RE: File 140715—Initiative ordinance regarding playground, trail and athletic field renovations

Dear Ms. Calvillo,

Should the proposed initiative ordinance be approved by the voters, in my opinion, it would not affect the cost of government.

The amendment provides that renovations to playgrounds, trails and fields can proceed if increased usage to the relevant facilities is projected and a certified Environmental Impact Report is in place. The City budgets and plans for playground and park renovations through its park bond programs and other funding sources—these are already specified and would not be substantially affected by the ordinance.

Sincerely,

Ben Rosenfield
