Existing Law

The Board of Supervisors adopted and approved the Redevelopment Plan for the Mission Bay South Project Area by Ordinance No. 335-98 on November 2, 1998. This Ordinance and related Mission Bay legislation established a process by which the project developer (FOCIL - MB, LLC) would construct specified public improvements and dedicate said improvements to the City. Upon dedication, the City would initiate the local and State law procedures to establish the area as public open space and park and take related actions.

Amendments to Current Law

This legislation would designate new public open space and park; accept the dedicated facilities; dedicate the improvements for public use; and accept the improvements for maintenance and liability purposes, subject to specified limitations, all in accordance with the procedures established for the Mission Bay South Redevelopment Plan and applicable local and State law. This Ordinance would make certain findings, including environmental findings and findings that the legislation is consistent with the Mission Bay South Redevelopment Plan, the General Plan, and the priority policy findings of the Planning Code Section 101.1.
