Subject:

Mayoral Question, District 8

The text is listed below or attached:

We continue to see crime targeting community members of limited English proficiency. What can we do to encourage more qualified people with bi/multi-lingual ability to apply to join our city's public safety team as police officers, 911 dispatchers, and firefighters so that we can better prevent crime through multi-lingual education efforts and also assist residents in the unfortunate event of being victims of crime?
