[Park Code - Cost Recovery for Use of Golf Courses, Outdoor Event Facilities, Picnic Areas, and Athletic Fields; Golf Course Fees Generally]

Ordinance amending the Park Code to 1) authorize the Recreation and Park Department to add a cost recovery surcharge to the fees for the use of City golf courses, outdoor event facilities, picnic areas, and athletic fields, to help cover stormwater and other costs related to maintaining those City properties; 2) increase golf course fees by increasing the San Francisco resident rates at certain courses, by increasing the cost of golf cards that entitle Pacifica residents to resident discounts at Sharp Park, by adjusting weekend hours, and by limiting resident senior discounts to weekdays; 3) require the Recreation and Park Department on an ongoing basis to post and update on its website the golf course fees in lieu of listing those fees in the Park Code; and 4) make various clarifying changes; and affirming the Planning Department's determination under the California Environmental Quality Act.

NOTE: **Unchanged Code text and uncodified text** are in plain Arial font.
Additions to Codes are in *single-underline italics Times New Roman font*.
Deletions to Codes are in *strikethrough italics Times New Roman font*.

Asterisks (* * * *) indicate the omission of unchanged Code subsections or parts of tables.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Environmental Findings.

The Planning Department has determined that the actions contemplated in this ordinance comply with the California Environmental Quality Act (California Public Resources Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of

Supervisors in File No. 250604 and is incorporated herein by reference. The Board affirms this determination.

Section 2. Purpose.

(a) Like many City departments, the Recreation and Park Department has begun to experience increased costs to operate and maintain its properties, including due to an updated structure for sewer bills that will lead to the Department paying an increased amount for stormwater runoff from park property. These updates have led to the projection of deep, structural deficits to the Recreation and Park Department's budget that could trigger cuts to essential park services. The Board of Supervisors finds it is necessary to adjust the fees for using the park facilities that contribute most to these costs, so that the Department can continue to maintain existing levels of service across the board.

(b) The Park Code references fee amounts for the golf courses that do not reflect the Controller's annual adjustments to those fees based on changes in the Consumer Price Index. This ordinance removes out-of-date fee amounts from the Park Code and directs the Recreation and Park Department to maintain a current fee schedule on its website.

Section 3. Article 12 of the Park Code is hereby amended by adding Section 12.10, revising Sections 12.12, deleting Sections 12.12.1, 12.12.2, 12.12.3, 12.12.4, 12.12.5, and 12.12.6, and revising Sections 12.20, 12.22, 12.23, and 12.36, to read as follows:

SEC. 12.10. AUTHORIZATION TO IMPOSE FEES.

The Department shall charge fees as authorized by the Board of Supervisors by ordinance. This Article 12 codifies various base fees as of the date that the Board approved those fees. The base fees for golf courses are stated in uncodified Section 4 of Ordinance No. _____, available in Board File No. 250604 and on the Board website. Article 12 and

1 Ordinance No. _____ do not necessarily reflect the current fee amounts, as the Controller
2 annually adjusts base fees to reflect changes in the Consumer Price Index under Park Code
3 Section 12.20. The Department shall regularly publish on its website a fee schedule that
4 shows the current fee amounts, inclusive of annual adjustments. Notwithstanding these
5 procedures, the Board may modify the fees by ordinance at any time.
6

7 **SEC. 12.12. GOLF FEES – GENERAL.**

1 Board amendment deletions in accordance with the “Note” that appears under the official title
2 of the ordinance.

3 (b) The deletion of sections of the Park Code referencing specific fees in Section 3
4 of this ordinance does not mean that the Department is prohibited from charging those fees.
5 Rather, it reflects the intent of this ordinance to remove those fees from the Code and to
6 transition them to the uncodified Section 4 of this ordinance, as provided in said Section 4.
7

8 Section 76. Severability. If any section, subsection, sentence, clause, phrase, or word

Ordinance amending the Park Code to 1) authorize the Recreation and Park Department to add a cost recovery surcharge to the fees for the use of City golf courses, outdoor event facilities, picnic areas, and athletic fields, to help cover stormwater and other costs related to maintaining those City properties; 2) increase golf course fees by increasing the San Francisco resident rates at certain courses, by increasing the cost of golf cards that entitle Pacifica residents to resident discounts at Sharp Park, by adjusting weekend hours, and by limiting resident senior discounts to weekdays; 3) require the Recreation and Park Department on an ongoing basis to post and update on its website the golf course fees in lieu of listing those fees in the Park Code; and 4) make various clarifying changes; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

The Park Code sets the fees that the Recreation and Park Department may charge for the use of various park facilities. After fees are adopted, the Controller has authority to adjust them annually based on changes to the Consumer Price Index, so the amounts stated in the Park Code are generally not up to date.

Amendments to Current Law

The ordinance would add a "cost recovery surcharge" on top of the fees that the Recreation and Park Department currently charges for the use of certain park facilities. Specifically, there would be an added surcharge of \$4 per 9 holes of golf or \$6 per 18 holes of golf; 10% for the use of the outdoor event facilities; \$5 for picnics with up to 100 participants and \$25 for picnics with more than 100 participants; and \$1 per hour for the use of athletic fields.

The ordinance also makes certain changes specific to golf course fees: it increases the resident rates at Harding Park, Fleming, and Sharp Park; adjusts the timing of weekend hours at all the golf courses so that weekend rates commence on Fridays; limits resident senior discounts to weekdays (on weekends, resident seniors would pay the discounted resident rates but would not receive additional senior discounts beyond the regular resident discount); and increases the rate for Pacifica residents to purchase golf cards for Sharp Park. The ordinance also makes various non-substantive changes, including to clarify that tournament organizers who receive a discount from the Department for having resident juniors participate in their tournaments must pass those discounts on to those resident juniors, rather than receiving the discount but then still charging the juniors the full rate.

Finally, because the rates listed in the Park Code are annually adjusted and not current, the ordinance makes them uncoded – that is, it removes the golf course fee amounts from the Park Code and directs the Recreation and Park Department to regularly publish the current rates on its website. The fees will remain in effect even though they will no longer appear in the Park Code, and the Controller will retain its authority to annually adjust these fees based on the Consumer Price Index.

Background Information

The ordinance adds a cost recovery surcharge to the fees that the Recreation and Park Department charges for use of the golf courses and certain other park facilities. The Department has begun to experience increased costs to operate and maintain its property, including due to an updated structure for sewer bills that will lead to it paying an increased amount for stormwater runoff from park property. These cost increases could trigger cuts to essential park services if not addressed. The proposal is intended to adjust the fees for the park facilities that contribute most to these cost increases, so that the Department can continue to maintain existing levels of service across the board.

As originally introduced, the ordinance only proposed the cost recovery surcharge described in the above paragraph. On June 25, 2025, the ordinance was amended in committee to propose the changes specific to golf course fees.

San Francisco Recreation & Parks

The San Francisco Recreation and Park Department's Mission is to provide enriching recreational activities, maintain beautiful parks and preserve the environment for the well-being of everyone in our diverse community

**BOARD OF SUPERVISORS
BUDGET & APPROPRIATIONS COMMITTEE**

June 20, 2025

Budget: Recreation – Proposed Reductions

RPD disagrees with the proposal to eliminate 7 additional recreation positions

Recreation Staffing Model

- Programs are run with both permanent and part-time staffing.
- If permanent positions are vacant due to hiring delays, RPD uses the salary dollars for part-time employees that run programming.
- Despite vacancies due to attrition and hiring, Recreation's current 253 FTE, is higher than its budgeted 186 FTE by 67 FTE.

Aquatics

- Due to on-going, nationwide Lifeguard shortage, permanent Aquatics positions have been left vacant for an extended period.
- RPD has used TEX positions for a Lifeguard Trainee program

Aquatics	Budget	Actual	Balance	Comments
Permanent Positions	62.72	48.72	14.00	Approved by Mayor's Office for hire in May
Attrition Savings - Miscellaneous	(8.55)	(8.72)	0.17	Vacancies held in attrition
Funded Permanent Positions	54.17	40.00	14.17	
Temporary Staff FTE	8.32	22.44	(14.12)	Using salary balance for TEX staffing
Total Staffing	62.49	62.44	0.05	

Budget: Partnerships – Policy Recommendation

RPD disagrees with the potential cut of 6 filled Partnerships positions

Elimination of the Partnerships Division would leave the Department with no staff to support and project manage community driven projects and programs. This team supports hundreds of donors and community groups in every supervisorial district.

Examples of current and recently completed projects supported by partnerships include **India Basin, Crocker Amazon Playing Fields, Herz Playground Rec Center, Esprit Park, Gilman Playground, Heron's Head, Francisco Park, McLaren Park Tennis Courts, Embarcadero Plaza, Jackson Park, Koshland Park, Reforestation of Parks in the Southeast of San Francisco, Tenderloin Rec Center Playground, and more.**

Over the last five years the partnerships division has generated on average \$29M a year in philanthropic support and state and federal grants unrelated to the former San Francisco Parks Alliance.

Utility Cost Recovery Surcharge

RPD’s total utility budget is expected to increase by **roughly 50% over the next two years.**

- \$13M in FY 2024-25 to \$20M in FY 2026-27

Proposed surcharges to offset utility increases

- Golf: \$4 (9 holes), \$6 (18 holes)
- Athletic Fields: \$1 per hour
- Picnic Areas: \$5–\$25
- Outdoor Events: 10% of venue fees

Estimated revenue

- \$1.2M (FY25-26), \$1.75M (FY26-27)
- Recovers ~10% of utility costs (FY25-26, 9 months)
- Indexed to CPI
- Total utility budget projected compound annual growth is 17% over five years

Court Reservations

Proposed \$1M in new revenue from implementing a **\$5 per hour court reservation fee.**

For reservations made more than one week in advance:

- Not for profit or individual \$20 per hour
- For profit \$40 per hour

28 out of 66 locations will have reservations

- Walk-up play remains free at the majority (68%) of court locations

Other Major Cities:

- Seattle: \$7–\$15/hour
- Berkeley: \$12/hour
- Santa Cruz: \$20–\$30/hour
- Oakland: \$10–\$15/hour
- New York, Los Angeles, Portland, Chicago: All charge for reservable court access

Recreation Scholarships and Cost Recovery

Current Recreation Cost Recovery: \$0.15 for every \$1 spent.

Proposal allows Recreation to recover up to specified amounts based on the type of program and the participants. Model is a best practice in other Bay Area cities, (San Jose, Santa Clara, Mountain View, Milpitas) and around the country.

Cost recovery models provide equitable distributions of funding support, greater transparency on the cost of programming, and improved financial sustainability.

Program categories

- **Community benefit** are group-based, inclusive, and promote community health and/or engagement
- **Individual benefit** are more specialized, skill-focused, or serve a single participant, justifying a higher recovery target.

RPD offers over 3,500 classes annually, with fees ranging from \$0 to \$600 and most benefit the community.

Program Category	Maximum Cost Recovery	Examples
Community Benefit	Up to 50%	Peace Parks Program: No increase, remains free Senior Dance Programs: No increase, remains free
Individual Benefit for Youth, Seniors, and Persons with Disabilities	Up to 75%	Youth Swim Lessons: \$5 increase per lesson Youth Karate: \$3.80 increase per lesson
Individual Benefit for Adults	Up to 100%	Adult Yoga: \$8 increase per lesson

Recreation Scholarships and Cost Recovery

Scholarships: Applicants must live in San Francisco and have income equal to or less than 250% of the current federal poverty level or live in public housing, be in Foster Care, or unhoused.

25% of all program participants are currently on scholarship

Scholarship	Eligibility
50% Subsidy	Households that meet income eligibility.
75% Subsidy	Household are in 2+ government subsidized programs AND Adult
100% Subsidy	Household are in 2+ subsidized programs AND Child or Senior

RPD projects an additional **\$0.6M in FY 2025-26** and **\$1.2M in FY 2026-27** with the adoption of a new program cost recovery model.

Golden Gate Park Paid Parking

Paid parking in all legal parking areas within Golden Gate Park (~3,100 spaces)

Rate:

Set in consultation with SFMTA. Demand responsive rate averaging \$3.00/hour with early bird option.

Projected Schedule:

9 a.m. to 6 p.m., 7 days per week

How to Pay:

App to facilitate mobile payment and pay stations located near park destinations.

Implementation Date:

Scheduled for January **2027**

Net Revenue:

\$4.9M for six months

Golf

Original proposal

Eliminate \$7.5M General Fund subsidy in FY 2026-27 through the potential leasing of golf courses to private operators.

With approval of trailing budget legislation, and revised golf fees, (pending introduction), RPD will no longer pursue lower cost private sector maintenance agreements.

This solution (a new Utility Cost Recovery Surcharge and revised Golf Fees) will preserve excellent public sector work, generate an additional \$4M over the next two years, and result in up to a 60% reduction of the General Fund subsidy.

Golf Affordability

Maintaining Affordable Access to Municipal Golf For All

- **No fee increases** at Lincoln or Golden Gate (except for utility surcharge)
- **Youth rates unchanged**, except for utility surcharge
- **First Tee** provides free access to **11,000 youth** annually (2,000 at Harding)
- **Senior discounts** continue Mon–Thurs at all courses
- **Harding Park Highlights**
 - **Youth on Course:** \$3–\$5 per round at Harding/Fleming
 - **14 high schools** retain discounted access
 - **PGA HOPE:** SF resident rates for all veterans
 - **Beginner lesson discounts** for seniors, adults, and youth

Potential service reductions October 2025

If legislation is not approved, Rec Park will need to reduce services, vacate positions, and implement layoffs as necessary in October 2025 by an additional \$5M, (\$6.7M on an ongoing 12-month basis,) which includes **34 full-time and 92 part-time positions**.

	FY26	FY27
Revenue at risk		
No Paid Parking in GGP		(4.9)
No additional fee revenue	(2.9)	(4.0)
At risk revenue subtotal	(2.9)	(8.9)
Service reductions to balance		
Service Reductions	5.0	6.7
Year 1 savings		2.2
Potential reductions subtotal	5.0	8.9
Ending Balance	2.2	0.0

SWIMMING POOLS (\$0.5M; 4 full-time and 4 part-time positions)

- **Closing one pool out of 9 pools (8 year-round) at a time on a rotating schedule** to reduce costs while keeping overall access available across the city.
 - Swim lessons serve about 5,000 children annually, but waitlists have soared to nearly 7,000—a 131% unmet demand.

RECREATION CENTER PROGRAMS (\$0.5M; 18 part-time positions)

- **Reduced hours at 25 recreation centers** from 60 to 40 per week, a 30% reduction. Fewer senior, tot, and drop-in program hours.

SUMMER CAMPS (\$0.9M; 70 part-time positions)

- A **25% reduction** in summer camps—**2,500 fewer camp slots**
 - In 2024, our summer camps are offering 9,000 spots, but more than 4,200 children are still on the waitlist. One of our most popular, the Jr. Warriors basketball league has more kids waiting to join than are enrolled.

PARK MAINTENANCE (\$2.0M, 21 full-time positions)

- **Reducing 2.5 hours from 120 restrooms** from 8 AM–8 PM to 8 AM–5:30 PM results in a **21% reduction** in open restroom hours.
- **Reduction in Local 261 gardener apprenticeship program**; currently, we have a class of 15, which will be reduced to 6.
- **Reduction in trash service**

PUBLIC SAFETY (\$1.1M, 9 full-time positions)

- A **10+% cut to Park Rangers**—reducing our ability to prevent illegal encampments and possibly eliminating fixed posts like UN Plaza and Dolores Park.

Thank You

Bd of Supes Budget and Approp. Cttee. / Hearing July 9, 1:30 p.m. Agenda 2, Item 250604 / Golf Cost Recovery and Fee Legisn / Request Add Letter to Pub Corresp. File

Dear Mr. Jalipa and Ms. Major,

Above attached is a letter dated June 11 from Yanni Gogonas previously filed w/ the Budget Committee in File No. 250589 in advance of the Committee's June 12 hearing on Departmental Budgets, including Rec & Park. This letter focuses on access and fees at the golf courses. So it is relevant to the Golf Cost Fee legislation heard July 9, Agenda No. 2, Item 250604, whose Public Correspondence File already includes dozens of other public letters previously filed in File 250589 advocating access and affordable golf fees. This is to request you also include the Gogonas letter in the Public Correspondence file for Item 250604. Thank you for your care and attention.

Subject: Public Comment- Regarding File No. 250589: Proposed Privatization of San Francisco Public Golf Courses
Date: Wednesday, June 11, 2025 10:13:08 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Members of the Budget and Finance Committee,

My name is Yianni. I am a maintenance worker at Lincoln Park Golf Course, but I am writing today not in my professional capacity, but as a lifelong golfer and a member of the public who deeply values what our public courses represent.

I grew up playing on San Francisco's public golf courses. For me, they were not just places to hit balls. They were classrooms, sanctuaries, and bridges. These courses taught me discipline, patience, courage, and confidence. They gave me the chance to meet and interact with people of all ages, races, and backgrounds. Most importantly, they gave me time with my father, real time, uninterrupted by distractions. Some of the best and most formative days of my life were spent on those fairways with him.

That experience was only possible because the courses were public and affordable. We did not belong to a private club. We did not have deep pockets. But we had access, and that access changed the course of my life.

Privatizing these public spaces threatens to take that opportunity away from the next generation. It would inevitably raise costs, limit access, and create new barriers for families who rely on public facilities to participate in the game. Golf already struggles with issues of inclusion and diversity. Removing or reducing public access will only deepen that divide.

These courses are not just green spaces. They are places where community is built, where relationships are nurtured, and where young people learn life lessons that do not come easily in a classroom. They are spaces where parents bond with children, where friends come together, and where people find joy, peace, and connection.

I urge the committee to consider what is really at stake. If these courses are privatized, the loss will not just be about who gets to play golf. It will be about who gets to belong. We risk turning away the very people who have helped build the character and soul of these courses over generations.

Please keep San Francisco's public golf courses public, for the sake of the game and for the people it continues to shape, just like it shaped me.

Thank you for your time and consideration.

Sincerely,

Yianni

Subject: Public Comment and Rebuttal to RPD Presentation
Date: Sunday, July 13, 2025 12:09:28 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

BOS Members

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis and pickleball community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

Thanks,
-Tom

Message:

Dear San Francisco Board of Supervisors,

I'm writing to voice my opposition to the package of new fees being proposed for San Francisco's public parks, including a \$5 per hour reservation fee for tennis and pickleball courts, increased golf fees, and paid parking in Golden Gate Park.

These are public goods, funded by taxpayers, and they should remain free and accessible to all. Imposing additional charges creates a paywall on public space, undermining equity and disproportionately impacting low-income residents, youth, seniors, and people with disabilities.

It should not be the public's burden to bail out city departments through fees that limit access.

Please vote no on these measures and protect public space for everyone.

Sincerely,

Say NO to Court Fees, Golf Hikes, and Paid Parking in our Parks!

Message:

Dear San Francisco Board of Supervisors,

I'm writing to voice my opposition to the package of new fees being proposed for San Francisco's public parks, including a \$5 per hour reservation fee for tennis and pickleball courts, increased golf fees, and paid parking in Golden Gate Park.

These are public goods, funded by taxpayers, and they should remain free and accessible to all. Imposing additional charges creates a paywall on public space, undermining equity and disproportionately impacting low-income residents, youth, seniors, and people with disabilities.

It should not be the public's burden to bail out city departments through fees that limit access.

Please vote no on these measures and protect public space for everyone.

Sincerely,
Stephen J Gorski, D4 resident/voter for 45+ years

Say NO to Court Fees, Golf Hikes, and Paid Parking in our Parks!

Message:

Dear San Francisco Board of Supervisors,

I'm writing to voice my opposition to the package of new fees being proposed for San Francisco's public parks, including a \$5 per hour reservation fee for tennis and pickleball courts, increased golf fees, and paid parking in Golden Gate Park.

These are public goods, funded by taxpayers, and they should remain free and accessible to all. Imposing additional charges creates a paywall on public space, undermining equity and disproportionately impacting low-income residents, youth, seniors, and people with disabilities.

It should not be the public's burden to bail out city departments through fees that limit access.

Please vote no on these measures and protect public space for everyone.

Sincerely,

Acquisition Method

Dear Supervisors,

Please see below from Marc Neilson regarding:

File No. 250604 - Ordinance amending the Park Code to 1) authorize the Recreation and Park Department to add a cost recovery surcharge to the fees for the use of City golf courses, outdoor event facilities, picnic areas, and athletic fields, to help cover stormwater and other costs related to maintaining those City properties; 2) increase golf course fees by increasing the San Francisco resident rates at certain courses, by increasing the cost of golf cards that entitle Pacifica residents to resident discounts at Sharp Park, by adjusting weekend hours, and by limiting resident senior discounts to weekdays; 3) require the Recreation and Park Department on an ongoing basis to post and update on its website the golf course fees in lieu of listing those fees in the Park Code; and 4) make various clarifying changes; and affirming the Planning Department's determination under the California Environmental Quality Act.

RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 p.m., Agenda No. 2, Item 250604, Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally.

Dear Chair Chan and Supervisors,

I am a public golfer and member of the Sharp Park Golf Club and the San Francisco Public Golf Alliance (SFPGA). I am not in favor of the proposed legislation captioned **"Park Code – Cost Recovery for Use of Golf Courses... Golf Course Fees Generally," File No. 2506041**, set for hearing July 9 before Your Committee.

I am in support of the plan proposed by the SFPGA to perform a more wholistic approach to funding and maintaining our great golf properties. Please see the letter from the SFPGA by Richard Harris dated July 9.

Let's get all parties together to meet and come up with creative and long-lasting solutions that produce affordable and great golf and other recreational activities for the residents of San Francisco.

Thank you,

Marc Neilson

Supervisors' Budget & Appropriations Subcommittee, June 23, 2025, Public Comment

MAYOR'S APPROPRIATIONS AND SALARY ORDINANCES ARE INCONSISTENT ABOUT REC & PARK ORIGINAL PROPOSAL TO ELIMINATE "GOLF SUBSIDY" FROM 2026-27 BUDGET. THE ISSUE IS NOT ANALYZED IN THE CONTROLLER'S REVENUE LETTER. BUT MAY HAVE BEEN MOOTED.

Dear Chair Chan and Honorable Supervisors,

San Francisco Public Golf Alliance respectfully submits the following comments on the Mayor's Interim Budget Appropriations Ordinance (File No. 250589) and the Mayor's Interim Budget Salary Ordinance (File No. 250590). Our comment focuses narrowly on the Recreation and Parks Department's Budget Submission for Fiscal Years 2025-26 and 2026-27.

1. The Recreation and Parks Department's Budget Submission to the Mayor's Office for FY 2025-26 and 2026-27 assumes a golf revenue increase of \$.5 Million -- from \$14.9 Million in 2025-26 to \$15.4 Million in FY 2026-27. That same Rec-Park Budget Submission projects a 33% reduction in golf expenses from \$20.68 Million in FY 2025-26 to \$13.68 Million in FY 2026-27.¹ **SEE CHART AT EXHIBIT 1, BELOW.**
2. This raises the revenue question: what is the basis of Rec-Park's assumed golf revenue increase in the same year that it assumes substantially decreased golf expenses? The **Controller's Revenue Letter** does not analyze Rec-Park's 2026-27 golf revenue assumption, and nowhere mentions the words "golf" or "Golf Fund".²

¹ **Rec and Park Department Budget Submission**, FY 2025-26, 26-27, to Mayor's Office, Feb. 21, 2025, Form 2C, "Fee Cost Recovery," at page 92 of 148 (copy attached as **EXHIBIT 1**):

https://media.api.sf.gov/documents/REC_Budget_Submission_FY26_and_FY27.pdf

² **Controller's FY 2025-26 and 2026-27 Revenue Letter, June 10, 2025**

https://media.api.sf.gov/documents/FY25-26_and_FY26-27_Revenue_Letter_FINAL.pdf

3. **The Mayor's Budget Salary Ordinance and the Mayor's Budget Appropriations Ordinance appear to be inconsistent in their golf analysis.**

4. On the one hand, the Appropriations Ordinance,³ at pages 201-202, shows at page 201 a \$7.1 Million cut in the Rec-Park Golf Fund (from \$22.1 Million in 2025-26 to \$14.9 Million in 2026-27), and at page 202 a 40% cut in Golf Fund combined Salaries and Fringe Benefits (presumably reflecting expected labor cuts at the courses) from a combined \$6.64 Million in 2025-26 to \$4.45 Million in 2026-27. **SEE CHARTS AT EXHIBIT 2.1 AND 2.2, BELOW.**
5. But the Salary Ordinance⁴ shows no change in Rec-Park Golf Fund staffing from FY 2025-26 to 2026-27; the job descriptions and numbers of employees at each of the golf jobs appears on the Salary Ordinance's Golf Fund chart (Salary Ordinance, at p. 166) to be the same from year-to-year: Gardeners (36), Park Section Supervisors (3), Integrated Pest Management Specialists (1), Arborist Technicians (2.01), Operating Engineers, Universal (1), Plumbers (3), Truck Drivers (5), and General Laborers (1). **SEE CHART, EXHIBIT 3, BELOW.**
6. The confusion may have been mooted by Rec & Park's June 20 Presentation to the Budget & Appropriations Committee, which at pages 9-10 withdraws the Department's "Original Proposal" to "Eliminate \$7.5 M General Fund subsidy in FY 2026-27" (by cutting golf staff).⁵ **SEE EXHIBIT 4, BELOW.** But because some uncertainty remains at this point, we respectfully submit this note for the record and for the Mayor's and Supervisors' attention.

Respectfully submitted,

Richard Harris

Golf

Original proposal

Eliminate \$7.5M General Fund subsidy in FY 2026-27 through the potential leasing of golf courses to private operators.

With approval of trailing budget legislation, and revised golf fees, (pending introduction), RPD will no longer pursue lower cost private sector maintenance agreements.

This solution (a new Utility Cost Recovery Surcharge and revised Golf Fees) will preserve excellent public sector work, generate an additional \$4M over the next two years, and result in up to a 60% reduction of the General Fund subsidy.

Bd of Supes Budget and Approp. Cttee. / Hearing July 9, 1:30 p.m. Agenda 2, Item 250604 / Golf Cost Recovery and Fee Legisn / Request Add Letter to Pub Corresp. File

Dear Mr. Jalipa and Ms. Major,

Above attached is a letter dated June 11 from Yanni Gogonas previously filed w/ the Budget Committee in File No. 250589 in advance of the Committee's June 12 hearing on Departmental Budgets, including Rec & Park. This letter focuses on access and fees at the golf courses. So it is relevant to the Golf Cost Fee legislation heard July 9, Agenda No. 2, Item 250604, whose Public Correspondence File already includes dozens of other public letters previously filed in File 250589 advocating access and affordable golf fees. This is to request you also include the Gogonas letter in the Public Correspondence file for Item 250604. Thank you for your care and attention.

Subject: Public Comment- Regarding File No. 250589: Proposed Privatization of San Francisco Public Golf Courses
Date: Wednesday, June 11, 2025 10:13:08 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Members of the Budget and Finance Committee,

My name is Yianni. I am a maintenance worker at Lincoln Park Golf Course, but I am writing today not in my professional capacity, but as a lifelong golfer and a member of the public who deeply values what our public courses represent.

I grew up playing on San Francisco's public golf courses. For me, they were not just places to hit balls. They were classrooms, sanctuaries, and bridges. These courses taught me discipline, patience, courage, and confidence. They gave me the chance to meet and interact with people of all ages, races, and backgrounds. Most importantly, they gave me time with my father, real time, uninterrupted by distractions. Some of the best and most formative days of my life were spent on those fairways with him.

That experience was only possible because the courses were public and affordable. We did not belong to a private club. We did not have deep pockets. But we had access, and that access changed the course of my life.

Privatizing these public spaces threatens to take that opportunity away from the next generation. It would inevitably raise costs, limit access, and create new barriers for families who rely on public facilities to participate in the game. Golf already struggles with issues of inclusion and diversity. Removing or reducing public access will only deepen that divide.

These courses are not just green spaces. They are places where community is built, where relationships are nurtured, and where young people learn life lessons that do not come easily in a classroom. They are spaces where parents bond with children, where friends come together, and where people find joy, peace, and connection.

I urge the committee to consider what is really at stake. If these courses are privatized, the loss will not just be about who gets to play golf. It will be about who gets to belong. We risk turning away the very people who have helped build the character and soul of these courses over generations.

Please keep San Francisco's public golf courses public, for the sake of the game and for the people it continues to shape, just like it shaped me.

Thank you for your time and consideration.

Sincerely,

Yianni

Dear Chair Chan, Supervisors and Mayor Lurie--

I am the President of Gleneagles Golf Club, having discovered golf and the City's thriving public golf community at the age of 50. Golf substantially supported my mental health during the Covid years and beyond. I have watched with great interest as golfers have increasingly embraced public golf at Gleneagles -- one of the more interesting tracks in a wonderful setting and an incredible bay view from the clubhouse.

Earlier this year, we were shocked at the news that Rec and Park was proposing to eliminate its \$6mm public golf subsidy, essentially privatizing the courses and pricing out much of the diverse population reliant upon the City's public courses to regularly play the game they love.

Today, I applaud the Board for jettisoning that proposal in favor of reasonable fee increases. On that note, in adopting increased fees, I urge the Board to bear in mind all socio-economic levels to ensure that ALL City residents can afford to play public golf in San Francisco.

Moreover, I urge the Board to direct Rec and Park to use its significant Golf Maintenance Fund on better maintaining all SF public courses. Properly allocating these funds for maintenance would reduce the need for additional surcharge fees on top of increased greens fees. The attachment to this email indicates that in 2024-2025 Rec and Park raised about \$3.4mm for maintenance but only actually spent \$704k on maintenance. Rec and Park must be better stewards of the revenues they generate which would reduce the need for increased fees.

Finally, in order for our excellent public courses to continue in perpetuity I respectfully request the Board to do what it can to guide Rec and Park to reasonably negotiate long-term leases with existing operators (or others) at Gleneagles, Lincoln, and Sharp Park. Doing so will provide operators with stability and the ability to develop long term plans for improving the courses.

Thank you for your valuable time and the work you do.

Warm regards,

OPEN LETTER: SAVE SAN FRANCISCO'S PUBLIC GOLF COURSES

Mayor Daniel Lurie and San Francisco Supervisors

We are San Francisco public golfers, diverse in every way – of all ages, genders, persuasions, races, neighborhoods, jobs, and economic strata. We love our beautiful public golf courses – Harding, Sharp, Lincoln, Fleming, Gleneagles and Golden Gate -- where we recreate and socialize with old friends and meet new ones. As a big and diverse community, we are dismayed that Rec & Park has proposed a Budget that would eliminate the Department's subsidy for the municipal golf courses in Fiscal Year 2026-27—effectively a *1/3 CUT in the Golf Budget. This is extreme and unfair* to golfers and unwise for Rec & Park and the City. And we urge that you do not defund the golf subsidy in the Fiscal Year 26-27 Budget. Golf is physically and mentally healthful outdoor activity, a Rec-Park core service and historically popular in the City since John McLaren hired the architects, planted the trees, and oversaw construction of Lincoln, Harding and Sharp in the first decades of the 20th Century. San Francisco, the Peninsula and Greater Bay Area are very high-profile golf areas and frequent hosts of major U.S. and international golf events -- including in 2025, when San Francisco will host the United States Amateur Golf Championship in August, and the Monterey Peninsula will this Fall host both the international men's Walker Cup competition and the United States Women's Mid-Amateur Championship. We know these are times of budget crunch at Rec-Park and the City. And we will carry a fair share. But this is NOT FAIR and not a reason or excuse to single-out public golf as Rec -Park's only recreational service to be completely cut off from its General Fund subsidy. We respectfully object. Rec-Park and San Francisco can – and must – do better.

Very Truly Yours,

Richard Harris March 5, 2025

**RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 p.m., Agenda No. 2, Item 250604,
Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally.
Comment of San Francisco Public Golf Alliance**

Dear Chair Chan and Supervisors,

The San Francisco Public Golf Alliance (the “SFPGA”) is a San Francisco-based, 501(c)(3) public benefit organization representing over 7,000 public golfers of all ages, genders, persuasions, ethnicities, cultures and economic backgrounds.

The proposed legislation captioned “Park Code – Cost Recovery for Use of Golf Courses... Golf Course Fees Generally,” File No. 250604¹, set for hearing July 9 before Your Committee, includes significantly increased greens fees plus maintenance & cost recovery fee surcharges which would collectively raise costs 16% to 51% for resident public golfers at the various courses – with much bigger price hikes for non-residents and visitors. The Resident Senior weekend rate is eliminated completely.

For additional perspective, the current \$136 cost for a San Francisco Resident card represents a more-than 50% cost increase since 2020. The Pacifica Resident card (for play at Sharp Park only) would jump over 300%, from \$91 to \$300.

The SFPGA, along with the 7,000-plus public golfers we represent, recognizes the need to respond to the serious budgetary pressures impacting our city. However, we are deeply concerned that the proposed fee and surcharge increases unfairly overburden the public golfers—without improving the courses and without addressing the deeper, systemic challenges that continue to undermine the long-term sustainability of municipal golf in our city.

As discussed in our previously submitted letter to Your Committee dated June 23, 2025², San Francisco’s public golf courses suffer from persistent challenges, including:

- Need for a sustainable funding model
- Ensuring affordability and equitable access for all
- Chronic deferred maintenance
- Lack of investment renovating golf infrastructure and clubhouses

Our June 23 letter also points to the need for improved transparency from the Rec & Park Department. As to the Cost Recovery Fee and Maintenance Fee surcharges in the File No. 250604 legislation, we respectfully request descriptions and accountings of the Department's (i) costs to be "recovered" and fees collected, and (ii) uses made of surcharge fees collected.

For the SFPGA and our fellow-and-sister public golfers to support further greens fee increases and additional surcharges, we urge all concerned that the issues briefly outlined in our June 23 letter to Your Committee be addressed as part of a strategic plan, developed collaboratively among all San Francisco golf stakeholders – public golfers, Labor, SFRPD, current course management, and potential philanthropy. San Francisco's public golf courses have been, since John McLaren's day, among the City's priceless community recreational assets – for which we are all stewards for future generations.

Finally, we welcome the Rec & Park Department's public commitment in its June 20, 2025 Presentation to Your Committee, to "maintaining affordable access to municipal golf for all."³ We share that commitment, we are optimistic about the future of public golf in San Francisco, and we look forward to working together with all stakeholders to make it happen.

Respectfully submitted,

Richard Harris

Supervisors' Budget & Appropriations Subcommittee / June 23, 2025 Public Comment / Rec-Park

Dear Chair Chan and Honorable Supervisors,

The San Francisco Public Golf Alliance (SFPGA) is a San Francisco-based 501(c)(3) public benefit organization representing a diverse and growing community of 7,000-plus public golfers, dedicated to the promotion and preservation of affordable, environmentally friendly public golf for all.

Restoring Rec & Park General Fund Support for Public Golf in FY 2026–27

We applaud the Recreation and Park Department's June 20 revision to its budget proposal, which (1) formally withdrew the Department's original plan to eliminate what it called a \$7.5 million General Fund "subsidy" to its Golf Fund, and (2) reaffirmed the Department's commitment to "maintaining affordable access to municipal golf for all."¹ This is a crucial step, and we support it.

Transparency, Collaboration, and Long-Term Strategy

The current budget process highlights a broader issue: the absence of a long-term, strategic plan for San Francisco's municipal golf courses. A clear and transparent roadmap is essential to address the following persistent challenges:

- Need a sustainable funding model
- Ensuring affordability and equitable access for all
- Chronic deferred maintenance
- Lack of investment in renovating golf infrastructure and clubhouses.

¹ SF Rec & Park Supplemental Report to Budget and Appropriations Committee, Jn. 20, 2025, at pp. 9-10
<https://sfgov.legistar.com/View.ashx?M=F&ID=14312821&GUID=DDBE23FE-754A-474F-912F-A790055A1336>

For example, a key concern is the longstanding lease structure at several of the municipal golf courses, which have remained on month-to-month holdover status — at Lincoln and Sharp for more than 20 years. These indefinite holdover arrangements reduce stability and discourage capital investment, accelerating deterioration of clubhouses, infrastructure, and course conditions.

We respectfully urge the Mayor’s Office, Board of Supervisors, and the Recreation and Park Department to collaborate with key stakeholders — including the City’s workforce and the public golf community — on a comprehensive strategy, based on transparent information, that protects and improves San Francisco’s world-class municipal golf assets.

Philanthropic support was key for the renovations of the Harding Park and Fleming courses (2002–04) and the Golden Gate Park 9-hole course (2023–24). A meaningful public-private partnership can and should be part of the solution now.

Public golf is important in San Francisco

Public golf is deeply rooted in San Francisco’s civic and recreational legacy. From John McLaren’s early 20th-century vision for inclusive, affordable golf—when he personally oversaw the construction of Lincoln, Harding, and Sharp Park—to today’s programs for youth, seniors, women, and veterans, the City has been a pioneer and leader in public golf access and equity through initiatives like:

- Discount cards for residents
- Free or reduced-rate greens fees for children, school teams, and seniors
- The First Tee youth program
- Free lessons for women and wounded veterans
- Racial integration of golf in the mid-1950s.

In the post-COVID era, golf has seen a nationwide surge, with particularly strong growth in San Francisco. Golf fee and resident card revenues at the City’s municipal courses have averaged **\$11.1 million annually** over the past four fiscal years (FY 2020–21 through 2023–24)—a **54% increase** over the pre-pandemic annual average of \$7.2 million (FY 2016–17 through 2019–20).

In FY 2023–24, golf operations generated **\$16.1 million** in total revenue, including fees and concession income—making it the single largest source of earned revenue for Rec & Park, far outpacing income from garages, athletic fields, concerts, and aquatic facilities.²

Since the 1940s, San Francisco’s public and private golf courses have also served as distinguished venues for national and international championships, boosting tourism and elevating the City’s profile in the sporting world.

² **Recreation & Park Department Year-End Financial Report, Fiscal Year 2023-24**, at pp. 2, 4-5

<https://sfrecpark.org/DocumentCenter/View/24764/Item-3a-Financial-Report---Expenditure-and-Revenue-FY24-Year-End-Report-Final-101724?bidId=>

We are optimistic about the future of public golf in San Francisco and remain committed to working in collaboration with Civic leaders, labor, Rec & Park, and the broader community to sustain and grow this vital recreational tradition. With thoughtful planning, transparency, and collaboration, public golf can continue to thrive as an inclusive, accessible, and sustainable civic asset.

RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 p.m., Agenda No. 2, Item 250604, Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally.

Dear Chair Chan and SF Supervisors,

As a Board member of the Sharp Park Business Women's Golf Club (SPBWGC), I am writing to oppose the proposed fee increases for public golf in San Francisco.

Our club was incorporated in 1955 and has been continuously active since that time, making us one of the longest-running women's golf clubs in the region. Our members represent a diverse group of women ranging in age from their 20's to their 80's.

Our club members have actively promoted golf among women and youth in San Francisco for decades, including volunteering for First Tee, serving on the San Francisco Mayor's Women's Golf Council, and coaching girl's junior varsity teams at local high schools.

Affordable golf in the Bay Area promotes access to healthy outdoor recreation for residents from a range of income levels, including those on fixed retirement incomes. And although the exercise golf offers is important, the SPBWGC has also created a community of women from across the Bay Area who not only love the sport, but who truly care for and support one another through difficult times.

I understand that we are facing challenging financial circumstances. I also understand that in the face of so many other grave challenges that have emerged over the last seven months, appealing to you to keep fees for recreation might seem unimportant. But I maintain that having affordable access to recreation – and the community it creates – could not be more important than it is right now.

I hope that you will consider this as you make decisions about the proposed budget.

Sincerely,

Helen Duffy

Dear Chair and members of the Budget and Appropriations Committee:

My name is Alexi Papalexopoulos and I'm a San Francisco resident reaching out today to urge you to reject the Recreation and Parks Department's proposed budget, as it pertains to the privatization of our public golf courses.

San Francisco's public golf courses— Sharp Park, Lincoln Park, Harding Park, Golden Gate Park, and Gleneagles—are vital public assets. The residents and the city together find those lands to be important, as they offer affordable recreational opportunities, preserve green space in our dense urban environment, and serve as inclusive community hubs for people of all ages, backgrounds, and skill levels. These courses are not just for golfers; they are open parklands that support wildlife habitats and provide mental and physical health benefits to the public. It's the duty of the city to maintain those lands at an affordable rate.

A private company does not have the same mission as the Recreation and Parks Department. Privatization of management risks raising fees, limiting access, and reducing community oversight. We should not be willing to risk compromising an affordable rate for children, seniors, and low-income individuals or families. The public golf courses are here for the residents of San Francisco, taken care of by the city as an amenity to San Franciscans of any background. Turning over their management to private companies in response to what may be a temporary budget challenge is shortsighted. Once these spaces are privatized, it is extremely difficult to restore them to full public control.

I support exploring alternative revenue solutions—ones that do not compromise the public character and accessibility of these treasured spaces.

I urge this Committee to protect public land and equitable access to recreation by rejecting any budget proposal that includes or enables the privatization of our city's public golf courses.

OPEN LETTER: SAVE SAN FRANCISCO'S PUBLIC GOLF COURSES

Mayor Daniel Lurie and San Francisco Supervisors

We are San Francisco public golfers, diverse in every way – of all ages, genders, persuasions, races, neighborhoods, jobs, and economic strata. We love our beautiful public golf courses – Harding, Sharp, Lincoln, Fleming, Gleneagles and Golden Gate -- where we recreate and socialize with old friends and meet new ones. As a big and diverse community, we are dismayed that Rec & Park has proposed a Budget that would eliminate the Department's subsidy for the municipal golf courses in Fiscal Year 2026-27—effectively a *1/3 CUT in the Golf Budget. This is extreme and unfair* to golfers and unwise for Rec & Park and the City. And we urge that you do not defund the golf subsidy in the Fiscal Year 26-27 Budget. Golf is physically and mentally healthful outdoor activity, a Rec-Park core service and historically popular in the City since John McLaren hired the architects, planted the trees, and oversaw construction of Lincoln, Harding and Sharp in the first decades of the 20th Century. San Francisco, the Peninsula and Greater Bay Area are very high-profile golf areas and frequent hosts of major U.S. and international golf events -- including in 2025, when San Francisco will host the United States Amateur Golf Championship in August, and the Monterey Peninsula will this Fall host both the international men's Walker Cup competition and the United States Women's Mid-Amateur Championship. We know these are times of budget crunch at Rec-Park and the City. And we will carry a fair share. But this is NOT FAIR and not a reason or excuse to single-out public golf as Rec -Park's only recreational service to be completely cut off from its General Fund subsidy. We respectfully object. Rec-Park and San Francisco can – and must – do better.

Very Truly Yours,

Richard Harris March 5, 2025

President, San Francisco Public Golf Alliance

Public Comment – Opposing Privatization of Public Golf Courses (File No. 250589)

Good afternoon, Chair and members of the Budget and Appropriations Committee, My name is Isabella Frost, and I'm a San Francisco resident of 28 years reaching out today to urge you to reject the Recreation and Parks Department's proposed budget, as it pertains to the privatization of our public golf courses.

San Francisco's public golf courses— Sharp Park, Lincoln Park, Harding Park, Golden Gate Park, and Gleneagles—are vital public assets. The residents and the city together find those lands to be important, as they offer affordable recreational opportunities, preserve green space in our dense urban environment, and serve as inclusive community hubs for people of all ages, backgrounds, and skill levels. These courses are not just for golfers; they are open parklands that support wildlife habitats and provide mental and physical health benefits to the public. It's the duty of the city to maintain those lands at an affordable rate.

A private company does not have the same mission as the Recreation and Parks Department. Privatization of management risks raising fees, limiting access, and reducing community oversight. We should not be willing to risk compromising an affordable rate for children, seniors, and low-income individuals or families. The public golf courses are here for the residents of San Francisco, taken care of by the city as an amenity to San Franciscans of any background. Turning over their management to private companies in response to what may be a temporary budget challenge is shortsighted. Once these spaces are privatized, it is extremely difficult to restore them to full public control.

I support exploring alternative revenue solutions—ones that do not compromise the public character and accessibility of these treasured spaces.

I urge this Committee to protect public land and equitable access to recreation by rejecting any budget proposal that includes or enables the privatization of our city's public golf courses.

Thank you,

Isabella Frost

As a Transit Operator for SFMTA, I am very opposed to the taking of public lands and amenities and handing them to a for profit company which will restrict access to city residents with costs increases.

Hello,

My name is Jessica Johnson and I'm a San Francisco resident reaching out today to urge you to reject the Recreation and Parks Department's proposed budget, as it pertains to the privatization of our public golf courses.

San Francisco's public golf courses—Sharp Park, Lincoln Park, Harding Park, Golden Gate Park, and Gleneagles—are vital public assets. The residents and the city together find those lands to be important, as they offer affordable recreational opportunities, preserve green space in our dense urban environment, and serve as inclusive community hubs for people of all ages, backgrounds, and skill levels. These courses are not just for golfers; they are open parklands that support wildlife habitats and provide mental and physical health benefits to the public. It's the duty of the city to maintain those lands at an affordable rate.

A private company does not have the same mission as the Recreation and Parks Department. Privatization of management risks raising fees, limiting access, and reducing community oversight. We should not be willing to risk compromising an affordable rate for children, seniors, and low-income individuals or families. The public golf courses are here for the residents of San Francisco, taken care of by the city as an amenity to San Franciscans of any background. Turning over their management to private companies in response to what may be a temporary budget challenge is shortsighted. Once these spaces are privatized, it is extremely difficult to restore them to full public control.

I support exploring alternative revenue solutions—ones that do not compromise the public character and accessibility of these treasured spaces.

I urge this Committee to protect public land and equitable access to recreation by rejecting any budget proposal that includes or enables the privatization of our city's public golf courses.

Thanks!
Jessica

Good morning, Chair and members of the Budget and Appropriations Committee, My name is Gabriel, and I'm a San Francisco resident reaching out today to urge you to reject the Recreation and Parks Department's proposed budget, as it pertains to the privatization of our public golf courses.

I grew up in a low-income household in the Sunset district. The City's public courses allowed me affordable, accessible places to learn the game of golf. But moreover those courses became places to learn life lessons, meet people I otherwise never would have, and grow as a person. And all this was accessible to me (via a MUNI ride) because of affordable green fees and the City's youth golf programs. These experiences were invaluable to myself and my brothers and only existed because of the City's Public Courses.

Golf remains an important part of my life and I'm extremely impressed with the recent improvements at the City's public courses, GGPGC and Lincoln Park GC especially. Whenever I play any of the public courses in the city with visitors, they always remark about how cool it is to have quality PUBLIC courses within the city limits. I agree.

Residents and the city together find those lands to be important, as they offer affordable recreational opportunities, preserve green space in our dense urban environment, and serve as inclusive community hubs for people of all ages, backgrounds, and skill levels. Hello Mr. Jalipa,

I'm writing to express concern about the proposed city budget that could lead to the privatization of San Francisco's public golf courses, including Sharp Park, Lincoln Park, Harding Park, Golden Gate Park, and Gleneagles.

As someone who actively uses and values these public courses, I've seen how vital they are to our city. They provide affordable access to green space, recreation, and a sense of community for people from all walks of life.

I also host a monthly golf group with local professionals, and many of our outings are held at these public courses. If they were to become private, we would likely be priced out or lose access altogether. These spaces are more than places to play—they're part of San Francisco's inclusive fabric.

Public golf courses are just as important as our parks. They offer open space, promote wellness, and bring people together. Programs like First Tee are doing incredible work to make golf more inclusive for underserved youth, and I believe the city should focus on expanding access through initiatives like that—not privatization.

Please consider the long-term consequences on accessibility, equity, and community life. I respectfully urge you and the Budget & Appropriations Committee to oppose any budget measures that would lead to the privatization of our public golf courses (File No. 250589).

Thank you for your time and consideration.

Sincerely,

Deirdre Connor

My name is Christina Haight and I'm a San Francisco resident reaching out today to urge you to reject the Recreation and Parks Department's proposed budget, as it pertains to the privatization of our public golf courses.

San Francisco's public golf courses— Sharp Park, Lincoln Park, Harding Park, Golden Gate Park, and Gleneagles—are vital public assets. The residents and the city together find those lands to be important, as they offer affordable recreational opportunities, preserve green space in our dense urban environment, and serve as inclusive community hubs for people of all ages, backgrounds, and skill levels. These courses are not just for golfers; they are open parklands that support wildlife habitats and provide mental and physical health benefits to the public. It's the duty of the city to maintain those lands at an affordable rate.

A private company does not have the same mission as the Recreation and Parks Department. Privatization of management risks raising fees, limiting access, and reducing community oversight. We should not be willing to risk compromising an affordable rate for children, seniors, and low-income individuals or families. The public golf courses are here for the residents of San Francisco, taken care of by the city as an amenity to San Franciscans of any background. Turning over their management to private companies in response to what may be a temporary budget challenge is shortsighted. Once these spaces are privatized, it is extremely difficult to restore them to full public control.

I support exploring alternative revenue solutions—ones that do not compromise the public character and accessibility of these treasured spaces.

I urge this Committee to protect public land and equitable access to recreation by rejecting any budget proposal that includes or enables the privatization of our city's public golf courses.

Thank you

Hello Brent,

Could you pass this along to wherever it would matter most.

The privatization of San Francisco's public golf courses—including Sharp Park, Lincoln Park, Golden Gate Park, Harding Park, and Gleneagles is not good for the City, the residents and visitors that golf at these courses, nor for the employees that work so hard to keep these courses as beautiful as they are.

My name is Mark Gonzales,

I am a retired City employee, I retired as a Deputy Chief from the SFFD over 6 years ago. I play all of the public courses regularly.

Privatizing these courses would mean higher fees, less community access, and a loss of good union jobs. These courses are more than places to play golf—they are open parkland, wildlife habitat, and affordable, accessible public golf courses.

The kids of the City and the Retired residents of the City use and love these courses as is. Please keep them public!!!

Dear Supervisors,

As the City budget shrinks, it's crucial to preserve essential services for San Franciscans. Access to green spaces for active recreation, socializing, and quiet enjoyment of nature is essential for our physical and mental health. Public parks allow us to exercise our bodies, relax and reduce stress, and connect with people. Research shows we are biophilic by nature, and being around trees and plants is essential to human well-being.

We have reviewed the Recreation and Parks budget proposals, and are impressed by how the department has sought to preserve essential services consistent with San Francisco's equity, health, and environmental goals.

We are municipalists, and believe that City government should play a robust role in providing the public infrastructure and services essential for human and biospheric well-being. However it is important to distinguish between public goods, which should be provided to equitably and at high quality free of charge, and services which ought to be publicly provided on a fee-for-service or cost-recovery basis. The latter include services which have high costs, generate negative externalities, make large demands on limited resources. Everyone should be able to access green and well-maintained parks and open spaces within a short walk of one's home, and enjoy ample opportunities for recreation, connection with nature, and structured and unstructured play. However storing one's private car in a public park is not a public good. Cars are large and space in parks is limited. Cars create health, safety, and environmental liabilities for other users of public space. Charging for parking is both fair and effective. It recovers some of the public cost of providing and maintaining automobile infrastructure, reduces conflicts over limited space, and encourages people to choose sustainable transportation alternatives more often. We have been urging SFMTA, which has chosen to cut essential transit and sustainable mobility while refusing to consider greater cost recovery for private car storage, to follow Recreation and Parks's equitable and sustainable approach. Greater cost-recovery for golf courses is also fair - golf courses require enormous amounts of public space, water, chemicals, and maintenance and serve relatively few users.

San Francisco's park system is excellent – something we should all be proud of, and a model for how we should deliver other public services. It is made possible by the diligence of Recreation and Parks staff, and R&P staffing should not be cut. Thousands of San Franciscans contribute their time and their money to caring for and improving parks and natural areas. Stewardship of public places is good for us individually - it gets us outdoors moving our bodies. It builds community. It is good for the city as a whole, including the native plants and animals we share this place with. Community stewardship of public places is far more effective with city support, including staff support (gardeners, natural resource specialists, and the community garden program, etc), design, planning, and administrative support from professional staff, and grants which can be matched with donations, philanthropy, and volunteer labor and expertise. Community stewardship has taken a hit in the last year from corruption in the Community Challenge Grant program and the collapse of San Francisco Parks Alliance. It's essential that the City continue supporting community stewardship through its programs, Recreation and Parks' partnership division, and making grants available to community groups with minimal rigamarole. Even though budget times are tough, the City should do more, not less, to support community stewardship, understanding that it's an investment rather than an expense.

The R&P budget proposal is equitable and sustainable, maintains essential services for San Franciscans, and preserves the jobs of hard-working and effective public employees. It deserves your full support.

Sincerely,

Tom Radulovich

Hello Budget Committee, and CCing Supervisor Chen (my supervisor),

I came to the budget committee meeting today to voice my support for Rec & Park. I arrived at 10am and had to leave before 2pm so did not get to provide comment in person. Below is a copy of my 1 minute of remarks I prepared. Thank you for including them in your consideration.

Kindly,
Sonya

My name is Sonya Dreizler and I'm here to urge full financial support for Rec & Park programs. I have lived in The City for 23 years and raised a family here for the last 15 of those. When my kids were little we saw lots of families leave for the suburbs because they wanted a backyard, or more community, or they wanted their kids to join a swim team.

Like many other families, my family stayed. And Rec & Park has offered all of those amenities - and more - to our kids.

— The parks offer a **collective backyard** for all city families.

— The programs - from art classes to rock climbing, summer camps to sports teams (even a **swim team!**) - are amazing for both kids and adults.

— And the sense of **community** - though hard to articulate - may be the most valuable thing Rec & Park provides. All over the city, my kids see people they know - from Rec & Park baseball teams, art camp, swim lessons, or Camp Mather. And the instructors and park staff know and look out for all the kids.

In a busy and increasingly tech focused city, Rec & Park programs and people foster *in real life* community and a deep sense of belonging. Please fully fund these people, programs, and places that make The City a great place to live.

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis and pickleball community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

Thanks,

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis and pickleball community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

Thanks.

Dear BOS Members,

In the budget and appropriations meeting on Friday, June 20, 2025, RPD presented items 13-16 on sources of funding as a binary between maintaining employment and fees (specifically, court fees for tennis and pickleball). This framing is misleading, and they are not mutually exclusive.

The presentation by RPD was made after public comment, and there was no opportunity for the public to respond. We are not against all the fees. We are against RPD unfairly targeting the tennis and pickleball community.

When compared with the other items, the revenue from courts is minimal (~5%) compared to the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in public comments, an adjustment of just **thirty (30)** cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke on Friday, including golf course employees, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

I continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations] Better solutions that do not undermine community recreation exist and have been presented to the BOS.

BOS Members:

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis and pickleball community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

Thanks & please don't charge us for the use of public courts; it will cost you more to keep track of the small amount of fees you'll collect.

Sincerely,

Hello,

I do not feel it is fair to charge fees for use of the public courts. Technically the courts at GGP are public, and they already charge fees albeit with a nicely maintained facility. Paying for court fees I think would only be anywhere remotely fair IF all of the public courts for reservations are in good condition; some would need to be resurfaced. Having to pay the same amount for older courts and recently resurfaced courts makes no sense, there would be such an enormous discrepancy. Those are my two cents. Growing up as a kid I played on free public courts, it's just normal to me. But I digress. I don't want to be charged any court fees, and would only consider it marginally justifiable if older courts are resurfaced and all maintained to a high standard across the board.

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis and pickleball community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

Thanks,

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis and pickleball community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

To the Esteemed Board Of Supervisors

I noticed that in the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). The revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting.

The framing is misleading; these points are not mutually exclusive. The RPD presentation occurred after public comment, with no chance for response. This denied the public a fair opportunity to address or rebut their statements.

As noted in public comment, raising Golden Gate parking meter rates by just 30 cents would replace all lost court fee revenue. This solution would protect jobs and preserve recreational programs. Please reject Ordinance -250603 [Park Code - Court Reservations] and consider alternatives that support community recreation.

Thanks,
Toby

BOS Members,

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

Thanks,
Flávia Oliveira

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis community.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

When compared with the other items, the revenue from courts is minimal (~5%) of the revenue on RPD's items 13-16 of the Budget and Appropriations meeting. As mentioned in the public comment, an adjustment of just 30 cents to the Golden Gate parking meters would cover the entire revenue generated from court fees.

This would satisfy all the parties that spoke today, including the employees at the golf course, RPD employees at risk of layoff, and those interested in the continuation of other recreational programs.

We continue to urge you to reject Ordinance -250603 [Park Code - Court Reservations], when better solutions that do not undermine community recreation exist and have been presented.

Thanks,

In the budget and appropriations meeting on Friday, RPD presented items 13-16 on sources of funding as a binary between keeping the employment and fees (specifically, court fees). This framing is misleading, and they are not mutually exclusive.

Their presentation was made after the public comment, and there was no opportunity to respond. We are not against all the fees, just against unfairly targeting the tennis community.

SAN FRANCISCO PUBLIC GOLF ALLIANCE

826 Stanyan St., San Francisco, CA. 94117 415-290-5718 info@sfpublicgolf.org

OPEN LETTER: SAVE SAN FRANCISCO'S PUBLIC GOLF COURSES

Mayor Daniel Lurie and San Francisco Supervisors

We are San Francisco public golfers, diverse in every way – of all ages, genders, persuasions, races, neighborhoods, jobs, and economic strata. We love our beautiful public golf courses – Harding, Sharp, Lincoln, Fleming, Gleneagles and Golden Gate -- where we recreate and socialize with old friends and meet new ones. As a big and diverse community, we are dismayed that Rec & Park has proposed a Budget that would eliminate the Department's subsidy for the municipal golf courses in Fiscal Year 2026-27—effectively a *1/3 CUT in the Golf Budget. This is extreme and unfair* to golfers and unwise for Rec & Park and the City. And we urge that you do not defund the golf subsidy in the Fiscal Year 26-27 Budget. Golf is physically and mentally healthful outdoor activity, a Rec-Park core service and historically popular in the City since John McLaren hired the architects, planted the trees, and oversaw construction of Lincoln, Harding and Sharp in the first decades of the 20th Century. San Francisco, the Peninsula and Greater Bay Area are very high-profile golf areas and frequent hosts of major U.S. and international golf events -- including in 2025, when San Francisco will host the United States Amateur Golf Championship in August, and the Monterey Peninsula will this Fall host both the international men's Walker Cup competition and the United States Women's Mid-Amateur Championship. We know these are times of budget crunch at Rec-Park and the City. And we will carry a fair share. But this is NOT FAIR and not a reason or excuse to single-out public golf as Rec -Park's only recreational service to be completely cut off from its General Fund subsidy. We respectfully object. Rec-Park and San Francisco can – and must – do better.

Very Truly Yours,

Richard Harris March 5, 2025

**RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 p.m., Agenda No. 2, Item 250604,
Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally.
Comment of San Francisco Public Golf Alliance**

Dear Chair Chan and Supervisors,

The San Francisco Public Golf Alliance (the “SFPGA”) is a San Francisco-based, 501(c)(3) public benefit organization representing over 7,000 public golfers of all ages, genders, persuasions, ethnicities, cultures and economic backgrounds.

The proposed legislation captioned “Park Code – Cost Recovery for Use of Golf Courses... Golf Course Fees Generally,” File No. 250604¹, set for hearing July 9 before Your Committee, includes significantly increased greens fees plus maintenance & cost recovery fee surcharges which would collectively raise costs 16% to 51% for resident public golfers at the various courses – with much bigger price hikes for non-residents and visitors. The Resident Senior weekend rate is eliminated completely.

For additional perspective, the current \$136 cost for a San Francisco Resident card represents a more-than 50% cost increase since 2020. The Pacifica Resident card (for play at Sharp Park only) would jump over 300%, from \$91 to \$300.

The SFPGA, along with the 7,000-plus public golfers we represent, recognizes the need to respond to the serious budgetary pressures impacting our city. However, we are deeply concerned that the proposed fee and surcharge increases unfairly overburden the public golfers—without improving the courses and without addressing the deeper, systemic challenges that continue to undermine the long-term sustainability of municipal golf in our city.

As discussed in our previously submitted letter to Your Committee dated June 23, 2025², San Francisco’s public golf courses suffer from persistent challenges, including:

- Need for a sustainable funding model
- Ensuring affordability and equitable access for all
- Chronic deferred maintenance
- Lack of investment renovating golf infrastructure and clubhouses

Supervisors' Budget & Appropriations Subcommittee / June 23, 2025 Public Comment / Rec-Park

Dear Chair Chan and Honorable Supervisors,

The San Francisco Public Golf Alliance (SFPGA) is a San Francisco-based 501(c)(3) public benefit organization representing a diverse and growing community of 7,000-plus public golfers, dedicated to the promotion and preservation of affordable, environmentally friendly public golf for all.

Restoring Rec & Park General Fund Support for Public Golf in FY 2026–27

We applaud the Recreation and Park Department's June 20 revision to its budget proposal, which (1) formally withdrew the Department's original plan to eliminate what it called a \$7.5 million General Fund "subsidy" to its Golf Fund, and (2) reaffirmed the Department's commitment to "maintaining affordable access to municipal golf for all."¹ This is a crucial step, and we support it.

Transparency, Collaboration, and Long-Term Strategy

The current budget process highlights a broader issue: the absence of a long-term, strategic plan for San Francisco's municipal golf courses. A clear and transparent roadmap is essential to address the following persistent challenges:

- Need a sustainable funding model
- Ensuring affordability and equitable access for all
- Chronic deferred maintenance
- Lack of investment in renovating golf infrastructure and clubhouses.

¹ **SF Rec & Park Supplemental Report to Budget and Appropriations Committee, Jn. 20, 2025, at pp. 9-10**
<https://sfgov.legistar.com/View.ashx?M=F&ID=14312821&GUID=DDBE23FE-754A-474F-912F-A790055A1336>

For example, a key concern is the longstanding lease structure at several of the municipal golf courses, which have remained on month-to-month holdover status — at Lincoln and Sharp for more than 20 years. These indefinite holdover arrangements reduce stability and discourage capital investment, accelerating deterioration of clubhouses, infrastructure, and course conditions.

We respectfully urge the Mayor’s Office, Board of Supervisors, and the Recreation and Park Department to collaborate with key stakeholders — including the City’s workforce and the public golf community — on a comprehensive strategy, based on transparent information, that protects and improves San Francisco’s world-class municipal golf assets.

Philanthropic support was key for the renovations of the Harding Park and Fleming courses (2002–04) and the Golden Gate Park 9-hole course (2023–24). A meaningful public-private partnership can and should be part of the solution now.

Public golf is important in San Francisco

Public golf is deeply rooted in San Francisco’s civic and recreational legacy. From John McLaren’s early 20th-century vision for inclusive, affordable golf—when he personally oversaw the construction of Lincoln, Harding, and Sharp Park—to today’s programs for youth, seniors, women, and veterans, the City has been a pioneer and leader in public golf access and equity through initiatives like:

- Discount cards for residents
- Free or reduced-rate greens fees for children, school teams, and seniors
- The First Tee youth program
- Free lessons for women and wounded veterans
- Racial integration of golf in the mid-1950s.

In the post-COVID era, golf has seen a nationwide surge, with particularly strong growth in San Francisco. Golf fee and resident card revenues at the City’s municipal courses have averaged **\$11.1 million annually** over the past four fiscal years (FY 2020–21 through 2023–24)—a **54% increase** over the pre-pandemic annual average of \$7.2 million (FY 2016–17 through 2019–20).

In FY 2023–24, golf operations generated **\$16.1 million** in total revenue, including fees and concession income—making it the single largest source of earned revenue for Rec & Park, far outpacing income from garages, athletic fields, concerts, and aquatic facilities.²

Since the 1940s, San Francisco’s public and private golf courses have also served as distinguished venues for national and international championships, boosting tourism and elevating the City’s profile in the sporting world.

² **Recreation & Park Department Year-End Financial Report, Fiscal Year 2023-24**, at pp. 2, 4-5
<https://sfrecpark.org/DocumentCenter/View/24764/Item-3a-Financial-Report---Expenditure-and-Revenue-FY24-Year-End-Report-Final-101724?bidId=>

We are optimistic about the future of public golf in San Francisco and remain committed to working in collaboration with Civic leaders, labor, Rec & Park, and the broader community to sustain and grow this vital recreational tradition. With thoughtful planning, transparency, and collaboration, public golf can continue to thrive as an inclusive, accessible, and sustainable civic asset.

Respectfully submitted,

Richard Harris

RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 p.m., Agenda No. 2, Item 250604, Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally.

Dear Chair Chan and SF Supervisors,

As a Board member of the Sharp Park Business Women's Golf Club (SPBWGC), I am writing to oppose the proposed fee increases for public golf in San Francisco.

Our club was incorporated in 1955 and has been continuously active since that time, making us one of the longest-running women's golf clubs in the region. Our members represent a diverse group of women ranging in age from their 20's to their 80's.

Our club members have actively promoted golf among women and youth in San Francisco for decades, including volunteering for First Tee, serving on the San Francisco Mayor's Women's Golf Council, and coaching girl's junior varsity teams at local high schools.

Affordable golf in the Bay Area promotes access to healthy outdoor recreation for residents from a range of income levels, including those on fixed retirement incomes. And although the exercise golf offers is important, the SPBWGC has also created a community of women from across the Bay Area who not only love the sport, but who truly care for and support one another through difficult times.

I understand that we are facing challenging financial circumstances. I also understand that in the face of so many other grave challenges that have emerged over the last seven months, appealing to you to keep fees for recreation might seem unimportant. But I maintain that having affordable access to recreation – and the community it creates – could not be more important than it is right now.

I hope that you will consider this as you make decisions about the proposed budget.

Sincerely,

Helen Duffy

Dear Chair Chan, Supervisors and Mayor Lurie--

I am the President of Gleneagles Golf Club, having discovered golf and the City's thriving public golf community at the age of 50. Golf substantially supported my mental health during the Covid years and beyond. I have watched with great interest as golfers have increasingly embraced public golf at Gleneagles -- one of the more interesting tracks in a wonderful setting and an incredible bay view from the clubhouse.

Earlier this year, we were shocked at the news that Rec and Park was proposing to eliminate its \$6mm public golf subsidy, essentially privatizing the courses and pricing out much of the diverse population reliant upon the City's public courses to regularly play the game they love.

Today, I applaud the Board for jettisoning that proposal in favor of reasonable fee increases. On that note, in adopting increased fees, I urge the Board to bear in mind all socio-economic levels to ensure that ALL City residents can afford to play public golf in San Francisco.

Moreover, I urge the Board to direct Rec and Park to use its significant Golf Maintenance Fund on better maintaining all SF public courses. Properly allocating these funds for maintenance would reduce the need for additional surcharge fees on top of increased greens fees. The attachment to this email indicates that in 2024-2025 Rec and Park raised about \$3.4mm for maintenance but only actually spent \$704k on maintenance. Rec and Park must be better stewards of the revenues they generate which would reduce the need for increased fees.

Finally, in order for our excellent public courses to continue in perpetuity I respectfully request the Board to do what it can to guide Rec and Park to reasonably negotiate long-term leases with existing operators (or others) at Gleneagles, Lincoln, and Sharp Park. Doing so will provide operators with stability and the ability to develop long term plans for improving the courses.

Thank you for your valuable time and the work you do.

Warm regards,

Patrick D. Goggin

Comment of San Francisco Public Golf Alliance**

Dear Chair Chan and Supervisors,

The San Francisco Public Golf Alliance (the “SFPGA”) is a San Francisco-based, 501(c)(3) public benefit organization representing over 7,000 public golfers of all ages, genders, persuasions, ethnicities, cultures and economic backgrounds.

The proposed legislation captioned “Park Code – Cost Recovery for Use of Golf Courses... Golf Course Fees Generally,” File No. 250604¹, set for hearing July 9 before Your Committee, includes significantly increased greens fees plus maintenance & cost recovery fee surcharges which would collectively raise costs 16% to 51% for resident public golfers at the various courses – with much bigger price hikes for non-residents and visitors. The Resident Senior weekend rate is eliminated completely.

For additional perspective, the current \$136 cost for a San Francisco Resident card represents a more-than 50% cost increase since 2020. The Pacifica Resident card (for play at Sharp Park only) would jump over 300%, from \$91 to \$300.

The SFPGA, along with the 7,000-plus public golfers we represent, recognizes the need to respond to the serious budgetary pressures impacting our city. However, we are deeply concerned that the proposed fee and surcharge increases unfairly overburden the public golfers—without improving the courses and without addressing the deeper, systemic challenges that continue to undermine the long-term sustainability of municipal golf in our city.

As discussed in our previously submitted letter to Your Committee dated June 23, 2025², San Francisco’s public golf courses suffer from persistent challenges, including:

- Need for a sustainable funding model
- Ensuring affordability and equitable access for all
- Chronic deferred maintenance
- Lack of investment renovating golf infrastructure and clubhouses

Our June 23 letter also points to the need for improved transparency from the Rec & Park Department. As to the Cost Recovery Fee and Maintenance Fee surcharges in the File No. 250604 legislation, we respectfully request descriptions and accountings of the Department's (i) costs to be "recovered" and fees collected, and (ii) uses made of surcharge fees collected.

For the SFPGA and our fellow-and-sister public golfers to support further greens fee increases and additional surcharges, we urge all concerned that the issues briefly outlined in our June 23 letter to Your Committee be addressed as part of a strategic plan, developed collaboratively among all San Francisco golf stakeholders – public golfers, Labor, SFRPD, current course management, and potential philanthropy. San Francisco's public golf courses have been, since John McLaren's day, among the City's priceless community recreational assets – for which we are all stewards for future generations.

Finally, we welcome the Rec & Park Department's public commitment in its June 20, 2025 Presentation to Your Committee, to "maintaining affordable access to municipal golf for all."³ We share that commitment, we are optimistic about the future of public golf in San Francisco, and we look forward to working together with all stakeholders to make it happen.

RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 pm, Agenda No. 2, Item 250604, Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally

Dear Chair Chan and Supervisors,

I am a public golfer in San Francisco. I discovered the joys of golf later in life and now play as often as possible. Golf is a wonderful activity that people of all ages and abilities play together. I play with random folks whom I don't know, and they are the nicest, most interesting San Franciscans from all walks of life.

I started as a beginner at Fleming 9, became halfway decent, and now play at Harding Park. Green fees have risen sharply over the last few years. Prices are already high and raising them by the amounts proposed means I will no longer be able to afford to play our wonderful courses as often. Thus, the increased fees will cause me to contribute fewer dollars overall to the course and city, ultimately reducing revenue.

I strongly **urge you not to pass** the legislation Park Code – Cost Recovery for Use of Golf Courses, Golf Course Fees Generally, file No. 250604, scheduled for July 9, 2025.

Sincerely,

Jim Retzlaff

**RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 p.m., Agenda No. 2, Item 250604,
Park Code, Cost Recovery for Use of Golf Courses, etc.**

Dear Chair Chan, District 3 Supervisor Sauter, and SF Board of Supervisors,

My name is Mike Wallach. I am a 40 year resident of San Francisco and 30 year resident in District 3. Although I am a member, supporter, and Director of the San Francisco Public Golf Alliance, my thoughts here are not representing the organization, but rather my personal perspective as an enthusiastic but bad golfer and long time frequent patron of San Francisco's beautiful and historic municipal golf courses.

I have reviewed the subject file and proposed Ordinance regarding the proposed increases in golf fees and would like to offer some comments for your consideration.

First, let me state I recognize there is a budget crisis facing the City and realize hard decisions must be made. The budget cut burden to City services will be borne by many, and public golfers are not an exception. I do not envy your difficult task in this fiscal environment. I am fortunate that I personally will not be overly impacted by the dramatic increase in fees but I know many who will. Among them are the disadvantaged and most financially vulnerable for whom partaking in our municipal gems bring a very significant health and enjoyment benefit to their lives.

I am a believer in the San Francisco Public Golf Alliance Mission of preserving eco-friendly affordable golf at the City courses to ensure that current and future generations of golfers can enjoy San Francisco's beautiful, historic, affordable courses. This is completely consistent with The San Francisco Recreation and Park Department's Mission *"To provide enriching recreational activities, maintain beautiful parks and preserve the environment for the well-being of everyone in our diverse community."*

There are inequitable, unreasonable, and unfair aspects to the proposed fee increases.

Some of the proposed increases in the golf Resident Card and course green fees run counter to the RecPark Mission. For some of the most financially vulnerable, including seniors on fixed incomes, students, and working class golfers significantly impacted by the current inflationary and tariff tax economic uncertainty, these fees are not affordable. They will be among our *"diverse community"* excluded from participating in the *"enriching recreational activities"* and *"well-being"* they enjoy playing the City's muni golf courses today.

The Pacifica Resident Card increase is punitive, unreasonable and counterproductive. The purpose of the Resident Card is to provide residents discounted fees on the golf courses. While San Francisco Residents enjoy the benefits of the Resident Card at all the San Francisco municipal courses, Pacifica Residents only enjoy the benefits at the Sharp Park Course, but at more than twice the price for the card

over SF residents. And this is on top of the increased green fees at Sharp which are among the most significant proposed increases of all the San Francisco muni courses. It seems likely that the double whammy of a massive increase in the Pacifica Resident Card which is only usable for paying significantly higher green fees at Sharp will result in a precipitous drop in both in both Pacifica Resident Card subscriptions and Pacifica resident rounds at Sharp Park. There is a realistic possibility that the unintended consequence will be little or no increase in revenue to RecPark and the City from Pacifica residents playing Sharp Park. Which would mean that the proposed increases completely fail to meet the objective of helping to address the City budget crisis.

My suggestions:

- 1. Do not increase the Resident Card or course Green Fees for juniors, students and seniors.**
- 2. Create a subsidized low income / asset tested lower cost Resident Card with reduced fees.**
- 3. Make the Pacifica Resident Card fee consistent with the SF Resident Card fee.**
- 4. Seriously consider the concerns and suggestions of the San Francisco Public Golf Alliance as outlined in their letter of July 9, 2025.**

Thank you for your consideration of my comments and suggestions.

Dear Chair Chan, Supervisors and Mayor Lurie--

I am the President of Gleneagles Golf Club, having discovered golf and the City's thriving public golf community at the age of 50. Golf substantially supported my mental health during the Covid years and beyond. I have watched with great interest as golfers have increasingly embraced public golf at Gleneagles -- one of the more interesting tracks in a wonderful setting and an incredible bay view from the clubhouse.

Earlier this year, we were shocked at the news that Rec and Park was proposing to eliminate its \$6mm public golf subsidy, essentially privatizing the courses and pricing out much of the diverse population reliant upon the City's public courses to regularly play the game they love.

Today, I applaud the Board for jettisoning that proposal in favor of reasonable fee increases. On that note, in adopting increased fees, I urge the Board to bear in mind all socio-economic levels to ensure that ALL City residents can afford to play public golf in San Francisco.

Moreover, I urge the Board to direct Rec and Park to use its significant Golf Maintenance Fund on better maintaining all SF public courses. Properly allocating these funds for maintenance would reduce the need for additional surcharge fees on top of increased greens fees. The attachment to this email indicates that in 2024-2025 Rec and Park raised about \$3.4mm for maintenance but only actually spent \$704k on maintenance. Rec and Park must be better stewards of the revenues they generate which would reduce the need for increased fees.

Finally, in order for our excellent public courses to continue in perpetuity I respectfully request the Board to do what it can to guide Rec and Park to reasonably negotiate long-term leases with existing operators (or others) at Gleneagles, Lincoln, and Sharp Park. Doing so will provide operators with stability and the ability to develop long term plans for improving the courses.

Thank you for your valuable time and the work you do.

Warm regards,

Patrick D. Goggin

Thank you, Lily Achatz

Good Afternoon Supervisors. My name is Lily Achatz and I work with the San Francisco Public Golf Alliance. I am also the President of the Harding Park Women's Golf Club (which we restored 4 years ago after 25 year dormancy) and The SF Women's Golf Alliance. We collaborate and partner with all the SF municipal women's and men's clubs to create affordable golf events and opportunities for public golfers. We also support Junior organizations like First Tee, Youth on Course and US Kids that rely on public golf. I am here on behalf of my community at Harding Park/Fleming, Sharp Park, Lincoln, Gleneagles and Golden Gate golf courses. We oppose the Recreation & Parks Department proposed and unfair budget cut of 6M, 1/3 of the golf budget which would put our golf courses at risk and/or make golf unaffordable. This would greatly affect minorities, women, veterans, low-income families/individuals, and juniors.

I have witnessed, first-hand, the mental and physical health benefits golf provides especially to those in our clubs who suffered greatly during Covid and also our friends of PGA Hope, *the non profit that introduces golf to veterans in order to enhance their mental, social, physical, and emotional well-being*. Golf has kept some of our veterans off the streets. Golf is a physically and mentally healthful outdoor activity, and is unusual among sports because it can be played together by people of all kinds -- all abilities, ages, genders, persuasions, incomes and backgrounds. And it is a great place to meet and be with people. Our community is more diverse culturally and spans across all age groups, more than any sport in San Francisco. In light of what is happening today with ICE, we must protect our diversity. As a bi-racial Samoan-German female born in San Francisco, I feel more comfortable playing on our public courses. Our public golf community can't afford to pay thousands of dollars to join a country club and it would be a disservice to keep us out of this social sport that brings people together and in many cases creates a future, a dream. Five years ago, I met 10 year old Hazel who was playing at Sharp Park, her home course. Her whole family was there and she became a regular at almost all of the SF municipal courses and still is. But now, she is part of the PGA Junior League, won the US Kids World Championship at Pinehurst and has her name on the Peter Hay Junior Trophy at Pebble Beach. She is on track to get a golf scholarship for college and one day become a professional golfer. It would have been impossible for her to achieve what she has without our public golf courses.

Please help us in preserving what John McLaren, Godfather of Recreation & Parks, believed in. He built the City's first courses -- Lincoln, Harding and Sharp Park -- in the early 1900's -- personally hiring the architects, planting the trees, and overseeing construction. Protect his Scottish tradition of golf as public recreation -- not hidden behind private walls. And protect the dreams of generations to come.

RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 p.m., Agenda No. 2, Item 250604, Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally.

Dear Chair Chan and Supervisors,

I am a public golfer, President of the Harding Park Golf Club, and member of the San Francisco Public Golf Alliance (SFPGA). Our club and its 140 members are not in favor of the proposed legislation captioned **“Park Code – Cost Recovery for Use of Golf Courses... Golf Course Fees Generally,” File No. 2506041**, set for hearing July 9 before Your Committee.

We do support the plan proposed by the SFPGA to perform a more wholistic approach to funding and maintaining our great golf properties. Please see the letter from the SFPGA by Richard Harris dated July 9.

Let’s get all parties together to meet and come up with creative and long lasting solutions that produce affordable and great golf and other recreational activities for the residents of San Francisco.

Thank-you, .

Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally.
Comment of San Francisco Public Golf Alliance**

Dear Chair Chan and Supervisors,

The San Francisco Public Golf Alliance (the “SFPGA”) is a San Francisco-based, 501(c)(3) public benefit organization representing over 7,000 public golfers of all ages, genders, persuasions, ethnicities, cultures and economic backgrounds.

The proposed legislation captioned “Park Code – Cost Recovery for Use of Golf Courses... Golf Course Fees Generally,” File No. 250604¹, set for hearing July 9 before Your Committee, includes significantly increased greens fees plus maintenance & cost recovery fee surcharges which would collectively raise costs 16% to 51% for resident public golfers at the various courses – with much bigger price hikes for non-residents and visitors. The Resident Senior weekend rate is eliminated completely.

For additional perspective, the current \$136 cost for a San Francisco Resident card represents a more-than 50% cost increase since 2020. The Pacifica Resident card (for play at Sharp Park only) would jump over 300%, from \$91 to \$300.

The SFPGA, along with the 7,000-plus public golfers we represent, recognizes the need to respond to the serious budgetary pressures impacting our city. However, we are deeply concerned that the proposed fee and surcharge increases unfairly overburden the public golfers—without improving the courses and without addressing the deeper, systemic challenges that continue to undermine the long-term sustainability of municipal golf in our city.

As discussed in our previously submitted letter to Your Committee dated June 23, 2025², San Francisco’s public golf courses suffer from persistent challenges, including:

- Need for a sustainable funding model
- Ensuring affordability and equitable access for all
- Chronic deferred maintenance
- Lack of investment renovating golf infrastructure and clubhouses

Our June 23 letter also points to the need for improved transparency from the Rec & Park Department. As to the Cost Recovery Fee and Maintenance Fee surcharges in the File No. 250604 legislation, we respectfully request descriptions and accountings of the Department's (i) costs to be "recovered" and fees collected, and (ii) uses made of surcharge fees collected.

For the SFPGA and our fellow-and-sister public golfers to support further greens fee increases and additional surcharges, we urge all concerned that the issues briefly outlined in our June 23 letter to Your Committee be addressed as part of a strategic plan, developed collaboratively among all San Francisco golf stakeholders – public golfers, Labor, SFRPD, current course management, and potential philanthropy. San Francisco's public golf courses have been, since John McLaren's day, among the City's priceless community recreational assets – for which we are all stewards for future generations.

Finally, we welcome the Rec & Park Department's public commitment in its June 20, 2025 Presentation to Your Committee, to "maintaining affordable access to municipal golf for all."³ We share that commitment, we are optimistic about the future of public golf in San Francisco, and we look forward to working together with all stakeholders to make it happen.

Respectfully submitted,

Richard Harris

RE: Budget & Appropriations Hearing, July 9, 2025, 1:30 p.m., Agenda No. 2, Item 250604, Park Code, Cost Recovery for Use of Golf Courses, etc., Golf Course Fees Generally.

Dear Chair Chan and SF Supervisors,

As a Board member of the Sharp Park Business Women's Golf Club (SPBWGC), I am writing to oppose the proposed fee increases for public golf in San Francisco.

Our club was incorporated in 1955 and has been continuously active since that time, making us one of the longest-running women's golf clubs in the region. Our members represent a diverse group of women ranging in age from their 20's to their 80's.

Our club members have actively promoted golf among women and youth in San Francisco for decades, including volunteering for First Tee, serving on the San Francisco Mayor's Women's Golf Council, and coaching girl's junior varsity teams at local high schools.

Affordable golf in the Bay Area promotes access to healthy outdoor recreation for residents from a range of income levels, including those on fixed retirement incomes. And although the exercise golf offers is important, the SPBWGC has also created a community of women from across the Bay Area who not only love the sport, but who truly care for and support one another through difficult times.

I understand that we are facing challenging financial circumstances. I also understand that in the face of so many other grave challenges that have emerged over the last seven months, appealing to you to keep fees for recreation might seem unimportant. But I maintain that having affordable access to recreation – and the community it creates – could not be more important than it is right now.

I hope that you will consider this as you make decisions about the proposed budget.

Sincerely,

Helen Duffy

Supervisors' Budget & Appropriations Subcommittee, June 23, 2025, Public Comment

MAYOR'S APPROPRIATIONS AND SALARY ORDINANCES ARE INCONSISTENT ABOUT REC & PARK ORIGINAL PROPOSAL TO ELIMINATE "GOLF SUBSIDY" FROM 2026-27 BUDGET. THE ISSUE IS NOT ANALYZED IN THE CONTROLLER'S REVENUE LETTER. BUT MAY HAVE BEEN MOOTED.

Dear Chair Chan and Honorable Supervisors,

San Francisco Public Golf Alliance respectfully submits the following comments on the Mayor's Interim Budget Appropriations Ordinance (File No. 250589) and the Mayor's Interim Budget Salary Ordinance (File No. 250590). Our comment focuses narrowly on the Recreation and Parks Department's Budget Submission for Fiscal Years 2025-26 and 2026-27.

1. The Recreation and Parks Department's Budget Submission to the Mayor's Office for FY 2025-26 and 2026-27 assumes a golf revenue increase of \$.5 Million -- from \$14.9 Million in 2025-26 to \$15.4 Million in FY 2026-27. That same Rec-Park Budget Submission projects a 33% reduction in golf expenses from \$20.68 Million in FY 2025-26 to \$13.68 Million in FY 2026-27.¹ **SEE CHART AT EXHIBIT 1, BELOW.**
2. This raises the revenue question: what is the basis of Rec-Park's assumed golf revenue increase in the same year that it assumes substantially decreased golf expenses? The **Controller's Revenue Letter** does not analyze Rec-Park's 2026-27 golf revenue assumption, and nowhere mentions the words "golf" or "Golf Fund".²

¹ **Rec and Park Department Budget Submission**, FY 2025-26, 26-27, to Mayor's Office, Feb. 21, 2025, Form 2C, "Fee Cost Recovery," at page 92 of 148 (copy attached as **EXHIBIT 1**):

https://media.api.sf.gov/documents/REC_Budget_Submission_FY26_and_FY27.pdf

² **Controller's FY 2025-26 and 2026-27 Revenue Letter, June 10, 2025**

https://media.api.sf.gov/documents/FY25-26_and_FY26-27_Revenue_Letter_FINAL.pdf

3. **The Mayor's Budget Salary Ordinance and the Mayor's Budget Appropriations Ordinance appear to be inconsistent in their golf analysis.**

4. On the one hand, the Appropriations Ordinance,³ at pages 201-202, shows at page 201 a \$7.1 Million cut in the Rec-Park Golf Fund (from \$22.1 Million in 2025-26 to \$14.9 Million in 2026-27), and at page 202 a 40% cut in Golf Fund combined Salaries and Fringe Benefits (presumably reflecting expected labor cuts at the courses) from a combined \$6.64 Million in 2025-26 to \$4.45 Million in 2026-27. **SEE CHARTS AT EXHIBIT 2.1 AND 2.2, BELOW.**
5. But the Salary Ordinance⁴ shows no change in Rec-Park Golf Fund staffing from FY 2025-26 to 2026-27; the job descriptions and numbers of employees at each of the golf jobs appears on the Salary Ordinance's Golf Fund chart (Salary Ordinance, at p. 166) to be the same from year-to-year: Gardeners (36), Park Section Supervisors (3), Integrated Pest Management Specialists (1), Arborist Technicians (2.01), Operating Engineers, Universal (1), Plumbers (3), Truck Drivers (5), and General Laborers (1). **SEE CHART, EXHIBIT 3, BELOW.**
6. The confusion may have been mooted by Rec & Park's June 20 Presentation to the Budget & Appropriations Committee, which at pages 9-10 withdraws the Department's "Original Proposal" to "Eliminate \$7.5 M General Fund subsidy in FY 2026-27" (by cutting golf staff).⁵ **SEE EXHIBIT 4, BELOW.** But because some uncertainty remains at this point, we respectfully submit this note for the record and for the Mayor's and Supervisors' attention.

Respectfully submitted,

Richard Harris

President, San Francisco Public Golf Alliance

Golf

Original proposal

Eliminate \$7.5M General Fund subsidy in FY 2026-27 through the potential leasing of golf courses to private operators.

With approval of trailing budget legislation, and revised golf fees, (pending introduction), RPD will no longer pursue lower cost private sector maintenance agreements.

This solution (a new Utility Cost Recovery Surcharge and revised Golf Fees) will preserve excellent public sector work, generate an additional \$4M over the next two years, and result in up to a 60% reduction of the General Fund subsidy.

Bd of Supes Budget and Approp. Cttee. / Hearing July 9, 1:30 p.m. Agenda 2, Item 250604 / Golf Cost Recovery and Fee Legisn / Request Add Letter to Pub Corresp. File

Dear Mr. Jalipa and Ms. Major,

Above attached is a letter dated June 11 from Yanni Gogonas previously filed w/ the Budget Committee in File No. 250589 in advance of the Committee's June 12 hearing on Departmental Budgets, including Rec & Park. This letter focuses on access and fees at the golf courses. So it is relevant to the Golf Cost Fee legislation heard July 9, Agenda No. 2, Item 250604, whose Public Correspondence File already includes dozens of other public letters previously filed in File 250589 advocating access and affordable golf fees. This is to request you also include the Gogonas letter in the Public Correspondence file for Item 250604. Thank you for your care and attention.

Subject: Public Comment- Regarding File No. 250589: Proposed Privatization of San Francisco Public Golf Courses
Date: Wednesday, June 11, 2025 10:13:08 PM

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Members of the Budget and Finance Committee,

My name is Yianni. I am a maintenance worker at Lincoln Park Golf Course, but I am writing today not in my professional capacity, but as a lifelong golfer and a member of the public who deeply values what our public courses represent.

I grew up playing on San Francisco's public golf courses. For me, they were not just places to hit balls. They were classrooms, sanctuaries, and bridges. These courses taught me discipline, patience, courage, and confidence. They gave me the chance to meet and interact with people of all ages, races, and backgrounds. Most importantly, they gave me time with my father, real time, uninterrupted by distractions. Some of the best and most formative days of my life were spent on those fairways with him.

That experience was only possible because the courses were public and affordable. We did not belong to a private club. We did not have deep pockets. But we had access, and that access changed the course of my life.

Privatizing these public spaces threatens to take that opportunity away from the next generation. It would inevitably raise costs, limit access, and create new barriers for families who rely on public facilities to participate in the game. Golf already struggles with issues of inclusion and diversity. Removing or reducing public access will only deepen that divide.

These courses are not just green spaces. They are places where community is built, where relationships are nurtured, and where young people learn life lessons that do not come easily in a classroom. They are spaces where parents bond with children, where friends come together, and where people find joy, peace, and connection.

I urge the committee to consider what is really at stake. If these courses are privatized, the loss will not just be about who gets to play golf. It will be about who gets to belong. We risk turning away the very people who have helped build the character and soul of these courses over generations.

Please keep San Francisco's public golf courses public, for the sake of the game and for the people it continues to shape, just like it shaped me.

Thank you for your time and consideration.

Sincerely,

Yianni
