12 Section 1. The Administrative Code is hereby amended by revising Section 16.210, to  
13 read as follows:

14 **SEC. 16.210. ESTABLISHMENT OF BARGAINING UNITS.**

15 (a) The Employee Relations Director shall make determinations as to appropriate  
16 bargaining units. In the event an employee or employee organization disagrees with the  
17 Employee Relations Director’s determination, the aggrieved party may, within 60 days from  
18 the date of the Employee Relations Director’s determination, submit a protest to the Civil  
19 Service Commission. The Civil Service Commission will select an administrative law judge  
20 who will schedule the matter for a hearing and final determination. In arriving at said  
21 determination, the administrative law judge shall consider the factors described in subsection  
22 (b) immediately below.

23 (b) The criteria for determining the appropriateness of bargaining units shall include:  
24 the community of interest among employees; the history of employee representation in the  
25 unit; the extent to which employees have common knowledge, skill and abilities, working

1 conditions, job duties or similar educational requirements; the need to avoid undue  
 2 fragmentation of bargaining units; the wishes of the affected employees; and any impact on  
 3 the City and County’s ability to effectively and efficiently deliver services.

4 (c) All employees throughout the City and County of San Francisco within any of the  
 5 following categories shall constitute an appropriate representation unit:
