SECTION 2.100. COMPOSITION AND SALARY.

The Board of Supervisors shall consist of eleven members elected by district.

The office of Board of Supervisors member is a full time position. Members of the Board shall be paid a salary of \$37,585. The Supervisors' salary shall be set by the Civil Service Commission (Commission) once every five years. Before the Commission determines the Supervisors' salary: it shall receive and consider a salary survey of California City Councils and County Boards of Supervisors, conducted by the Department of Human Resources; and it may consider the Consumer Price Index (CPI).

The Civil Service Commission shall timely transmit its determination of the Supervisors' salary to the Controller, so that funds can be set aside for that purpose. The Controller shall include the Civil Service Commission's determination in appropriate budget documents to insure implementation. This determination may not be changed except by the Civil Service Commission.

The Civil Service Commission shall establish dates for an appropriate five-year cycle for making the determinations required by this Section, in order to efficiently coordinate with City budget processes and related procedures. In order to institute this five-year cycle the initial determination may be for less than a five-year period, as determined by the Civil Service Commission.

The provisions of this Section shall apply, notwithstanding any other provision of this Charter.
