International Art Museum of America
1025 Market St. San Francisco, CA 94103

As a non-profit organization, the International Art Museum of America is dedicated to enriching our community through unique and diverse exhibitions, educational programs, and inclusive community events. In efforts to further our mission to enrich the lives of community members and visitors alike through low-cost events and exposure to world class artwork, we are seeking approval for a type 90 on sale general music venue liquor license in order to responsibly serve alcoholic beverages at special events featuring live music such as music performances, fundraising, and art show events.

These events are undeniably vital to the financial sustainability of our organization by generating essential revenue that supports our programming and community engagement efforts including, but not limited to, free guided museum tours, art fairs, and youth art competitions. It also provides support to our Tenderloin Artist Initiative, started in October 2024 to help offset exhibition fees and assist in providing artists a platform to showcase art. Our aim is to continue hosting programs and events that serve as a means to support and foster relationships with museum guests, artists, small businesses and partner organizations, and ultimately play a role in the midmarket revitalization efforts by the City of San Francisco. We hope to continue contributing to a welcoming environment by providing alcoholic beverages in a safe and controlled setting that aligns with standard practices of cultural institutions across the country.

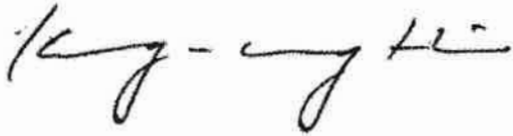

As an organization, we have been applying for daily general liquor licenses in order to sell alcoholic beverages to supplement certain events. It is our belief that we have been nothing short of exemplary in ensuring that we follow the laws and regulations pertaining to daily liquor licenses, and we will continue to do so with an approved license. As we are approaching the limit of daily liquor licenses that we can attain for the year, the type 90 on sale general music venue liquor license will allow us to continue to serve alcoholic beverages and expand our programming and events that directly benefit the community through providing opportunities for arts and culture. In addition to supporting the financial sustainability of the museum, a type 90 liquor license would allow us to focus our efforts on other aspects of event planning without having to worry about approval for daily liquor licensing.

As a non-profit art museum, we are committed to complying with all applicable laws pertinent to the sale and service of alcoholic beverages. All staff and hires involved in our beverage service will be appropriately trained in safe and responsible beverage service practices, and security measures will be in place to ensure a safe and respectful environment for all visitors.

The ability to offer alcoholic beverages on a limited, event-specific basis will considerably enhance the fundraising capacity of our museum and support us in our efforts to continue

offering accessible and high quality art experiences to the public. We respectfully ask for your careful consideration and approval of our type 90 application.

Thank you for your time and consideration,

Property Description:

The proposed venue applicable to the license is an existing portion of the museum that primarily serves as the museum entrance and garden, in addition to spaces reserved for staff usage only. There will be no patios or tables outside and all activities will take place inside the premises. The main entrance is located at 1025 Market Street, while the rear exit on Stevenson street is closed to patrons. The second floor of the venue holds IAMA's permanent art collection and can be opened for after-hours event guests at no extra cost for select events.

Business Operations**Events**

IAMA's primary use involving the liquor license will be to supplement Candlelight Concerts by Fever. Fever hosts live music events across San Francisco's Bay Area, and IAMA has maintained a business relationship with the company for the past 3 years. Candlelight concerts at IAMA are typically string quartets covering popular singers, composers, or bands. There are two 1-hour shows per night when the venue is booked by Fever. Doors open at 5:45 for a 6:30-7:30 show, and doors open again at 8:00 PM for an 8:45-9:45 PM show. The museum is open to ticketed guests before and after each show until 10 minutes prior to doors close. Each show has seated capacity for 150 guests.

Fever provides five to seven team members, including a Team Manager or Leader each event that serves as general event staff, ticket scanners, and security. IAMA also oversees the venue and event by maintaining administrative staff, program coordination, one store associate, and one to two security guards. To manage the bar, IAMA will hire a bartender for each Candlelight event day and the hours for bar operation will be 5:30 - 10:00 PM.

Method of Operation

In accordance with all applicable state and local regulations, all employees shall meet the minimum age requirement. Additionally, all personnel acting in the capacity of a manager and all employees who serve alcoholic beverages will hold a valid alcohol server certification (BPC § 25682) and have valid Responsible Beverage Service (RBS) training.

Non-alcohol products

Product selection is not limited to alcoholic beverages. In addition to beverages like water, soda, and juices, there will be a selection of non-alcoholic beverages such as non-alcoholic beer.
