1 [Building Code - Increase Fees]

3 **Ordinance amending the Building Code to increase fees charged by the Department of**

10

11 Be it ordained by the People of the City and County of San Francisco:

12

13 Section 1. Findings

14 (a) The Planning Department has determined that the actions contemplated in this
15 ordinance comply with the California Environmental Quality Act (California Public Resources
16 Code Sections 21000 et seq.). Said determination is on file with the Clerk of the Board of
17 Supervisors in File No. 230658 and is incorporated herein by reference. The Board affirms
18 this determination.

19 (b) On June 21, 2023, at a duly noticed public hearing, the Building Inspection
20 Commission considered this ordinance in accordance with Charter Section D3.750-5 and
21 Building Code Section 104A.2.11.1.1. A copy of a letter from the Secretary of the Building
22 Inspection Commission regarding the Commission's recommendation is on file with the Clerk
23 of the Board of Supervisors in File No. 230658.

24 (c) No local findings are required under California Health and Safety Code Section
25 17958.7 because the amendments to the Building Code contained in this ordinance do not

1 regulate materials or manner of construction or repair, and instead relate in their entirety to
 2 administrative procedures for implementing the code, which are expressly excluded from the
 3 definition of a “building standard” by California Health and Safety Code Section 18909(c).

4 (d) The amendments in this ordinance increase all fees charged by the Department of
 5 Building Inspection by 15 percent. The fees were last adjusted in 2015 by Ordinance No.
 6 159-15 (File No. 150559), which decreased all fees by seven percent below their previous
 7 values. Those values were last increased or set by Ordinance Nos. 107-09 (File No. 090588)
 8 and 122-08 (File No. 080719) in 2009 and 2008 respectively. Since 2015, inflation has
 9 resulted in approximately 32 percent increase in City costs. The Board of Supervisors hereby
 10 finds that the 15 percent increase is necessary to offset the Department of Building
 11 Inspection’s costs to provide services for which the fees are collected.

12
 13 Section 2. Chapter 1A of the Building Code is hereby amended by revising Section
 14 110A, to read as follows:

LEGISLATIVE DIGEST

[Building Code - Increase Fees]

Ordinance amending the Building Code to increase fees charged by the Department of Building Inspection by 15%; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

Building Code Section 110A establishes the fees for permits and services provided by the Department of Building Inspection in Tables 1A-A through 1A-S.

Amendments to Current Law

The fee tables in Section 110A are being amended to increase all fees by 15 percent.

Background Information

The fee tables were last increased in 2009. In 2015, the fees were reduced across the board, with minor exceptions, by seven percent from the 2009 values. The Proposed Legislation would increase fees by roughly eight percent over the 2009 values and 15 percent over the reduced fees set in 2015. The proposed fee increase is necessary to offset the City's costs to provide services, which have increased 32 percent since 2015. This legislation is part of the Mayor's budget presentation.

Dear Ms. Calvillo:

RE: File No. 230658

**Sonya Harris
Secretary**

**Monique Mustapha
Asst. Secretary**

Ordinance amending the Building Code to increase fees charged by the Department of Building Inspection by 15%; and affirming the Planning Department’s determination under the California Environmental Quality Act.

**Patrick O’Riordan,
C.B.O., Director**

The Code Advisory Committee (CAC) considered this Ordinance on June 14, 2023. The CAC voted unanimously to recommend that the Building Inspection Commission (BIC) recommend approval of this Ordinance as written in File No. 230658, with the added recommendation that the Building Department evaluate fees on an annual basis.

The Building Inspection Commission met and held a public hearing on June 21, 2023 regarding the proposed amendment to the Building Code contained in Board File No. 230658. The Commissioners voted 4 to 2, with Commissioners Bito and Neumann dissenting, to **recommend approval of the ordinance**. The BIC recommends the 15% increase as a minimum, and to meet the budget proposed by the BIC, encourages consideration of up to a 20% increase in fees.
