RE: Proposed Resolution for the grant agreement with Self-Help for the Elderly for the provision of the Congregate Nutrition Services for Older Adults – First Amendment

Dear Ms. Calvillo:

Enclosed for the Board of Supervisors’ consideration and approval, please find a proposed Board Resolution requesting approval of the first amendment to the grant agreement with Self-Help for the Elderly for Congregate Nutrition Services Older Adults.

The amendment increases funding to support the provision of more culturally responsive meals for older adults living in the community who need food support. The amendment also adds the City approved CODB amount. The demand for nutrition services in the community is elevated and food security continues to be a serious concern for older adults living in San Francisco. Funding for this amendment is provided through a combination of Federal and State Funds, and City and County General Funds, including Dignity Fund.
