Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I myself am old--about to be 79--white, female, a resident of District 2 since 1974, middle class. Unlike many San Francisco districts, these characteristics are typical of District 2. I look like my neighbors. I'm married, also a characteristic of many people living in this district, and straight. I have two adult children, but only one lives in San Francisco, and then only part of the time. This is true of many older adults living in San Francisco. I am not disabled (yet.) My concerns, like many of my friends and neighbors, are of how I (and my husband) can age at home in a late Victorian with many stairs. I'm interested in services which can help me do this, and DAAS has many such services.

Business and/or professional experience:

I received my Ph.D. in Sociology/Gerontology from Columbia University in 1970. Starting in 1962, I worked on studies of aging in community at the University of California, San Francisco (UCSF), and continued to work in gerontology, studying On Lok/Lifeways model of care, day care for the elderly, hospital discharge planning/transitional care, adult development, and mental health and aging. Most of this work was at UCSF. I published, and served on professional boards and committees in aging. I retired about 1997.

Civic Activities:

I serve on the Transitions Committee from Hospital to Home of DAAS. I have been on the Board of the Community Living Campaign for the last 6 years, serving as President twice, and active in other aging organizations, such as the Public Authority and PECC, since before retirement. I've also served on the Board of San Francisco Suicide Prevention. My husband and I are founding members of San Francisco Village, where we have been interested in transitions from hospital to home as well, and in promoting the growth of networks of mutual support among Village members.

Have you attended any meetings of the Board/Commission to which you wish appointment? Yes No

For appointments by the Board of Supervisors, appearance before the RULES COMMITTEE is a requirement before any appointment can be made. (*Applications must be received 10 days before the scheduled hearing.*)

Elinore Lurie, Ph.D., Candidate for District 2 Advisory Council to the Commission on Aging

Elinore Lurie, Ph.D., received her Ph.D. in Sociology from Columbia University in 1970. She specialized in gerontology and in research on services to the elderly throughout her career, conducting research in applied and community-based settings, such as On Lok (now Lifeways) Senior Health Services and in designing the initial needs assessment for Planning for Elders and an evaluation plan for the Community Living Campaign. Dr. Lurie also taught and conducted research at the University of California, San Francisco, including courses in gerontology. Dr. Lurie has published in these areas, in evaluation research, health services research, in transitional care for the elderly, and in mental health and aging. Her primary emphasis was on community-based services for the elderly.

Additionally, Dr. Lurie has held office in, organized sessions for, and made presentations at scholarly and professional societies, including the Gerontological Society of America and the American Society on Aging. Dr. Lurie has been the Executive Director of the Society for the Study of Social Problems and the Mental Health Association of San Francisco; a Board Member of San Francisco Suicide Prevention, PECC, and twice President of the Community Living Campaign (CLC). As President and Board Member of both PECC and CLC, she has engaged in advocacy for the elderly and disabled.

Currently Dr. Lurie is Member from District 2, Advisory Committee to the Commission on Aging, San Francisco; Community Member, DAAS Transitions to Home Governing Board; Board Member, Community Living Campaign; Advisory Committee and Transition to Home Committee Member, San Francisco Village. Dr. Lurie has especially enjoyed working with and for Mark Farrell, Supervisor for District 2, and has written a paper describing elderly members of this district, the environment for them, and services available in this District. She would like to continue working further and contributing to the Advisory Council to the Commission on Aging, now that she has learned the responsibilities and scope of the work, and is able to contribute effectively.

Elinore Lurie is 79 years old, married with two adult children, and lives in District 2 just north of the Lake Street corridor. She has lived continuously in San Francisco since 1965 and at her present address since 1974. Dr. Lurie is Caucasian, like the majority of residents of District 2. Her husband is a retired psychiatrist whose interests include geriatric and community-based psychiatry. He has also been active in community organizations and has been President of the San Francisco Senior Center (now part of NCPHS.)
