Re: Notice of Pre-Application Meeting - intention to Apply for type 87 liquor license

Dear Fellow Community Member of the Sunset

La Puesta del Sol Cantina is a new restaurant and bar concept that will serve traditional Mexican cuisine in a beautiful family friendly atmosphere. Our goal is to quench your thirst, fill your belly, and soothe your soul.

It is our hope that in addition to providing delicious food we will also create an environment that is welcoming and comfortable to our neighbors. We intend to facilitate parties, group events, art shows, and community meetings. Our team believes we can become a vibrant addition to a diverse community.

The managing partners have a combined 50 plus years in the food and beverage industry. It is our passion to serve. We believe that delicious food combined with authentic and professional service is the foundation for an exceptional dining experience.

We value your feedback as a member of the community and hopefully a future customer.

Our team would like to invite you to a community meeting where we will provide more information about the restaurant, as well as, the process and details of the liquor license.

Community Meeting:
