Re: Accept and Expend California Department of Health Care Services (DHCS) - Path Justice-Involved Capacity Building Program - \$2,597,683

This Resolution seeks authorization for the San Francisco Department of Public Health (SFDPH) to retroactively accept and expend funds in the amount of \$2,597,683 from the California Department of Health Care Services (DHCS).

This item is retroactive due to prolonged budget discussions between SFDPH and DHCS. SFDPH received notice of the award from the DHCS on August 29, 2023. Budget discussions then started between DHCS and SFDPH. SFDPH received grantor approval of the budget in early March 2024. The project start date of August 29, 2023, was predetermined by the grantor.

Upon receiving the final grant package including final budget, SFDPH put together the accept and expend packet and forwarded it to the Controller's Office for review on March 7, 2024. After discussing project term details, the Controller's Office approved the accept and expend and forwarded the signed package to the Mayor's Office on May 6, 2024, for introduction on May 14, 2024. We respectfully request retroactive authorization for this item.

Please contact Greg Wong, grants analyst, at greg.wong@sfdph.org for any questions about this request for retroactive authorization.
