We have lived on Woodland Avenue for more than 30 years. We live next door to where the Morrisons lived and cohosted many fundraisers with the Jaicks and Morrisons including 2 for our next President when she was running for District Attorney and Attorney General. Both the Jaicks and Morrison families created an inclusive neighborhood. They worked tirelessly for our neighborhood, our supervisorial district, and the city of San Francisco. Their homes were always open to host meetings and fundraisers for causes and candidates they believed in. They loved this block and this city, and we can think of no better tribute to Diana, Agar, Jack and Jane than a commemorative plaque down the street from where they lived. Hopefully future generations of Woodland Avenue residents will learn about the Morrisons and the Jaicks and emulate their commitment and devotion to creating a neighborhood and city we all want to live in.

Good Afternoon!

This is Sharon Johnson longtime friend of the Jaicks and Morrisons.

I am writing in support of Item 2 Resolution sponsored by Supervisors Mandelman, Chan and Preston recognizing and honoring four San Francisco legends:

Agar Jaicks

Diana Jaicks

Jack Morrison

Jane Morrison

They resided on Woodland Avenue in San Francisco opening their doors to neighbors from tree planting organizing to political events in a wide range of capacities.

Agar and I first met in 1976 during the Labor Unites Campaign on 16th Street where I was working. As Chair of the DCCC, he was actively involved in this important election to protect our unions.

Shortly following the Labor Unites Campaign, I was hired by Agar as the executive director of the DCCC. The intensity of the time were steps in deepening our trust and the beginning of a longtime friendship with Agar and Diana, who subsequently provided the introduction of the Morrison's into my life.

There are decades of stories I can share as to the depth and range of support the Jaicks and Morrison's provided to their neighborhood community, the wealth of hope they gave everyone they met, and their individual public and private service to San Francisco.

The Jaicks and Morrisons must not be forgotten!

Thank you for your support of the Resolution before you honoring these treasured families. May their contributions be told over and over again.

Respectfully,  
Sharon Johnson

Hello,

I have lived and been a registered voter in San Francisco since 1975. During the late 1970s and early 1980s, it was my honor and pleasure to be a volunteer for the Democratic Party and then an employee of the SF Democratic County Central Committee, where I worked closely with the Chair of the Central Committee, Agar Jaicks.

I write to speak in favor of the commemorative plaque to be placed on Woodland Avenue, as a marker of the Jaicks' and Morrisons' lifetime of public service to San Francisco, and to their vision, through that public service, of social justice, equity, and "small d democratic" (as Agar used to say) processes for all citizens of San Francisco.

To the Land Use and Transportation Committee:

I enthusiastically support the project to install a commemorative plaque, honoring Diana and Agar Jaicks and Jack and Jane Morrison, at the foot of Woodland Ave. The Jaicks and Morrisons lived on Woodland Avenue for 70 years, and I was lucky to live between their houses for over 40 years. During that time, I helped out with their many civic projects, including cooking to feed the homeless, serving as Treasurer where needed, and mailing invitations to their receptions for Democratic and nonpartisan candidates and civic causes. Given this ringside seat, I can confidently attest to their tireless, selfless commitment to advance worthy local projects and persons. On Monday, September 16, please support the installation of this plaque. Thank you, Cynthia Travis, 58 Woodland Ave., San Francisco

Dear Supervisors Melgar, Peskin and Preston:

I am writing in support of the Morrison Jaicks commemorative plaque that is proposed to be placed in the sidewalk near 8 and 10 Woodland Avenue. I am the current President of the Woodland Avenue Association, and the idea of the plaque was brought up at our annual Woodland Avenue street meeting on August 27. The plaque received unanimous and enthusiastic support from all those in attendance. Many of us on the street remember the Morrison and Jaicks families fondly as activists and as friends, and we look forward to having a tangible way to recognize and remember them.

Dear Land Use and Transportation Committee Members,

A commemorative plaque at the foot of Woodland Avenue would be fitting tribute to Jane and Jack Morrison and Diana and Agar Jaicks. Among their many contributions to our city, was steadfast loyalty to the labor movement. In addition to being union activists in their own workplaces, they marched, picketed and took arrests in support of embattled workers across the City for the better part of sixties years. Several of the storied fundraisers held between their two Woodland homes were for striking hotel and restaurant workers.

We are also pleased to know that if this project is approved by the City, apprentices of a joint program between DPW and the Laborers Union will install the plaque.

Let's honor these social justice activists. Please authorize the fee waiver and continue to advocate for City approval of the commemorative plaque for Jane, Jack, Diana and Agar.

Thank you,
