Maintain adequate fiscal and project books, records, documents, and other evidence pertinent to the subcontractor's work on the project in accordance with generally accepted accounting principles. Adequate supporting documentation shall be maintained in such detail so as to permit tracing transactions from the invoices, to the accounting records, to the supporting documentation. These records shall be maintained for a minimum of three (3) years after the acceptance of the project's final audit of expenditures under the Grant Agreement, and shall be subject to examination and/or audit by the BSCC or designees, state government auditors or designees.

Supporting documentation shall permit the tracing of transactions from such documents to relevant accounting records, financial reports and invoices.

At any time, the BSCC may disallow all or part of the cost of the activity or action determined to not be in compliance with the terms and conditions of this Grant Agreement or take other remedies legally available.

## 6. DEBARMENT, FRAUD, THEFT OR EMBEZZLEMENT

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to grantees that have been:

## EXHIBIT D: SPECIAL TERMS AND CONDITIONS

- 1) debarred by any federal, state, or local government entities during the period of debarment; or
- 2) convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

All Grantees must have on file with the BSCC a completed and signed Certification of Compliance with BSCC Policies on Debarment, Fraud, Theft and Embezzlement.

Changes shall not be implemented by the project until authorized by the BSCC.

### 8. TERMINATION

- A. This Grant Agreement may be terminated by the BSCC at any time after grant award and prior to completion of project upon action or inaction by the Grantee that constitutes a material and substantial breach of this Grant Agreement. Such action or inaction includes, but is not limited to:
  - 1) substantial alteration of the scope of the grant project without prior written approval of the BSCC;
  - 2) refusal or inability to complete the grant project in a manner consistent with Attachment 1: 2020 CESF Request for Applications, Attachment 2: 2020 CESF Grant Application for Funding, Attachment 3: 2020 CESF Program Solicitation; and
  - 3) failure to meet prescribed assurances, commitments, recording, accounting, auditing, and reporting requirements of the Grant Agreement.
- B. Prior to terminating the Grant Agreement under this provision, the BSCC shall provide the Grantee at least 30 calendar days written notice stating the reasons for termination and effective date thereof. The Grantee may appeal the termination decision in accordance with the instructions listed in Exhibit D: Special Terms and Conditions, Number 9. Settlement of Disputes.

### 9. SETTLEMENT OF DISPUTES

- A. The parties shall deal in good faith and attempt to resolve potential disputes informally. If the dispute persists, the Grantee shall submit to the BSCC Corrections Planning and Programs Division Deputy Director a written demand for a final decision regarding the disposition of any

## EXHIBIT D: SPECIAL TERMS AND CONDITIONS

dispute between the parties arising under, related to, or involving this Grant Agreement. Grantee's written demand shall be fully supported by factual information. The BSCC Corrections Planning and Programs Division Deputy Director shall have 30 days after receipt of Grantee's written demand invoking this Section "Disputes" to render a written decision. If a written decision is not rendered within 30 days after receipt of the Grantee's demand, it shall be deemed a decision adverse to the Grantee's contention. If the Grantee is not satisfied with the decision of the BSCC Corrections Planning and Programs Division Deputy Director, the Grantee may appeal the decision, in writing, within 15 days of its issuance (or the expiration of the 30 day period in the event no decision is rendered), to the BSCC Executive Director, who shall have 45 days to render a final decision. If the Grantee does not appeal the decision of the BSCC Corrections Planning and Programs Division Deputy Director, the decision shall be conclusive and binding regarding the dispute and the Contractor shall be barred from commencing an action in court, or with the Victims Compensation Government Claims Board, for failure to exhaust Grantee's administrative remedies.

- B. Pending the final resolution of any dispute arising under, related to or involving this Grant Agreement, Grantee agrees to diligently proceed with the performance of this Grant Agreement, including the providing of services in accordance with the Grant Agreement. Grantee's failure to diligently proceed in accordance with the State's instructions regarding this Grant Agreement shall be considered a material breach of this Grant Agreement.
- C. Any final decision of the State shall be expressly identified as such, shall be in writing, and shall be signed by the Executive Director, if an appeal was made. If the Executive Director fails to render a final decision within 45 days after receipt of the Grantee's appeal for a final decision, it shall be deemed a final decision adverse to the Grantee's contentions. The State's final decision shall be conclusive and binding regarding the dispute unless the Grantee commences an action in a court of competent jurisdiction to contest such decision within 90 days following the date of the final decision or one (1) year following the accrual of the cause of action, whichever is later.
- D. The dates of decision and appeal in this section may be modified by mutual consent, as applicable, excepting the time to commence an action in a court of competent jurisdiction.

### 10. WAIVER

The parties hereto may waive any of their rights under this Grant Agreement unless such waiver is contrary to law, provided that any such waiver shall be in writing and signed by the party making such waiver.

## **EXHIBIT E: CORONAVIRUS EMERGENCY SUPPLEMENTAL FUNDING SPECIAL CONDITIONS**

### **1. Requirements of the award; remedies for non-compliance or for materially false statements**

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (<https://ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm>), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or - unenforceable, such provision shall be deemed severable from this award.

### **2. Applicability of Part 200 Uniform Requirements**

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") apply to this FY 2020 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 26, 2014. If this FY 2020 award supplements funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2020 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subgrants"), see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

## EXHIBIT E: CORONAVIRUS EMERGENCY SUPPLEMENTAL FUNDING SPECIAL CONDITIONS

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typically for a period of 3 years from the date of submission of the final expenditure report (SF 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may appear to conflict with, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.

### 3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

### 4. Reclassification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

### 5. Required training for Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed an "OJP financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed an "OJP financial management and grant administration training" by 120 calendar days after -- (1) the date of OJP's approval of the "Change Grantee Contact" GAN (in the case of a new POC), or (2) the date the POC enters information on the new FPOC in GMS (in the case of a new FPOC). Successful completion of such a training on or after January 1, 2018, will satisfy this condition.

A list of OJP trainings that OJP will consider "OJP financial management and grant administration training" for [purposes of this condition is available at https://www.ojp.gov/training/fmts.htm](https://www.ojp.gov/training/fmts.htm). All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

## EXHIBIT E: CORONAVIRUS EMERGENCY SUPPLEMENTAL FUNDING SPECIAL CONDITIONS

### 6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.

### 7. Requirement to report potentially duplicative funding

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

### 8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), [currently accessible at https://www.sam.gov/](https://www.sam.gov/). This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the [OJP web site at https://ojp.gov/funding/Explore/SAM.htm](https://ojp.gov/funding/Explore/SAM.htm) (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

### 9. Employment eligibility verification for hiring under the award

#### 1. The recipient (and any subrecipient at any tier) must--

B. Notify all persons associated with the recipient (or any subrecipient) who are or will be involved in activities under this award of both—

(1) this award requirement for verification of employment eligibility, and

(2) the associated provisions in 8 U.S.C. 1324a(a)(1) that, generally speaking, make it unlawful, in the United States, to hire (or recruit for employment) certain aliens.

**EXHIBIT E: CORONAVIRUS EMERGENCY SUPPLEMENTAL FUNDING  
SPECIAL CONDITIONS**

C. Provide training (to the extent necessary) to those persons required by this condition to be notified of the award requirement for employment eligibility verification and of the associated provisions of 8 U.S.C. 1324a(a)(1).

D. As part of the recordkeeping for the award (including pursuant to the Part 200 Uniform Requirements), maintain records of all employment eligibility verifications pertinent to compliance with this award condition in accordance with Form I-9 record retention requirements, as well as records of all pertinent notifications and trainings.

2. Monitoring

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

4. Rules of construction

A. Staff involved in the hiring process

For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all recipient (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

200.319(a) or as specifically authorized by USDOJ.

### **2. Monitoring**

The recipient's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

25. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2020) The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. 27. Restrictions and certifications regarding non-disclosure agreements and related matters

No recipient or subrecipient ("subgrantee") under this award, or entity that receives a procurement contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this award, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

(2) it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and

If the recipient is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at [OJP.ComplianceReporting@ojp.usdoj.gov](mailto:OJP.ComplianceReporting@ojp.usdoj.gov). For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. 31. Signing Authority

This award must be signed by an authorized official of the applicant State, local, or tribal government, on behalf of that applicant State, unit of local government, or Tribe, unless the applicant designates an organizational unit to apply on its behalf. For example, if designated by a unit of local government, a Police Department or Sheriff's Office (or similar agency) may apply on behalf of the applicant jurisdiction, as long as the department, office, or agency is listed as the organizational unit on the SF-424. In that case, the head of the designated organizational unit (such as a Police Chief or Sheriff) may sign the award. Documentation of the designation by the appropriate governing body must be retained by the grant recipient.

32. The "Emergency Appropriations for Coronavirus Health Response and Agency Operations" law (Public Law 116-136) includes definitions, reporting requirements, and certain other provisions that apply (whether in whole or in part) to this award. In addition, consistent with the CESF Program's purposes, which involve preparing for, preventing, and responding to the coronavirus national emergency, OJP will provide notice of any additional CESF program-specific grants administrative requirements on an award page, accessible at <https://www.ojp.gov/funding/explore/CESF-program-specific-condition>, that is incorporated by reference here.

33. The recipient agrees to comply with OJP grant monitoring guidelines, protocols, and procedures, and to cooperate with BJA and OCFO on all grant monitoring requests, including requests related to desk reviews, enhanced programmatic desk reviews, and/or site visits. The recipient agrees to provide to BJA and OCFO all documentation necessary to complete monitoring tasks, including documentation related to any subawards made under this award. Further, the recipient agrees to abide by reasonable deadlines set by BJA and OCFO for providing the requested documents. Failure to cooperate with BJA's/OCFO's grant monitoring activities may result in sanctions affecting the recipient's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the recipient's access to grant funds; referral to the Office of the Inspector General for audit review; designation of the recipient as a DOJ High Risk grantee; or termination of an award(s).

34. FFATA reporting: Subawards and executive compensation

The recipient must comply with applicable requirements to report first-tier subawards ("subgrants") of \$25,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of recipient obligations, which

## **EXHIBIT E: CORONAVIRUS EMERGENCY SUPPLEMENTAL FUNDING SPECIAL CONDITIONS**

derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$25,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

### **35. Required monitoring of subawards**

The recipient must monitor subawards under this award in accordance with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the recipient is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of award funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

### **36. Use of program income**

### **37. Justice Information Sharing**

Recipients are encouraged to comply any information-sharing projects funded under this award with DOJ's Global Justice Information Sharing Initiative (Global) guidelines. The recipient (and any subrecipient at any tier) is encouraged to conform to the Global Standards Package (GSP) and all constituent elements, where applicable, as described at: [https://it.ojp.gov/gsp\\_grantcondition](https://it.ojp.gov/gsp_grantcondition). The recipient (and any subrecipient at any tier) must document planned approaches to information sharing and describe compliance with the GSP and appropriate privacy policy that protects shared information.

### **38. Avoidance of duplication of networks**

To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity.

### **39. Compliance with National Environmental Policy Act and related statutes**

Upon request, the recipient (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the recipient or by a subrecipient. Accordingly, the recipient agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the recipient agrees to contact BJA. The recipient understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the recipient, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this

## **EXHIBIT E: CORONAVIRUS EMERGENCY SUPPLEMENTAL FUNDING SPECIAL CONDITIONS**

condition must first be met. The activities covered by this condition are: a. New construction; b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places; c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size; d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The recipient understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/ or an Environmental Impact Statement, as directed by BJA. The recipient further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bja.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations. Application of This Condition to Recipient's Existing Programs or Activities: For any of the recipient's or its subrecipients' existing programs or activities that will be funded by these award funds, the recipient, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

#### **40. Establishment of interest-bearing account**

If award funds are being drawn down in advance, the recipient (or a subrecipient, with respect to a subaward) is required to establish an interest-bearing account dedicated specifically to this award. Recipients (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2

C.F.R. 200.305(b)(8)). The award funds, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Coronavirus Emergency Supplemental Funding (CESF) program. The recipient also agrees to obligate the award funds in the account (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

#### **41. Expenditures requiring prior approval**

No funds under this award may be expended on individual items costing \$500,000 or more, or to purchase Unmanned Aerial Systems (UAS), Unmanned Aircraft (UA), and/or Unmanned Aerial Vehicles (UAV) without prior written approval from BJA. Prior approval must be obtained post-award, through the submission and approval of a Grant Adjustment Notice (GAN) through OJP's Grant Management System (GMS).

#### **42. Authorization to obligate (federal) award funds to reimburse certain project costs incurred on or after January 20, 2020**

The recipient may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (January 20, 2020), however, the recipient may choose to incur project costs using non-federal funds, but any such project costs are incurred at the recipient's risk until, at a minimum-- (1) the recipient makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by OJP (via a Grant Adjustment Notice). (A withholding condition is a condition in the award document

## EXHIBIT E: CORONAVIRUS EMERGENCY SUPPLEMENTAL FUNDING SPECIAL CONDITIONS

that precludes the recipient from obligating, expending, or drawing down all or a portion of the award funds until the condition is removed.)

Nothing in this condition shall be understood to authorize the recipient (or any subrecipient at any tier) to use award funds to "supplant" State or local funds.

### 43. Use of funds for DNA testing; upload of DNA profiles

If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS. No profiles generated under this award may be entered or uploaded into any non- governmental DNA database without prior express written approval from BJA. Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS.

### 44. Body armor - compliance with NIJ standards and other requirements

Ballistic-resistant and stab-resistant body armor purchased with award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute of Justice ballistic or stab standards and is listed on the NIJ Compliant Body Armor Model List (<https://nij.gov/topics/technology/body-armor/Pages/compliant-ballistic-armor.aspx>). In addition, ballistic-resistant and stab-resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information can be found here: <https://nij.ojp.gov/topics/articles/body-armor-safety-initiative>.

### 45. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS

The recipient must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of recipient obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

## Appendix C: Criteria for Non-Governmental Organizations Receiving CESF

The Coronavirus Emergency Supplemental Funding (CESF) Program Request for Proposals (RFP) includes requirements that apply to non-governmental organizations that receive funds under this grant. All grantees are responsible for ensuring that any contracted third parties continually meet these requirements as a condition of receiving CESF. The RFP describes these requirements as follows.

Any non-governmental organization that receives CESF (as either subgrantee or subcontractor) must:

- Have been duly organized, in existence, and in good standing for at least six months prior to the effective date of its fiscal agreement with the BSCC or with the CESF grantee.
- In either instance (applicant or subgrantee), non-governmental entities that have recently reorganized or have merged with other qualified non-governmental entities that were in existence prior to the six-month date are also eligible, provided all necessary agreements have been executed and filed with the California Secretary of State prior to the start date of the grant agreement with the BSCC or the start date of the grantee-subcontractor fiscal agreement.
- Be registered with the California Secretary of State's Office, if applicable;
- Have a valid business license, Employer Identification Number (EIN), and/or Taxpayer ID (if sole proprietorship);
- Have any other state or local licenses or certifications necessary to provide the services requested (e.g., facility licensing by the Department of Health Care Services), if applicable; and
- Have a physical address.

In the table below, provide the name of the Grantee and list all contracted parties.

**Grantee Name:**

Name of Contracted Party	Address	Email / Phone	Meets All Requirements
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>
			Yes <input type="checkbox"/> No <input type="checkbox"/>

Grantees are required to update this list and submit it to the BSCC any time a new third-party contract is executed after the initial assurance date. Grantees shall retain (on-site) applicable source documentation for each contracted party that verifies compliance with the requirements listed in the CESF RFP. These records will be subject to the records and retention language found in Appendices A and C of the Standard Agreement.

Unless prior approval is obtained, the BSCC prohibits disbursement or reimbursement to any NGO that does not meet the requirements listed above and for which the BSCC does not have a signed grantee assurance on file.

**A signature below is an assurance that all requirements listed above have been met.**

## 2b. Services and Supplies Narrative:

### District Attorney (DAT)

1. Back-up software manages the schedule of when and what data gets backed.
2. The back-up appliance is the target location where the back-ups are stored. This appliance not only stores a copy of the back-ups but is also used to recover lost data from the servers.
3. 1-yr. Support is the annual cost of support and maintenance for the back-up appliance (line item #2 and 3); should a part fail within the unit or it has some type of malfunction, the manufacturer will provide support to resolve the issue whether that means replacing a part or assistance with trouble shooting software issues.

### Juvenile Probation Department (JPD)

Juvenile Hall WiFi Project: The Wi-Fi will allow us to provide more virtual services to the youths and the TAY population on the living unit. Currently, we have one laptop we use for virtual activities (court hearings, visits with attorneys/family/community and community programming). The Wi-Fi will enhance our capabilities by implementing Mobile Carts (tv stands with 55" tv and virtual equipment) which we can move from living unit to living unit to meet programming needs in a much more sufficient way. The Wi-Fi is important in every unit as a single location on a selected area will affect frequency as the facility has a lot of concrete which affects the frequency even on our cell phones. Lately, SFUSD has been having technical issues with their Wi-Fi in some of the units which affects educational services for our youth. Our Wi-Fi can be used as a back-up if the SFUSD Wi-Fi is down.

Purchase of Laptops and Tablets: The facility would benefit from additional laptops to accommodate services for youths such as virtual visits with attorneys/families/community partners. Currently, we have one laptop in each living unit so it limits usage. Additional tablets would benefit providing incentives to additional youths throughout the facility. Currently, we use a limited amount of tablets to share with the entire population of JJC. The additional tablets will allow youths to access the tablets.

Emergency Stabilization Program: The Juvenile Probation Department will provide support to youth and families who are unable to meet their basic needs, particularly during the current crisis, which has disproportionately affected those neighborhoods with higher levels of juvenile justice involvement.

### San Francisco Public Defender (SFPDR)

SFPDR will apply CESF to obtain industrial document scanners and software to convert the high volume of paper in its practice to digital format. With cameras and computers obtained through CESF, SFPDR will provide its personnel and indigent clients with the ability to "zoom" into court and "meet" with each other over video contact.

The public defender serves indigent clients—they are extremely low income- many are homeless, and many are coming out of jail or prison with nothing. We plan to purchase \$50 Visa gift cards for our clients and their families who are experiencing deep food insecurity right now. Our managing social worker will be in charge of distribution. There will be operating cost charged by Visa gift cards.

Good afternoon,

Attached please find the 2020 Coronavirus Emergency Supplemental Funding grant agreement package, which includes a Standard Agreement (Form STD 213) and the Grant Agreement Contract (including Exhibits A-E, Attachments 1-3, and Appendix C). Please make special note of the following:

- **Budgets.** BSCC is using the budget table provided within your application for the grant agreement. Be advised that your Field Representative may be contacting you in the near future to request additional detail and/or discuss minor modifications that need to be made to your budget line items. Although expenditures/items are listed in your application's budget narrative, there may be circumstances where those expenditures/items are ineligible or may need prior approval from the BSCC prior to purchase.
- **Authorized Officer.** Regarding the individual that will sign the grant agreement:
  - **For Governmental Grantees:** Please note that before grant funds can be awarded, governmental agencies must submit either (1) a resolution from the County Board of Supervisors that delegates authority to the individual authorized to execute the grant agreement or (2) documentation to indicate that the individual signing the grant agreement has been vested with plenary authority to execute grant agreements (e.g., a municipal ordinance or charter, etc.).

Once you have reviewed the Coronavirus Emergency Supplemental Funding grant agreement package, please complete the following:

- **Carefully review** the entire Grant Agreement (*2020 CESF Grant Agreement – City and County of San Francisco 119-20.pdf*). Retain a copy for your records. Upon grant agreement execution, the attached Grant Agreement becomes your contractually obligated scope of work.
- **Sign** the Standard Agreement (*2020 CESF Grant Agreement – City and County of San Francisco 119-20.pdf*). Grant agreements can be either signed electronically or printed, signed, and then scanned. The grant agreement must be signed and dated by the Authorized Officer, London Breed.

Your grant agreement becomes fully executed only when the Standard Agreement has been signed by both you and the BSCC.

We are aware that some grantees will experience delays in obtaining the required resolution. However, we cannot fully execute the grant agreement or issue payment until the resolution is received.

Once your grant agreement has been executed, you may submit invoices for eligible expenses according to the schedule outlined in the Grant Agreement, but please note the following:

# CESF Proposal Narrative

## 1. Project Need

**1.1** COVID-19 has infected over 3 million residents in California, including over 28,000 in San Francisco. COVID-19 pandemic has had substantial impacts to the City, resulting in reduced revenues, increased operating costs, major changes to City operations, limitations to operating businesses, and an ongoing recession that threatens the health, stability, and well-being of many San Francisco residents, workers, businesses, community organizations, and City agencies.

After Mayor London N. Breed issued an emergency declaration to strengthen the City's response to COVID-19 in late February, the City quickly mobilized our resources, accelerated emergency planning, streamlined staffing, and coordinated agencies across the city. While this allowed for future reimbursement by state and federal governments and raised awareness, it has still been incredibly challenging meeting the needs of staff, reentry clients and their families.

While the City is under a shelter in place order, the City's staff continue to be fully operational. Workers across the City are taking extra precautions to stay well and healthy and many are essential workers and working to ensure they are not risking infecting others. All stakeholder departments in this partnership are essential workers and while some are able to work from home and work remotely, meeting the needs of reentry clients remains challenging.

**1.2** Stakeholder departments include the San Francisco Adult Probation (APD), Juvenile Probation (JPD), San Francisco Public Defender's Office (SFPDR), San Francisco Police Department (SFPD), San Francisco District Attorney's Office (SFDA), and San Francisco Sheriff's Office (SFSO). Coronavirus Emergency Supplemental Funding (CESF) Program funds will support these department's immediate needs which were identified in discussions during our existing justice partners meeting. CESF grant funds will support staffing needs by supporting the costs of overtime due to sick leaves from staff exposed to coronavirus or those that received positive test cases. Funds will be used to meet technology and equipment needs by departments who have needed to

turn to remote services in order to meet reentry client's needs. Funds will also be used to meet critical basic needs with support by Visa gift cards to prevent food insecurity.

Lastly in response to the coronavirus pandemic and the shelter in place order San Francisco passed an emergency ordinance in April 2020 requiring the City to secure 8250 hotel rooms. APD developed a viable funded option to help address the requirements under this emergency ordinance as they relate to asymptomatic and vulnerable persons experiencing homelessness. The program launched in May 2020 as a pilot and included two nonprofits in San Francisco: Recovery Survival Network (RSN), a provider of case management and housing support services for justice involved people and marginalized populations; and the San Francisco Pretrial Diversion Project (SF PDP), a provider of pretrial services that is under contract with the SFSO. This collaborative partnership is designed to both support the safe and effective transition of the target population from jail to private hotel rooms and provide the Court with an additional option as it navigates the new landscape of release decisions brought on by the COVID-19 pandemic. In November 2020 the program was extended six months. CESF funds will allow this program to expand and continue by extending the current contract at a reduced capacity.

**1.3** The needs above are not met by existing resources. While this pandemic is taking a devastating toll on our vulnerable populations, community and city workers, it has taken an even greater toll on our City's budget. Since the start of the COVID-19 pandemic, the City has spent \$1.1 billion COVID-19 response, with \$571 million sourced from the General Fund. Funds from this grant will go towards the immediate relief to several City stakeholder departments currently experiencing depleted reserves as we work to support our staff, clients and continue the operations of the City. Unfortunately, many partners and staff were not prepared to address the immediate needs of working remotely for an extended period of time or working from home, helping clients and client families meet basic needs and were not prepared to support with emergency housing units for those released from jail prior to adjudication due to emergency bail schedule implemented by the California Judicial Council to safely reduce jail populations during the COVID-19 emergency.

**1.4** Data from the Prison Policy Initiative suggests that with the efforts to depopulate prisons and jails to reduce and control the rates of COVID-19 infections, formerly incarcerated individuals face extreme challenges with homelessness,

transportation, barriers to healthcare, gainful employment and income, and a lack of supportive services.<sup>1</sup> Formerly incarcerated individuals are nearly ten times more likely to be homeless than the general public, are excluded from Federal COVID-19 Relief, are ineligible for food stamps and Medicaid, and are returning to their communities without the resources to be self-sufficient.<sup>2</sup>

COVID-19 has also presented staffing challenges to the City's law enforcement agencies, whose workers perform functions that cannot be performed remotely and whose activities involve many face-to-face encounters. As of January 2021, 147 employees of the SFPD have tested positive for COVID-19 and presently, 42 employees are on quarantine. In August 2020, the Department experienced an outbreak of positive COVID-19 cases, with a sizable number of infections occurring at the Academy. To date, 50 SFSO employees have tested positive, 37 SFSO staff were forced to quarantine due to a COVID positive person at home, 14 employees were mandated to stay home after a workplace exposure, and SFSO staff have taken 296 COVID-related leaves in the past 10 months. Since April of 2020, 107 persons in custody have tested positive for COVID-19 and most of these cases had positive tests at booking. SFSO, in concert with colleagues in the San Francisco Department of Public Health, has worked diligently to keep staff safe and to prevent the transmission of the coronavirus within our jails. However, these efforts have come at a cost; employee sick leave has doubled over the past year due to COVID-19.

## 2. Project Description

**2.1** Our proposal below reflects each department's immediate needs and associated activities and plans for use of CESF funds. The proposed program, services, and activities will be utilized to prepare and respond to the coronavirus with a focus on meeting CESF re-entry related needs by addressing staffing, services and supplies, and equipment needs.

<sup>1</sup> Prison Policy Initiative (2020). *Returning from prison and jail is hard during normal times — it's even more difficult during COVID-19.* <https://www.prisonpolicy.org/blog/2020/09/02/covidreentry/>

<sup>2</sup> The Appeal (2020). *Formerly Incarcerated Americans Were Excluded from Federal COVID-19 Relief.* <https://theappeal.org/coronavirus-formerly-incarcerated-americans-excluded-from-federal-relief/>

**Salaries.** The SFSO will use CESF funds to address personnel needs by supporting overtime hours. All of SFSO jails and most of the SFSO field operation units have mandatory staffing minimums, so that when one person is on a leave, a co-worker is drafted to fill that position, usually utilizing overtime. The CESF funds will help to alleviate a portion of this deficit as we move forward to a time when all of staff and persons in SFSO care have received vaccines.

The SFPD will also use CESF funds to address immediate personnel needs. CESF funds will provide for overtime hours to supplement staffing and allow for the backfill of hours for members who are placed on leave or quarantine due to COVID-19.

**Services and Supplies.** The JPD will use funding to purchase Visa gift cards for youth and families. The Juvenile Probation Department: Emergency Stabilization Program will provide support to youth and families who are unable to meet their basic needs, particularly during the current crisis, which has disproportionately affected those neighborhoods with higher levels of juvenile justice involvement.

The SFPDR will use funding to support indigent clients, mostly, who are extremely low income and homeless, and many that are coming out of jail or prison with nothing. SFPDR will purchase Visa gift cards for their clients and their families who are experiencing deep food insecurity.

The SFPD will use funding to provide support for additional restroom facilities at its Academy to limit the risk of COVID-19 exposure and to ensure adherence to social distancing requirements.

**Non-Governmental Organization (NGO).** The APD will extend their current partnership with Recovery Survival Network. The collaborative program targets the needs of those experiencing homelessness who are involved in the criminal justice system by providing safe, alternative housing with critical support services designed to ensure public safety and address client needs and support client success. Additionally, this plan is responsive to the [emergency bail schedule](#) implemented by the Judicial Council of California, which is designed to safely reduce jail populations during the COVID-19 pandemic. CESF funds will be used to provide safe emergency housing through a hotel block rental to both unhoused individuals released from jail prior to case

adjudication and other unhoused, justice-involved adult residents of San Francisco.

**Equipment.** CESF funds will also be used to address equipment needs. The SFDA will use funds to support the significant expansion of their office's remote work. Early in the COVID-19 pandemic, SFDA staff receiving work product from law enforcement were exposed to COVID-19 and under seemingly avoidable circumstances. SFDA determined that files and case information could be shared digitally and pivoted from largely paper based case processing to digital case files in record time. This has allowed for efficient and fully informed decision making, while keeping our community safe. To maintain both the reduced in-person staffing and a secure remote work environment the office is digitizing all case information. This case information is data which needs to be backed up on servers using a specific back-up software and a target appliance. The creation of digital case files includes increased video media putting an additional strain on our current back-up solution. Unfortunately, existing resources are not able to support the increased demands on the IT infrastructure. This must be replaced to support the additional capacity of the environment. Without proper back-ups if there was an issue where data was deleted SFDA would not be able to recover the lost data. These funds will allow the SFDA to continue to support efforts to digitize records, and back them up to meet legal records retention requirements- all without compromising the office COVID-19 response.

The JPD will use CESF funds to address immediate technology needs and the basic needs of youth and clients. Funds will be used to support youth detained in Juvenile Hall and will allow for the purchase of much needed Wireless Access Points, tablets, and laptops. Funds will also support laptops for staff to support working remotely.

The SFPDR will use CESF funds to obtain software, equipment and programming expertise to digitize the documents in its practice, convert in-person and in-office work into remote collaboration, and minimize its clients' exposure to the jails and the operations of the criminal justice system. SFPDR requires computers and server space to transfer and store the contents of physical disks to remote-accessible storage. SFPDR will also obtain industrial document scanners and software to convert the high volume of paper in its practice to digital format. With cameras and computers obtained through CESF, SFPDR will provide its personnel and indigent clients with the ability to "zoom" into court and "meet" with each other over video contact.

**2.2** These approaches above will meet re-entry related needs in numerous ways. First by preventing further exposure to COVID-19 for adult and juvenile criminal justice clients. Additionally, the CESF grant will allow the City to collectively prepare and respond to the immediate staffing needs addressed by all stakeholder departments.

### **3. CESF Local Advisory Committee**

**3.1** The process used to determine who would serve on the CESF Local Advisory Committee Criteria included a series of meetings from the existing body of stakeholders who have experience and expertise in the proposed program and services to be implemented by this proposal. Existing stakeholders include San Francisco District Attorney's Office, San Francisco Public Defender's Office, Juvenile Probation Department, San Francisco Adult Probation Department, San Francisco Police Department, San Francisco Sheriff's Office and the Department of Children Youth and Their Families (DCYF). A collective decision was made to add one non-governmental community-based organization (CBO) provider who works closely with several stakeholder departments and is impacted by the proposal and who will provide housing support. The CBO, Recovery Survival Network, is a 501(c) (3) non-profit foundation serving the greater Bay Area since 1996. They have been assisting ex-offenders, the homeless, veterans, adults, young adults, at-risk-youth, and people re-entering society from residential drug / alcohol treatment programs, and the criminal justice system. Their main purpose is to connect ex-offenders seeking survival skills training programs and providers combined with our peer-to-peer recovery and support services. The DCYF will serve as the Lead Public Agency.

**3.2** The CESF Local Advisory Committee Roster is included as Appendix D.

**3.3** The Project Work Plan is included as Appendix E.

Governing Board Resolution, Appendix I, is pending.

## Appendix I: Certification of Compliance with BSCC Policies on Debarment, Fraud, Theft and Embezzlement

(Page 1 of 2)

It is the policy of the BSCC to protect grant funds from unreasonable risks of fraudulent, criminal, or other improper use. As such, the Board will not enter into contracts or provide reimbursement to applicants that have been:

1. debarred by any federal, state, or local government entities during the period of debarment; or
2. convicted of fraud, theft, or embezzlement of federal, state, or local government grant funds for a period of three years following conviction.

Furthermore, the BSCC requires grant recipients to provide an assurance that there has been no applicable debarment, disqualification, suspension, or removal from a federal, state or local grant program on the part of the grantee at the time of application and that the grantee will immediately notify the BSCC should such debarment or conviction occur during the term of the Grant contract.

BSCC also requires that all grant recipients include, as a condition of award to a subgrantee or subcontractor, a requirement that the subgrantee or subcontractor will provide the same assurances to the grant recipient. If a grant recipient wishes to consider a subgrantee or subcontractor that has been debarred or convicted, the grant recipient must submit a written request for exception to the BSCC along with supporting documentation.

By checking the following boxes and signing below, applicant affirms that:

- I/We are not currently debarred by any federal, state, or local entity from applying for or receiving federal, state, or local grant funds.
- I/We have not been convicted of any crime involving theft, fraud, or embezzlement of federal, state, or local grant funds within the last three years. We will notify the BSCC should such debarment or conviction occur during the term of the Grant contract.
- I/We will hold subgrantees and subcontractors to these same requirements.

A grantee may make a request in writing to the Executive Director of the BSCC for an exception to the debarment policy. Any determination made by the Executive Director shall be made in writing.
