RE: Child Care Planning and Advisory Committee Appointment

---

Dear Mister Clerk,

Please be advised that I selected Mona Malan to fill Seat #7 on the Child Care Planning and Advisory Committee as a re-appointment. I will also be supporting a waiver for the residency requirement because Ms. Malan is uniquely qualified to serve in this capacity due to her vast experience at the Children's Council of San Francisco and her deep connection with the community.

:

Sincerely,

A handwritten signature in blue ink, appearing to read "Myrna Melgar".

Myrna Melgar
