LEGISLATIVE DIGEST

[Increase Police Department Permit Fees]

Ordinance amending the San Francisco Police Code by amending Section 2.1 to include a definition of "service fee" and amending Sections 2.26 and 2.27 to increase or establish certain Police Department permit filing, service and license fees and to delete duplicative or obsolete language, and making environmental findings.

Existing Law

Section 2.1 of the San Francisco Police Code currently defines the terms "filing fees and "license fee." Sections 2.26 and 2.27 specify Police Department permit filing fees and license fees, respectively.

Amendments to Current Law

The proposed legislation would add a definition of the term "service fee" in Section 2.1. The proposed legislation would amend Section 2.6 to increase or establish certain filing fees, and to add services fees for advertising and notices, backgrounds and fingerprints. Finally, the proposed legislation would amend Section 2.27 to increase certain license fees.

Background Information

The current fees set in these Sections do not cover the costs to the Police Department of providing the permit services. The proposed fee increases will cover those costs.
