
25 shall be no longer than 150 feet in length, and the maximum plan dimension of a building or structure

1 shall be the greatest plan dimension parallel to the long axis of the building at a given level; (v) the  
 2 maximum apparent face or elevation length shall be 75 feet; (vi) Mid-rise Buildings on block 4Y (as  
 3 identified on Figure 1) shall be subject to additional bulk and massing requirements set forth in  
 4 Section Y4.5.5 of the Design for Development; and (vii) on blocks 1Y, 2Y, 3Y and 4Y, a minimum of 1  
 5 cross stairway running perpendicular to the topographical contours of the land and no closer than  
 6 150 feet from either end of the parcel (measured parallel to the topographical contours) shall be  
 7 required and integrated into the Island-wide pedestrian trail system.

17 (7) Off-Street Automobile Parking. Off-street parking shall not be required for any use, and  
18 may be provided in quantities up to the maximum number of spaces specified in Figures 9 and 10.  
19 Compliance with the off-street parking standards specified in Figures 9 and 10 shall be determined in  
20 accordance with subsection (g)(4)(D)(iv) below, and further provided that no application for Vertical  
21 Development that includes off-street automobile parking shall be accepted as complete unless TIDA  
22 has authorized submittal of the application and certified that the proposed amount of parking complies  
23 with the Island-wide parking maximums.

14 (f) Review and Approval of Horizontal Development. TIDA shall have primary jurisdiction  
 15 over Horizontal Development in this Special Use District, subject to all applicable permit requirements  
 16 of other City agencies. Horizontal Development shall be subject to and regulated by the Design Review  
 17 and Document Approval Procedure attached as an exhibit to the ~~Design for~~  
 18 ~~Development~~Disposition and Development Agreement, as such procedures may be amended from  
 19 time to time.

20 (g) Review and Approval of Vertical Development.

21 (1) Purpose. The Vertical Development design review process for Treasure Island and Yerba  
 22 Buena Island is intended to ensure that new private buildings within Treasure Island and Yerba Buena  
 23 Island are designed to complement the aesthetic of the development, exhibit high quality architectural  
 24 design and promote the purpose of this Special Use District.

25

1           (2) Applicability. Vertical Development within the Tidelands Trust Overlay Zone, or on other  
2 tidelands and submerged lands within its jurisdiction pursuant to its authority under the Conversion  
3 Act, is within TIDA jurisdiction and shall be subject to the procedures set forth in subsection (g)(5).  
4 Vertical Development outside of the Tidelands Trust Overlay Zone is within Planning Department  
5 jurisdiction and shall be subject to the procedures set forth in subsection (g)(4).

6           (3) Applications.

7           (A) Required Applications. The construction, expansion or major alterations or additions to  
8 Vertical Development within this Special Use District shall require approval of Schematic Design  
9 Documents and building permits. If the proposed project is located within the Tidelands Trust Overlay  
10 Zone, the application shall be submitted to and reviewed by TIDA. If the proposed project is located  
11 outside the Tidelands Trust Overlay Zone, the application shall be submitted to and reviewed by the  
12 Planning Department. For purposes of this section, "Schematic Design Documents" shall mean  
13 documents containing a schematic design level of detail for a specific Vertical Development  
14 improvement. Each such application for approval may be filed by the owner, lessee or authorized  
15 agent of the owner or lessee of the property for which the Vertical Development approval is sought.

16           (B) Contents. Each application shall contain the documents and materials ~~described in~~  
17 Appendix A2 to necessary to determine consistency with this Special Use District and the  
18 Design for Development. If a Major Modification (as defined in subsection (g)(4)(D) below) is sought  
19 in accordance with the allowances of this Section, the application also shall contain a written  
20 description for each modification sought that describes how the proposed project meets the full intent  
21 of this Special Use District and the Design for Development.

22           (C) Completeness. TIDA or Planning Department staff, as applicable, shall review the  
23 application for completeness and advise the applicant in writing of any deficiencies within 30 days  
24 after receipt of the application or, if applicable, within 15 days after receipt of any supplemental  
25

1 information requested pursuant to this Section. If staff does not so advise the applicant, the application  
2 shall be deemed complete.

3 (D) Pre-Submission Conference. Not less than 30 days prior to submitting a Schematic Design  
4 Document application, the applicant shall submit to TIDA and ~~may submit to~~ the Planning  
5 Department, preliminary maps, plans and design sketches for the proposed Vertical Development and a  
6 statement describing compliance with the applicable land use restrictions and limitations set forth in  
7 the applicable Vertical Disposition and Development Agreement. Within 20 days, staff shall review  
8 submitted materials and advise the applicant whether the materials would be considered a complete  
9 application. TIDA's review of the pre-submittal materials shall also include a review for compliance  
10 with the applicable Vertical Disposition and Development Agreement as required for TIDA's submittal  
11 of its letter of authorization required as part of the application submittal materials. If requested by the  
12 applicant and not less than 15 days prior to submitting a Schematic Design Document application, the  
13 applicant and TIDA or Planning Department staff, as applicable, shall hold at least one pre-submission  
14 meeting regarding the project at a mutually agreeable time.

15 (4) Schematic Design Document Applications under Planning Commission Jurisdiction.

16 (A) Staff Review. Each application for Schematic Design Document approval under Planning  
17 Commission jurisdiction shall be subject to an administrative review process by the Planning  
18 Department. Prior to consideration for project approval, and not more than 60 days (for applications  
19 pertaining to structures 70 feet or fewer in height) or 80 days (for applications pertaining to structures  
20 over 70 feet in height) after such application is complete or deemed complete, staff shall review the  
21 application to determine whether it complies with this Special Use District and the Design for  
22 Development. Staff shall issue a staff report to the Planning Director or Planning Commission, as  
23 appropriate, including a recommendation regarding any modifications sought. Such staff report shall  
24 be delivered to the applicant not less than 10 days prior to Planning Director or Planning Commission  
25 action on the application, and shall be kept on file for public review.

1           (B) TIDA Consultation. Upon receipt of a complete application, a copy of such application  
2 shall be submitted to TIDA. Should TIDA wish to provide further comments beyond those provided at  
3 the pre-submittal stage, it shall submit its comments to the Planning Department no later than 30 days  
4 following receipt of the application. Planning Department staff shall consider TIDA comments in  
5 drafting its staff report.

6           (C) Planning Director Approval. Except for projects seeking one or more Major  
7 Modifications, the Planning Director shall approve, conditionally approve or disapprove a project's  
8 Schematic Design Documents, including any Minor Modifications sought, without a hearing based on  
9 its compliance with this Special Use District and the Standards set forth in the Design for Development.  
10 If the project is consistent with the quantitative Standards set forth in this Special Use District and the  
11 Design for Development, the Planning Director's discretion to approve, conditionally approve, or  
12 disapprove the project shall be limited to the project's consistency with the qualitative Standards and  
13 Guidelines of the Design for Development and the General Plan. The Planning Director may not  
14 impose any condition of approval that conflicts with the Development Requirements (as such term is  
15 defined in the Development Agreement). Upon approval, the Planning Director shall assign to each  
16 approved assessor's block and/or lot the applicable zoning designation and height and bulk  
17 classification. The Planning Director shall, promptly, mail notice of his or her determination to the  
18 applicant, TIDA, and owners of real property within 300 feet of all exterior boundaries of the project  
19 area, using for this purpose the names and addresses as shown on the citywide assessment roll in the  
20 Office of the Tax Collector, and any other person who has requested notice.

21           (D) Modifications to Standards. Modification of the Standards set forth in this Special Use  
22 District and contained in the Design for Development may be approved on a project-by-project basis as  
23 follows:

24           (i) No Modifications. No modifications or variances are permitted for the following Standards  
25 in this Special Use District: district-wide maximum off-street auto parking ratios, and height limits.

1            (ii) Major Modifications. A Major Modification shall be (i) any deviation of more than 10  
2 percent from any quantitative Standard in this Special Use District or the Design for Development or  
3 (ii) any modification of the maximum building floor plates. A Major Modification may be approved  
4 only by the Planning Commission at a public hearing, and the Planning Commission’s review at such  
5 hearing shall be limited to the Major Modification. Notwithstanding any other provisions of this  
6 Section, the Planning Director may refer a proposed modification, even if not otherwise classified as a  
7 Major Modification, to the Planning Commission as a Major Modification if the Planning Director  
8 determines that the proposed modification does not meet the intent of the Standards set forth in the  
9 Design for Development. The Planning Commission may not impose conditions of approval that  
10 conflict with the Development Requirements (as such term is defined in the Development Agreement).

11            (iii) Minor Modifications. Any modification to the building standards of this Special Use  
12 District and contained in the Design for Development not considered a Major Modification pursuant to  
13 subsection (ii) above shall be deemed to be a Minor Modification. Except as permitted in accordance  
14 subsection (ii) above, a Minor Modification is not subject to review by the Planning Commission.

15            (iv) Off-Street Parking. A project that exceeds applicable parking ratios on a project-level  
16 basis shall not be considered a Major Modification, Minor Modification or otherwise inconsistent with  
17 the Special Use District or the Design for Development, subject to the further limitations of this Section  
18 (iv). Except as further provided herein, no new off-street parking may be approved by Planning or  
19 TIDA at the following increments of development that would cause the aggregate parking ratio in the  
20 Special Use District to cumulatively exceed the applicable ratios, including both built and entitled but-  
21 not-yet-built Vertical Development: every 2,000 net new housing units and every 100,000 gross square  
22 feet of non-residential uses in new or rehabilitated buildings (each residential and non-residential  
23 threshold, a “Development Increment”). Notwithstanding the foregoing, for the first two Development  
24 Increments, a deviation of up to 10% shall be permitted and not be considered a Major Modification,  
25 Minor Modification or otherwise inconsistent with the Special Use District or the Design for

1 Development. No exceedance of the parking ratios applicable to any Development Increment after the  
2 first two residential and non-residential Development Increments shall be permitted. The Development  
3 Increments shall commence as of the effective date of this ordinance and shall not include interim or  
4 temporary uses as defined in this Special Use District.

5 (E) Public Hearing for Large Projects. Prior to decision by the Planning Director pursuant to  
6 subsection (g)(4)(C) above, each project subject to the below criteria shall be presented at a regularly  
7 scheduled hearing of the Planning Commission. Such hearing shall be calendared within 30 days after  
8 the application is complete or deemed complete. If a public hearing is required under subsection  
9 (g)(4)(D) and this subsection, the Planning Commission shall hear jointly calendar both items,  
10 to take action on the Major Modification and to provide comment only on the project design.  
11 The Planning Director shall consider all comments from the public and the Planning Commission in  
12 making his or her decision to approve, conditionally approve, or disapprove the project design.

13 Criteria necessitating public hearing are as follows:

14 (i) The project includes the construction of a new building greater than 70 feet in height, or  
15 includes a vertical addition to an existing building resulting in a total building height greater than 70  
16 feet; or

17 (ii) The project involves a net addition or new construction of more than 25,000 gross square  
18 feet of commercial space.

19 ~~If a public hearing is required under subsection (g)(4)(D) and this subsection, the~~  
20 ~~Planning Commission shall hear jointly calendar both items, to take action on the Major~~  
21 ~~Modification and to provide comment only on the project design.~~

22 (F) Notice of Hearings. Notice of hearings required by subsections (D) and (E) shall be  
23 provided as follows: (i) by mail not less than 10 days prior to the date of the hearing to the project  
24 applicant, owners of real property within 300 feet of all exterior boundaries of the project that is the  
25 subject of the application, using for this purpose the names and addresses as shown on the citywide

1 assessment roll in the Office of the Tax Collector, and any person who has requested such notice; and  
2 (ii) by posting on the subject property at least 10 days prior to the date of the hearing.

3 (5) Schematic Design Document Applications under TIDA Jurisdiction.

4 (A) TIDA Design Review. Each application for Schematic Design Document approval under  
5 TIDA jurisdiction shall be subject to an administrative review process by TIDA staff. Not more than 60  
6 days (for applications pertaining to structures 70 feet or fewer in height) or 80 days (for applications  
7 pertaining to structures over 70 feet in height) after such application is complete or deemed complete,  
8 staff shall review the application to determine that it complies with this Special Use District and the  
9 Design for Development and shall issue a staff report to the TIDA Board, including a recommendation  
10 for any modifications sought. If the application would be subject to Planning Commission action as a  
11 Major Modification under subsection (g)(4)(D) or Planning Commission review as a large project  
12 under subsection (g)(4)(E) if the project were located outside the Tidelands Trust Overlay, the TIDA  
13 staff report shall also be delivered to the Planning Commission.

14 (B) Planning Election. For any application for which the Planning Commission receives the  
15 TIDA staff report pursuant to subsection (g)(5)(A), within 30 days of receipt of the report, the Planning  
16 Commission may, by majority vote, elect to hold a hearing on a Schematic Design Documents  
17 application, which hearing shall be held within 30 days of such election. The Planning Commission's  
18 review shall be limited to the consistency of the building design with this Special Use District and the  
19 Design for Development, and on that basis alone, the Planning Commission shall submit its  
20 recommendation to the TIDA Board.

21 (C) Review by TIDA Board. The TIDA Board shall calendar the application as follows: (i) for  
22 any application for which the Planning Commission does not receive the TIDA staff report pursuant to  
23 subsection (g)(5)(A), the TIDA Board shall calendar the application for its next regularly scheduled  
24 hearing after receipt of the staff report for which an agenda has not been finalized; (ii) for any  
25 application for which the Planning Commission receives the TIDA staff report pursuant to subsection

1 (g)(5)(A), if upon the expiration of the Planning Commission's 30 day election period, the Planning  
2 Commission has not elected to hold a hearing on the Schematic Design Documents application, the  
3 TIDA Board shall calendar the application for its next regularly scheduled meeting for which an  
4 agenda has not been finalized; or (iii) if, prior to the expiration of the Planning Commission's 30 day  
5 election period, the Planning Commission has elected to hold a hearing on the Schematic Design  
6 Documents application, the TIDA Board shall calendar the application for its next regularly scheduled  
7 meeting for which an agenda has not been finalized after the date that the Planning Commission takes  
8 action on the application at its public hearing. If the project is consistent with the quantitative  
9 Standards set forth in this Special Use District and the Design for Development, the TIDA Board's  
10 discretion to approve, conditionally approve or disapprove the project shall be limited to the project's  
11 consistency with the qualitative Standards and Guidelines set forth in the Design for Development. The  
12 TIDA Board may not impose any condition of approval that conflicts with the Development  
13 Requirements (as such term is defined in the Development Agreement). If the TIDA Board objects to or  
14 seeks to substantially modify design recommendations that have been approved by the Planning  
15 Commission as set forth in Section (g)(5)(B), TIDA shall provide notice of such decision to the  
16 Planning Commission, and TIDA shall have the right to appeal the design recommendations to the  
17 Board of Supervisors pursuant to the procedures for appeal set forth in subsection (i) below.

18 (D) Review of Historic Resources. Any review under this section of Schematic Design  
19 Documents for a historic resource identified in the Design for Development shall be subject to the  
20 additional review requirements set forth therein.

21 (6) Building Permit Approval. Each building permit application submitted to the Department of  
22 Building Inspection shall be forwarded to the Planning Department if the application pertains to  
23 property located outside of the Tidelands Trust Overlay Zone or TIDA if the application pertains to  
24 property located within the Tidelands Trust Overlay Zone. Staff of the applicable agency shall review  
25 the building permit application for consistency with the authorizations granted pursuant to this Section.

1 No building permit may be issued for work within this Special Use District unless Planning Department  
2 or TIDA staff, as applicable, determines such permit is consistent with the approved Schematic Design  
3 Documents and the Standards set forth in the Design for Development.

4 (7) Discretionary Review. No requests for discretionary review shall be accepted by the  
5 Planning Department or TIDA or heard by the Planning Commission or TIDA Board for projects  
6 subject to this Section.

7 (h) Island Conditional Use Permits. For Island Conditional Uses within the Tidelands Trust  
8 Overlay Zone, upon written request by the property owner or lessee (or his or her designated agent),  
9 the Executive Director may approve an Island Conditional Use permit without a hearing if he or she  
10 finds that, at the size and intensity contemplated: (i) the proposed use will make a positive contribution  
11 to the character of the Special Use District; (ii) the proposed use is compatible with the neighborhood  
12 or community; and (iii) the proposed use is compliant with the Tidelands Trust as more particularly  
13 described in Section T3.4.2 of the Design for Development; provided, however, that the Executive  
14 Director, in his or her discretion, may refer the matter to the TIDA Board for decision at a public  
15 hearing. TIDA may adopt procedures for reviewing and acting on Island Conditional Use permits.  
16 Island Conditional Uses outside the Tidelands Trust Overlay Zone shall be subject to review and  
17 approval by the Planning Commission in the same manner as set forth in Section 303 et seq. for  
18 conditional uses, except that the Planning Commission shall not use the criteria set forth in Section  
19 303 and instead shall approve or conditionally approve the Island Conditional Use if it finds that, at  
20 the size and intensity contemplated: (i) the proposed use will make a positive contribution to the  
21 character of the Special Use District; and (ii) the proposed use is compatible with the neighborhood or  
22 community.

23 (i) Appeal and Decision on Appeal.

24 (A) Planning. A decision of the Planning Director or the Planning Commission under this  
25 Special Use District, other than a decision with respect to an Island Conditional Use, may be appealed

1 to the Board of Appeals within 10 days after the date of the decision by filing a written notice of appeal  
2 with that body. Such notice must set forth how the Planning Director or the Planning Commission, as  
3 applicable, erred in granting, conditioning, or denying an application under this Section. Upon the  
4 hearing of an appeal, the Board of Appeals may, subject to the same limitations as are placed on the  
5 Planning Commission or Planning Director by Charter or by this Special Use District, approve,  
6 disapprove or modify the appealed decision. If the determination of the Board of Appeals differs from  
7 that of the Planning Director or Planning Commission, the Board of Appeals shall state its reasons in  
8 writing. A decision of the Planning Commission with respect to an Island Conditional Use may be  
9 appealed to the Board of Supervisors in the same manner as set forth in Section 308.1, except that, in  
10 addition to the parties identified in Section 308.1(b), the decision also may be appealed  
11 independently by the applicant or TIDA without complying with the property owner subscription  
12 requirements of Section 308.1.

13 (B) TIDA. If the TIDA Board objects to or seeks to substantially modify a design  
14 recommendation or determination taken by the Planning Commission under subsection (g)(5)(B)  
15 above, it shall take action to file an appeal of the Planning Commission recommendation or  
16 determination to the Board of Supervisors, which shall be evidenced by filing a written notice of appeal  
17 with the eClerk of the Board of Supervisors. The Board of Supervisors shall hear the appeal within 30  
18 days of TIDA's determination to appeal. The Board of Supervisors' review of the Planning  
19 Commission decision shall be limited to the design issues that are the subject of the appeal. The Board  
20 of Supervisors may disapprove the decision of the Planning Commission by a majority vote, and may  
21 not impose any condition of project approval that conflicts with the Development Requirements (as  
22 such term is defined in the Development Agreement) or is inconsistent with TIDA's authority as trustee  
23 under the Conversion Act.

24 (j) Fees. Each of the Planning Director and the Executive Director shall require an applicant  
25 or permittee to pay a fee in an amount sufficient to recover actual time and materials costs that the

1 Planning Department and TIDA incurs in reviewing and processing any application under this Section.  
2 The applicable Director also may charge for any time and materials costs that other agencies, boards,  
3 commissions, or departments of the City, including the City Attorney's Office, incur in connection with  
4 the processing or administration of a particular application, action, or procedure if such costs are not  
5 separately assessed in accordance with the Development Agreement. Whenever such fees are or will be  
6 charged, the applicable Director, upon request of the applicant or permittee, shall provide in writing  
7 the basis for the fees or an estimate of the fees to be charged.

8  
9 Section 6. The San Francisco Planning Code is hereby amended by adding Section  
10 263.26, to read as follows:

11 **SEC. 263.26. SPECIAL EXCEPTIONS: TREASURE ISLAND/YERBA BUENA ISLAND**  
12 **HEIGHT AND BULK DISTRICT.**

13 (a) Boundaries of the Treasure Island / Yerba Buena Island Height and Bulk District. The  
14 boundaries of the Treasure Island / Yerba Buena Island Height and Bulk District are set forth in  
15 Sectional Map HT14 of the Zoning Map of the City and County of San Francisco. The boundaries of the  
16 Treasure Island / Yerba Buena Island Special Height and Bulk District include all areas of Treasure  
17 Island and Yerba Buena Island as shown on Zoning Map ZN14. Any property within the Treasure  
18 Island / Yerba Buena Island Special Height and Bulk District owned by the United States Department  
19 of Labor, United States Coast Guard, Federal Highway Administration or California Department of  
20 Transportation is hereby declared to be in a 40-X height and bulk district unless reclassified in  
21 accordance with the provisions of this Code.

22 (b) Purpose. The purpose of both the Treasure Island / Yerba Buena Island Height and Bulk  
23 District is to enable development of Treasure Island and Yerba Buena Island as a new high-density,  
24 mixed-use, sustainable community consistent with the Objectives and Policies set forth in the Treasure

Island / Yerba Buena Island Area Plan, Planning Code Section 249.52 (the Treasure Island / Yerba Buena Island Special Use District) and the Design for Development referenced therein.

(c) Controls.

(1) In the Treasure Island / Yerba Buena Island Height and Bulk District, height and bulk and definitions applicable thereto are governed by Planning Code Section 249.52 (the Treasure Island / Yerba Buena Island Special Use District) and the Treasure Island and Yerba Buena Island Design for Development referenced therein.

(2) Amendments to the height and bulk controls in this Treasure Island/Yerba Buena Island Project Height and Bulk district shall be as provided in Section 249.52.

Section 7. The San Francisco Planning Code is hereby amended by amending the Bulk Limits Table associated with Section 270, to read as follows:
