RE: File Numbers 110847 and 110848: Amendment to the Memorandum of Understanding (MOU) with the San Francisco Firefighters Union Locals 798 and 799

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of the MOU between the City and County of San Francisco and the San Francisco Firefighters Union Locals 798 and 799. The amendment applies to the period commencing July 1, 2011 through June 30, 2015, affecting 1,729 authorized positions with a salary base of approximately \$199.2 million and an overall pay and benefits base of approximately \$262.3 million.

Based on our analysis, the ordinance will result in a \$6,255,929 cost savings in FY 2011-12, \$5,157,852 in FY 2012-13, and a cost increase of \$264,544 in both FY 2013-14 and FY 2014-15. The savings will be realized through increased pension contributions.

If you have additional questions or concerns please contact me at 554-7500 or Michelle Allersma of my staff at 554-4792.

Sincerely,

for
Ben Rosenfield
Controller

employees by three percent (3%) for the two-year period beginning July 1, 2011 and ending June 30, 2013. As of July 1, 2013, the parties agree to effectuate any applicable cost sharing provisions of a Charter amendment initiated by the Mayor, approved by the Board of Supervisors, and approved by the voters in the November 2011 election.

- 11.2 If the majority of City and County of San Francisco employees agree to an employee contribution to fund retiree health benefits, the parties agree to reopen the MOU on the subject of an employee contribution to fund retiree health benefits. The City shall offer a Pre-Retirement Planning Seminar for bargaining unit members on an as-needed basis by mutual agreement but no less than once a year. Bargaining unit members shall be offered the opportunity to attend this seminar in the order of the number of years of service credit they have towards retirement. The Fire Department may offer to schedule other bargaining unit members to attend the seminar when special circumstances warrant such selection. The seminars will be administered by the San Francisco Fire Department Division of Training in consultation with the Union at a location to be mutually agreed to by the parties. Unused carry forward monies from the Tuition Reimbursement Program as provided in this Agreement will be used to cover the cost of these seminars. The City recognizes the important role played by the Union in preparing, coordinating and putting on this seminar. In recognition of this, upon the written request of the Union to the Employee Relations Director, the City shall provide the Union with \$10,000 per fiscal year for such purposes. The Union will account for all expenditures and return any unused funds to the City to be credited to the MOU Tuition Reimbursement Program set forth in this Agreement.
- 11.4 Payments Upon Retirement. The City shall include Training and Education Achievement Pay in vacation, compensatory time off and pilot wellness lump sum payouts due after retirement. With regard to vested sick leave, to the extent that Civil Service Commission Rules now or in the future do not include Training and Education Achievement Pay in the calculation of post-retirement vested sick leave payouts, members shall receive a supplemental payment, which, when combined with their vested sick leave payment, will be equivalent to the amount they would have received if Training and Education Achievement Pay had been included in the calculation of vested sick leave.
- 11.5 The City shall make its best efforts to pay all accrued vested sick leave, pilot wellness pay, compensatory time (time coming) and vacation within thirty (30) days of the effective date of the employee's retirement.

- 11.6 Effective July 1, 2010, for Tier I employees who retire prior to July 1, 2013 and whose final compensation for retirement purposes is impacted by the wage increase deferrals or the parity salary deferrals described in sections 9.2, 9.3, 9.4 and 10.2, said employees' final compensation for retirement purposes shall be calculated at the rate of remuneration that would have been attached to the rank or position held by the employee, at the time of retirement, had there been no wage increase deferral or parity salary deferral for Fiscal Years 2010-2011 and 2011-2012.
- 11.7 Effective July 1, 2010, for Tier II employees who retire prior to July 1, 2013, and whose final compensation for retirement purposes is impacted by the wage increase deferrals or the parity salary deferrals described in sections 9.2, 9.3, 9.4 and 10.2 for the period from July 1, 2010 through June 30, 2012, the City will make available restoration pay in a lump sum equivalent to the pensionable wage increase deferrals and the pensionable parity salary deferrals for the period used by the San Francisco Employees Retirement System to determine the employee's final compensation for retirement purposes (Final Compensation Period). Only wages deferred from July 1, 2010 through June 30, 2012 are eligible for restoration.
- 11.8 For Tier I and Tier II employees who retire prior to July 1, 2013, payouts of vacation, vested sick leave, compensatory time and wellness pay shall be at the employee's normal (non-deferred) hourly wage rate, although nothing herein requires the San Francisco Employees Retirement System to include payouts of vacation, vested sick leave, compensatory time or wellness pay in retirement calculations.

SECTION 18. ASSIGNMENTS AND TRANSFERS

- 18.1 Assignments and transfers shall be made pursuant to the provisions of Article No. 39, Rule 3953 of the Rules and Regulations of the Fire Department.
- 18.2 Employees who are appointed from the rank of H-2 Firefighter to the rank of H-3 EMT/Paramedic/Firefighter shall be entitled to reinstate to the rank of H-2 Firefighter after five (5) years of continuous service in the rank of H-3 EMT/Paramedic/Firefighter, except that such reinstatement may be permitted at an earlier date in cases of extreme personal hardship or when an H-3 EMT/Paramedic/Firefighter can no longer perform the duties of a paramedic and is able to perform the duties of Firefighter subject to the approval of the Chief of the Department. All reinstatements will become effective based on the Department's assessment of its operational needs and service to the public. Upon reinstatement, the employee's years of service in the rank of H-3 shall be counted as years of service in the rank of H-2 Firefighter for the purpose of determining seniority in that rank.

18.3 Any H-3 ~~Level III~~ not covered by Section 18.2 above who is able to perform the duties of a Firefighter may request to be appointed to the rank of H-2 Firefighter subject to the approval of the Chief of the Department. After the granting of such a request, the former H-3 shall not work on an ambulance except in exigent circumstances (i.e., situations when off-duty employees are recalled). Employees in the rank of H-3 Level III who are appointed to the rank of H-2 Firefighter on or after January 1, 2006 shall maintain a valid California paramedic license for the duration of their employment in the rank of H-2.

SECTION 54. TERM

54.1 This Agreement shall remain in full force and effect from July 1, 2007, to and including June 30, ~~2013~~ 2015.

MOU Amendment
Highlights/Summary

MOU Amendment – Changes to Existing Provisions

Economic Terms:

- a. Delay for six months 1% of the 4% wage increase previously scheduled to be effective on 7/1/11. (Value of wage deferral equals 0.5%.)
- b. Effective 7/1/12, employees will pay an additional 3% employee retirement contribution for 2011-12 and 2012-13. Thereafter, employees will pay additional retirement contributions (or receive relief) according to the Consensus Pension Charter Amendment, assuming voters approved the measure in November.
- c. Other wage increases will occur as scheduled.

Contingencies:

- a. Neither the passage of Proposition C (Consensus Measure) or Proposition D (Adachi Measure) in November will disturb the economic concessions (i.e., the 3% additional retirement contributions for two years and the 1% wage deferral).
- b. The economic concessions listed above will end early if the City “browns-out” fire stations or otherwise violates Proposition F (2005) or if the City or State implements a pension measure other than Propositions C or D. In such an event, the parties will return to the bargaining table.
- c. If Proposition C (Consensus Measure) is approved by the voters and is implemented, employees will begin paying additional retirement contributions per the Charter in 2013-14 and thereafter.
- d. If Proposition D (Adachi Measure) is approved by the voters, the existing terms of the MOU will continue to be a contract bar for that measure.

Term: MOU will expires 6/30/2015
