Subject: Accept and Expend State Grant for the Bayview Vehicle Triage Center -- Retroactive Request

This Resolution seeks approval for the Department of Homelessness and Supportive Housing (HSH) to execute a Standard Agreement with the California Department of Housing and Community Development for \$5,600,000 of 2021-22 California Budget Act funds and to retroactively accept and expend those funds for capital expenses related to the Bayview Vehicle Triage Center for cost incurred July 1, 2021 through June 30, 2026.

A request for retroactive approval is being sought because HSH received the award letter on October 14, 2021 for a grant expenditure start date of July 1, 2021. This Resolution would approve HSH to retroactively expend funds for capital expenses related to the Bayview Vehicle Triage Center incurred as of July 1, 2021.

The grant expenditure start date is the only component of this legislation that is retroactive. HSH will not enter into a Standard Agreement with HCD until the San Francisco Board of Supervisors has approved this Resolution, and funds will not be accepted by HSH until an executed Standard Agreement is in place.

If you have questions about this grant or the retroactive request for approval, please contact Dylan Rose Schneider, HSH Manager of Policy and Legislative Affairs, at dylan.schneider@sfgov.org.
