RE: Board of Supervisors Agenda Item #49 [Supporting California State Assembly Bill No. 1181 (Haney) - Firefighter Personal Protective Equipment: Perfluoroalkyl and Polyfluoroalkyl] File #250435

Position: Strongly CONCURRING

Removing toxic chemicals from firefighter gear and reaffirming San Francisco's commitment to the safety of its first responders is consistent with previous legislation passed by the Board of Supervisors.

I'm strongly concurring with this current Board of Supervisors resolution.

I'm also acknowledging the role of the California Professional Firefighters as the official sponsor of AB1181 for working with Assemblymember Haney in drafting this legislation.
