6. Services Authority

A. THE MENTAL HEALTH SERVICES ACT PROGRAM

1) Program Description

Proposition 63, which created the Mental Health Services Act (MHSA), was approved by the voters of California on November 2, 2004. The Mental Health Services (MHS) Fund, which provides funds to counties for the implementation of its MHSA programs, was established pursuant to Welfare and Institutions Code section 5890. The MHSA was designed to expand California's public mental health programs and services through funding received by a one percent tax on personal incomes in excess of \$1 million. Counties use this funding for projects and programs for prevention and early intervention, community services and supports, workforce development and training, innovation, plus capital facilities and technological needs through mental health projects and programs. The State Controller distributes MHS Funds to the counties to plan for and provide mental health programs and other related activities outlined in a county's three-year program and expenditure plan or annual update. MHS Funds are distributed by the State Controller's Office to the counties on a monthly basis.

DHCS shall monitor County's use of MHS Funds to ensure that the County meets the MHSA and MHS Fund requirements. (Gov. Code §§ 11180-11182; Welf. & Inst. Code, §§ 5651, subd. (b)(10), 5897, subd. (d), & 14124.2, subd. (a).)

2) Issue Resolution Process

County shall have an Issue Resolution Process (Process) to handle client disputes related to the provision of their mental health services. The Process

Exhibit A A1
Program Specifications

shall be completed in an expedient and appropriate manner. County shall develop a log to record issues submitted as part of the Process. The log shall contain the date the issue was received; a brief synopsis of the issue; the final issue resolution outcome; and the date the final issue resolution was reached.

3) Revenue and Expenditure Report

County shall submit its Revenue and Expenditure Report (RER) electronically to the Department and the Mental Health Services Oversight and Accountability Commission by December 31 following the close of the fiscal year in accordance with Welfare and Institutions Code sections 5705 and 5899, regulations, and DHCS-issued guidelines. The RER shall be certified by the County's Behavioral Health Director (also referred to as "mental health director") and the County's auditor-controller (or equivalent), using the DHCS-issued certification form. Data submitted shall be full and complete.

If the RER does not meet the requirements, in accordance with the procedure in section 9 of this Agreement, DHCS may withhold payments from the MHS Fund until the County submits a complete RER. (Welf. & Inst. Code, §§ 5655; Cal. Code Regs., tit. 9, § 3510, subd. (c).)

4) Distribution and Use of Local Mental Health Services Funds:

- a. Welfare and Institutions Code section 5891, subdivision (c), provides that commencing July 1, 2012, on or before the 15th day of each month, pursuant to a methodology provided by DHCS, the State Controller shall distribute to County's Local Mental Health Services Fund (MHS Fund) (established by County pursuant to Welfare and Institutions Code section 5892, subdivision (f)) all unexpended and unreserved funds on deposit as of the last day of the prior month in the Mental Health Services Fund for the provision of specified programs and other related activities.
- b. The expenditure for Prevention and Early Intervention (PEI) may be increased by County if DHCS determines that the increase will decrease the need and cost for additional services to severely mentally ill persons in County by an amount at least commensurate with the proposed increase. (Welf. & Inst. Code, § 5892, subd. (a)(4).)

Local MHS Fund money distributed to counties by the State Controller's Office includes funding for annual planning costs pursuant to Welfare and Institutions Code section 5848. The total of these costs shall not exceed five percent of the total annual revenues received for the Local MHS Fund. The planning costs shall include money for County's mental health programs to pay for the costs of having consumers, family members, and other stakeholders participate in the

Exhibit A A1
Program Specifications

planning process, and for the planning and implementation required for private provider contracts to be expanded to provide additional services. (Welf. & Inst. Code, § 5892, subd. (c).)

- c. County shall use Local MHS Fund monies to pay for those portions of the mental health programs/services for children and adults for which there is no other source of funds available. (Welf. & Inst. Code, §§ 5813.5, subd. (b), 5878.3 subd. (a); Cal. Code Regs., tit. 9, § 3610, subd. (d).)
 - d. County shall only use Local MHS Funds to expand mental health services. These funds shall not be used to supplant existing State or County funds utilized to provide mental health services. These funds shall only be used to pay for the programs authorized in Welfare and Institutions Code sections 5890 and 5892. These funds may not be used to pay for any other program and may not be loaned to County's general fund or any other County fund for any purpose. (Welf. & Inst. Code, § 5891, subd. (a).)
 - e. All expenditures for County mental health programs shall be consistent with a currently approved three-year program and expenditure plan or annual update pursuant to Welfare and Institutions Code section 5847. (Welf. & Inst. Code, §§ 5891, subd. (d), 5892, subd. (g).)
- 5) Three-Year Program and Expenditure Plan and Annual Updates:

(Welf. & Inst. Code, § 5847, subd. (a).) The three-year program and expenditure plan and annual updates shall include all of the following:

(Gov. Code §8350 et seq.)

DOING BUSINESS WITH THE STATE OF CALIFORNIA

The following laws apply to persons or entities doing business with the State of California.

1. CONFLICT OF INTEREST: Contractor needs to be aware of the following provisions regarding current or former state employees. If Contractor has any questions on the status of any person rendering services or involved with the Agreement, the awarding agency must be contacted immediately for clarification.

Current State Employees (Pub. Contract Code §10410):

1). No officer or employee shall engage in any employment, activity or enterprise from which the officer or employee receives compensation or has a financial interest and which is sponsored or funded by any state agency, unless the employment, activity or enterprise is required as a condition of regular state employment.

2). No officer or employee shall contract on his or her own behalf as an independent contractor with any state agency to provide goods or services.

Former State Employees (Pub. Contract Code §10411):

1). For the two-year period from the date he or she left state employment, no former state officer or employee may enter into a contract in which he or she engaged in any of the negotiations, transactions, planning, arrangements or any part of the decision-making process relevant to the contract while employed in any capacity by any state agency.

2). For the twelve-month period from the date he or she left state employment, no former state officer or employee may enter into a contract with any state agency if he or she was employed by that state agency in a policy-making position in the same general subject area as the proposed contract within the 12-month period prior to his or her leaving state service.

If Contractor violates any provisions of above paragraphs, such action by Contractor shall render this Agreement void. (Pub. Contract Code §10420)

Members of boards and commissions are exempt from this section if they do not receive payment other than payment of each meeting of the board or commission, payment for preparatory time and payment for per diem. (Pub. Contract Code §10430 (e))

2. LABOR CODE/WORKERS' COMPENSATION: Contractor needs to be aware of the provisions which require every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions, and

Contractor affirms to comply with such provisions before commencing the performance of the work of this Agreement. (Labor Code Section 3700)

3. AMERICANS WITH DISABILITIES ACT: Contractor assures the State that it complies with the Americans with Disabilities Act (ADA) of 1990, which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA. (42 U.S.C. 12101 et seq.)

4. CONTRACTOR NAME CHANGE: An amendment is required to change the Contractor's name as listed on this Agreement. Upon receipt of legal documentation of the name change the State will process the amendment. Payment of invoices presented with a new name cannot be paid prior to approval of said amendment.

5. CORPORATE QUALIFICATIONS TO DO BUSINESS IN CALIFORNIA:

a. When agreements are to be performed in the state by corporations, the contracting agencies will be verifying that the contractor is currently qualified to do business in California in order to ensure that all obligations due to the state are fulfilled.

b. "Doing business" is defined in R&TC Section 23101 as actively engaging in any transaction for the purpose of financial or pecuniary gain or profit. Although there are some statutory exceptions to taxation, rarely will a corporate contractor performing within the state not be subject to the franchise tax.

c. Both domestic and foreign corporations (those incorporated outside of California) must be in good standing in order to be qualified to do business in California. Agencies will determine whether a corporation is in good standing by calling the Office of the Secretary of State.

6. RESOLUTION: A county, city, district, or other local public body must provide the State with a copy of a resolution, order, motion, or ordinance of the local governing body which by law has authority to enter into an agreement, authorizing execution of the agreement.

7. AIR OR WATER POLLUTION VIOLATION: Under the State laws, the Contractor shall not be: (1) in violation of any order or resolution not subject to review promulgated by the State Air Resources Board or an air pollution control district; (2) subject to cease and desist order not subject to review issued pursuant to Section 13301 of the Water Code for violation of waste discharge requirements or discharge prohibitions; or (3) finally determined to be in violation of provisions of federal law relating to air or water pollution.

8. PAYEE DATA RECORD FORM STD. 204: This form must be completed by all contractors that are not another state agency or other governmental entity.

SUBJECT: Department of Health Care Services (DHCS) Substance Abuse
Prevention and Treatment Block Grant (SABG) County
Performance Contract (CPC) Merge

EFFECTIVE DATE: This notice is effective July 1, 2020, and shall remain in effect
until superseded or rescinded.

PURPOSE: This Information Notice (IN) is to inform county subrecipients that
in State Fiscal Year (SFY) 2020-21, DHCS Community Services
Division is streamlining the contracting process for behavioral
health federal block grants by integrating the SABG into the
existing CPC.

BACKGROUND

In previous years, DHCS administered SABG funding through three-year contracts with each county. Because the county allocation amounts are based on the fluctuating SABG award amounts that are issued annually by the Substance Abuse and Mental Health Services Administration, annual adjustments to county allocations required a new SABG contract amendment in each year of the three-year cycle. Additional amendments were required for any shift or modification of funding to cover unique

circumstances. In some cases, counties and DHCS would have to draft and execute multiple contract amendments per year in order to maintain the grant funding stream and cover expenses. This process is cumbersome and often results in lengthy funding delays.

The CPC is required per Welfare and Institutions Code sections 5650, subd. (a), 5651, 5897, and California Code of Regulations Title 9, section 3310 and sets forth conditions and requirements that counties must meet in order to receive funding for the the Mental Health Services Act and Lanterman-Petris-Short Act, in addition to the following federal behavioral health grants: Community Mental Health Services Block Grant (MHBG), Projects for Assistance in Transition from Homelessness (PATH), and Crisis Counseling Assistance and Training Program (CCP). Historically this was a one-year contract, but a statutory change in 2018 allows DHCS to issue the CPC as a three-year contract with an option to renew for two additional one-year terms.

DISCUSSION

SABG is currently administered under a different contracting model from MHBG, PATH, and CCP despite being governed by similar or identical federal statutes and regulations. SABG funding is currently tied to individual county contracts, whereas MHBG, PATH, and CCP funding is administered via supplemental application documents that are incorporated by reference through the CPC.

Currently, adjustments to SABG Program Specifications, funding, or budgets, require a contract amendment, which is administratively burdensome and may take several months to complete. The MHBG, PATH, and CCP contract models do not require the need to formally amend the contract to adjust budgets or funding levels, which provides DHCS flexibility in responding to the needs of counties and their beneficiaries.

Aligning the federal behavioral health grants into the existing CPC simplifies and streamlines county administration of the SABG, MHBG, PATH, and CCP grants.

POLICY

Upon expiration of the current three-year SABG contract on June 30, 2020, SABG will be integrated into the existing CPC, which runs through June 30, 2021. As with MHBG, counties will submit annual SABG applications that consist of enclosures detailing various rules, regulations, and county requirements, in addition to program narratives and budgets. Application documents are legally binding and enforceable by DHCS as they are incorporated by reference into the CPC.

May 15, 2020

On April 8, 2020, DHCS released the SABG SFY 2020-21 County Application package. This package included the following:

1. Enclosure 1 – Funding Allocation & Application Instructions
2. Enclosure 2 – Program Specifications
3. Enclosure 3 – Budget Detail and Payment Provisions
4. Enclosure 4 – Documents Incorporated by Reference
5. Enclosure 5 – Special Terms and Conditions

Counties are required to prepare and submit a SABG County Application in accordance with the enclosures and attachments accompanying this letter.

Application documents must be submitted electronically, as detailed in Enclosure 1, to SABG@dhcs.ca.gov, no later than close of business on **July 31, 2020**. DHCS conducted an informational SABG SFY 2020-21 County Application Overview and Technical Assistance Webinar on April 7, 2020. Slides for this webinar are available upon request.

If you have any questions regarding this policy, please e-mail SABG@dhcs.ca.gov or contact Ivan Bhardwaj, Chief, Contracts and Grants Management Section, at (916) 345-7483.

Sincerely,

Marlies Perez, Chief

Dear San Francisco County,

Enclosed for review and signature is your multi-year 2018-2021 County Performance Contract (CPC) amendment. This CPC amendment continues DHCS efforts in streamlining the contracting process for behavioral health federal block grants by integrating the Substance Abuse Prevention and Treatment Block Grant (SABG) into the existing CPC, as outlined in [Behavioral Health Information Notice 20-026](#) (May 15, 2020).

The Contract amendment must be signed by the Contractor's appropriate designee, and **returned to DHCS by close of business February 10, 2021**.

PLEASE NOTE: Failure to return an executed version of this contract to DHCS by the deadline may result in your county not having a legal agreement with DHCS to receive SABG funds for State Fiscal Year 2020-21 (July 1, 2020 through June 30, 2021).

PLEASE NOTE: Do not alter any document within the Contract amendment package in any way. Altering, editing, or otherwise changing any document will result in voiding the Contract amendment and will cause significant delays in processing your amendment. As noted above, this may jeopardize your county's ability to fully execute a legal agreement with DHCS to receive SABG funds.

Please contact us immediately if you anticipate any delays in returning an executed contract, or if you believe your Contract amendment requires any alteration.

The requirements for processing the enclosed multi-year Contract include the following:

Angela Calvillo, Clerk of the Board
Board of Supervisors
1 Dr. Carlton B. Goodlett Place, Room 244
San Francisco, CA 94102

Dear Ms. Calvillo:

Attached please find the proposed resolution for the Board of Supervisors approval, which retroactively authorizes the Department of Public Health, Behavioral Health Services, to enter into Performance Contract No. 18-95270 with the California Department of Health Care Services for the term of July 1, 2018 through June 30, 2021.

The California Department of Health Care Services (DHCS) administers the Mental Health Services Act (MHSA), Lanterman-Petris-Short (LPS) Act, Projects for Assistance in Transition from Homelessness (PATH), Community Mental Health Services Block Grant (MHBG), Substance Abuse Treatment and Prevention Block Grant (SABG), and Crisis Counseling Assistance and Training Program (CCP). The Department of Public Health, Behavioral Health Services (DPH-BHS) operates the aforementioned programs for San Francisco County through the San Francisco Mental Health Plan. The Performance Contract sets forth conditions and requirements, such as compliance and reporting standards, to receive funding for these programs. Examples of compliance and reporting standards include, but are not limited to, expenditure requirements, minimum service standards, beneficiary protections, and fiscal and service reporting requirements. The Performance Contract only includes performance requirements and does not have funding attached to it, as the Board of Supervisors has already approved the budget components for these programs during the annual City budget process.

DPH requests retroactive approval for the County Performance Contract amendment which was received by DPH-BHS on November 18, 2020, which is after the contract start date of July 1, 2018. The amendment continues DHCS efforts in streamlining the contracting process for behavioral health federal block grants by integrating the Substance Abuse Prevention and Treatment Block Grant into the existing Performance Contract as outlined in Behavioral Health Information Notice 20-026.

The following is a list of accompanying documents:
