98 Bottles of Beer on the Wall, Inc.
98 Turk Street
San Francisco, CA 94102

To whom it may concern:

We are applying to expand the premises at our existing Type 48 liquor licensed bar, located at 98 Turk Street, San Francisco.

We are currently operating 5PM-12MIDNIGHT every day of the week.

Our group has done business in the City of San Francisco for 20 years. We have been an integral part of many positive changes that have taken place in the Mission District, South of Market, the Tenderloin, and other neighborhoods over that span of time.

Our corner of Turk and Taylor Streets is home to a population of homeless and transient individuals, who engage in lawless behavior all hours of day and night. Our bar serves to improve the quality of life in the City of San Francisco in general because it provides a very unique, service-driven bar experience, like no other bar in the City. Our bar specifically improves the quality of life on our corner, because the foot traffic and activity we generate serves as a deterrent to the regular drug dealing on that corner, and the various disruptive behaviors of the homeless.

By expanding our business premises, we will be able to better serve our surrounding community, and to draw persons from all over San Francisco and the greater Bay Area to our block, which has traditionally been whatever the opposite of a destination is.

We have been operating on our corner for over a year, and expanded operations will in no way disrupt our neighbors' quiet enjoyment of their homes. We have a long track record of being stellar neighbors in densely populated neighborhoods.

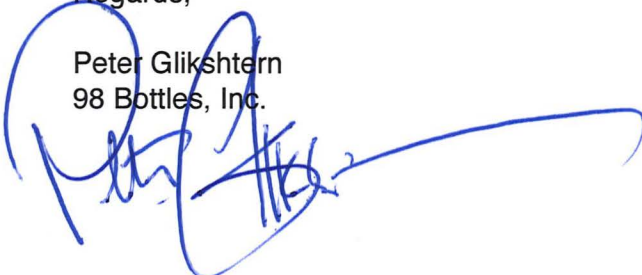

All of our staff live in San Francisco. We anticipate hiring several additional staff, most of whom will also be residents of the City, and the TL. This will serve to improve economic conditions of the area.

We have verified with the Planning Department that the area is properly zoned and SFPD's Tenderloin Station is in support of our application.

Allowing 98 Bottles, Inc. to expand the premises for our existing Type 48 license will serve the public convenience and necessity of the people of the City and County of San Francisco, in accordance with Section 23958.4 of the CA Business & Professions Code.

If you have any questions, or need additional information, please don't hesitate to call.
Regards,

Peter Glikshtern

Dear Mr. Langer:

On behalf of 3rd Street Youth Center & Clinic and the young people we serve, thank you for your generous donation of \$1,000. You are making a real difference in the lives Bayview Hunters Point's youth, and we are grateful for your commitment to our work.

We are proud and excited to be celebrating our 10th anniversary this year! We first opened our doors as a community effort to tackle the health burdens faced by the youth of Bayview Hunters Point. We've learned during that time that the health needs of these youth are complex and compounded by high levels of poverty and violence in their community. We've also learned that giving them a safe, nurturing, youth-focused place to seek support helps them to care and advocate for themselves and one another.

Over the past 10 years we have:

- Provided primary care to more than 3,500 youth to date through our clinic
• Provided mental health care to hundreds of youth through individual, family, and group therapy.
• Supported leadership development and emotional, social and physical health through a variety of youth development programs.
• Touched the lives of thousands more through our peer-based outreach program.

Generous support from community members like you has enabled us to grow and sustain our work over the last decade. Thank you for supporting 3rd Street's mission to help youth from Bayview Hunters Point make healthy and safe decisions that improve their physical, emotional, and social health, empowering them to become successful, contributing adults.

Sincerely,

Dear Peter,

I want to personally thank you for letting my event happen at Jones this year. Your support of my work with G.S.A. Network this past weekend for San Francisco's annual Pride Celebration means the world to me. I've been proud to support the great work at G.S.A. Network in the past and still believe our future can only be as good as the youth that lead it. After all, their voices will shape future policy and affect the change necessary to elevate the quality of life for all individuals.

With your support we raised an astonishing \$54,000. This money will be supporting Y.E.S. (Youth Empowerment Summit) a free annual conference for lesbian, gay, bisexual, transgender, queer and ally youth activists.

Thank you,

Dear Jones,

Thank you very much for your incredible support and commitment to CDS. We are especially thankful for your in-kind donation of Brunch for four to our Fiesta auction! This year our annual event featured a live, silent and online auction, dinner, drinks, dancing and entertainment. A wonderful time was had by all!

The primary purpose of Fiesta, our annual community celebration and auction, is to raise money in support of sliding scale tuition. Sliding scale tuition assists students who would not be able to attend CDS without financial support. Here at CDS, 31% of our students receive sliding scale tuition. We are proud to be a leader in socioeconomic diversity among San Francisco independent schools. We hope you know that your support of Fiesta and CDS truly makes a difference.

Again, thank you for your support!

Sincerely,

Dear Peter,

Thank you so much for your generous donation of \$500.00 to the Athletic Scholars Advancement Program (ASAP), which we received in December 2011. Every dollar of your support helps our students move closer to their goal of attending and graduating from college.

Since our students are the best spokespeople for the organization, I wanted to pass on some thoughts which Judy Grossman, the co-founder of ASAP, received in an email from one of our ASAP alums, Jerome, who is now a junior at San Diego State University:

I hope this letter finds you in great health and spirit. I was walking through campus today, and I realized how I've come a long way in this process we call life. I am doing very well in school and continuing to seize numerous opportunities presented to me in school. I consistently find myself thinking about the reasons why I am in this position in my life today, and I honestly know that you and the ASAP program had a huge influence in it. So this letter is also a way for me to express my gratitude towards you and all the ASAP volunteers. To this day, I am thankful for all the things that you've done for me which will never be overlooked.

I can safely say that I speak for all of the ASAP alumni students – thank you!! I wish you and all the ASAP volunteers the best.

So, on behalf of Jerome and all of our students, I want to pass along our sincere gratitude for your support. For tax purposes, please note that ASAP's Employer Identification Number is 90-0629388.

If you would like to come to visit ASAP and meet some of our students, please feel free to call Kate or myself at 415-241-6240, x 3104, and we would be very happy to set up a visit.
