# Our Broken Economy, in One Simple Chart

By DAVID LEONHARDT  
AUG. 7, 2017

*Dear Ms. Major:*

*Please forward this to the Supervisors. Thank you and take care.*

*Here are my comments for the hearing on Items 5 and 6 for Monday afternoon's hearing:*

Dear Supervisor Melgar, Supervisor Preston and Supervisor Peskin:

The screenshot of the graph above speaks for itself.

Everyone knows the reality of what the graph illustrates.

The income inequality is even more extreme in San Francisco due to the incredible cost of housing which is due in large measure to speculation.

The "Housing Our Workers" report detailed this.

And the attached chart is from August 2017 which is prior to the Pandemic.

The two Ordinances before the Committee take two different approaches to solve the housing problem.

Even if either Ordinance moves forward to the full Board and is approved, the Planning Department still plans to undertake a major rezoning effort within the next three years. This rezoning could have implications for the implementation of either Ordinance.

Please move both measures to the Full Board so, there can be a complete and thorough discussion of both Ordinances,

as well as the Rezoning Program proposed in the Housing Element at attachment E.

Thank you.

Sincerely,

Georgia Schuttish
