To the SF Board of Supervisors,

I am urging you to continue to give your full support to Mayor London Breed's Proclamation of a Local Emergency -- Drug Overdoses in the Tenderloin.

The Mayor's Declaration of Emergency for the COVID-19 Pandemic likely saved thousands of lives in our city and now we must continue to support this effort in the Tenderloin to prevent continued suffering and overdose deaths.

The humanitarian crisis in the Tenderloin has gone on long enough, and it is not fair or just that the families of the Tenderloin are living with crime, drug use, drug dealing, and dangerous conditions.

Please continue to support this important initiative for the betterment of the Tenderloin.

Thank you,
Robin
