I, Bill Wycko, Environmental Review Officer of the Planning Department of the City and County of San Francisco (the Planning Department), hereby certify as follows:

1. As the Environmental Review Officer of the Planning Department, I am authorized to certify as to the compliance of the San Francisco Public Utilities Commission (SFPUC) with applicable requirements of the California Environmental Quality Act. (CEQA).
2. After consultation with the SFPUC, I understand that the SFPUC proposes to issue its Revenue Bonds (Water Series) in an amount not to exceed \$700,000,000 (the "Bonds") to finance certain improvements to the Water Enterprise of the City and County of San Francisco (the "City"). The improvements proposed for financing include those projects referenced in the following document, attached to this Certificate as Exhibit A:
  - A. *2009-2010 Annual Report, Water System Improvement Program, dated September 20, 2010:*  
[http://sfwater.org/Files/Reports/2009\\_2010\\_Annual\\_Progress\\_Report\\_Final\\_Revised\\_09\\_20\\_10.pdf](http://sfwater.org/Files/Reports/2009_2010_Annual_Progress_Report_Final_Revised_09_20_10.pdf)
3. I understand that Section 8B.124 of the City Charter grants authority to the City's Board of Supervisors to approve the issuance of indebtedness, including commercial paper, by ordinance upon two-thirds vote of its members and under certain conditions; further, this authorization has been granted through Ordinance No 189-09 dated 8/4/2009 and Ordinance No 089-10 dated 4/30/2010. A draft copy of the financing resolution authorizing the issuance of the Bonds is attached to this Certificate as Exhibit B:
  - B. *Board of Supervisors draft financing resolution authorizing the Bonds in an amount not to exceed \$700,000,000.*
4. I understand that one of the conditions to the Board of Supervisor's authorization of such indebtedness is the delivery of a certificate of the Planning Department regarding the projects to be financed.
5. The San Francisco Planning Commission certified the Water System Improvement Program (WSIP) Environmental Impact Report (EIR) on October 30, 2008, and has been certifying individual project EIRs as they are completed pursuant to CEQA. In addition, the Planning Department approves Initial Study/Mitigated Negative Declarations, and the ERO approves Categorical Exemptions. Exhibit A shows the dates on which documents for the WSIP and individual projects have been approved or certified and the schedule for future approvals.
6. Based on a review of the Projects and discussions with the SFPUC regarding the requirements for undertaking such Projects, I certify that the Projects under the jurisdiction of the SFPUC to be funded with proceeds of the Bonds, as such Bonds

are described in the Ordinance, will comply with applicable requirements of CEQA. Pursuant to the provisions of Chapter 31 of the San Francisco Administrative Code, any Project to be financed will comply with such applicable requirements prior to any draw on the Bond fund to finance the acquisition or construction of such facilities.

7. Based on a preliminary review of the additional Projects and discussions with the SFPUC regarding the requirements for undertaking such additional Projects, I certify that the Projects under the jurisdiction of the SFPUC to be funded with proceeds of the Bonds, as such Bonds are described in the Ordinance, (a) comply with applicable requirements of CEQA, or (b) are not considered to be projects under CEQA at this time and will undergo CEQA if and when they are defined. Pursuant to the provisions of Chapter 31 of the San Francisco Administrative Code, any additional Project to be financed will comply with such applicable requirements prior to any draw on the Bond funds to finance the acquisition or construction of such facilities.

In Witness Whereof, the undersigned has executed this certification as of this \_\_\_\_ day of May 2011.

By.

  
BILL WYCKO

Environmental Review Officer
