Hi Clerk Somara, please find a 150-word comment below that I would like to be included in the minutes for today's Public Safety and Neighborhood Services Committee meeting. Thank you!

Supervisors Mar, Melgar, and Stefani, thank you for your support of the Golden Gate Park Access and Safety Program—you have made Golden Gate Park a safer and more accessible, equitable space for kids, seniors, and people with disabilities.

Thanks also to RPD and SFMTA for their comprehensive and tireless work to make Golden Gate Park safer and more accessible and equitable for kids, families, seniors, and people with disabilities, including by:

1. Improving and expanding the accessible Golden Gate Park Shuttle
2. Creating the new ADA parking lot behind the bandshell with 20 free accessible parking spaces
3. Installing the "de Young delivery route" to help the museum facilitate safe and efficient deliveries

I urge you to encourage RPD and SFMTA to accelerate their work on safety and access improvements for the promenade portions of the Program.

Thank you, and please take care  
Luke Bornheimer | Community Spaces SF
