entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Contractor shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

b. **Compliance and Enforcement.** If Contractor willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Contractor shall be liable for liquidated damages in an amount equal to Contractor's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against Contractor authorized in the LBE Ordinance, including declaring the Contractor to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Contractor's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Agreement, Contractor acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. Contractor further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Contractor on any contract with City.

Contractor agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

19. **Nondiscrimination; Penalties.** a. **Contractor Shall Not Discriminate.** In the performance of this contract, Contractor agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Contractor, in any of Contractor's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Contractor.

b. **Subcontracts.** Contractor shall incorporate by reference in all subcontracts the provisions of §12B.2(a), 12B.2(c)-(k), and 12C.3 of the S.F. Administrative Code and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this contract.

c. **Nondiscrimination In Benefits.** Contractor does not as of the date of this contract and will not during the term of this contract, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the S.F. Administrative Code.

d. **Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapters 12B and 12C of the S.F. Administrative Code are incorporated in this Section by reference and made a part of this contract as though fully set forth herein. Contractor shall comply fully with and be bound by all of the provisions that apply to this contract under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Contractor understands that pursuant to §12B.2(h) of the S.F. Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this contract may be assessed against Contractor and/or deducted from any payments due Contractor.

20. **MacBride Principles--Northern Ireland.** The City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

21. **Tropical Hardwoods.** The City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. If this order is for wood products or a service involving wood products: (a) Chapter 8 of the S.F. Environment Code is incorporated herein and by reference made a part hereof as though fully set forth. (b) Except as expressly permitted by the application of Environment Code Secs. 802(b) and 803(b), Contractor shall not provide any items to the City in performance of this contract which are tropical hardwoods, tropical hardwood product, virgin redwood or virgin redwood product. Failure of Contractor to comply with any part of Chapter 8 of the Environment Code shall be deemed a material breach of contract.

22. **Resource Conservation.** Contractor agrees to comply fully with the San Francisco Environment Code, Chapter 5 ("Resource Conservation"), as amended from time to time. Said provisions are incorporated herein by reference and made a part of this contract as though fully set forth. Failure by Contractor to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract.

23. **Drug-Free Workplace Policy.** Contractor acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Contractor agrees that any violation of this prohibition by Contractor, its employees, agents, or assigns will be deemed a material breach of this Contract.

24. **Compliance with Americans with Disabilities Act.** Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Contractor shall provide the services specified in this Contract in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Contract.

25. **Sunshine Ordinance.** In accordance with §67.24(e) of the S.F. Admin. Code, contracts, contractors' bids, responses to RFPs and all other records of communications between City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

26. **Limitations on Contributions.** Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services or for the furnishing of any material, supplies or equipment to the City, whenever such transaction would require approval by a City elective officer of the board on which that City elective officer serves, from making any campaign contribution to the officer at any time from the commencement of negotiations for the contract until the later of either (1) the termination of negotiations for such contract or (2) three months after the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

27. **Minimum Compensation Ordinance ("MCO") -- Service Contracts only.**

a. Contractor agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Contractor's obligations under the MCO is set forth in this Section. Contractor is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

b. The MCO requires Contractor to pay Contractor's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Contractor is obligated to keep informed of the then-current requirements. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Contractor's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Contractor.

c. Contractor shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

d. Contractor shall maintain employee and payroll records as required by the MCO. If Contractor fails to do so, it shall be presumed that the Contractor paid no more than the minimum wage required under State law.

e. The City is authorized to inspect Contractor's job sites and conduct interviews with employees and conduct audits of Contractor.

f. Contractor's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Contractor fails to comply with these requirements. Contractor agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Contractor's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

g. Contractor understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

h. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

i. If Contractor is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Contractor later enters into an agreement or agreements that cause contractor to exceed that amount in a fiscal year, Contractor shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Contractor and this department to exceed \$25,000 in the fiscal year.

28. **Health Care Accountability Ordinance (HCAO)** [Service contracts including agreements between a Tenant or Subtenant lasting 1 year or more only].

A. Commercial Terms

1. **Cash Discounts—Terms of Payment.** The discount period will start upon date of completion of delivery of all items on any Purchaser Order or other authorization certified by Controller, or upon date of receipt of properly prepared invoices covering such deliveries, whichever is later. Payment is deemed to be made, for the purpose of earning the discount, on the date of mailing the City warrant or check. It is understood and agreed that no additional charge shall accrue against City if City does not make payment within any time specified by bidder.
2. **Place of Manufacture.** No article furnished hereunder shall have been made in prison or by convict labor, except articles purchased for use by City's detention facilities.
3. **Electrical Products.** Articles and services must comply with applicable laws, ordinances and other legal requirements, including (among others) the Cal-OSHA regulations in Title 8 of the Code of Regulations and, for electrical products, Sections 110.2 and 110.3 (B) of the S.F. Electrical Code. In addition, if an electrical item has not been tested by a lab approved by City's Department of Building Inspection (DBI) or Department of Public Works (DPW), Contractor shall notify the requesting department before delivery by writing the department at the "Deliver to" address on the front of the Purchase Order. Approved testing labs are posted on Purchasing's website at <http://www.sfgov.org/ocaf/>. When a non-tested item is delivered, the department will request approval from DPW. If the department is unable to obtain approval, City reserves the right to cancel the transaction and return the item to Contractor, at no charge to City.
4. **Condition of Articles.** Articles offered and furnished must be new and previously unused, and of manufacturer's latest model, unless otherwise specified herein.
5. **Inspection.** All articles supplied shall be subject to inspection and acceptance or rejection by Purchasing or any department official charged with such duty. Non-conforming or rejected goods may be subject to reasonable storage fees.
6. **F.O.B. Point.** F.O.B destination in San Francisco, freight prepaid and allowed, unless otherwise specified.
7. **Failure to Deliver.** If Contractor fails to deliver an article or service of the quality, in the manner or within the time called for by this contract, such article or service may be bought from any source by Purchasing and if a greater price than that named in the contract be paid for such article or service, the excess price will be charged to and collected from Contractor or sureties on its bond if bond has been required; or, the City may terminate the contract for default; or, the City may return deliveries already made and receive a refund.
8. **Material Safety Data Sheets.** Where required by law, contractor will include Material Safety Data Sheets (MSDSs) with delivery for applicable items. Failure to include the MSDSs for such items will constitute a material breach of contract and may result in refusal to accept delivery.
9. **Taxes.** City is exempt from federal taxes except on articles for resale. Contractor will enter state and local sales or use tax, and excise tax if applicable, on invoices.

B. General Contract Conditions

10. **Budget and Fiscal Provisions.** This contract is subject to the budget and fiscal provisions of City's Charter. Charges will accrue only after prior written authorization certified by City's Controller and amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This section shall control against any and all other provisions of this contract.
11. **Guaranteed Maximum Costs.** The City's obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification. Except as may be provided by laws governing emergency procedures, officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Commodities or Services beyond the agreed upon contract scope unless the changed scope is authorized by amendment and approved as required by law. Officers and employees of the City are not authorized to offer or promise, nor is the City required to honor, any offered or promised additional funding in excess of the maximum amount of funding for which the contract is certified without certification of the additional amount by the Controller. The Controller is not authorized to make payments on any contract for which funds have not been certified as available in the budget or by supplemental appropriation.
12. **Submitting False Claims; Monetary Penalties.** Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at <http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.
13. **Hold Harmless and Indemnification.** Contractor shall indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and

all loss, cost, damage, injury, liability, and claims thereof for injury to or death of a person, or loss of or damage to property, resulting directly or indirectly from contractor's performance of this contract, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law and except where such loss, damage, injury, liability or claim is the result of willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on contractor, its subcontractors or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City. In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter. Contractor shall indemnify and hold City harmless from all loss and liability, including attorney's fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark of any person or persons in consequence of the use by City, or any of its officers or agents, of articles or services to be supplied in the performance of this contract.

14. **Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THE AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED UNDER THIS CONTRACT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

15. **Termination and Termination for Convenience.** In the event Contractor fails to perform any of its obligations under this contract, in addition to any other remedies available to City, this contract may be terminated and all of Contractor's rights hereunder ended. Termination will be effective after ten days' written notice to Contractor. No new work will be undertaken, and no new deliveries will be made, after the date of receipt of any notice of termination, or five days after the date of the notice, whichever is earlier. In the event of such termination, Contractor will be paid for those services performed, or deliveries made, under this contract to the satisfaction of the City, up to the date of termination. However, City may offset from any such amounts due Contractor any liquidated damages or other costs City has or will incur due to Contractor's nonperformance. Any such offset by City will not constitute a waiver of any other remedies City may have against Contractor for financial injury or otherwise. City may terminate this Contract for City's convenience and without cause at any time by giving Contractor thirty days' written notice of such termination. In the event of such termination, Contractor will be paid for those services performed, or deliveries made, pursuant to this contract, to the satisfaction of the City up to the date of termination. In no event will City be liable for costs incurred by Contractor after receipt of a notice of termination. Such nonrecoverable costs include, but are not limited to, anticipated profits on this contract, post-termination employee salaries, post-termination administrative expenses, or any other cost which is not reasonable or authorized under this section. This section shall not prevent Contractor from recovering costs necessarily incurred in discontinuing further work, or canceling further deliveries, under the contract after receipt of the termination notice.

16. **Proprietary or Confidential Information of City.** Contractor understands and agrees that, in the performance of the work or services under this Contract or in contemplation thereof, Contractor may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. Contractor agrees that all information disclosed by City to Contractor shall be held in confidence and used only in performance of the Contract. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

17. **Earned Income Credit (EIC) Forms.** Administrative Code Chapter 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. Contractor shall provide the Earned Income Credit (EIC) Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which the applicable Contract or Contract Amendment becomes effective (unless Contractor has already provided such EIC Forms at least once during the calendar year in question); (ii) promptly after any Eligible Employee is hired by Contractor; and (iii) annually between January 1 and January 31 of each calendar year during the term of the Contract. Failure to comply with the foregoing requirement shall constitute a material breach by Contractor of the terms of the Contract. If within 30 days after the Contractor receives written notice of such a breach, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, Contractor fails to commence efforts to cure within such period, or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under the terms of the Contract or under applicable law.

18. **Local Business Enterprise Utilization; Liquidated Damages.** a. **The LBE Ordinance.** Contractor shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Contractor's obligations or liabilities, or materially diminish Contractor's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor's willful failure to comply with any applicable provision of the LBE Ordinance is a material breach of Contractor's obligations under this Agreement and shall

Chapter 12Q of the S.F. Admin. Code is incorporated herein by reference, and Contractor agrees to comply with the HCAO in performing this contract. The text of the HCAO is available on the Living Wage/Living Health Division website at www.sfgov.org/olse. The following is a general description of Contractor's responsibilities for providing health coverage to covered employees. See Chapter 12Q for specific requirements, exemptions, other obligations, etc.

u. For covered employees who live in San Francisco, or who provide covered services in San Francisco or at the S.F. Airport or at the San Bruno Jail, Contractor must do one of the following: (1) Offer health plan benefits that meet minimum standards set by the City; (2) Pay the City \$1.50 for each hour a covered employee works on this contract, not to exceed \$60 per week; (3) Participate in a health benefits program developed by the City.

b. For covered employees who do not live in San Francisco and who provide covered services outside of San Francisco, not at the S.F. Airport, and not at the San Bruno Jail, Contractor must do either of the following: (1) Offer health plan benefits that meet minimum standards set by the City; (2) Pay the covered employee \$1.50 for each hour a covered employee works on this contract, not to exceed \$60 per week.

29. First Source Hiring Program [if contract is greater than \$50,000 and if Contractor has an office in Alameda, San Francisco or San Mateo counties] **a. Incorporation of Administrative Code Provisions by Reference.** The provisions of Chapter 83 of the San Francisco Administrative Code ("this Chapter") are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

b. First Source Hiring Agreement. As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. The First Source Hiring agreement will set appropriate job notification and hiring goals for entry-level positions that occur at Contractor's local sites.

c. Hiring Decisions. Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

d. Liquidated Damages. Contractor agrees:

(1) To be liable to the City for liquidated damages as provided in this section;
(2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;
(3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

(4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

(5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

(A) The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

(B) In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

e. Subcontracts. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

30. Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, Contractor may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this contract. Contractor agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Contractor violates the provisions of this

section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this contract, and (ii) prohibit Contractor from bidding on or receiving any new City contract for a period of two years.

31. Preservative-Treated Wood Containing Arsenic. Contractor may not purchase preservative-treated wood products containing arsenic in the performance of this contract unless an exemption from the requirements of Chapter 21G is obtained from the Department of Environment under Section 21G.5 of the Administrative Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Contractor may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Contractor from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

32. Use of City Opinion. Contractor shall not quote, paraphrase, or otherwise refer to or use any opinion of City, its officers or agents, regarding Contractor or Contractor's performance under this contract without prior written permission of Purchasing.

33. Contract Interpretation; Choice of Law/Venue; Assignment. Should any questions arise as to the meaning and intent of the contract, the matter shall be referred to Purchasing, who shall decide the true meaning and intent of the contract. This contract shall be deemed to be made in, and shall be construed in accordance with the laws of the State of California. Venue for all litigation relative to the formation, interpretation and performance of this contract shall be in San Francisco. This contract may be assigned only with the written approval of Purchasing.

34. Proposal, Quotation and Attachments. This contract incorporates by reference the provisions of any related bid request issued by City, any bid submitted by contractor, or both. This contract incorporates by reference the provision of any attachments.

35. Provisions Controlling. Contractor agrees that in the event of conflicting language between this contract and Contractor's printed form, the provisions of this contract shall take precedence. This section shall supersede any language in the contractor's terms and conditions attempting to nullify City terms and conditions or to resolve language conflicts in favor of the contractor's terms and conditions.

36. Nondisclosure of Private Information. Contractor has read and agrees to the terms set forth in SF Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

37. Food Service Waste Reduction Requirements. Contractor agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this agreement as though fully set forth. This provision is a material term of this agreement. By entering into this agreement, contractor agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Contractor agrees that the sum of \$100 liquidated damages for the first breach, \$200 liquidated damages for the second breach in the same year, and \$500 liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of contractor's failure to comply with this provision.

38. Slavery Era Disclosure. [This paragraph applies if this contract is for financial services, insurance, or textiles.] **a.** Contractor acknowledges that this contract shall not be binding upon the City until the Director receives the affidavit required by the San Francisco Administrative Code's Chapter 12Y, "San Francisco Slavery Era Disclosure Ordinance."

b. In the event the Director finds that Contractor has failed to file an affidavit as required by Section 12Y.4(a) and this contract, or has willfully filed a false affidavit, the Contractor shall be liable for liquidated damages in an amount equal to the Contractor's net profit on the Contract, 10% of the total amount of the Contract, or \$1,000, whichever is greatest, as determined by the Director. Contractor acknowledges and agrees that the liquidated damages assessed shall be payable to the City upon demand and may be set off against any monies due to the Contractor from any Contract with the City.

c. Contractor shall maintain records necessary for monitoring its compliance with this provision.

entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Contractor shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

b. Compliance and Enforcement. If Contractor willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Contractor shall be liable for liquidated damages in an amount equal to Contractor's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against Contractor authorized in the LBE Ordinance, including declaring the Contractor to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Contractor's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Agreement, Contractor acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to City upon demand. Contractor further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Contractor on any contract with City.

Contractor agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

19. Nondiscrimination; Penalties. a. Contractor Shall Not Discriminate. In the performance of this contract, Contractor agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status) against any employee of, any City employee working with, or applicant for employment with Contractor, in any of Contractor's operations within the United States, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Contractor.

b. Subcontracts. Contractor shall incorporate by reference in all subcontracts the provisions of §12B.2(a), 12B.2(c)-(k), and 12C.3 of the S.F. Administrative Code and shall require all subcontractors to comply with such provisions. Contractor's failure to comply with the obligations in this subsection shall constitute a material breach of this contract.

c. Nondiscrimination in Benefits. Contractor does not as of the date of this contract and will not during the term of this contract, in any of its operations in San Francisco, on real property owned by San Francisco, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the S.F. Administrative Code.

d. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the S.F. Administrative Code are incorporated in this Section by reference and made a part of this contract as though fully set forth herein. Contractor shall comply fully with and be bound by all of the provisions that apply to this contract under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, Contractor understands that pursuant to §12B.2(h) of the S.F. Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this contract may be assessed against Contractor and/or deducted from any payments due Contractor.

20. MacBride Principles--Northern Ireland. The City and County of San Francisco urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City and County of San Francisco urges San Francisco companies to do business with corporations that abide by the MacBride Principles.

21. Tropical Hardwoods. The City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product. If this order is for wood products or a service involving wood products: (a) Chapter 8 of the S.F. Environment Code is incorporated herein and by reference made a part hereof as though fully set forth. (b) Except as expressly permitted by the application of Environment Code Secs. 802(b) and 803(b), Contractor shall not provide any items to the City in performance of this contract which are tropical hardwoods, tropical hardwood product, virgin redwood or virgin redwood product. Failure of Contractor to comply with any part of Chapter 8 of the Environment Code shall be deemed a material breach of contract.

22. Resource Conservation. Contractor agrees to comply fully with the San Francisco Environment Code, Chapter 5 ("Resource Conservation"), as amended from time to time. Said provisions are incorporated herein by reference and made a part of this contract as though fully set forth. Failure by Contractor to comply with any of the applicable requirements of Chapter 5 will be deemed a material breach of contract.

23. Drug-Free Workplace Policy. Contractor acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. Contractor agrees that any violation of this prohibition by Contractor, its employees, agents, or assigns will be deemed a material breach of this Contract.

24. Compliance with Americans with Disabilities Act. Contractor acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. Contractor shall provide the services specified in this Contract in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. Contractor agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Agreement and further agrees that any violation of this prohibition on the part of Contractor, its employees, agents or assigns will constitute a material breach of this Contract.

25. Sunshine Ordinance. In accordance with §67.24(e) of the S.F. Admin. Code, contracts, contractors' bids, responses to RFPs and all other records of communications between City and persons or firms seeking contracts shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

26. Limitations on Contributions. Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services or for the furnishing of any material, supplies or equipment to the City, whenever such transaction would require approval by a City elective officer of the board on which that City elective officer serves, from making any campaign contribution to the officer at any time from the commencement of negotiations for the contract until the later of either (1) the termination of negotiations for such contract or (2) three months after the date the contract is approved by the City elective officer or the board on which that City elective officer serves.

27. Minimum Compensation Ordinance ("MCO") -- Service Contracts only.

a. Contractor agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 12P are incorporated herein by reference and made a part of this Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of Contractor's obligations under the MCO is set forth in this Section. Contractor is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

b. The MCO requires Contractor to pay Contractor's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and Contractor is obligated to keep informed of the then-current requirements. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is Contractor's obligation to ensure that any subcontractors of any tier under this Agreement comply with the requirements of the MCO. If any subcontractor under this Agreement fails to comply, City may pursue any of the remedies set forth in this Section against Contractor.

c. Contractor shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

d. Contractor shall maintain employee and payroll records as required by the MCO. If Contractor fails to do so, it shall be presumed that the Contractor paid no more than the minimum wage required under State law.

e. The City is authorized to inspect Contractor's job sites and conduct interviews with employees and conduct audits of Contractor.

f. Contractor's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Contractor fails to comply with these requirements. Contractor agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for Contractor's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

g. Contractor understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Agreement for violating the MCO, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, Contractor fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

h. Contractor represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

i. If Contractor is exempt from the MCO when this Agreement is executed because the cumulative amount of agreements with this department for the fiscal year is less than \$25,000, but Contractor later enters into an agreement or agreements that cause contractor to exceed that amount in a fiscal year, Contractor shall thereafter be required to comply with the MCO under this Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Contractor and this department to exceed \$25,000 in the fiscal year.

28. Health Care Accountability Ordinance (HCAO) [Service contracts including agreements between a Tenant or Subtenant lasting 1 year or more only].

5. **Inspection.** All articles supplied shall be subject to inspection and acceptance or rejection by Purchasing or any department official charged with such duty. Non-conforming or rejected goods may be subject to reasonable storage fees.
6. **F.O.B. Point.** F.O.B destination in San Francisco, freight prepaid and allowed, unless otherwise specified.
7. **Failure to Deliver.** If Contractor fails to deliver an article or service of the quality, in the manner or within the time called for by this contract, such article or service may be bought from any source by Purchasing and if a greater price than that named in the contract be paid for such article or service, the excess price will be charged to and collected from Contractor or sureties on its bond if bond has been required; or, the City may terminate the contract for default; or, the City may return deliveries already made and receive a refund.
8. **Material Safety Data Sheets.** Where required by law, contractor will include Material Safety Data Sheets (MSDSs) with delivery for applicable items. Failure to include the MSDSs for such items will constitute a material breach of contract and may result in refusal to accept delivery.
9. **Taxes.** City is exempt from federal taxes except on articles for resale. Contractor will enter state and local sales or use tax, and excise tax if applicable, on invoices.

B. General Contract Conditions

10. **Budget and Fiscal Provisions.** This contract is subject to the budget and fiscal provisions of City's Charter. Charges will accrue only after prior written authorization certified by City's Controller and amount of City's obligation hereunder shall not at any time exceed the amount certified for the purpose and period stated in such advance authorization. This section shall control against any and all other provisions of this contract.
11. **Guaranteed Maximum Costs.** The City's obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification. Except as may be provided by laws governing emergency procedures, officers and employees of the City are not authorized to request, and the City is not required to reimburse the Contractor for, Commodities or Services beyond the agreed upon contract scope unless the changed scope is authorized by amendment and approved as required by law. Officers and employees of the City are not authorized to offer or promise, nor is the City required to honor, any offered or promised additional funding in excess of the maximum amount of funding for which the contract is certified without certification of the additional amount by the Controller. The Controller is not authorized to make payments on any contract for which funds have not been certified as available in the budget or by supplemental appropriation.
12. **Submitting False Claims; Monetary Penalties.** Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at <http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.
13. **Hold Harmless and Indemnification.** Contractor shall indemnify and save harmless City and its officers, agents and employees from, and, if requested, shall defend them against any and

all loss, cost, damage, injury, liability, and claims thereof for injury to or death of a person, or loss of or damage to property, resulting directly or indirectly from contractor's performance of this contract, regardless of the negligence of, and regardless of whether liability without fault is imposed or sought to be imposed on City, except to the extent that such indemnity is void or otherwise unenforceable under applicable law and except where such loss, damage, injury, liability or claim is the result of willful misconduct of City and is not contributed to by any act of, or by any omission to perform some duty imposed by law or agreement on contractor, its subcontractors or either's agent or employee. The foregoing indemnity shall include, without limitation, reasonable fees of attorneys, consultants and experts and related costs and City's costs of investigating any claims against the City. In addition to Contractor's obligation to indemnify City, Contractor specifically acknowledges and agrees that it has an immediate and independent obligation to defend City from any claim which actually or potentially falls within this indemnification provision, even if the allegations are or may be groundless, false or fraudulent, which obligation arises at the time such claim is tendered to Contractor by City and continues at all times thereafter. Contractor shall indemnify and hold City harmless from all loss and liability, including attorney's fees, court costs and all other litigation expenses for any infringement of the patent rights, copyright, trade secret or any other proprietary right or trademark of any person or persons in consequence of the use by City, or any of its officers or agents, of articles or services to the supplied in the performance of this contract.

14. **Liability of City.** CITY'S PAYMENT OBLIGATIONS UNDER THE AGREEMENT SHALL BE LIMITED TO THE PAYMENT OF THE COMPENSATION PROVIDED UNDER THIS CONTRACT. NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, IN NO EVENT SHALL CITY BE LIABLE, REGARDLESS OF WHETHER ANY CLAIM IS BASED ON CONTRACT OR TORT, FOR ANY SPECIAL, CONSEQUENTIAL, INDIRECT OR INCIDENTAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SERVICES PERFORMED IN CONNECTION WITH THIS AGREEMENT.

15. **Termination and Termination for Convenience.** In the event Contractor fails to perform any of its obligations under this contract, in addition to any other remedies available to City, this contract may be terminated and all of Contractor's rights hereunder ended. Termination will be effective after ten days' written notice to Contractor. No new work will be undertaken, and no new deliveries will be made, after the date of receipt of any notice of termination, or five days after the date of the notice, whichever is earlier. In the event of such termination, Contractor will be paid for those services performed, or deliveries made, under this contract to the satisfaction of the City, up to the date of termination. However, City may offset from any such amounts due Contractor any liquidated damages or other costs City has or will incur due to Contractor's nonperformance. Any such offset by City will not constitute a waiver of any other remedies City may have against Contractor for financial injury or otherwise. City may terminate this Contract for City's convenience and without cause at any time by giving Contractor thirty days' written notice of such termination. In the event of such termination, Contractor will be paid for those services performed, or deliveries made, pursuant to this contract, to the satisfaction of the City up to the date of termination. In no event will City be liable for costs incurred by Contractor after receipt of a notice of termination. Such nonrecoverable costs include, but are not limited to, anticipated profits on this contract, post-termination employee salaries, post-termination administrative expenses, or any other cost which is not reasonable or authorized under this section. This section shall not prevent Contractor from recovering costs necessarily incurred in discontinuing further work, or canceling further deliveries, under the contract after receipt of the termination notice.

16. **Proprietary or Confidential Information of City.** Contractor understands and agrees that, in the performance of the work or services under this Contract or in contemplation thereof, Contractor may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. Contractor agrees that all information disclosed by City to Contractor shall be held in confidence and used only in performance of the Contract. Contractor shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

17. **Earned Income Credit (EIC) Forms.** Administrative Code Chapter 120 requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. Contractor shall provide the Earned Income Credit (EIC) Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which the applicable Contract or Contract Amendment becomes effective (unless Contractor has already provided such EIC Forms at least once during the calendar year in question); (ii) promptly after any Eligible Employee is hired by Contractor; and (iii) annually between January 1 and January 31 of each calendar year during the term of the Contract. Failure to comply with the foregoing requirement shall constitute a material breach by Contractor of the terms of the Contract. If within 30 days after the Contractor receives written notice of such a breach, Contractor fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, Contractor fails to commence efforts to cure within such period, or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under the terms of the Contract or under applicable law.

18. **Local Business Enterprise Utilization; Liquidated Damages.** a. The LBE Ordinance. Contractor, shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Contractor's obligations or liabilities, or materially diminish Contractor's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor's willful failure to comply with any applicable provision of the LBE Ordinance is a material breach of Contractor's obligations under this Agreement and shall

7. Objectives and Measurements

A. Required Objectives

The San Francisco AIDS Foundation agrees to collect data in the San Francisco data collection system as required and be prepared to report on evaluation, data collection and findings in cooperation with the HIV Prevention Section.

The San Francisco AIDS Foundation will work with the HIV Prevention Section to measure some or all of the following outcomes as appropriate for the service category and data collection system maturity.

Community-Based HIV Testing	
Citywide Goal	System of Prevention Objective
Increase status awareness	<ul style="list-style-type: none"> • By 2013, HPS-supported programs will conduct a total of 30,000* HIV tests annually. • By 2013, HPS-supported programs will identify a total of 400* new HIV cases annually. • By 2017, 80% of HIV-negative/unknown status MSM, IDU, and TFMSM clients of HPS-supported programs will report having had an HIV test in the prior 6 months, as measured by self-report and the HIV-prevention names-based system. • By 2017, 90% of people testing HIV-positive at HPS-supported programs will be <u>offered</u> partner services.**
Increase viral load suppression	<ul style="list-style-type: none"> • By 2017, 90% of people testing HIV-positive at HPS-supported programs will be <u>offered</u> linkage to care.**
Maintain or increase levels of protected sex	<ul style="list-style-type: none"> • By 2013, HPS-supported programs will distribute at least 1.6 million condoms annually.
Increase access to safer injection supplies	<ul style="list-style-type: none"> • By 2013, HPS-supported programs will provide at least 2.5 million syringes annually.

HERR to Address Drivers	
Citywide Goal	System of Prevention Objective
Increase status awareness	<ul style="list-style-type: none"> • By 2017, 90% of HIV-negative/unknown status clients of HPS-supported programs will be <u>offered</u> an HIV test. • By 2017, 80% of HIV-negative/unknown status MSM, IDU, and TFMSM clients of HPS-supported programs will report having had an HIV test in the prior 6 months, as measured by self-report and data on linkage to testing.
Increase viral load suppression	<ul style="list-style-type: none"> • By 2017, 90% of HIV-positive clients in HPS-supported programs who have not seen an HIV primary care provider in the prior 6 months will be <u>offered</u> linkage to care.* • By 2017, 90% of HIV-positive clients in HPS-supported programs will have had at least 2 HIV primary medical care visits in the prior 12 months, at least 3 months apart, as measured by the AIDS Regional Information and Evaluation System (ARIES) and the HIV/AIDS Reporting System (HARS).
Maintain or increase levels of protected sex	<ul style="list-style-type: none"> • By 2013, HPS-supported programs that address drivers will reduce drivers among clients. • By 2013, HPS-supported programs will distribute at least 1.6 million condoms annually. • (Optional) By 2013, HPS-supported programs aiming to increase protected sex among clients will show at least a 10% increase.

Category 3: PWP	
Citywide Goal	System of Prevention Objective
Increase status awareness	<ul style="list-style-type: none"> No required objectives for Category 3. Providers should link HIV-negative/unknown status sexual partners of clients to HIV testing as appropriate, but specific objectives are not required.
Increase viral load suppression	<ul style="list-style-type: none"> By 2017, 90% of HIV-positive clients in HPS-supported programs who have not seen an HIV primary care provider in the prior 6 months will be <u>offered</u> linkage to care.* By 2017, 90% of HIV-positive clients in HPS-supported programs will have had at least 2 HIV primary medical care visits in the prior 12 months, at least 3 months apart, as measured by the AIDS Regional Information and Evaluation System (ARIES) and the HIV/AIDS Reporting System (HARS). By 2013, all clients with unsuppressed viral load in HPS-supported PWP programs will receive at least one treatment adherence intervention. By 2017, 90% of clients in PWP programs taking HIV medications will have suppressed viral load 6 months after enrollment in PWP (or if not on treatment at the time of enrollment, 6 months after initiation of treatment), as measured by client charts, ARIES, or HARS.
Maintain or increase levels of protected sex	<ul style="list-style-type: none"> By 2013, HPS-supported programs will distribute at least 1.6 million condoms annually.
