Change Number 1, starting on page 3 of the RFP:

1.3 Limitations on Communications

Proposers must adhere to the following rules regarding communications related to this RFP:

- Staff ~~of any Proposer, subconsultant, vendor, or any other individual related to a Proposer team~~ **of consultant firms working on the SSIP Program Management Consultant Agreement (CS-165) and As-Needed Wastewater Engineering contracts that are** currently stationed at the Southeast Water Pollution Control Plant (SEP), **unless specifically designated,** must vacate the plant within 24 hours, **or as soon as practicable,** of advertisement of this RFP and remain off-site until after the solicitation is complete. Such staff will be notified when they may return.
- Other than the scheduled site visit for this solicitation set forth in Section 1.4, there will be no other facility tours for Proposers, subconsultants, vendors, or any other individual related to a Proposer team.
- For the duration of this solicitation, from the date this RFP is advertised until the date the SFPUC announces the highest-ranked Proposer selected for award, only properly badged SFPUC ~~Wastewater~~ employees will be allowed entry to the SEP. All other visitors will only be permitted if attending scheduled meetings, **or** public tours, **and** if they are escorted by an SFPUC Infrastructure Project Manager or SFPUC Wastewater employee.
- Proposers, subconsultants, vendors, and/or any other individual related to a Proposer team are specifically directed that they are not permitted to contact any employees or officials of the City other than those specifically designated in this RFP and its Attachments.
- Unauthorized contact may be cause for rejection of Proposals at the City's sole and absolute discretion.
