8 WHEREAS, The Federal Transit Administration (FTA) completed a nationwide security
9 assessment of transit agencies and has requested that major agencies, including Muni, join
10 InfraGard – the Federal Government’s security information exchange network cooperative that
11 will allow the nations 36 largest transit agencies to rapidly share timely and sensitive security
12 information to facilitate secure communications related to the safety and protection of national
13 transportation infrastructure; and,

14 WHEREAS, The FTA has entered into a cooperative relationship with the FBI to use
15 the InfraGard cooperative; and,

16 WHEREAS, The Municipal Transportation Agency believes that participation in the
17 InfraGard cooperative is in the best interest of the City and desires to enter into an agreement
18 with the federal government (the InfraGard Agreement) that would enable the City to
19 participate; and,

20 WHEREAS, A copy of the InfraGard Agreement is on file with the Clerk of the Board of
21 Supervisors in File No. _____, which agreement is incorporated herein and made
22 part hereof as though full set forth herein; and,

23 WHEREAS, The InfraGard Agreement provides that the City would agree never to
24 institute, initiate, prosecute or in any way aid in any demand, action, suit, or claim against any
25 InfraGard participant, the US, its agencies, officers, employees, agents, advisors, contractors,

1 or subcontractors arising from or in connection with any report or reporting or use of
2 information in accordance with the Federal Government's InfraGard agreement with the City
3 or other entity; now, therefore, be it

4 RESOLVED, That the Board of Supervisors hereby authorizes the Director of
5 Transportation to execute the agreement between the Federal Bureau of Investigations and
6 the City and County of San Francisco, enabling the Municipal Transportation Agency to
7 participate in the Federal Government's cooperative known as InfraGard, which allows for the
8 exchange of security information between the Federal Government and major transit
9 agencies.
